and to determine in each case how and under whose direction the money shall be expended; to impose any conditions and restrictions thereon which the Town may see fit; to determine how much money so appropriated shall be available for expenditures under General Laws (Ter. Ed.), Chapter 40, Section 5, Clause 34; to determine what, if any, sums so appropriated shall remain available after December 31, 1957; to fix the term and rate of interest of any such bonds or notes to fix such salaries as require to be fixed by the Town Meeting; and to impose such conditions upon the drawing of compensation from the Town as the Town may see fit; or take any other action in relation to any of the foregoing subjects.

#### ANNUAL VOTES

ARTICLE 2. (By Direction of Selectmen). To take any action the Town may desire upon the reports of the several Town Boards and Committees and to appoint or change any Committee that the Town may think proper.

ARTICLE 3. (By Direction of Selectmen). To see if the Town will vote to authorize its Treasurer, with the approval of the Selectmen, on and after January 1, 1958, to borrow in anticipation of the revenue of the year 1958.

ARTICLE 4. (By Direction of Selectmen). To see what sum of money the Town will vote from surplus for the use of the Assessors in determining the tax rate for the year 1957, or take any other action in relation thereto.

ARTICLE 5. (By Direction of Selectmen). That the Selectmen be authorized to sell or otherwise dispose of personal property and any real estate of which the Town has possession or title, including all property taken for non-payment of taxes, all such cases of sale to be made by public auction or private sale as the Selectmen may deem for the best interest of the Town, and that the Board or Officer in charge of any

other Town Department may, with the approval of the Board of Selectmen, sell at public auction or private sale, as the Board of Selectmen may approve, any personal property belonging to said Department which in the opinion of the Officer or Board in charge of the Department is no longer needed by the Town and which in the opinion of the Selectmen is not needed by any other Department, provided that in each case involving real estate, majorities of the Planning Board, Sewer Commissioners, Park Commissioners and Water Commissioners respectively vote to concur in the opinion that the property will not be needed for parks, playgrounds or other public use.

ARTICLE 6. (By Direction of Selectmen). To see if the Town will vote to authorize its Board of Selectmen to accept conveyances or mortgages of any real or personal property belonging to persons receiving relief from the Town, and to dispose of said property in the manner they may judge for the Town's best interest, and to authorize them to discharge any encumbrances on said property if they consider it for the best interest of the Town so to do, and to see what sum of money the Town will vote to raise and appropriate for the discharging of such encumbrances.

### STREETS AND SIDEWALKS

ARTICLE 7. (On Petition and by Direction of Selectmen). To see if the Town will accept the several reports of the Selectmen laying out as Town ways the following designated private ways and parts of ways or any of them, to wit:

Barbara Lane — From Pond Street to dead end.

Beach Road — From River Street approximately 350 feet southerly

 Witawamut Road — From Wessagusset Road to Wadaga Road.

or any portion of said ways, and will authorize the Board of Selectmen to acquire by gift or purchase or take by right of eminent domain in fee or otherwise for all purposes of a public street and highway in and over each of said streets as laid out and accepted, and see what sum of money the Town will vote to raise and appropriate for the working of each of the above-named streets, including the acquisition of the fee above referred to and for the building of any bridges, drains and conduits or securing easements which may be necessary in connection therewith, and to see whether the Town will authorize the Board of Selectmen to accept deeds of any reservation strips existing in connection with any of said streets, or take any other action in relation thereto.

ARTICLE 8. (By Direction of Selectmen). To see what sum of money the Town will vote to raise and appropriate for the construction of:

Blanchard Road Extension	Manomet Road
Grandview Road	Mountainview Road
Hobomac Road	Poinsettia Avenue
Harborview Road	Southern Avenue

accepted by the Town under Article 7 of the 1956 Annual Town Meeting, but not worked, or take any other action in relation thereto.

ARTICLE 9. (By Direction of Selectmen). To see what sum of money the Town will vote to raise and appropriate to reconstruct, resurface, widen, straighten, relocate or work, Commercial and Pleasant Streets, or any portion of said way and for the building of any bridges, drains and conduits, or securing easements which may be necessary in connection therewith, and to see whether the Town will authorize the Board of Selectmen to accept deeds or any reservation strips existing in connection with said street, provided the State, or County, or both will appropriate a sum of money to help defray the expenses of such work; and transfer from surplus funds that the Town may have, the county and state share of said cost, the amount of this transfer or reimbursement to be credited to the account from which it came; and will authorize the Board of Selectmen to acquire by gift, purchase or take by right of eminent domain in fee or otherwise for all purposes of a public street and highway in and over said street and such property as may be necessary or take any other action in relation thereto.

ARTICLE 10. (At Request of George E. Lane and others). To see if the Town will raise and appropriate or borrow the sum of \$250,000.00 for continuance of the Major Highway Program for reconstruction of main streets and roads including Commercial Church, Green, Evans, Pleasant Streets provided that Chapter 90 funds, if any, may be used for this purpose, or take any other action in relation thereto.

ARTICLE 11. (By Direction of Selectmen). To see if the Town will take by right of eminent domain in fee or otherwise the lands and buildings at 1349 to 1379 Pleasant Street as shown on plan entitled "Plan of land in Weymouth, Mass. Proposed Land Taking" plan 204-B dated October 1956 made by Arthur J. Bilodeau, Town Engineer, for the purpose of widening Pleasant Street, or take any other action in relation thereto.

ARTICLE 12. (At Request of George E. Lane and others). To see what sum of money the Town will raise and appropriate for relocation, reconstruction and rebuilding of Pleasant Street from 1293 Pleasant to Water Street and for damages involved in the work, or take any other action in relation thereto.

ARTICLE 13. (By Direction of Selectmen). To see if the Town will vote to raise and appropriate by taxation or otherwise the sum of three hundred (300) dollars for the purpose of purchasing a parcel of land at Ledge Hill Road from the Weymouth Lodge No. 1299 Loyal Order of Moose, said parcel of land being shown on plan entitled "Weymouth, Mass. Land Taking Ledge Hill Road at Commercial Street" dated May 1956 Plan No. 11-B-1 made by Arthur J. Bilodeau, Town Engineer," for the purpose of widening said Lodge Hill Road, or take any other action in relation thereto.

ARTICLE 14. (By Direction of Selectmen). To see if the Town will vote to raise and appropriate by taxation or otherwise the sum of one hundred (100) dollars for the purpose of purchasing a parcel of land at the intersection of Essex and Broad Streets from George W. Killory, said parcel of land being shown on Plan entitled "Plan of Land in Weymouth, Mass." dated November 1956, Plan No. 190-B-1 made by Arthur J. Bilodeau, Town Engineer, for the purpose of widening said streets, or take any other action in relation thereto.

ARTICLE 15. (By Direction of Selectmen). To see if the Town will vote to abandon a small triangular parcel of land shown as Lot B on a plan entitled "Plan of Subdivision of land in Weymouth, Mass.," dated October 14, 1956, by Arthur J. Bilodeau, Registered Land Surveyor, said land not needed by the town in the relocation of Belmont Street, and to see if the Town will vote to accept relocated Belmont Street as shown on said plan as a public way, or take any other action in relation thereto.

ARTICLE 16. (By Direction of Selectmen). To see if the Town will vote to raise and appropriate the sum of \$4,250.00 to remove ledge and widen Westminster Road at approximately No. 72. Work to be done by private contract under the direction of the Board of Selectmen and Town Engineer, or take any other action in relation thereto.

ARTICLE 17. (By Direction of Selectmen). To see if the Town will vote to raise and appropriate a sum of money for the reconstruction of Evans and Middle Streets under the provisions of Chapter 718 of the Acts of 1956, or take any other action in relation thereto.

ARTICLE 18. (By Direction of Selectmen). To see if the Town will vote to raise and appropriate by taxation, or otherwise the sum of \$10,500.00 for the construction of a retaining wall on the southerly side of Oak Street, wall beginning at the intersection of Oak Street and Pine Street, and ending at 27 Oak Street, a distance of approximately 350 feet, or take any other action in relation thereto.

ARTICLE 19. (By Direction of Selectmen). To see if the Town will

accept the report of the Selectmen laying out as a Town Way Manomet Road from Wessagusset Road to Grandview Road and to take by right of eminent domain in fee or otherwise the Barn Structure and necessary land of Charles and Edna Chase, of 189 Sea Street, or take any other action in relation thereto.

ARTICLE 20. (By Direction of Selectmen). To see if the Town will vote to instruct the Superintendent of the Sewer Department when black topping the area after completing installation of a sewer main down the center of said street to run the black top from curbing to curbing, or take any other action in relation thereto.

ARTICLE 21. (By Direction of Selectmen). To see what sum of money the Town will appropriate to black top present existing sidewalk between Maple Street and Chard Street on Middle Street across from High School, or take any other action in relation thereto.

ARTICLE 22. (By Direction of Selectmen). To see if the Town will vote to raise and appropriate the sum of \$5,000.00 for black topping of a sidewalk on the southerly side of Columbian Street (Route 128) from the Braintree Town Line to the intersection of Park Avenue and Columbian Street, provided work to be completed only if the State Department of Public Works prepares the area for black top; work too be done by a contractor, or take any other action in relation thereto.

ARTICLE 23. (By Direction of Selectmen). To see if the Town will vote to raise and appropriate a sum of money by taxation or otherwise for sidewalks, curbing and resurfacing of Neck Street, or take any other action in relation thereto.

ARTICLE 24. (By Direction of Selectmen). To see what sum of money the Town will vote to raise and appropriate for the construction of a double barralled fifteen foot by six foot reinforced concrete box culvert more or less two hundred fifty feet long as recommended by Metcalf and Eddy Report. Culvert to be constructed at the intersection of Pine Street and Pleasant Street over Old Swamp River or take any other action in relation thereto. Work to be done by Private Contractor under the direction of the Board of Selectmen and the Town Engineer.

ARTICLE 25. (By Direction of Selectmen). To see what sum of money the Town will vote to raise or appropriate, by taxation or otherwise, for the installation of 1200 feet of pipe and several catch basins on Pleasant Street, from Swamp River to about 630 Pleasant Street, for drainage improvement, or take any other action in relation thereto. Said work to be done by the Highway Department.

ARTICLE 26. (On Petition and by Direction of Selectmen). To see if the Town will vote to raise and appropriate by taxation or otherwise the sum of \$7,765.00 for drainage improvements of parts of Ranger Circle, Saning Road, Phillips Street, Moreland Road, Bengal Road, Thomas Road and Front Street, these areas have previously been referred to the Drainage Committee and have in turn been recommended as necessary work to be done by the Highway Department, or take any other action in relation thereto.

ARTICLE 27. (By Direction of Selectmen). To see if the Town will vote to raise and appropriate by taxation or otherwise the sum of \$10,500.00 to install a Drainage System in Kensington Road and King Avenue; work to be done by Private Contract under the direction of the Selectmen and the Town Engineer. Reference being made to plan entitled "Plan

of Land in Weymouth, Mass. Kensington Road Drainage" Plan No. 65-B dated December 1956 made by Arthur J. Bilodeau, Town Engineer, or take any other action in relation thereto.

ARTICLE 28. (By Direction of Selectmen). To see if the Town will vote to raise and appropriate by taxation or otherwise the sum of \$1,800.00 for the drainage of Vanness Road (approximately 800 to 1,000 feet of pipe), or take any other action in relation thereto.

ARTICLE 29. (By Direction of Selectmen). To see if the Town will vote to raise and appropriate the sum of \$2,500.00 for the purpose of installing catch basins and drainage pipe to adequately drain the following streets: Hawthorne, Cedar, Raymond, Myrtle and Grove Streets; drains to be connected to the Water Street drainage system. Said work to be done by the Highway Department, or take any other action in relation thereto.

ARTICLE 30. (By Direction of Selectmen). To see if the Town will vote to raise and appropriate by taxation or otherwise a sum of money to rectify embankment conditions and drainage on Great Hill Drive, or take any other action in relation thereto. Work to be done by Private Contractor under direction of the Selectmen and the Town Engineer.

ARTICLE 31. (By Direction of Selectmen). To see what sum of money the Town will raise and appropriate by taxation or otherwise to correct drainage problem at the East Weymouth Parking Area, or take any other action in relation thereto.

ARTICLE 32. (At Request of Drainage Committee). To see if the Town will vote to raise and appropriate by taxation or otherwise, the sum of \$155,500.00 for the installation of a drainage system for the Weymouth-Braintree Smelt Brook area as recommended in report by Metclaf and Eddy, Engineers, in report to Commonwealth of Massachusetts, Department of Public Works, dated April 17, 1956; that all work to be done under the direction of the Commonwealth of Massachusetts Department of Public Works; and that the Board of Selectmen be authorized to secure or accept any easements necessary for the above purpose; and the Town's share of the damages shall be payable from above appropriation provided the money to be made available only if the Town of Braintree make available a like amount and the Commonwealth of Massachusetts, Department of Public Works make available 50% of the entire cost, or take any other action in relation thereto.

ARTICLE 33. (At Request of Drainage Committee). To see if the Town will vote to raise and appropriate by taxation or otherwise, a sum of \$7,500.00 for the installation of 36" R.C. drainage line under the New York, New Haven and Hartford Railroad tracks at the northerly end of the Braintree-Weymouth Parking area as shown on proposed plan and profile showing proposed drain at New York, New Haven and Hartford Railroad in Weymouth, dated May 18, 1956; all work to be done by private contract, under the direction of the Boards of Selectmen and Town Engineers of Weymouth and Braintree; and that the Board of Selectmen be authorized to secure or accept any easements for the above purpose; the money to be made available only if the Town of Braintree make available a like amount or take any other action in relation thereto.

ARTICLE 34. (At Request of Drainage Committee). To see if the Town will vote to raise and appropriate by taxation or otherwise a sum of money to take care of drainage from the westerly boundry of the

Shaw School site to Mill River, shown on a plan by Arthur J. Bilodeau, Town Engineer, and the cleaning of Mill River 100 feet up-stream of the proposed drainage outlet to the culvert at West Street; all work to be done by private contract, under the direction of the Board of Selectmen and the Town Engineer, and that the Board of Selectmen be authorized to secure or accept any easements necessary for the above purpose, or take any other action in relation thereto.

ARTICLE 35. (At Request of Drainage Committee). To see if the Town will vote to raise and appropriate by taxation or otherwise a sum of money to take care of the drainage from Hinston Road, Sunrise Drive and Phillips Creek district to the Weymouth Back River. as shown on preliminary plan by Metcalf and Eddy, Engineers. All work to be done by private contract, under the direction of the Board of Selectmen and the Town Engineer, and that the Board of Selectmen be authorized to secure or accept any easements necessary for the above purpose. or take any other action in relation thereto.

ARTICLE 36. (At Request of Drainage Committee). To see if the Town will vote to raise and appropriate by taxation or otherwise a sum of money to take care of the drainage from the junction of Lincoln and Neck Streets, junction of Seabury and Green Streets in a northerly direction in Neck Street to Great Hill Drive, then easterly to Weymouth Back River, as recommended by Metcalf and Eddy; all work to be done by Private Contract, under the direction of the Selectmen and the Town Engineer, and the Board of Selctmen be authorized to secure or accept any easements necessary for the above purpose, or take any other action in relation thereto.

ARTICLE 37. (At Request of Drainage Committee). To see if the Town will vote to raise and appropriate by taxation or otherwise a sum of money to take care of drainage from the junction of Willow Avenue and Sea Street to Weymouth Fore River; all work to be done by Private Contract, under the direction of the Selectmen and the Town Engineer, or take any other action in relation thereto.

ARTICLE 38. (By Direction of Selectmen). To see if the Town will vote to raise and appropriate a sum of money for construction of sidewalks and curbing in the sidewalk building program; said money to be under the jurisdiction of the Board of Selectmen, or take any other action in relation thereto.

## SEWER

ARTICLE 39. (At Request of Sewer Commissioners). To see if the Town will vote to raise and appropriate a sum of money for the construction of common sewer and determine whether the money shall be provided for by taxation, by appropriation from available funds including sewer assessment funds, and by borrowing under authority of Chapter 44 of the General Laws, or take any other action in relation thereto.

ARTICLE 40. (At the Request of Sewer Commissioners). To see if the Town will vote to raise and appropriate a sum of money for the construction of particular sewers and determine whether the money shall be provided for by taxation, by appropriation from available funds including sewer assessment funds, and by borrowing under authority of Chapter 44 of the General Laws, or take any other action in relation thereto.

ARTICLE 41. (On Petition of James J. Doherty and others). To

see if the Town will vote to raise and appropriate by taxation or otherwise a sum of money to tie in Brook Terrace to the main sewer line on Pierce Road a distance of approximately 400 feet. or take any other action in relation thereto.

## EDUCATION

ARTICLE 42. (At Request of Building Committee). To see what sum of money the Town will vote to raise by taxation, or otherwise, and appropriate, for the purpose of constructing and originally equipping and furnishing an elementary school on the site off Front Street purchased from the Stetson Shoe Company, or take any other action in relation thereto.

ARTICLE 43. (At Request of Building Committee). To see what sum of money the Town will vote to raise by taxation, or otherwise, and appropriate, for the purpose of acquiring by gift, purchase, or eminent domain in fee part of Lot 15, Block 381 containing about 237,510 square feet, part of Lot 1, Block 434 containing about 487 square feet; Lot 4 containing 5,900 square feet, part of Lot 5 containing about 64,350 square feet, part of Lot 6 containing about 101,000 square feet, part of Lot 11 containing about 19,500 square feet, all in Block 433, and all as shown on Sheets 33 and 34 of the Atlas of the Town of Weymouth dated January 1, 1956, as a site for an elementary school and as access ways to the site the widening of Hanover Street by taking up to 10 feet of the lots abutting this street as follows: on the northeast side lots 6, 7, 8 and 9, Block 381, one southwest side Lot 1, Block 430; and a 40 foot right of way from Lane Avenue "extended" for a distance of approximately 150 feet to be taken from Lot 1, Block 434 all as shown on Sheets 33 and 34 of the Atlas of the Town of Weymouth dated January 1, 1956, or take any other action in relation thereto. (This site would be just south of the new Klasson and Ericson Shopping Center on Washington Street with the Hanover Street entrance off Middle Street). (9.84 acres).

ARTICLE 44. (At Request of the School Committee). To see what sum of money the Town will vote to raise and appropriate by taxation or otherwise for the purpose of preparing complete drawings and detailed specifications for the construction of a new elementary school on the site described in Article 43 above as a replacement for the present Center Portable School, or take any other action in relation thereto.

ARTICLE 45. (At Request of School Committee). To see what action the Town will take to exempt public school teachers, who are required to be members of the State Teachers' Retirement System (but not other school employees) from the provision for a complete examination prior to entrance into the Town's service as required under the new section 628 of the Town by-laws, which was adopted under Article 60 at the Annual Town Meeting in 1956, or take any other action in relation thereto.

ARTICLE 46. (At Request of Amy Hill Duncan and others). To see if the Town will vote to instruct the Moderator to appoint a committee consisting of two members of the School Committee, three members of former School Building Committees, the Superintendent of Schools, and nine residents and taxpayers for the purpose of making a complete investigation and study relative to administration, operation maintenance, management and costs of schools and school construction in the Town, said committee to report its findings and recommendations to the School Committee, Appropriation Committee and Annual Town Meeting no

later than March 1958, and that the sum of \$1,500.00 be raised and appropriated by taxation or otherwise for the use of the committee in its work, or take any other action in relation thereto.

## WATER

ARTICLE 47. (At Request of the Board of Water Commissioners). To see what sum of money the Town will appropriate for water works purposes to take by purchase, gift or take by eminent domain in fee a lot of land containing 1200 square feet located opposite No. 50 Hollis Street and shown on 1956 Town Atlas as Lot 18, Block 548 on Sheet 49 and owned by Edward W. Fasci and Mildred L. Fasci, joint tenants, or take any other action in relation thereto.

ARTICLE 48. (On Petition of Pond Plain Improvement Association). To see what sum of money the Town will vote to raise and appropriate to install a 12-inch reinforcing water main on Pond Street from No. 240 Pond Street to Thicket Street and to install a 10-inch reinforcing water main on Thicket Street from Pond Street to No. 125 Thicket Street, to be installed under the direction of the Water Commissioners, or take any other action in relation thereto.

## LIBRARY

ARTICLE 49. (At Request of Trustees of Tufts Library). That the Town vote to amend the Regulations for Tufts Library as presently amended so that said Regulations shall be as follows:

I. The Library shall be called the Tufts Library and shall be managed and controlled by a Board of Trustees consisting of nine Elective Trustees who shall be legal residents of the Town of Weymouth.

II. The term of office of said Elected Trustees shall be three years, and they shall be elected one-third each year at the Annual Town Election.

III. When any vacancy shall occur in said Board, in consequence of the refusal or neglect of any elected Trustee to accept office, or the death, resignation, or change of residence of any such Trustee to a place outside the Town of Weymouth, such vacancy shall be filled at the next annual Town election—"or take any other action in relation thereto."

## ZONING

ARTICLE 50. (On Petition and By Direction of Selectmen). To see if the Town will vote to amend its Zoning By-Laws and Zoning Map, Article X of the Town By-Laws, by making the following changes: Change of Districts. From Residential to Business, Lots 8, 9, 10, 11, 12 and 13 now or formerly the property of Charles C. Fortier and Helen E. Fortier, tenants by the entirety, and Lot 14 now or formerly the property of Dorthea F. Fucci, Block 533, Sheet 46, as shown in the Town Atlas revised to January 1, 1956, or take any other action in relation thereto.

## BY-LAWS

ARTICLE 51. (At Request of By-Law Committee). To see what sum of money the Town will vote to raise and appropriate for printing the By-Laws of the Town and Rules and Regulations of Town Departments or take any other action in relation thereto.

ARTICLE 52. (At Request of By-Law Committee). To see if the

Town will vote to revise, amend and/or add to the By-Laws of the Town of Weymouth, or take any other action in relation thereto, and more particularly the following:

A. Amend Section 504 of the By-Laws by striking out the present section and inserting in place thereof the following:—Section 504. All petitions for the acceptance of streets, new or otherwise, must be presented to the Board of Selectmen not later than August first previous to the Annual Town Meeting, and such streets may be accepted only at an annual town meeting.

B. Amend Section 506 of the By-Laws by striking out the present section and inserting in place thereof the following section:—Section 506. No street or way shall be laid out or accepted by the Town of Weymouth of a width less than forty feet, unless the same shall have been actually opened and used for public travel prior to January 1, 1924 and is recommended and approved by the Selectmen, Superintendent of Streets, Superintendent of Sewers, Superintendent of Water, Public Health and Town Engineer.

C. Amend Section 508 by striking out in line 8 the words “75 percent” and inserting in place thereof the words “90 percent,” so as to read as follows:—

Section 508. Any street or way constructed through private land by the owners thereof in accordance with the specifications set forth in Section 511, may be laid out and accepted as a public street in the Town of Weymouth, provided such action is taken in accordance with provision of Chapter 50 of the Revised Laws of Massachusetts and amendments thereof; and provided also, that the owners of at least 90 percent of the lands through which such street or way passes, have signed releases of all property which the town deems it necessary to acquire for such layout and accepted and have granted sloping privileges.

D. Amend Section 511 striking out the first two paragraphs as most recently amended by vote of the 1956 Annual Town Meeting and inserting in place thereof the following:—Section 511. A plan and profile done in ink on tracing cloth 19 inches wide by 28 inches long or 24 inches wide by 36 inches long at a scale of one inch to 40 feet of each street. The survey and plan work will be accomplished by a private Registered Engineer or Registered Land Surveyor and the cost of the work will be borne by the abutters and/or petitioners. The Engineer or Surveyor will design a satisfactory road grade and indicate the necessary drainage. He will set the necessary bounds as indicated by the Town Engineer. He will clear his plan with the Sewer, Water, Street, Health, and Engineering Departments, who in approving the plan will sign the linen in the appropriate spaces provided.

Such plan will show all physical characteristics of the Street presented for acceptance, i. e., all property lines for at least 50 feet from proposed street, the names of the respective owners as of a date and not earlier than September first of the year in which the petition is filed, the correct locations of all buildings, hydrants, catch basins, manholes, utility poles, all easements necessary for drainage, sewer or water mains, all stone bounds, all survey data necessary to lay out the proposed street. The linen and 8 additional prints will be delivered to the office of the Selectmen no later than October first of the year in which the petition is filed.

E. Amend Section 501, Paragraph 1 of the By-Laws by striking out in line 7, the words "twenty-five cents" and inserting in place thereof the words "one dollar" so as to read as follows:—

No person or corporation shall make any excavation within the limits of any public way in the town except upon and in accordance with the conditions of a permit to be issued by the Board of Selectmen, such permit to be issued only upon the written application stating the location and extent of the proposed excavation and a fee of one dollar shall be charged for each permit issued.

F. Delete Paragraph 3, Section 501 of the By-Laws which now reads: Except in the case of a leak or break in some underground installation or for the purpose of setting telegraph or other poles, no such permit shall be granted to open any street or way between the time when the ground freezes in the Autumn and the time when the frost is out of the ground in the Spring, which times for the purposes of this section be determined each year by the Board of Selectmen.

G. Amend Section 626 of the By-Laws by striking out in line 3 the words "two thousand dollars (\$2,000.)" and inserting in place thereof the words "Thirty-five hundred dollars (\$3,500.)" so as to read as follows:—

Section 626. If a person is employed by the Town and receives as salary and compensation for such employment a sum in excess of thirty-five hundred dollars (\$3,500.), he shall not receive any other compensation or salary from the Town derived from any other office position or employment of the Town unless otherwise authorized by vote of the Town.

H. Amend Section 629 of the By-Laws by striking out in line 4 the words "three years" and inserting in place thereof the words "five years" so as to read as follows!—No street, road or highway in the town shall be opened for installation of sewers, water mains, drains, public utilities or other purposes, except for emergency services, for five years after such street, road or highway has been reconstructed, rebuilt or relocated. Prior to reconstruction, rebuilding or relocation of any street, road or highway, the Board of Selectmen shall notify sewer highway and water departments and telephone, gas and electric companies not less than three months before actual work will be started.

I. Amend the By-Laws by adding a new section numbered 630 as follows:—No person, unless required by law so to do, shall make any marks, letters, figures of any kind or place any sign, advertisement or placard (Political or otherwise) upon or against any wall, fence, utility pole, post, ledge, stone, tree, building or structure, in or upon any public way in the town without the permission of the owner thereof, nor upon any sidewalk or upon any property of the town without the consent of the Selectmen. Whoever violates any of the provisions of this section shall be punished by a fine of not more than fifty (\$50.00) dollars.

J. Amend the By-Laws by adding a new section numbered 631 as follows:—

Section 631. Any vehicle on a public way in the town interfering with the work of removing or plowing snow, or removing ice therefrom, may be removed by or under the direction of the Superintendent of Streets to a public garage or any convenient place. The Superintendent of Streets shall, within a reasonable time, notify the Chief of Police of the removal of any such vehicle and of the place to which it has been removed and

the Chief of Police shall give like notice to the registered owner of the vehicle. The owner, before being permitted to remove the vehicle, shall establish his right so to do and pay to the town or to the keeper of storage, the cost of removal not exceeding ten dollars (\$10.00) and any storage resulting therefrom, not exceeding one dollar (\$1.00) per day.

K. Amend Section 704 of the Building Code by striking out the second paragraph and inserting in place thereof the following:—Upon request for a building permit, the builder will submit to the building inspector a linen and two prints of the proposed plot plan. The plan will show the entire building lot, a portion of the way or street on location, (public or otherwise) and an accurate location of the proposed building. This plan will be accomplished by a qualified Registered Engineer or Land Surveyor. It will be drawn on cloth in black India ink, scale 1" equals 40 feet, size 9½ inches by 14 inches. It will show the survey date required to distinguish the lot and building. The building inspector shall also require that all plans and computations bear the name of the person designing the plans and name of owner of proposed building.

L. Amend Section 715 of the Building Code (By-Laws) by adding thereto the following:—Elevations. All sill elevations of new structures will be set or approved by the Department of Engineering prior to the issuance of a building permit.

ARTICLE 53. (At request of George E. Lane and others). To see if the Town will vote to amend Section 504 of the By-Laws so as to read, "All petitions for the acceptance of streets must be presented to the Board of Selectmen not later than October first previous to the annual town meeting and all new streets must be accepted at an annual town meeting," or take any other action in relation thereto.

ARTICLE 54. (At Request of George E. Lane and others). To see if the Town will vote to amend Section 404 of the Town By-Laws so as to read ". . . he shall be responsible for the acts of any assistants employed by him and such assistants shall be paid by the town."

ARTICLE 55. (At Request of of George E. Lane and others). To see if the Town will vote to amend Section 404A of the Town By-Laws so as to read "The salary of the Town Counsel shall cover all work performed by him except examination of titles to real estate or actual appearance in court in the conduct of litigation or before administrative Boards or other tribunals."

ARTICLE 56. (At Request of American Federation of State, County and Municipal Employees, Local 772, A. F. of L.) To see if the Town will vote to amend Article 4, Sec. 409 of the Town By-Laws by accepting changes in the Salary and Wage Scale designated as Schedule I, II, and III, or take any other action in relation thereto.

ARTICLE 57. (At requests of the Personnel Board). To see if the Town will vote to amend Article 4, Section 409 of the Town By-Laws by accepting changes in Classifications of Pay Grades under Schedule A as follows, or take any other action in relation thereto.

Change titles of engineers to correspond with Civil Service classifications: Engineer II to Assistant Engineer and Draftsman Grade IV to pay grade S-8; Engineer I and Engineer Aide III to Chief of Party Grade III to pay grade S-7; Engineering Aide II to Instrumental Man and Drafts-

man Grade II to pay grade S-5; Engineering Aide I to Rodman Grade I to pay grade S-3.

## PROTECTION OF PERSONS AND PROPERTY

ARTICLE 58. (At Request of Tree Warden and Moth Department). That the Town vote to raise and appropriate the sum of \$25,000.00 for the control of Dutch Elm Disease under the requirements of Chapter 132 of the General Laws as most recently amended by Chapter 657 Acts of 1956 or take any other action in relation thereto.

ARTICLE 59. (By Direction of Selectmen). To see if the Town will vote to raise and appropriate the sum of \$500.00 for the purpose of maintaining during the ensuing year, the mosquito control works as estimated and certified to by the State Reclamation Board in accordance with the provisions of Chapter 112, Acts of 1931 or take any other action in relation thereto.

ARTICLE 60. (By Direction of Selectmen). To see if the Town will vote and appropriate by taxation or otherwise the sum of \$8,000.00 for the Town's share in the South Shore Mosquito Control District, or take any other action in relation thereto.

ARTICLE 61. (At Request of George E. Lane and others). To see what sum of money the Town will raise and appropriate for mosquito control work under the direction of the Tree and Moth Department, or take any other action in relation thereto.

ARTICLE 62. (By Direction of Selectmen). To see what sum of money the Town will vote to raise or appropriate by taxation or otherwise for the continuation of the seawall on Aspinwall Avenue and Fort Point Road; the Wessagusset Beach Area, from North Street to Wessagusset Yacht Club, or take any other action in relation thereto.

ARTICLE 63. (At Request of George E. Lane and others). To see what sum of money the Town will raise and appropriate for sea walls in the Weymouth Back River in area of Neck Street and extension of sea walls on shores of Quincy Bay, or take any other action in relation thereto.

ARTICLE 64. (On Petition of Everett E. Callahan and others). To see what action the Town will take in the employment of women traffic officers.

ARTICLE 65. (By Direction of Selectmen). To see if the Town will vote to raise and appropriate a sum of money by taxation or otherwise for the purchase of two (2) Aluminum type Rescue Rowboats, one for Whitman's Pond, one for Wessagusset Beach, or take any other action in relation thereto.

## PARKS AND PLAYGROUNDS

ARTICLE 66. (At Request of Park Department). To see if the Town will vote to transfer to the care, custody and management and control of the Park Department the land shown as Lot 6, Block 487, Sheets 40 and 44, and Lot 8, Block 486, Sheet 40, as they appear in the Atlas of the Town of Weymouth for the year 1954, or take any other action in relation thereto.

ARTICLE 67. (At Request of Park Department). To see if the Town will vote to raise and appropriate a sum of \$2000.00 for the purpose of constructing an addition onto the shed at Weston Park, or take any other action in relation thereto.

ARTICLE 68. (At Request of Park Department). To see if the Town will vote to raise and appropriate the sum of \$3000.00 for the purpose of developing and equipping a playground on land recently acquired from the Government shown on the Town Atlas as Lot 1, Block 25, Sheets 4 and 7, 1954, containing approximately 344,800 square feet, or take any other action in relation thereto.

ARTICLE 69. (At Request of Park Department). To see if the Town will vote to allow the Park Department to spend funds available in the Idlewell Playground account to equip the playground as well as to further develop the area, or take any other action in relation thereto.

ARTICLE 70. (At Request of Park Department). To see if the Town will vote to raise and appropriate a sum of money to fence in a waterhole on the playground property at the foot of Julia Road, North Weymouth, Mass. or take any other action in relation thereto.

ARTICLE 71. (At Request of Park Department). To see if the Town will vote to raise and appropriate a sum of money for the further development and equipping of a playground at the foot of Julia Road. North Weymouth, Mass., or take any other action in relation thereto.

ARTICLE 72. (At Request of Park Department). To see if the Town will vote to raise and appropriate a sum of money for the purpose of resurfacing and draining the tennis courts at Stella Tirrell Park, or take any other action in relation thereto.

ARTICLE 73. (At Request of Weymouth Pony League). To see if the Town will vote to lease for park purposes and to be under the jurisdiction of the Park Department, part of Lot 9, Block 291, Sheet 22, known as Clapp Memorial Field as shown in the Town of Weymouth Atlas for 1956, or take any other action in relation thereto.

ARTICLE 74. (At Request of Weymouth Pony League). To see what sum of money the Town will vote to raise and appropriate by taxation, or otherwise, for the purpose of constructing and developing a play area and ball field at Clapp Memorial Field to be under the jurisdiction of the Park Department, or take any other action in relation thereto.

ARTICLE 75. (At Request of George E. Lane and others). To see what sum of money the Town will raise and appropriate for the construction of a playground and purchase of equipment for same to be located on the property of the Veterans Housing Project on or near Lake Street and bordering Whitman's Pond, or take any other action in relation thereto.

ARTICLE 76. (At Request of the Homestead School P. T. A., Weymouth Manor Association, and Briarwood Association). To see what sum of money the Town will appropriate to utilize and improve Town property adjacent to the Homestead School, which property is now under School Committee title, so as to provide a multiple play area, under the supervision and maintenance of the Park Department, or take any other action in relation thereto.

ARTICLE 77. (At Request of George E. Lane and others). To see if the Town will vote to create a 7-member Park and Recreation Commission in accordance with Chapter 45, Section 14, of the General Laws of Massachusetts, or take any other action in relation thereto.

## UNCLASSIFIED

ARTICLE 78. (By Direction of Selectmen). To see if the Town will vote to raise and appropriate a sufficient sum of money for the construction of a wall and installing of a chain link fence along brook at the Herring Run on Commercial Street; in the netting area, or take any other action in relation thereto.

ARTICLE 79. (By Direction of Selectmen). To see if the Town will vote to raise or appropriate by taxation or otherwise the sum of \$3425.80 for the completion of the Dog Pound, or take any other action in relation thereto.

ARTICLE 80. (At Request of Public Works Building Committee). To see what sum of money the Town will vote to raise and appropriate for construction of a Public Works Building or Highway Department Building to be erected on land on Winter Street, purchased by the Town for this purpose, in accordance with plans of the Public Works Building Committee, the custody of said building to be under the control of the Board of Selectmen, or take any other action in relation thereto.

ARTICLE 81. (At Request of Public Works Building Committee). To see what sum of money the Town will vote to raise and appropriate to purchase, accept as a gift or take by right of eminent domain in fee simple for the purpose of expansion of Public Works Building and storage of materials, land of Edward T. Dwyer, shown as Lot 7, Block 375, Sheet 29, of the Town of Weymouth Atlas corrected to January 1, 1956, containing approximately 116,600 square feet, more or less, and that a sum of money be raised and appropriated for this purpose, or take any other action in relation thereto.

ARTICLE 82. (By Direction of Selectmen). To see if the Town will accept the recommendations of the Board of Selectmen relative to division of Precinct 6.

ARTICLE 83. (By Direction of Selectmen). To see if the Town will vote to raise or appropriate by taxation or otherwise a sum of money to remove building from the socalled Whitmarsh property at 105 Middle Street or to raze building and remove material from site, or take any other action in relation thereto.

ARTICLE 84. (By Direction of Selectmen). To see if the Town will vote to raise and appropriate by taxation or otherwise a sum of money to make the necessary repairs to the Town Hall and Town Hall Annex, or take any other action in relation thereto.

ARTICLE 85. (By Direction of Selectmen). To see what action the town will take to instruct all town department heads that all town owned vehicles (except police cars used by Special Officers) must be marked by large letters on each side designating Town of Weymouth plus department to which it belongs, or take any other action in relation thereto.

ARTICLE 86. (At Request of Wessagusset District of the Old Colony Council, Boy Scouts of America and petitioners). To see what sum of money the Town will vote to raise by taxation or otherwise, and appropriate for the purpose of acquiring by gift, purchase, or eminent domain in fee, all or parts of Lot 2, Block 467, Sheets 42 and 38, containing approximately 553,500 square feet; Lot 3, Block 467. Sheets 42 and 38 containing approximately 253,000 square feet; Lot 1, Block 495, Sheet 42, containing about four acres; Lot 2, Block 495, Sheet 42, containing about 11.3 acres; and

Lot 3, Block 495, Sheet 42, containing about 300,000 square feet, as appear in the Atlas of the Town of Weymouth for the year 1956, said land being next to and south of the Bird Sanctuary and east of the So. Junior High School, for the purpose of creating a natural woodland park for conservation and outdoor youth activities such as is carried on by the Program of the Boy Scouts of America, said land to be under the jurisdiction of the Park Department, or take any other action in relation thereto.

ARTICLE 87. (By Direction of Selectmen). To see what action the Town will take to designate the Junction of Routes 3 and 18 as Seach Square in honor of William B. Seach, Weymouth's only Congressional Medal of Honor Winner, or take any other action in relation thereto, and appropriate a sum of money for the installation of a marker.

ARTICLE 88. (On Petition and By Direction of Selectmen). To see if the Town will vote to accept Chapter 733 of the Acts of 1956, "An act providing annuities to dependents of certain police officers and fire fighters killed in the performance of duty," or take any other action in relation thereto.

ARTICLE 89. (On Petition and By Direction of Selectmen). To see if the Town will accept Chapter 374 of the Acts of 1956, "(An Act relative to providing pensions for widows of Police and Fire Fighters under the non-contributory law," or take any other action in relation thereto.

ARTICLE 90. (On Petition of George E. Lane and others). To see if the Town will vote to instruct the Board of Assessors to submit to any taxpayer owning homes, lands or other properties, a notice of increased assessments on such properties prior to the sending of the annual tax bill or take any other action in relation thereto.

ARTICLE 91. (On Petition of Everett E. Callahan and others). To see what action the Town will take to appropriate a sum sufficient to audit the town accounts for the years 1952 through 1956, and, further, to instruct the Board of Selectmen to employ a competent auditing firm for this purpose.

ARTICLE 92. (By Direction of Selectmen). To see what action the Town will take to appoint a Committee of nine (9) to review our form of government with the view of strengthening and preserving our present type of government. This committee to report to the Board of Selectmen by December 1, 1957 and the Annual Town Meeting of 1958. This committee to consist of at least two Selectmen, one member of Planning Board, one Department head, and five private citizens, one from each of the five wards, or take any other action in relation thereto.

ARTICLE 93. (At Request of George E. Lane and others). To see if the Town will vote to set up a Zoning Appeal Board in accordance with Chapter 40, Section 30 of the General Laws of Massachusetts, or take any other action in relation thereto.

ARTICLE 94. (At Request of Weymouth Housing Authority). To see whether the Town of Weymouth will approve of the erection of a new housing project of the Weymouth Housing Authority and will approve all applications therefor and incident thereto of said Housing Authority in pursuance of the provisions of Chapter 667 of the Acts and Resolves of Massachusetts in the year 1954, titled "An Act to Provide for the Housing of Elderly Persons of Low Income" or take any other action in relation thereto.

ARTICLE 95. (At Request of George E. Lane and others). To see what sum of money the Town will raise and appropriate for proper lighting on Columbian and Washington Streets in areas of major food stores, or take any other action in relation thereto.

ARTICLE 96. (By Direction of Selectmen). To see what action the Town will take to limiting the number of consecutive years a man may serve as Selectman to two consecutive three year terms, or take any other action in relation thereto.

ARTICLE 97. (By Direction of Selectmen). To see what action the Town will take to prohibit all elected or appointed officials, who may be lawyers, from partaking in or engaging in any action either Civil or Criminal brought against the Town or any of its employees, or take any other action in relation thereto.

ARTICLE 98. (By Direction of Selectmen). To see if the Town will vote to raise and appropriate the sum of \$300.00 to be expended under the direction of the Board of Selectmen for the purpose of stocking the ponds and inland waters, located within the Town limits, with fish and/or liberating game, all in accordance with General Laws (Ter. Ed.) Chapter 10, Section 5, Clause 41, or take any other action in relation thereto.

ARTICLE 99. (On Petition of George E. Lane and others). To see if the Town will vote to adopt a new by-law prohibiting the attachment of political stickers, posters or other signs on utility poles and trees on town roads and streets without approval of the Board of Selectmen, violation of such a by-law subject to a \$50.00 fine, or take any other action in relation thereto.

ARTICLE 100. (At Request of George E. Lane and others). To see what sum of money the Town will raise and appropriate for a survey of recreational facilities under the direction of the Weymouth Youth Commission, or take any other action in relation thereto.

ARTICLE 101. (By Direction of Selectmen). To see if the Town will vote to raise and appropriate by taxation or otherwise a sum of money in the amount of \$30,723.80 to indemnify Kevin J. McNamara, an employee of the Town of Weymouth, who was at the time the claim arose acting within the scope of his official duties or employment, and that the defense of such claim was made by the Town Counsel of the Town of Weymouth, said sum of money to be paid as follows:

To Kenneth Peterson, individually, the sum of \$15,000 for personal injuries;

To Kenneth Peterson, Administrator of the Estate of Magdalene S. Peterson, for death and conscious suffering of the said Magdalene S. Peterson, the sum of \$10,275.50;

To Miss Etta Peterson for personal injuries the sum of \$5,448.30; making a total of \$30,723.80;

All in accordance with Chapter 41 of the General Laws (Ter. Ed.).

ARTICLE 102. (By Direction of Selectmen). To see what sum of money the Town will vote to raise and appropriate, for the purpose of acquiring by gift, purchase, or eminent domain in fee, the dam behind the Weymouth Lumber Company, in South Weymouth, and the dam behind the house of Henry Godin, in East Weymouth, together with ease-

ments which may be necessary in connection therewith, and for the repair or rebuilding of said dams, to help control floods, or take any other action in relation thereto.

ARTICLE 103. (By Direction of Selectmen). To see if the Town will vote to appoint a committee to make a study of common landing place or places on the tidal shores of the town in accordance with the provisions of Chapter 262 of the Acts of 1956, or take any other action in relation thereto.

You are hereby required to notify and warn said inhabitants of Weymouth qualified to vote in Town affairs in case all the articles in the foregoing warrant shall not have been acted upon at the meeting called for the fourth day of March, to meet in adjourned session at the hall of Weymouth High school on

WEDNESDAY THE SIXTH DAY OF MARCH, 1957

at seven o'clock and forty-five minutes in the evening, then and there to act upon such of the foregoing articles as shall not have been acted upon March fourth, or action upon which may at said meeting March fourth have been deferred until said adjourned session.

You are further requested to notify and warn the inhabitants of Weymouth qualified to vote in elections to meet at the polling place of their respective precincts, to wit:

- In Precinct 1 in the Bicknell School Hall;
- In Precinct 2 in the American Legion Hall on Commercial Street;

## ANNUAL AND ADJOURNED TOWN MEETING

March 4, 6, 8 and 9, 1957

### ANNUAL TOWN MEETING

March 4, 1957

Pursuant to a Warrant duly issued, the Annual Town Meeting of the inhabitants of the Town of Weymouth, represented by their duly elected and qualified Town Meeting Members, was held in the auditorium of the Weymouth High School on Monday, March 4, 1957.

The Meeting was called to order at 7:45 o'clock in the evening by the Annual Moderator, Mr. Daniel L. O'Donnell.

The Town Clerk, Mr. Harry Christensen, read the Call of the Meeting.

There were 220 Town Meeting Members present.

Upon motion duly made, it was

UNANIMOUSLY VOTED: That the reading of the Articles in the Warrant be suspended.

Prayer for Divine Guidance at this Annual Town Meeting was offered by the Rev. Raymond M. Scott, Pastor of the Third Universalist Church, North Weymouth.

There were no Town Meeting Members to be administered the oath by the Moderator.

The Moderator declared a quorum present.

We now continue with consideration of the Articles in the Warrant.

Upon request by the Appropriation Committee for unanimous consent to consider Article 57 at this time, and there being no objection, the Chair ruled that Article 57 would be considered at this time.

ARTICLE 57. (At Request of the Personnel Board). To see if the Town will vote to amend Article 4, Section 409 of the Town By-Laws by accepting changes in Classifications of Pay Grades under Schedule A as follows, or take any other action in relation thereto.

Change titles of engineers to correspond with Civil Service classifications: Engineer II to Assistant Engineer and Draftsman Grade IV to pay grade S-8; Engineer I and Engineering Aide III to Chief of Party Grade III to pay grade S-7; Engineering Aide II to Instrument Man and Draftsman Grade II to pay grade S-5; Engineering Aide I to Rodman Grade I to pay grade S-3.

Water Dept. Roswell, Foreman & Equip. Rep.	W-3 to W-4
Water Dept. Craig, Comp. Opr.	W-1 to W-2
Bd. of Health Clk. Dubois	S-1 to S-2
Sewer Dept. Wright	W-1 to W-2

Discussion ensued between Mr. Hollis, Mr. Roulston, Chairman of the Personnel Board; and Mr. Newton, Secretary of the Appropriations Committee.

Comes now the question on the motion by the Appropriation Committee under Item I of Article 57.

UNANIMOUSLY VOTED

MOVED by the Appropriation Committee:

2. That the Town vote to amend Article 4, Section 409 of the Town By-Laws by accepting changes in the Salary and Wage Scale designated as Schedule I, II, and III, with the following provisions:

- (a) That step rate increases in any future year be not automatic, but only on recommendation of the Personnel Board and by vote of an Annual Town Meeting, to be effective from April 1 of that year.
- (b) That no Town employee can receive more than one of the following in any future year:
  1. Step rate increase
  2. Reclassification
  3. General wage increase

Discussion ensued between Mr. Newton, Secretary of the Appropriation Committee, and Mr. Lane.

MOVED the following substitute motion by Mr. Lane:

That action on amendment of Article 4, Section 409 of the Town By-Laws be postponed to a Special Town Meeting to be called at the joint request of the Personnel Board and the Appropriations Committee; and that the sum of \$2,000.00 be appropriated from available funds (E & D Account) for the purpose of a review by an outside survey concern of Article 4, Section 409 of the Town By-Laws, the Classification and Pay Plan, as adopted on March 6, 1950 and amended to March 5, 1956, such a survey to be made as soon as possible under the direction of the Personnel Board which shall submit a report and recommended revised plan to the Special Town Meeting.

Lengthy discussion ensued involving several of the Town Meeting Members.

Comes now the question on the substitute motion by Mr. Lane.

Vote was taken and the Chair declared the substitute motion by Mr. Lane LOST.

MOVED by Mr. Amabile, of the Board of Selectmen, to amend the motion of the Appropriation Committee as follows, in 2(a):

That step rate increases be automatic from April 1st of that year.

MOVED by Mr. Garrison to amend the motion by the Appropriation Committee as follows:

That 2(b) be stricken from the motion by the Appropriation Committee.

Mr. Newton, Secretary of the Appropriation Committee, spoke on the motion and amendments.

Comes now the question on the motion to amend by Mr. Amabile.

Vote was taken and the Chair declared the amendment by Mr. Amabile to the motion by the Appropriation Committee LOST.

Further discussion ensued between Mr. Hollis, Mr. Roulston, Chairman of the Personnel Board, and Mr. Causer.

Comes now the question on the motion to amend by Mr. Garrison.

Vote was taken and the Chair declared the amendment by Mr. Garrison to the motion by the Appropriation Committee LOST.

Further discussion ensued between Mr. Nover and Mr. Newton, Secretary of the Appropriation Committee.

MOVED the following substitute motion by Mr. Nover:

That a five percent general increase be granted and the Wage Classification Plan be referred back to the Personnel Board for further study.

Further discussion ensued between Mr. Lane, Mr. Nover, Mr. Gaughan, and Mr. Cicchese, Town Counsel

Comes now the question on the substitute motion by Mr. Nover.

Vote was taken and the Chair declared the substitute motion by Mr. Nover LOST.

MOVED by Mr. Alemian the following amendment to the motion by the Appropriation Committee under Item 2 of Article 57:

That Classifications PF-1-1, PF-1-2, FA-2, and FA-3 of Schedule III of the Salary and Wage Classification be changed to read as follows:

		J	K	L	M	N	P
PF-1-1	Wkly	\$ 78.50	\$ 82.00	\$ 83.50	\$ 89.00	\$ 92.50	\$ 96.00
	Yrly	4082.00	4264.00	4446.00	4628.00	4810.00	4992.00
PF-1-2	Wkly	91.25	95.50	99.75	104.00	108.25	112.50
	Yrly	4745.00	4966.00	5187.00	5408.00	5629.00	5850.00
FA-2	Wkly	73.50	77.00	80.50	84.00	87.50	91.00
	Yrly	3822.00	4004.00	4186.00	4368.00	4550.00	4732.00
FA-3	Wkly	91.25	95.50	99.75	104.00	108.25	112.50
	Yrly	4745.00	4966.00	5187.00	5408.00	5629.00	5850.00

Discussion ensued between Fire Chief Murray, Mr. Gunn, Mr. Lane, Mr. Nolan, and Mr. Roulston and Mr. Butler of the Personnel Board.

Comes now the question on the amendment by Mr. Alemian to the motion by the Appropriation Committee under Item 2 of Article 57.

Vote was taken and the Chair declared the amendment by Mr. Alemian LOST.

MOVED by Mr. Gunn the following substitute motion in place of the motions made by the Appropriation Committee under Items 2 and 3 of Article 57.

That the amounts recommended by the Appropriation Committee be voted as a temporary increase for this year only and, further, that the matter of changing the Salary and Wage Scale be referred back to the Personnel Board with the provision that the services of a professional firm be retained to revise and bring up-to-date the Salary and Wage Classifications under the supervision of the Personnel Board and the sum of \$2,000.00 be appropriated for this purpose.

Further discussion ensued between Mr. Cahalan and Mr. Newton, Secretary of the Appropriation Committee.

Comes now the question on the substitute motion by Mr. Gunn in place of the motions made by the Appropriation Committee under Items 2 and 3 of Article 57.

Vote was taken and the Chair declared the substitute motion by Mr. Gunn LOST.

Comes now the question on the motion by the Appropriation Committee under Item 2 of Article 57.

Vote was taken and the Chair declared the motion by the Appropriation Committee under Item 2 of Article 57.

SO VOTED

MOVED by the Appropriation Committee under Item 3 of Article 57 as follows:

3. That the Town appropriate a sum of not more than \$5,000 for the purpose of employing an outside survey firm to revise and bring up to date the Salary and Wage Classification Plan.

MOVED by Mr. Lane to amend the motion by the Appropriation Committee under Item 3 of Article 57 as follows:

3. That the Town appropriate a sum of \$2,000.00 from available funds (E & D Account) for the purpose of employing an outside survey firm to revise and bring up to date the Salary and Wage Classification Plan under the supervision of the Personnel Board. \$2,000.00

Comes now the question on the amendment by Mr. Lane to the motion by the Appropriation Committee under Item 3 of Article 57.

Vote was taken and the Chair being in doubt the Chair appointed tellers who were sworn in as follows:

1st Division Mr. Gallagher

2nd Division Mr. Hearn

3rd Division Mr. Hunt.

A count was taken and the tellers reported 95 in favor, 86 opposed. The Chair then declared the amendment by Mr. Lane

SO VOTED

Comes now the question on the motion by the Appropriation Committee, under Item 3 of Article 57, as thus amended.

SO VOTED

(Recess from 10:45 P.M. to 11:00 P.M.)

Upon motion duly made by the Appropriation Committee, it was

UNANIMOUSLY VOTED: That Article 57, Item 1, 2 and 3, which includes Schedules I, II, III on Pages 42, 43 and 44 of the Appropriation Committee Report and Recommendations, as amended, be adopted in toto.

MOVED by the Appropriation Committee:

Reconsideration of Article 57.

Comes now the question on the motion by the Appropriation Committee.

Vote was taken and the Chair declared the motion by the Appropriation Committee LOST.

Upon request by the Appropriation Committee for unanimous consent to consider Article 56 at this time, and there being no objection, the Chair ruled that Article 56 would be considered at this time.

ARTICLE 56. (At Request of American Federation of State, County and Municipal Employees, Local 772, A. F. of L.) To see if the Town will vote to amend Article 4, Sec. 409 of the Town By-Laws by accepting changes in the Salary and Wage Scale designated as Schedule I, II, III, or take any other action in relation thereto.

Upon motion duly made by the Appropriation Committee, it was

UNANIMOUSLY VOTED: No action.

MOVED by the Appropriation Committee:

Reconsideration of Article 56.

Comes now the question on the motion by the Appropriation Committee.

Vote was taken and the Chair declared the motion by the Appropriation Committee LOST.

Upon request by Mr. Nover for unanimous consent to consider Article 64 at this time, and there being no objection, the Chair ruled that Article 64 would be considered at this time.

ARTICLE 64. (On Petition of Everett E. Callahan and others.) To see what action the Town will take in the employment of women traffic officers.

MOVED by the Appropriation Committee:

That the Town follow the request of the Chief of Police and employ Women Traffic Supervisors.

Discussion ensued between Mr. Callahan, the Chair, and Mr. Cahalon.

Following the discussion the Chair ruled that as a matter of parliamentary procedure the motion offered by the Appropriation Committee was not in order because of the wording of the Article itself.

Comes now the question on the acceptance of the ruling of the Chair.

SO VOTED

MOVED by the Appropriation Committee:

No action.

Discussion ensued between Mr. Lane, Mrs. Blanchard, Mr. Lovell and Mr. Callahan.

Comes now the question on the motion by the Appropriation Committee.

UNANIMOUSLY VOTED

ARTICLE 1. To see what sums of money the Town will vote to raise or borrow and appropriate for the salaries, operation and expenses during the current fiscal year of each of the following Town Departments and activities, necessary charges, and for unpaid bills of prior years.

Upon motion duly made by the Appropriation Committee, it was

UNANIMOUSLY VOTED: To provide for all expenses or maintenance and operation of each of the Town's several departments and activities for the fiscal year, for certain improvements, and to meet certain requirements of the law, the several sums hereinafter set forth are hereby appropriated for the several purposes and subject to the conditions specified, all such sums to be raised by taxation in the levy of the current year unless some other source of revenue is expressed. Step rate increases to be retroactive to January 1, 1957 for employees hired prior to January 1, 1953. Employees hired after January 1, 1953 shall not be entitled to a step rate increase before the anniversary of employment date.

MOVED by the Appropriation Committee upon suggestion by the Chair and

UNANIMOUSLY VOTED: To consider the Items under Article I Item by Item.

MOVED

ITEM 1. For personal services and expenses of the Appropriation Committee \$2,500.00

UNANIMOUSLY VOTED

MOVED

ITEM 2. For the Selectmen's Department \$11,157.00

The salaries of the Selectmen are hereby fixed at \$700 for the Chairman and \$600 each for four other members for the year. Of this sum \$120.00 shall be for the purchase of a set of Annotated Statutes for the Law Library.

UNANIMOUSLY VOTED

MOVED

ITEM 3. For the Town Accountant's Department \$20,803.00

Of this sum, not exceeding \$19,295.00 shall be for the personal services of the department. \$240.00 is provided in the total sum for travel outside the Commonwealth, in accordance with Clause 34, Sec. 5, Chap. 40 of the General Laws.

Discussion ensued between Mr. Lane and Mr. Newton, Secretary of the Appropriation Committee.

Comes now the question on the motion of the Appropriation Committee under Item 3 of Article 1.

UNANIMOUSLY VOTED

MOVED

ITEM 4. For the Town Treasurer's Department \$19,831.00

The salary of the Treasurer is hereby fixed at \$5,313.75. Of the total sum appropriated, not exceeding \$11,566.00 shall be for the personal services of the department.

For foreclosing tax titles, the sum of \$1,500.00.

UNANIMOUSLY VOTED

MOVED

ITEM 5. For the Tax Collector's Department \$28,178.00

The salary of the Tax Collector is hereby fixed at \$6,403.80 for the current year and all fees received by him shall be turned in to the Town Treasury. Of the total sum appropriated, not exceeding \$22,195.00 shall be for the personal services of the department.

UNANIMOUSLY VOTED

MOVED

ITEM 6. For the Assessors' Department \$30,488.00

Of this sum, not exceeding \$28,293.20 shall be for the personal services of the department and transportation of the Board. The salaries of the Assessors are hereby fixed at \$1,800.00 for the Chairman and \$1,650.00 each

for four (4) other members. Not exceeding \$4,391.40 shall be for the services of the Clerk who may be a member of the Board.

UNANIMOUSLY VOTED

MOVED

ITEM 7. For the Legal Department and personal expenses as incurred by the Town Counsel in performing duties as such. \$7,000.00

Of this sum, not exceeding \$2,500.00 shall be for the salary of the Town Counsel.

UNANIMOUSLY VOTED

MOVED

ITEM 8. For payment of damages and payments required under the Workmen's Compensation Act and for the payment of such unpaid bills as may be determined as proper obligations of the Town \$27,500.00

UNANIMOUSLY VOTED

MOVED

ITEM 9. For the Town Clerk's Department \$16,327.00

Of this sum, not exceeding \$13,747.00 shall be for the personal services of the Department. The Town Clerk shall be paid a flat salary for the performance of the duties of that office and the duties involved as clerk of the Board of Registrars. Such fees as the clerk may retain under the provisions of the statutes shall be computed as a part of the salary allowed. All other fees shall revert to the Town Treasury. The sum of \$5,103.80 is appropriated under this item for salary as town clerk, the sum of \$400.00 is appropriated under Article 1, Item 10 for salary as Clerk of the Board of Registrars and the sum of \$900.00 is estimated as the fees which may be retained by the Town Clerk, under the provisions of the statutes, thus making the total salary \$6,403.80. The sum of \$100.00 is provided in the total for travel outside the Commonwealth, in accordance with Clause 34, Section 5, Chapter 40 of the General Laws.

MOVED by Mr. Christensen, Town Clerk, to amend the motion of the Appropriation Committee as follows:

That the last sentence of the motion by the Appropriation Committee, "The sum of \$100.00 is provided in the total for travel outside the Commonwealth, in accordance with Clause 34, Section 5, Chapter 40 of the General Laws," be deleted and that the total amount of \$16,327.00 provided in the motion remain unchanged.

Comes now the question on the amendment by Mr. Christensen to the motion by the Appropriation Committee.

UNANIMOUSLY VOTED

Comes now the question on the motion by the Appropriation Committee as thus amended.

UNANIMOUSLY VOTED

MOVED

ITEM 10. For Elections \$2,643.00

For Registration of Voters \$8,944.00

The salaries of the Registrars are hereby fixed at \$350.00 for the Chairman and \$250.00 each for two other members and \$400.00 for the salary of the Clerk. Not exceeding \$3,911.00 shall be for the clerical services of the department.

UNANIMOUSLY VOTED

MOVED

ITEM 11. For the Engineering Department \$42,817.00

UNANIMOUSLY VOTED

MOVED

ITEM 12. For the Planning Board \$1,300.00

Of this sum not exceeding \$200.00 may be for personal services of the Planning Board.

UNANIMOUSLY VOTED

MOVED

ITEM 13. For the maintenance and upkeep of the Town Hall, Town Hall Annex and War Memorials at the Civic Center, including the grounds, to be expended under the direction of the Board of Selectmen \$42,621.00

Of this sum, not exceeding \$19,916.00 shall be for personal services.

Discussion ensued between Mr. Callahan and Mr. Crehan, Chairman of the Board of Selectmen.

Comes now the question on the motion by the Appropriation Committee.

UNANIMOUSLY VOTED

MOVED

ITEM 14. For the maintenance of the Civil War Soldiers' Monument and the King Philip War Memorial, including the grounds, to be expended under the direction of the Board of Selectmen \$100.00

UNANIMOUSLY VOTED

MOVED

ITEM 15. For the Police Department \$393,106.00

Of this sum, \$635.00 shall be appropriated from the parking meter receipts for the lighting of the South Weymouth and the Weymouth parking areas.

Of this sum, \$16,800.00 shall be appropriated from available funds (Excess and Deficiency Fund) for the purchase of new automotive and radio equipment. Authority is hereby granted to the Chief of Police to purchase new automotive and radio equipment and dispose of old equipment.

Of the total sum appropriated not exceeding \$348,847.00 shall be for the personal services of the department. Not more than \$150.00 may be used for travel outside the Commonwealth in accordance with Section 5, Chapter 40, Clause 34 of the General Laws.

Lengthy discussion ensued involving several of the Town Meeting Members.

MOVED by Mr. Carter to amend the last paragraph of the motion by the Appropriation Committee as follows:

That the sum of \$16,300.00 be added to the personal services item of Article 1, Item 15 so as to have this item read: "Of the total sum appropriated not exceeding \$365,147.00 shall be for the personal services of the department," thereby making a total appropriation for the Police Department of \$407,606.00; it being understood that this increase in the budget is due to this meeting's sense that there should not be women traffic supervisors and there should be regular police officers. \$407,606.00

Further discussion ensued involving several of the Town Meeting Members.

Comes now the question on the amendment by Mr. Carter to the motion by the Appropriation Committee.

Vote was taken and the Chair being in doubt a teller count was ordered. Count was taken and the tellers reported 121 in favor, 48 opposed.

The Chair then declared the amendment by Mr. Carter to the motion by the Appropriation Committee

SO VOTED

Comes now the question on the motion of the Appropriation Committee as thus amended.

SO VOTED

Upon motion duly made by the Appropriation Committee, it was

UNANIMOUSLY VOTED: That the Annual Town Meeting adjourn at 12:10 A.M. until 7:45 P.M., Wednesday, March 6, 1957.

A true copy: Attest:

HARRY CHRISTENSEN  
Town Clerk

## ADJOURNED ANNUAL TOWN MEETING

Wednesday, March 6, 1957

The Adjourned Annual Town Meeting was called to order at 7:45 in the evening of Wednesday, March 6, 1957 by the Annual Moderator, Mr. Daniel L. O'Donnell.

There were 196 Town Meeting Members present.

Prayer for Divine Guidance was offered by Rev. Fr. Robert V. Meffan of Sacred Heart Roman Catholic Church of Weymouth Landing.

There were no Town Meeting Members to be sworn in.

The Moderator declared a quorum present.

We now continue with consideration of the Articles in the Warrant, the first order of business being Item 16 of Article 1.

MOVED

ITEM 16. For the Fire Department \$400,513.00

Of this sum, \$24,200.00 shall be appropriated from available funds (Excess and Deficiency Fund) for the purchase of new automotive equipment. Authority is hereby granted to the Chief of the Fire Department to purchase new automotive equipment and dispose of the old equipment.

Of the total sum appropriated not exceeding \$346,858.00 shall be for personal services of the permanent members and \$3,000.00 for call men. Not more than \$300.00 may be used for travel outside the Commonwealth in accordance with Section 5, Chapter 40, Clause 34 of the General Laws.

UNANIMOUSLY VOTED

MOVED

ITEM 17. For the Inspector's Department \$17,081.00

Of this sum, not exceeding \$13,081.00 shall be for personal services of the department and \$285.00 for the Board of Appeals on building and zoning. Not over \$300.00 of the total is appropriated for travel outside the Commonwealth in accordance with Section 5, Chapter 40, Clause 34 of the General Laws.

UNANIMOUSLY VOTED

MOVED

ITEM 18. For the Sealer of Weights and Measures Department \$1,550.00

UNANIMOUSLY VOTED

MOVED

ITEM 19-20. For Gypsy Moth and all other insect pest extermination, to be expended under the direction of the Moth Superintendent and for care of shade trees \$58,693.00

Of this sum, not exceeding \$44,493.00 shall be for personal services of the department; and the base salary of the Moth Superintendent and Tree Warden is set at \$5,313.75.

Of the total sum appropriated, not less than \$5,000.00 shall be used for Gypsy Moth work.

Not more than \$150.00 may be used for travel outside the Commonwealth in accordance with Section 5, Chapter 40, Clause 34 of the General Laws.

MOVED by Mr. Hebert, Tree Warden, to amend the motion by the Appropriation Committee as follows:

That the sum of \$10,233.60 be added to the Tree and Moth Department budget for personal services for four laborers; that the sum of \$10,500.00 be added to the Tree and Moth Department budget for a truck mounted sky worker; that the sum of \$3,180.00 be added to the Tree and Moth Department budget for a trailer mounted brush chipper.

Discussion ensued between Mr. Hebert, Tree Warden, and Mr. Newton, Secretary of the Appropriation Committee.

Comes now the question on the amendment by Mr. Hebert to the motion by the Appropriation Committee.

Vote was taken and the Chair declared the amendment by Mr. Hebert LOST.

Comes now the question on the motion by the Appropriation Committee.

UNANIMOUSLY VOTED

MOVED

ITEM 21. For Street Lighting \$69,072.00

The Electric Lighting Committee is hereby authorized to contract with the Weymouth Light and Power Company for street lighting.

ITEM 44. For retirement of Bonds and Notes due in 1957 \$498,000.00

UNANIMOUSLY VOTED

MOVED

ITEM 45. For the Municipal Buildings Fire Insurance Fund \$1.00

UNANIMOUSLY VOTED

MOVED

ITEM 46. For fire and other insurance \$29,860.00

That the Board of Selectmen be directed to place such fire and other insurance except Group Life Insurance as meet the requirements of the Town through the licensed members of the Weymouth Association of Insurance Agents.

Discussion ensued between Mr. Garrison, Mr. Handrahan and Mr. Record.

MOVED by Mr. Garrison the following amendment to the motion by the Appropriation Committee.

That the Board of Selectmen be directed to place through the licensed members of the Weymouth Association of Insurance Agents such fire and other insurance except Group Life Insurance, Group Accidental Death and Dismemberment Insurance and Group Hospital Surgical and Medical Insurance as meets the requirements of the Town which are to be determined by the Board of Selectmen.

Further lengthy discussion ensued involving several of the Town Meeting Members and Mr. Handrahan.

Comes now the question on the amendment by Mr. Garrison to the motion by the Appropriation Committee.

Vote was taken and the Chair declared the amendment by Mr. Garrison LOST.

Comes now the question on the motion by the Appropriation Committee.

UNANIMOUSLY VOTED

MOVED

ITEM 47. For a Reserve Fund \$30,000.00

Of said sum, \$20,000.00 shall be appropriated from the Reserve Fund-Overlay Surplus.

UNANIMOUSLY VOTED

MOVED

Provided that no monies hereinbefore appropriated shall be expended for telephone service in private homes of any Town official except those of the Chiefs of Police and Fire Department.

Provided further, no monies hereinbefore appropriated shall be used for the purchase of motor vehicles except as otherwise specified in this article.

Provided further, that no monies appropriated, excepting the amounts supplied under Article 1, Item 2, of this warrant, shall be paid directly or indirectly as remuneration, compensation, or otherwise to any currently elected members of the Board of Selectmen for expenses or services rendered the Town in any capacity.

(The rider ending Article 1 applies in toto to Article 1.)

UNANIMOUSLY VOTED

The Moderator then made the following statement: The question now comes on the acceptance of Article 1 in toto as amended and voted Item by Item.

UNANIMOUSLY VOTED

(Recess from 9:45 P.M. to 10:00 P.M.)

MOVED by Mr. Cahalan:

That Article 101 be considered at this time.

Comes now the question on the motion by Mr. Cahalan.

Vote was taken and the Chair declared the motion by Mr. Cahalan LOST.

MOVED by Mr. Waitz:

That Item 19-20 of Article 1 be reconsidered at this time.

Comes now the question on the motion by Mr. Waitz.

Vote was taken and the Chair declared the motion by Mr. Waitz LOST.

ARTICLE 2. (By Direction of Selectmen). To take any action the Town may desire upon the reports of the several Town Boards and Committees and to appoint or change any Committee that the Town may think proper.

MOVED by the Appropriation Committee:

That all committees which have not rendered a final report be continued until the work under their charge is completed.

Mr. Heffernan, having been granted permission, submitted the following report.

Pursuant to the vote taken under Article 7 of the 1956 Annual Town Meeting, to wit: "That the Moderator appoint a committee of seven (7) to study, report and submit recommendations on all Unaccepted Streets in the Town at the next Annual Town Meeting" (the following is respectfully submitted:

The committee was organized by the Town Moderator May 7, 1956. Between May 7, 1956 and this date of submittal said Committee held eleven formal meetings.

The Town of Weymouth map showing all streets, accepted, paper or otherwise, was divided into 7 sections. Each member of the committee was assigned a section. All unaccepted streets were marked out for physical observation.

A chart breaking down various data was used in analyzing the unaccepted streets, i.e. name of street, if any, location on Town Atlas, length, width, type of existing road surface, drainage condition, utilities, number of houses, and committee recommendations.

Committee recommendations classified the Unaccepted Streets using the following Key ratings:

(A) — Any street built by a contractor or developer (Class A or B construction); any old established street that is paved and fully built up and that the Town maintains. Said street may be less than 40 feet wide — will have most all utilities.

(B) — 40 Foot Street — existing dirt road or better; some grading, drainage and utilities necessary; must be pretty well built up or be a connecting street; must have been in existence and in use prior to 1924; not to excessively expensive to build.

(C) — Similar to (B), but may be less than 40 feet — possible redesign and layout.

(D) — Similar to (B) and (C), however, cost to high; impractical to build; do not accept.

(E) — Discontinue — (Paper Streets) no houses, nothing in evidence on the ground.

As a result of this Analysis the Committee offers the following statistics:

	Total No.			
	Streets	40' or greater	Less than 40'	Paper Sts.
Feet	433	235,200	202½ — 122,120	230½ — 113,080
Miles		44.54	23.13	21.42
				15.40

In the course of Business the Committee recommended the following By-Law additions, deletions or changes to the By-Law Committee:

Section 504 — “Not later than October first” — changed to “Not later than August first.”

Section 506 — Deleted in its entirety, substitute the following: “No street or way shall be laid out or accepted by the Town of Weymouth of a width less than forty feet, unless the same shall have been actually opened and used for public travel prior to January 1, 1924 and is recommended and approved by the Selectmen, Superintendent of Streets, Superintendent of Sewers, Superintendent of Water, Public Health Agent and Town Engineer.”

Section 508 — In line 8 change “75 percent” to (“90 percent.”

Section 511 — Delete the first two paragraphs and substitute the following:

“A plan and profile done in ink on tracing cloth 19 inches wide by 28 inches long or 24 inches wide by 36 inches long at a scale of one inch to 40 feet of each street. The survey and plan work will be accomplished by a private Registered Engineer or Registered Land Surveyor and the cost of the work will be borne by the abuttees and/or petitioners. The Engineer or Surveyor will design a satisfactory road grade and indicate the necessary drainage. He will set the necessary bounds as indicated by the Town Engineer. He will clear his plan with the Sewer, Water, Street, Health, and Engineering Departments, who in approving the plan will sign the linen in the appropriate spaces provided.

Such plan will show all physical characteristics of the Street presented for acceptance, i.e., all property lines for at least 50 feet from proposed Street, the names of the respective owners as of a date not earlier than September first of the year in which the petition is filed, the correct locations of all buildings, hydrants, catch basins, manholes, utility poles, all easements necessary for drainage, sewer or water mains, all stone bounds, all survey data necessary to lay out the proposed street. The linen and 8 additional prints will be delivered to the office of the Selectmen **no later than October 1st** of the year in which the petition is filed.”

The compiled data and individual recommendations for each unaccepted street will be filed with the Board of Selectmen at a date no later than April 1, 1957.

Respectfully submitted

Walter B. Heffernan, Chairman  
Arthur J. Bilodeau, Vice-Chairman  
Daniel E. Slattery, Clerk  
Sydney C. Beane  
Norman Smith  
Walter Murray  
Henry Godin

Mr. Heffernan further stated that the proposed By-Law revisions would be considered under Article 52 and the streets the committee is recommending for acceptance would be under Article 7.

MOVED by Mr. Cahalan:

That the recommendations of the committee be accepted as read.

UNANIMOUSLY VOTED

The Chair expressed the thanks of the Town Meeting Members for the work of the committee.

Mr. Reilly, having been granted permission, presented the report of the Committee Investigating Fluoridation of the Town's Water Supply:

This is the second report of a Committee of Seven appointed under Article 44 of the March 1955 Town Meeting. Under this article, it was voted: “That the Moderator appoint a committee of seven to study the desirability of increasing the fluoridation concentration in the town water supply, including the probable cost. The committee appointed shall make a report at the next Annual Town Meeting.”

Due to the controversial aspects of this subject, your committee continued its investigation in 1956 in an attempt to evaluate the advisability of fluoridating the Weymouth Water Supply.

Our investigations included reports from the following National and State Associations: — The American Medical Association; The Department of Health, Education and Welfare, Public Health Service, Washington, D. C.; The American Water Works Association; The American Dental Association; The New England Water Works Association; The Massachusetts Department of Public Health.

In Weymouth, questionnaires from the dentists, physicians, and clergy were solicited also.

In nearly every case favorable endorsement of the principle of fluoridation was indicated along with certain qualifying conditions. These conditions were:

(a) Fluoridation is a safe, effective and economical procedure for the partial prevention of tooth decay.

(b) Water utilities may proceed with this additional service, provided all State and local health authorizations necessary to protect the utility in its practice of fluoridation are available, and also assurance that the utility will be compensated for the additional cost.

(c) Approval for a water utility to fluoridate must be obtained from the Massachusetts State Department of Public Health to properly establish, viz:

1. The type of equipment, the point of application, the fluoride compounds and the dosages to be used.
2. The State sampling program must be followed by the water utility officials.
3. Adequate facilities must be provided and records kept on approved forms.

Of the Associations questioned, The New England Water Works Association is the only association reporting that, "It is the majority opinion of the Executive Committee of the New England Water Works Association that the Association should take no stand in the approval or disapproval of fluoridation of water supplies."

Of the local groups, one group of the clergy felt that fluoridation was strictly a medical question, still unsolved, and another group that fluoridation interferes with their freedom.

In reviewing the pros and cons on this controversial subject, your Committee finds a preponderance of evidence in favor of fluoridation. While the vote of this committee is not unanimous, the majority of this committee is in favor of increasing the fluoride content of the Weymouth Water Supplies. It is, therefore, the recommendation of the majority of your Committee that the authority to fluoridate the Town's Three Water Supplies be established by submitting the question of adopting fluoridation in Weymouth to a referendum vote by the people of the town.

If voted in the affirmative, it is further recommended that the Town appropriate a sufficient sum of money for engineering the necessary plans for approved equipment layout in the three pumping stations in Weymouth,

and that approval of the layout, proceedings, and dosages be obtained from the State Department of Public Health before equipment is purchased, and further that the installation and operation of fluoridation equipment be under the jurisdiction of the Water Department of the Town.

The cost of installing equipment for fluoridation in the three pumping stations in Weymouth is estimated to be \$18,500.00 and one year's supply of fluoride chemical will cost \$1,500.00, making an initial total cost of \$20,000.00.

Respectfully submitted,

Clarence W. Taylor, Chairman  
Russell A. Carroll  
Wilfred B. Mathewson  
Henry F. Godin  
William B. Chalke, Jr.  
Norman W. Reilly  
Sydney C. Beane, Clerk

MOVED by Mr. Reilly:

That the Town Meeting accept the recommendations in the report and the Board of Selectmen be authorized to submit the question of adopting fluoridation in Weymouth to a referendum vote by the people of the Town.

MOVED the following substitute motion by Mr. Cahalan:

That the subject matter of the report by the Fluoridation Committee be laid on the table until the next Annual Town Meeting.

Mr. Chalke, having been granted permission, presented the following minority report of the Committee Investigating Fluoridation of the Town's Water Supply.

Having served two years on the Committee appointed by the Moderator to study the advisability of recommending whether or not fluorides should be added to the drinking water of the Town of Weymouth, I wish to take the stand that after considerable reading on the subject I cannot conscientiously go along with the recommendations of the Committee.

The organizations mentioned in their report are proponents of fluoridation, except that the Executive Committee of the New England Water Works Association voted to take no stand in the approval or disapproval of fluoridation of water supplies.

I am not an engineer, a dentist, a doctor nor a chemist but just an ordinary layman or citizen of the Town of Weymouth. My knowledge of chemicals and of the human body is limited, yet I feel that I am one of the great majority. I may be rather conservative in my views but feel it is better to be cautious now than sorry later.

I have read the book "Fluoridation of Water" containing 491 pages, covering "Hearings before the Committee on Interstate and Foreign Commerce, House of Representatives, 83rd Congress, 2nd session H.R. 2341, a bill to protect the Public Health from the dangers of fluoridation of water May 25, 26, and 27, 1954." I have information and statements from the "National Committee Against Fluoridation, Inc." Washington, D. C. Also the magazine "Prevention" published at Emmaus, Penna.

The first of these is a complete record of the hearings before that Committee who listened to both the pros and cons impartially, although the report of the Committee in its concluding paragraph states as follows. "It should be understood that communities that desire to add fluorides to the water should, in justice to the people, give them complete information. Where communities have had an opportunity to vote upon the question of adding fluorides to the drinking water, it is generally rejected. They should know that it is still in the experimental category, and that experiments now in progress have not been completed. In my opinion, there is no urgency about the matter." The other two sources are very definitely against adding sodium fluorides, an admitted poison, to the drinking water.

Calcium fluoride, which occurs naturally in many water sources, and is deceptively claimed to be identical to the manufactured chemical, is a much different chemical. The manufactured product, a by-product of the aluminum industry, is 85 times as toxic as the calcium fluoride. It is colorless, odorless and tasteless and therefore more dangerous. It does not lend itself to ready diagnosis, and usually shows up only in autopsies.

Now as to its effect on teeth. Where there is fluorine in the water often children have what is called "Mottled Enamel." Mottled enamel is characterized by dead white teeth stained by brown or blackspots and often with a corroded appearance as if the teeth had been eaten by acid. The enamel is damaged on the permanent teeth before they emerge from the child's gums. The teeth are normal in shape, but disfigured in appearance for life. If it affects the teeth in this way, what is to prevent it from having the same effect on other bones of the body, and maybe the soft tissues?

Nature has a tendency to throw off poisons through the kidneys and other ways, and succeeds quite well in healthy persons. However, how will it affect older people with kidney trouble or children who may not be perfectly healthy?

How much of our water supply would be consumed by children within the desired age group? We have 44,000 people in Weymouth. Let us assume that each person drinks two quarts of water a day, a very liberal assumption, which totals 88,000 quarts or 22,000 gallons. What percentage is that amount to say 6,000,000 gallons of water that the Town uses each day? It is rather small, isn't it? I believe the accepted figure for consumption by children is three tenths of one per cent. The 99% is used for other purposes.

Proponents of fluoridation take pride in pointing out that Newburgh, N. Y., reduced tooth decay in children's teeth 57% by the use of fluorides as compared to no reduction in tooth decay in Kingston, N. Y., a control city, where no chemicals were used. There is five times as much calcium in the water of Newburgh as there is in the water of Kingston.

To refute this contention, I wish to refer to a letter written to Dr. James G. Kerwin, Dept. of Health, Passaic, N. J., by James A. Forst, M.D., Chief of the Division of Pupil Personnel Services, The University of the State of New York, The State Educational Dept., Albany, N. Y. His report shows that, of 5,308 children examined in fluorine free Kingston, 41.6% had tooth defects with 20.6% then under treatment. After a decade of fluoridation, examination of 4,949 school children in Newburgh showed 63.4% with decayed teeth and 31.0½ under treatment. These figures disprove the 57% contention in the previous paragraph.

From these reports parents would still have to pay dental bills for the treatment of their children's teeth because of cavities.

There are now other methods of administering fluorides besides putting them in the water supply. Tablets are now available, also liquids for dropping into milk, as well as a tooth paste, which some of the manufacturers recommend very highly and almost guarantee no more tooth decay, but also caution you against allowing children under five years of age to use it.

Tooth decay is not a contagious disease as is small pox, diphtheria, scarlet fever, or polio, etc. Innoculations for polio are not compulsory but voluntary on the part of the parents. Then why not leave it to the discretion of the parents as to whether or not children should be fed fluorides?

In conclusion, I would recommend that the Town of Weymouth wait until further information and facts are available before proceedings further in this matter. Furthermore I would suggest that it not be placed on the ballot until such time as the voters can be supplied with sufficient conclusive information to allow them to vote intelligently on the matter.

Respectfully submitted,  
William B. Chalke, Jr.

Comes now the question on the substitute motion by Mr. Cahalan:  
SO VOTED

MOVED by Mr. Christensen, Town Clerk, to amend the motion by the Appropriation Committee under Article 2 as follows:

That all committees which have not rendered a final report be continued until the work under their charge is completed and, when possible, reports of these committees be submitted to the Board of Selectmen or to the Town Clerk on or before December 31st for inclusion in the Town Report in the year prior to which the report would be made to the Town Meeting.

Mr. Gillen, having received permission, submitted the following Report of Progress of the Committee for Passageway to Ralph Talbot School.

Organization meeting of the committee was held in June and the following officers were elected: Gordon T. Barnes, Chairman; Wilbur G. Tirrell, Vice Chairman; Michael C. Gillen, Secretary.

Four other meetings took place and surveys made of costs of construction, saving to the Town for transportation and usability of said passageway.

Plans for construction and estimated costs have been drawn up for the Committee by the Town Engineer.

Estimated savings in transportation costs of children to the school have been made available by the School Department.

Several meetings with the trustees of land to be taken, have taken place. The committee has not yet been able to get a commitment as to the cost of the land.

The proper land taking would include an area of land which abuts the school property and could be used for a park area and sewer easement.

The sum of \$500.00 was appropriated for use of the committee in preparing necessary plans, however, as no expenses have been incurred as yet, the committee requests that this sum be carried over until the committee concludes its assignment.

The opinion of the committee is that the plan is feasible and would be to the best interest of the town to accept it and will have a suitable article ready for the next special town meeting.

Respectfully submitted,

Gordon T. Barnes, Chairman  
Wilbur G. Tirrell, Vice Chairman  
Michael C. Gillen, Secretary

Comes now the question on the motion by Mr. Christensen to amend the motion by the Appropriation Committee under Article 2.

SO VOTED

Comes now the question on the motion by the Appropriation Committee under Article 2 as thus amended.

UNANIMOUSLY VOTED

ARTICLE 3. By Direction of Selectmen). To see if the Town will vote to authorize its Treasurer, with the approval of the Selectmen, on and after January 1, 1958, to borrow in anticipation of the revenue of the year 1958.

Upon motion duly made by the Appropriation Committee, it was

UNANIMOUSLY VOTED: That the Treasurer be so authorized.

ARTICLE 4. By Direction of Selectmen). To see what sum of money the Town will vote from surplus for the use of the Assessors in determining the tax rate for the year 1957, or take any other action in relation thereto.

Upon motion duly made by the Appropriation Committee, it was

UNANIMOUSLY VOTED: No Action.

ARTICLE 5. By Direction of Selectmen). That the Selectmen be authorized to sell or otherwise dispose of personal property and any real estate of which the Town has possession or title, including all property taken for non-payment of taxes, all such cases of sale to be made by public auction or private sale as the Selectmen may deem for the best interest of the Town, and that the Board or Officer in charge of any other Town Department may, with the approval of the Board of Selectmen, sell at public auction or private sale, as the Board of Selectmen may approve, any personal property belonging to said Department which in the opinion of the Officer or Board in charge of the Department is no longer needed by the Town and which in the opinion of the Selectmen is not needed by any other Department, provided that in each case involving real estate, majorities of the Planning Board, Sewer Commissioners, Park Commissioners and Water Commissioners respectively vote to concur in the opinion that the property will not be needed for parks, playgrounds, or other public use.

MOVED by the Appropriation Committee:

That the Board of Selectmen be so authorized.

Discussion ensued between Mr. Chalke, and Mr. Crehan and Mr. Amabile of the Board of Selectmen.

Comes now the question on the motion by the Appropriation Committee.

UNANIMOUSLY VOTED

ARTICLE 6. (By Direction of Selectmen). To see if the Town will vote to authorize its Board of Selectmen to accept conveyances or mortgages of any real or personal property belonging to persons receiving relief from the Town, and to dispose of said property in the manner they may judge for the Town's best interest, and to authorize them to discharge any encumbrances on said property if they consider it for the best interest of the Town so to do, and to see what sum of money the town will vote to raise and appropriate for the discharging of such encumbrances.

Upon motion duly made by the Appropriation Committee, it was

UNANIMOUSLY VOTED: That the Board of Selectmen be so authorized.

ARTICLE 7. (On Petition and by Direction of Selectmen). To see if the Town will accept the several reports of the Selectmen laying out as Town ways the following designated private ways and parts of ways or any of them, to wit:

Barbara Lane — From Pond Street to dead end.

Beach Road — From River Street approximately 350 feet southerly.

Dixon Park Road — From Longwood Road to House Rock Road.

Dwyer Lane — From Endicott Street to dead end.

Edith Road — From 65 Hinston Road south approximately 350 feet.

Elmer Road — From 264 Thicket Street to 84 Elmer Road.

Endicott Street — From South Avenue, off East Street, to East Street.

Friend Street (Extension — From Hinston Road approximately 290 feet.

Gale Road — From Dixon Park Road to Valley Road.

Hanian Drive — From 138 Hanian Drive to 160 Hanian Drive.

House Rock Road — From Spring Street to dead end.

Hyde Street — From Commerical Street to dead end.

Idlewell Boulevard — From Pleasantview Avenue to Hibiscus Avenue.

Ingrid Road — From Middle Street 600 feet in a Northwesterly direction and then 240 feet in a Northeasterly direction to the southwesterly edge of the Town of Weymouth Sewer Easement.

Joseph A. Fern Court — From 252 Lake Street.

Judith Road — From Peter Road to dead end.

Jupiter Street — From 97 Mercury Street to 31 Jupiter Street.

Katherine Street — From Moreland Road to Rinaldo Road.

Lee Street — From East Street to dead end.

Mars Street — From 39 Mercury Street to 30 Mars Street.

Mercury Street — From 246 West Street to 108 Mercury Street.

Monument Lane — From Pleasant Street to Hingham line.

Moreland Road — From Thompson Road to Judith Road.

Pine Cliff Road — From Westminster Road to Chapman Street.

Rinaldo Road Extension.

Saint Margaret Street — From Lane Avenue to Whitman's Pond.  
 Soper Avenue — From Commercial Street to dead end.  
 Valley Road — From Longwood Road to Gale Road.  
 Vega Street — From 77 Mercury Street to 34 Vega Street.  
 Venus Street — From Mercury Street to dead End.  
 Witawamut Road — From Wessagusset Road to Wadaga Road.

or any portion of said ways, and will authorize the Board of Selectmen to acquire by gift or purchase or take by right of eminent domain in fee or otherwise for all purposes of a public street and highway in and over each of said streets as laid out and accepted, and see what sum of money the Town will vote to raise and appropriate for the working of each of the above-named streets, including the acquisition of the fee above referred to and for the building of any bridges, drains and conduits or securing easements which may be necessary in connection therewith, and to see whether the Town will authorize the Board of Selectmen to accept deeds of any reservation strips existing in connection with any of said streets, or take any other action in relation thereto.

MOVED by the Appropriation Committee:

That the Town accept the several reports of the Board of Selectmen, laying out as Town ways the following designated private ways and parts of them, to wit:

Barbara Lane	Joseph A. Fern Court
Beach Road	Judith Road
Dixon Park Road	Jupiter Street
Dwyer Lane	Katherine Street
Edith Road	Mars Street
Elmer Road	Mercury Street
Endicott Street	Moreland Road
Gale Road	Rinaldo Road
Hanian Drive Ext.	Soper Avenue
House Rock Road	Valley Road
Idlewell Boulevard	Vega Street
Ingrid Road	Venus Street

and the Board of Selectmen are hereby authorized to acquire by gift, purchase or take by right of eminent domain in fee, or otherwise for all purposes of a public street and highway in and over each of said streets as laid out and accepted and that the sum of \$23,534.00 be raised and appropriated for materials for the working of the above named streets, including the acquisition of the fee above referred to and for the building of any bridges, drains or conduits or securing easements which may be necessary in connection therewith and that the Board of Selectmen are authorized to accept deeds of any reservation strips existing in connection with any of said streets, and provided further, that no work shall be done on any of these streets until 90% of abutters, or 100%, if in the opinion of the Town Counsel that becomes necessary, have signed, executed, and delivered to the Town Counsel proper releases. Provided further, that the final naming of those streets accepted must meet with the approval of the Planning Board and the work on these streets shall be performed under the direction of the Superintendent of Streets. It is further provided that the sum of \$17,725.00 be raised and appropriated for the necessary water mains in said streets and that the water mains be installed by the water department before any work is done by the street department.

MOVED by Mr. Lane to amend the motion by the Appropriation Committee as follows:

That Witawamut Road be added to the list of streets to be accepted.

MOVED by Mr. Gillis to amend the motion by the Appropriation Committee as follows:

That St. Margaret Street be added to the list of streets to be accepted.

MOVED by Mr. Fryer of the Board of Selectmen to amend the motion by the Appropriation Committee as follows.

That Pine Cliff Road be added to the list of streets contained in the motion of the Appropriation Committee and that the sum of \$17,353.00 be reappropriated for the construction of said street and \$8,000. for water.

MOVED by Mr. Amabile of the Board of Selectmen to amend the motion by the Appropriation Committee as follows:

That the sum of \$28,259.00 be raised and appropriated for materials for working of the streets contained in the motion by the Appropriation Committee plus Friend Street, Lee Street, St. Margaret Street and Witawamut Road; and that the sum of \$37,150.00 be raised and appropriated for necessary water mains in the streets contained in the motion by the Appropriation Committee plus Lee Street, Friend Street, St. Margaret Street and Witawamut Road.

Lengthy discussion ensued involving several of the Town Meeting Members.

Comes now the question on the amendment by Mr. Lane to the motion by the Appropriation Committee.

SO VOTED

Comes now the question on the amendment by Mr. Gillis to the motion by the Appropriation Committee.

SO VOTED

Comes now the question on the amendment by Mr. Fryer of the Board of Selectmen to the motion by the Appropriation Committee.

SO VOTED

Further discussion ensued involving several of the Town Meeting Members.

Comes now the question on the amendment by Mr. Amabile to the motion by the Appropriation Committee.

Vote was taken and the Chair declared the motion by Mr. Amabile lost. More than seven doubting the vote the Chair ordered a teller count. Count was made and the tellers reported 92 in favor and 55 opposed. The Chair then declared the amendment by Mr. Amabile to the motion by the Appropriation Committee

SO VOTED

Comes now the question on the motion by the Appropriation Committee as thus amended.

The Chair ordered a teller count. Count was taken and the tellers reported 123 in favor and 13 opposed. There being more than the necessary two-thirds majority in favor the Chair then declared the motion by the Appropriation Committee as amended

SO VOTED

---

(The following action relating to Article 7 occurred at the Adjourned Annual Town Meeting, Friday, March 8, 1957.)

MOVED by Mr. Newton, Secretary of the Appropriation Committee  
Reconsideration of Article 7.

Mr. Newton explained the reasons making this action necessary.

Comes now the question on the motion by Mr Newton.

UNANIMOUSLY VOTED

That the Town accept the several reports of the Board of Selectmen, laying out as Town ways the following designated private ways and parts of them, to wit:

Barbara Lane	Jupiter Street
Beach Road	Katherine Street
Dixon Park Road	Lee Street
Dwyer Lane	Mars Street
Edith Road	Mercury Street
Elmer Road	Moreland Road
Endicott Street	Pine Cliff Road
Friend Street Ext.	Rinaldo Road
Gale Road	St. Margaret Street
Hanian Drive Ext.	Soper Avenue
House Rock Road	Valley Road
Idlewell Boulevard	Vega Street
Ingrid Road	Venus Street
Joseph A. Fern Court	Witawamut Road
Judith Road	

and the Board of Selectmen are hereby authorized to acquire by gift, purchase or take by right of eminent domain in fee, or otherwise for all purposes of a public street and highway in and over each of said streets as laid out and accepted and that the sum of \$30,688.00 be raised and appropriated, and \$17,353.00 shall be reappropriated from available funds (Excess and Deficiency Account) previously appropriated under Article 9 of the Special Town Meeting of June 18, 1956, for materials for the working of the above named streets, including the acquisition of the fee above referred to and for the building of any bridges, drains or conduits or securing easements which may be necessary in connection therewith and that the Board of Selectmen are authorized to accept deeds of any reservation strips existing in connection with any of said streets, and provided further, that no work shall be done on any of these streets until 90% of abutters, or 100%, if in the opinion of the Town Counsel that becomes necessary, have signed, executed, and delivered to the Town Counsel proper releases. Provided further, that the final naming of those streets accepted must meet with the approval of the Planning Board and the work on these streets shall be performed under the direction of the Superintendent of Streets. It is further provided that the sum of \$28,122.00 be raised and appropriated, and \$8,000.00

shall be reappropriated from available funds (Excess and Deficiency Account) previously appropriated under Article 9 of the Special Town Meeting of June 18, 1956, for the necessary water mains in said streets and that the water mains be installed by the water department before any work is done by the street department. By this motion all sums necessary for both water and working the streets are included for all streets with the exception of Wituwamat Road.

\$30,688.00  
17,353.00  
28,122.00  
8,000.00

Upon motion duly made by the Appropriation Committee, it was  
UNANIMOUSLY VOTED: That the Annual Town Meeting adjourn at 11:33 P.M. until 7:45 P.M. Friday, March 8, 1957.

## ADJOURNED ANNUAL TOWN MEETING

Friday, March 8, 1957

The Adjourned Annual Town Meeting was called to order at 7:45 in the evening of Friday, March 8, 1957 by the Annual Moderator, Mr. Daniel O'Donnell.

There were 167 Town Meeting Members present.

Prayer for Divine Guidance was offered by Rev. Hugh A. Gillis, Pastor of the Congregational Church of East Weymouth.

There were no Town Meeting Members to be sworn in.

The Moderator declared a quorum present.

We now continue with consideration of the Articles in the Warrant.

(Reconsideration of Article 7, which occurred at this time, will be found on page 33 of this record.)

ARTICLE 8. (By Direction of Selectmen). To see what sum of money the Town will vote to raise and appropriate for the construction of:

Blanchard Road Extension	Manomet Road
Grandview Road	Mountainview Road
Hobomac Road	Poinsettia Avenue
Harborview Road	Southern Avenue

accepted by the Town under Article 7 of the 1956 Annual Town Meeting, but not worked, or take any other action in relation thereto.

Upon motion duly made by the Appropriation Committee, it was

UNANIMOUSLY VOTED: That the sum of \$17,486.00 be raised and appropriated for the construction of Blanchard Road Extension, Grandview

Road, Hobomac Road, Harborview Road, Monomet Road, Poinsettia Avenue, Southern Avenue, all accepted by the Town under Article 7 of the 1956 Annual Town Meeting, but not worked. It is further provided that all Water Mains be installed by the Water Department before any work is done by the Highway Department. \$17,486.00

ARTICLE 9. (By Direction of Selectmen). To see what sum of money the Town will vote to raise and appropriate to reconstruct, resurface, widen, straighten, relocate or work, Commercial and Pleasant Streets, or any portion of said way and for the building of any bridges, drains or conduits, or securing easements which may be necessary in connection therewith, and to see whether the Town will authorize the Board of Selectmen to accept deeds of any reservation strips existing in connection with said street, provided the State, or county, or both will appropriate a sum of money to help defray the expenses of such work; and transfer from surplus funds that the Town may have, the county and state share of said cost, the amount of this transfer or reimbursement to be credited to the account from which it came; and will authorize the Board of Selectmen to acquire by gift, purchase or take by right of eminent domain in fee or otherwise for all purposes of a public street and highway in and over said street and such property as may be necessary or take any other action in relation thereto.

Upon motion duly made by the Appropriation Committee, it was

UNANIMOUSLY VOTED: That the sum of \$58,000.00 be appropriated to the Highway Department from available funds (Excess and Deficiency Account) to reconstruct, including sidewalks and curbings, resurface, widen, straighten, relocate and work, Commercial Street and Pleasant Street or any portion or conduits of said ways and for the building of any bridges, drains or securing any easements which may be necessary and that the Board of Selectmen is authorized to accept any deed of any reservation strips in connection with said streets; and provided further, that all damages resulting or occasioned by the construction shall be a charge against the sum appropriated; the Board of Selectmen are hereby authorized to acquire by gift, or purchase or take by right of eminent domain in fee or otherwise for all purposes of public streets or highways in and over said street; that the above sum named shall be made available only if the State or County, or both, under General Laws (Ter. Ed.) Chapter 90 will pay a sum of money proportionate to the cost of construction under the provisions of said Chapter; all payments from State and County to revert to the Excess and Deficiency Account; provided further that such work shall be done by private contract under the direction of the Board of Selectmen and/or the State Department of Public Works. \$58,000.00

ARTICLE 10. (At Request of George E. Lane and others). To see if the Town will raise and appropriate or borrow the sum of \$250,000.00 for continuance of the Major Highway Program for reconstruction of main streets and roads including Commercial, Church, Green, Evans, Pleasant Streets provided that Chapter 90 funds, if any, may be used for this purpose, or take any other action in relation thereto.

MOVED by the Appropriation Committee:

That the sum of \$250,000.00 be raised and appropriated to the Highway Department for the original construction or widening of Commercial Street and Pleasant Street and other streets or portions of streets, including, sidewalks and curbing, land damages and the cost of pavement laid at the time of said construction or widening, and the construction of permanent pavement under specifications approved by the Department of Public Works,

and that the Board of Selectmen be authorized to accept any deeds of any reservation strips in connection with said streets and to acquire by gift or purchase or take by right of eminent domain for all purposes of public streets or highways such as may be necessary; and to meet said appropriation \$50,000.00 shall be appropriated from the Tax Levy, and the Treasurer with the approval of the Board of Selectmen, is hereby authorized to borrow the sum of \$200,000.00 and to issue bonds or notes under clause (5) of Section 7 of Chapter 44 of the General Laws as amended payable in accordance with said Chapter 44 in not more than 10 years from their respective dates provided that any or all construction may be done under the provisions of Chapter 90 of General Laws and that all construction shall be done by Private Contract under the direction of the Board of Selectmen and/or the State Department of Public Works and that the streets to be constructed other than those specifically designated above are to be selected by the Board of Selectmen.

\$ 50,000.00

200,000.00

MOVED by Mr. Lane to amend the motion by the Appropriation Committee as follows:

That Pleasant Street from 1393 to Water Street be relocated, reconstructed and rebuilt in 1957 under the above appropriation.

Mr. Newton, Secretary of the Appropriation Committee, explained the reasons for the motion by the Appropriation Committee.

Following Mr. Newton's explanation Mr. Lane requested unanimous consent to withdraw his amendment. There being no objection the Chair granted permission and declared that Mr. Lane's amendment was withdrawn.

Further discussion ensued involving several of the Town Meeting Members.

Comes now the question on the motion by the Appropriation Committee.

#### UNANIMOUSLY VOTED

Inasmuch as action under Article 10 involved a bond issue Mr. Christensen, Town Clerk, requested the determination of a quorum at this time.

The Chair ordered a teller count and the tellers made the count and reported 165 Town Meeting Members present. The chair then declared that 165 Town Meeting Members being present, and 132 being necessary for a quorum, a quorum is present.

ARTICLE 11. (By Direction of Selectmen). To see if the Town will take by right of eminent domain in fee or otherwise the lands and buildings at 1349 to 1379 Pleasant Street as shown on plan entitled "Plan of Land in Weymouth, Mass. Proposed Land Taking" plan No. 204-B dated October 1956 made by Arthur J. Bilodeau, Town Engineer, for the purpose of widening Pleasant Street, or take any other action in relation thereto.

MOVED by the Appropriation Committee:

That the Board of Selectmen be authorized to acquire by gift, purchase, or eminent domain in fee, for highway purposes land and buildings as described in this Article and as shown on a plan entitled (Plan of Land in Weymouth, Massachusetts, Proposed Land Taking) Plan No. 204-B, dated October, 1956, made by Arthur J. Bilodeau, Town Engineer, to be recorded with the Town Clerk, and the sum of \$15,425.00 be raised and appropriated for this purpose.

\$15,425.00

Discussion ensued involving several of the Town Meeting Members.

Comes now the question on the motion by the Appropriation Committee  
UNANIMOUSLY VOTED

ARTICLE 12. (At Request of George E. Lane and others). To see what sum of money the Town will raise and appropriate for relocation, reconstruction and rebuilding of Pleasant Street from 1293 Pleasant to Water Street and for damages involved in the work, or take any other action in relation thereto.

Upon motion duly made by the Appropriation Committee, it was

UNANIMOUSLY VOTED: That the subject matter of this Article be referred to the Board of Selectmen under the Highway Program.

ARTICLE 13. (By Direction of Selectmen). To see if the Town will vote to raise and appropriate by taxation or otherwise the sum of three hundred (300) dollars for the purpose of purchasing a parcel of land at Ledge Hill Road from the Weymouth Lodge No. 1299 Loyal Order of Moose, said parcel of land being shown on plan entitled "Weymouth, Mass. Land Taking Ledge Hill Road At Commercial Street" dated May 1956 Plan No. 11-B-1 made by Arthur J. Bilodeau, Town Engineer," for the purpose of widening said Ledge Hill Road, or take any other action in relation thereto.

Upon motion duly made by the Appropriation Committee, it was

UNANIMOUSLY VOTED: That the Town raise and appropriate the sum of \$300.00 for the purpose of purchasing a parcel of land at Ledge Hill Road from the Weymouth Lodge No. 1299 Loyal Order of Moose, said parcel of land being shown on plan entitled "Weymouth, Massachusetts. Land Taking Ledge Hill Road at Commercial Street" dated May 1956, Plan No. 11-B-1 made by Arthur J. Bilodeau, Town Engineer for the purpose of widening Ledge Hill Road. \$300.00

ARTICLE 14. (By Direction of Selectmen.) To see if the Town will vote to raise and appropriate by taxation or otherwise the sum of one hundred (100) dollars for the purpose of purchasing a parcel of land at the intersection of Essex and Broad Streets from George W. Killory, said parcel of land being shown on Plan entitled "Plan of Land in Weymouth, Mass." dated November 1956, Plan No. 190-B-1 made by Arthur J. Bilodeau, Town Engineer, for the purpose of widening said streets, or take any other action in relation thereto.

Upon motion duly made by the Appropriation Committee, it was

UNANIMOUSLY VOTED: That the Town vote to raise and appropriate the sum of \$100.00 for the purpose of purchasing a parcel of land at the intersection of Essex and Broad Streets from George W. Killory, said parcel of land being shown on Plan entitled "Plan of Land in Weymouth, Mass." dated November 1956, Plan 190-B-1 made by Arthur J. Bilodeau, Town Engineer, for the purpose of widening said streets. \$100.00

ARTICLE 15. (By Direction of Selectmen). To see if the Town will vote to abandon a small triangular parcel of land shown as Lot B on a plan entitled "Plan of Subdivision of Land in Weymouth, Mass," dated October 14, 1956, by Arthur J. Bilodeau, Registered Land Surveyor, said land not needed by the town in the relocation of Belmont Street, and to see if the Town will vote to accept relocated Belmont Street as shown on said plan as a public way or take any other action in relation thereto.

MOVED by the Appropriation Committee:

That the Town vote to abandon a small triangular parcel of land shown as Lot B on a plan entitled "Plan of Subdivision of land in Weymouth, Mass," dated October 14, 1956, by Arthur J. Bilodeau, Registered Land Surveyor, said land not needed by the Town in the relocation of Belmont Street, and that the Town vote to accepted relocated Belmont Street as shown on said Plan as a public way.

Mr. Chalke commented on the motion.

Comes now the question on the motion by the Appropriation Committee.

UNANIMOUSLY VOTED

ARTICLE 16. (By Direction of Selectmen). To see if the Town will vote to raise and appropriate the sum of \$4,250.00 to remove ledge and widen Westminster Road at approximately No. 72. Work to be done by private contract under the direction of the Board of Selectmen and Town Engineer, or take any other action in relation thereto.

Upon motion duly made by the Appropriation Committee, it was

Unanimously VOTED: That the Town vote to raise and appropriate the sum of \$4,250.00 to remove ledge and widen Westminster Road at approximately No. 72. The work to be done by Private Contract under the direction of the Board of Selectmen and Town Engineer. \$4,250.00

ARTICLE 17. (By Direction of Selectmen). To see if the Town will vote to raise and appropriate a sum of money for the reconstruction of Evans and Middle Streets under the provisions of Chapter 718 of the Acts of 1956, or take any other action in relation thereto.

MOVED by the Appropriation Committee:

That the sum of \$108,697.53 be appropriated for the permanent construction of Evans Street and Middle Street, and to meet said appropriation the sum of \$108,697.53 be transferred from the proceeds received or to be received from the State under the provisions of Chapter 718 of the Acts of 1956, said permanent construction to include sidewalks and curbing. \$108,697.53

MOVED by Mr. Lane to amend the motion by the Appropriation Committee as follows:

Work to be done by Private Contract under the direction of the Board of Selectmen and Town Engineer and/or the Department of Public Works.

Discussion ensued between Mr. Newton, Secretary of the Appropriation Committee. and Mr. Lane.

Comes now the question on the amendment by Mr. Lane to the motion of the Appropriation Committee.

UNANIMOUSLY VOTED

Comes now the question on the motion by the Appropriation Committee as thus amended.

UNANIMOUSLY VOTED

ARTICLE 18. (By Direction of Selectmen). To see if the Town will vote to raise and appropriate by taxation, or otherwise the sum of \$10,500.00 for the construction of a retaining wall on the southerly side of Oak

Street, wall beginning at the intersection of Oak Street and Pine Street, and ending at 27 Oak Street, a distance of approximately 350 feet, or take any other action in relation thereto.

MOVED by the Appropriation Committee:

No action.

Discussion ensued involving Mr. Pompeo and Mr. Fryer of the Board of Selectmen.

MOVED the following substitute motion by Mr. Fryer of the Board of Selectmen.

That the Town vote to raise and appropriate by taxation the sum of \$10,500.00 for the construction of a retaining wall on the southerly side of Oak Street, wall beginning at the intersection of Oak Street and Pine Street, and ending at 27 Oak Street, a distance of approximately 350 feet.

Further discussion ensued involving Mr. Newton, Secretary of the Appropriation Committee, Mr. Record, Mr. Fryer of the Board of Selectmen, Mr. Nolan and Mr. Pompeo.

Comes now the question on the substitute motion by Mr. Fryer.

Vote was taken and the Chair declared the substitution motion by Mr. Fryer LOST.

Comes now the question on the motion by the Appropriation Committee.

UNANIMOUSLY VOTED

ARTICLE 19. (By Direction of Selectmen). To see if the Town will accept the report of the Selectmen laying out as a Town Way Manomet Road and Wessagusset Road to Grandview Road and to take by right of eminent domain in fee or otherwise the Barn Structure and necessary land of Charles and Edna Chase, of 189 Sea Street, or take any other action in relation thereto.

Upon motion duly made by the Appropriation Committee, it was

UNANIMOUSLY VOTED: That the Town vote to accept the report of the Selectmen laying out as a Town way Manomet Road and Wessagusset Road to Grandview Road and that the Town take by purchase, gift, or eminent domain in fee, the necessary land and building of Charles and Edna Chase of 189 Sea Street for street purposes and that the sum of \$1,500.00 be raised and appropriated for this purpose. \$1,500.00

ARTICLE 20. (By Direction of Selectmen). To see if the Town will vote to instruct the Superintendent of the Sewer Department when black topping the area after completing the installation of a sewer main down the center of said street to run the black top from curbing to curbing, or take any other action in relation thereto.

MOVED by the Appropriation Committee:

No action.

Moved the following substitute motion by Mr. Fryer of the Board of Selectmen:

That the town vote to instruct the Superintendent of the Sewer Department when black topping the area after completing the installation of a sewer main and laterals on a street that the black top be extended from curbing to curbing.

Discussion ensued between Mr. O'Brien, Mr. Nover, Secretary of the Appropriation Committee, and Mr. Nover.

MOVED the following substitute motion by Mr. Nover:

That the Superintendent of Streets be instructed to include in his sealing of streets program the streets done by the Sewer and Water Departments within two months after the black patch has been put on the excavation.

Comes now the question on the substitute motion by Mr. Fryer of the Board of Selectmen.

Vote was taken and the Chair declared the substitute motion by Mr. Fryer LOST.

MOVED the following substitute motion by Mr. Lane:

That the subject matter of this Article be referred to Board of Selectmen.

Further discussion ensued involving Mr. Record, Mr. O'Sullivan of the Board of Selectmen, Mr. Nolan and Mr. Nover.

Comes now the question on the substitute motion by Mr. Nover.

Vote was taken and the Chair declared the substitute motion by Mr. Nover LOST.

Comes now the question on the substitute motion by Mr. Lane.

Vote was taken and the Chair declared the substitute motion by Mr. Lane LOST.

Comes now the question on the motion by the Appropriation Committee.

UNANIMOUSLY VOTED

ARTICLE 21. (By Direction of Selectmen). To see what sum of money the Town will appropriate to black top present existing sidewalk between Maple Street and Chard Street on Middle Street across from High School, or take any other action in relation thereto.

MOVED by the Appropriation Committee:

That the subject matter of this Article be referred to the Board of Selectmen under Article 38.

Discussion ensued between Mr. Crehan, Chairman of the Board of Selectmen, and Mr. Newton, Secretary of the Appropriation Committee.

Comes now the question on the motion by the Appropriation Committee.

UNANIMOUSLY VOTED

ARTICLE 22. (By Direction of Selectmen). To see if the Town will vote to raise and appropriate the sum of \$5,000.00 for the black topping of a sidewalk on the southerly side of Columbian Street (Route 128) from the Braintree Town Line to the intersection of Park Avenue from Columbian Street, provided work to be completed only if the State Department of Public Works prepares the area for black top; work to be done by a contractor, or take any other action in relation thereto.

Upon motion duly made by the Appropriation Committee, it was

UNANIMOUSLY VOTED: That the Town vote to raise and appropriate the sum of \$5,000.00 for the black topping of a sidewalk on the southerly side of Columbian Street (Route 128) from the Braintree Town Line to the intersection of Park Avenue and Columbian Street, provided the work is completed only if the State Department of Public Works prepares the area for black top; work to be done by Private Contractor.

\$5,000.00

ARTICLE 23. (By Direction of Selectmen). To see if the Town will vote to raise and appropriate a sum of money by taxation or otherwise for sidewalks, curbing and resurfacing of Neck Street, or take any other action in relation thereto.

MOVED by the Appropriation Committee:

No action.

MOVED the following substitute motion by Mr. Amabile of the Board of Selectmen:

That the sum of \$27,214.00 be raised and appropriated for drainage of the East Weymouth Parking Area, all work to be done by Private Contractor.

Discussion ensued between Mr. Newton, Secretary of the Appropriation Committee, Mr. Amabile of the Board of Selectmen, residents of the area affected, Mr. Almquist, Mr. Lane, and Mr. Slattery, Superintendent of Streets.

Comes now the question on the substitute motion by Mr. Amabile.

Vote was taken and the Chair declared the substitute motion by Mr. Amabile LOST.

Comes now the question on the motion by the Appropriation Committee.

SO VOTED

ARTICLE 32. (At Request of Drainage Committee). To see if the Town will vote to raise and appropriate by taxation or otherwise, the sum of \$155,500.00 for the installation of a drainage system for the Weymouth-Braintree Smelt Brook area as recommended in the report by Metcalf and Eddy, Engineers, in report to Commonwealth of Massachusetts, Department of Public Works, dated April 17, 1956; that all work to be done under the direction of the Commonwealth of Massachusetts Department of Public Works; and that the Board of Selectmen be authorized to secure or accept any easements necessary for the above purpose; and the Town's share of the damages shall be payable from above appropriation provided the money to be made available only if the Town of Braintree make available a like amount and the Commonwealth of Massachusetts, Department of Public Works make available 50% of the entire cost, or take any other action in relation thereto.

Upon motion duly made by the Appropriation Committee, it was  
UNANIMOUSLY VOTED: No action.

ARTICLE 33. (At Request of Drainage Committee). To see if the Town will vote to raise and appropriate by taxation or otherwise, a sum of \$7,500.00 for the installation of 36" R.C. drainage line under the New York, New Haven and Hartford Railroad tracks at the northerly end of the Braintree-Weymouth Parking area as shown on proposed plan and profile showing proposed drain at New York, New Haven and Hartford Railroad in Weymouth, dated May 18, 1956; all work to be done by private contract, under the direction of the Boards of Selectmen and Town Engineers of Weymouth and Braintree; and that the Board of Selectmen be authorized to secure or accept any easements for the above purpose; the money to be made available only if the Town of Braintree make available a like amount or take any other action in relation thereto.

MOVED by the Appropriation Committee:

That the Town vote to raise and appropriate the sum of \$7,500.00 for the installation of a drainage system under the New York, New Haven and Hartford Railroad tracks at the northerly end of the Braintree-Weymouth Parking area as recommended by Metclaf and Eddy, and as shown on proposed plan and profile showing proposed drain at New York, New Haven and Hartford Railroad in Weymouth, dated May 18, 1956; all work to be done by private contract, under the direction of the Boards of Selectmen and Town Engineers of Weymouth and Braintree; and that the Board of Selectmen be authorized to secure or accept any easements for the above purpose; the money to be made available only if the Town of Braintree makes available a like amount.

Discussion ensued between Mr. Newton, Secretary of the Appropriation Committee, and Mr. Chisholm of the Drainage Committee.

MOVED the following substitute motion by Mr. Newton, Secretary of the Appropriation Committee:

No action.

Comes now the question on the substitute motion by Mr. Newton.

UNANIMOUSLY VOTED

ARTICLE 34. (At Request of Drainage Committee). To see if the Town will vote to raise and appropriate by taxation or otherwise a sum of money to take care of the drainage from the westerly boundary of the Shaw School site to Mill River, shown on a plan by Arthur J. Bilodeau, Town Engineer, and the cleaning of Mill River 100 feet upstream of the proposed drainage outlet to the culvert at West Street; all work to be done by private contract, under the direction of the Board of Selectmen and the Town Engineer, and that the Board of Selectmen be authorized to secure or accept any easements necessary for the above purpose, or take any other action in relation thereto.

MOVED by the Appropriation Committee:

That the Town vote to raise and appropriate the sum of \$12,000.00 to take care of the drainage from the Westerly Boundary of the Shaw School site to Mill River 100 feet upstream of the proposed outlet to the culvert at West Street; as recommended by Metcalf and Eddy, and all work to be done by Private Contract, under the direction of the Board of Selectmen and the Town Engineer, and that the Board of Selectmen be authorized to secure or accept any easements necessary for the above purpose.

\$12,000.00

MOVED by Mr. Cicchese, Town Counsel, to amend the motion by the Appropriation Committee as follows:

That the phrase, "and that the Board of Selectmen be authorized to secure any easements necessary for the above purpose.", be changed to read, "and that the Board of Selectmen be authorized to acquire by gift, purchase, or take by right of eminent domain in fee, or otherwise, any easements that may be necessary for the above purpose."

Comes now the question on the amendment by Mr. Cicchese.

Vote was taken and the Chair declared the amendment by Mr. Cicchese to the motion by the Appropriation Committee

SO VOTED

MOVED by Mr. Newton, Secretary of the Appropriation Committee to amend the motion by the Appropriation Committee as follows:

That after the word "culvert" add the words "and including cleaning of the culvert" so that the phrase will read "from the Westerly Boundary of the Shaw School site to Mill River 100 feet upstream of the proposed outlet to the culvert, and including cleaning of the culvert, at West Street."

Comes now the question on the amendment by Mr. Newton to the motion by the Appropriation Committee.

SO VOTED

Comes now the question on the motion by the Appropriation Committee as thus amended.

UNANIMOUSLY VOTED

ARTICLE 35. (At Request of Drainage Committee). To see if the Town will vote to raise and appropriate by taxation or otherwise a sum of money to take care of the drainage from Hinston Road, Sunrise Drive and Phillips Creek district to the Weymouth Back River, as shown on preliminary plan by Metcalf and Eddy, Engineers. All work to be done by private contract, under the direction of the Board of Selectmen and the Town Engineer( and that the Board of Selectmen be authorized to secure or accept any easements for the above purpose, or take any other action in relation thereto.

MOVED by the Appropriation Committee:

No action.

Discussion ensued between Mr. French, Mr. Wallace, Mr. Garrison, and Mr. Newton, Secretary of the Appropriation Committee.

Mr. Christensen, Town Clerk, assumed the Chair pro tem.

MOVED the following substitute motion by Mr. O'Brien:

That the Town vote to raise and appropriate the sum of \$89,700.00 to take care of the drainage from Hinston Road, Sunrise Drive and Phillips Creek district to the Weymouth Back River, as shown on preliminary plan by Metcalf and Eddy, Engineers. All work to be done by private contract, under the direction of the Board of Selectmen and the Town Engineer, and that the Board of Selectmen be authorized to acquire by gift, purchase, or take by right of eminent domain in fee, or otherwise, any easements that may be necessary for the above purpose.

Comes now the question on the substitute motion by Mr. O'Brien.

Vote was taken and the Chair declared the substitute motion by Mr. O'Brien LOST.

Comes now the question on the motion by the Appropriation Committee.

SO VOTED

The Annual Moderator, Mr. O'Donnell, reassumed the Chair.

ARTICLE 36. (At Request of Drainage Committee). To see if the Town will vote to raise and appropriate by taxation or otherwise a sum of money to take care of the drainage from the junction of Lincoln and Neck Streets, junction of Seabury and Green Streets in a northerly direction in Neck Street to Great Hill Drive, then easterly to Weymouth Back River, as recommended by Metcalf and Eddy; all work to be done by Private Contract, under the direction of the Selectmen and the Town Engineer, and the Board of Selectmen be authorized to secure or accept any easements necessary for the above purpose, or take any other action in relation thereto.

MOVED by the Appropriation Committee:

That the Town vote to raise and appropriate the sum of \$112,000.00 to take care of the drainage from the junction of Lincoln and Neck Streets,

Junction of Seabury and Green Streets in a northerly direction in Neck Street to Great Hill Drive, then easterly to Weymouth Back River as recommended by Metcalf and Eddy; all work to be done by Private Contract, under the direction of the Selectmen and the Town Engineer, and the Board of Selectmen be authorized to secure or accept any easements necessary for the above purpose. \$112,000.00

MOVED by Mr. Cicchese, Town Counsel, to amend the motion by the Appropriation Committee as follows:

That the phrase "to secure or accept any easements necessary for the above purpose" be changed to read "to acquire by gift, purchase, or take by right of eminent domain in fee, or otherwise, any easements as required."

Comes now the question on the amendment by Mr. Cicchese to the motion by the Appropriation Committee.

Vote was taken and the Chair declared the amendment by Mr. Cicchese to the motion by the Appropriation Committee

UNANIMOUSLY VOTED

Comes now the question on the motion by the Appropriation Committee as thus amended.

UNANIMOUSLY VOTED

ARTICLE 37. (At Request of Drainage Committee). To see if the Town will vote to raise and appropriate by taxation or otherwise a sum of money to take care of drainage from the junction of Willow Avenue and Sea Street to Weymouth Fore River; all work to be done by Private Contract, under the direction of the Selectmen and the Town Engineer, or take any other action in relation thereto.

MOVED by the Appropriation Committee:

That the Town vote to raise and appropriate the sum of \$32,625.00 to take care of the drainage from the junction of Willow Avenue and Sea Street to Weymouth Fore River; as recommended by Metcalf and Eddy; all work to be done by Private Contract under the direction of the Board of Selectmen and the Town Engineer, and the Board of Selectmen be authorized to secure or accept any easements necessary for the above purpose. \$32,625.00

MOVED by Mr. Cicchese, Town Counsel, to amend the motion by the Appropriation Committee as follows:

That the phrase "to secure or accept any easements necessary for the above purpose" be changed to read "to acquire by gift, purchase, or take by right of eminent domain in fee, or otherwise any easements necessary for the above purpose."

Comes now the question on the amendment by Mr. Cicchese.

Vote was taken and the Chair declared the amendment by Mr. Cicchese to the motion by the Appropriation Committee

UNANIMOUSLY VOTED

Comes now the question on the motion by the Appropriation Committee as thus amended.

UNANIMOUSLY VOTED

ARTICLE 38. (By Direction of Selectmen). To see if the Town will vote to raise and appropriate a sum of money for construction of sidewalks and curbing in the sidewalk building program; said money to be under the jurisdiction of the Board of Selectmen, or take any other action in relation thereto.

MOVED by the Appropriation Committee:

That the Town raise and appropriate \$35,000.00 for the construction of sidewalks and curbing, in the sidewalk building program; said money to be under the jurisdiction of the Board of Selectmen. \$35,000.00

MOVED by Mr. Burrell of the Board of Selectmen to amend the motion by the Appropriation Committee as follows:

That the Town raise and appropriate \$35,000.00 for the construction of sidewalks and curbing, and repairs to old sidewalks and curbing, in the sidewalk building program; said money to be under the jurisdiction of the Board of Selectmen.

Discussion ensued between Mr. Lane and Mr. O'Sullivan of the Board of Selectmen.

Comes now the question on the amendment by Mr. Burrell to the motion by the Appropriation Committee.

UNANIMOUSLY VOTED

Comes now the question on the motion by the Appropriation Committee as thus amended.

UNANIMOUSLY VOTED

ARTICLE 39. (At Request of Sewer Commissioners). To see if the Town will vote to raise and appropriate a sum of money for the construction of common sewer and determine whether the money shall be provided for by taxation, by appropriation from available funds including sewer assessment funds, and by borrowing under authority of Chapter 44 of the General Laws, or take any other action in relation thereto.

MOVED by the Appropriation Committee:

That the sum of \$365,093.00 be raised and appropriated for the purpose of constructing common sewers, to be expended under the direction of the Sewer Commissioners. Of this sum, \$15,093.00 shall be appropriated from the Excess and Deficiency Account; \$50,000.00 by Tax Levy; and the Treasurer, with the approval of the Board of Selectmen, is hereby authorized to borrow a sum not to exceed \$300,000.00 for new construction and to issue bonds or notes to be payable in accordance with the General Laws (Ter. Ed.) Chapter 44, so that the entire sum shall be payable in not more than 30 years from the date of issue of the first bond or note. \$ 15,093.00  
50,000.00  
300,000.00

Discussion ensued between Mr. Chalke, Mr. Field of the Sewer Commissioners, Mr. Sheehy, and Mr. Smith, Superintendent of the Sewer Department.

Comes now the question on the motion by the Appropriation Committee.

UNANIMOUSLY VOTED

ARTICLE 40. (At Request of Sewer Commissioners). To see if the Town will vote to raise and appropriate a sum of money for the construction of particular sewers and determine whether the money shall be provided for by taxation, by appropriation from available funds including sewer assessment funds, and by borrowing under authority of Chapter 44 of the General Laws, or take any other action in relation thereto.

Upon motion duly made by the Appropriation Committee, it was

UNANIMOUSLY VOTED: That the sum of \$68,824.00 be appropriated from the Common and Particular Sewer Accounts and \$23,176.00 from the Excess and Deficiency Account, for the construction of particular sewers under the direction of the Sewer Commissioners.

\$68,824.00
\$23,176.00

ARTICLE 41. (On Petition of James J. Doherty and others). To see if the Town will vote to raise and appropriate by taxation or otherwise a sum of money to tie in Brook Terrace to the main sewer line on Pierce Road a distance of approximately 400 feet, or take any other action in relation thereto.

MOVED by the Appropriation Committee:

No action.

MOVED the following substitute motion by Mr. Amabile of the Board of Selectmen:

That the Town vote to raise and appropriate the sum of \$7,500.00 to tie in Brook Terrace to the main sewer line on Pierce Road a distance of approximately 400 feet.

\$7,500.00
------------

Discussion ensued involving Mr. Coffey, Chairman of the Board of Health, Mr. Conroy, Mr. Lane, Mr. Field of the Sewer Commissioners, Mr. Connell, Mr. Crehan, Chairman of the Board of Selectmen, and Mr. Almquist.

Comes now the question on the substitute motion by Mr. Amabile.

SO VOTED

(Recess from 9:55 P.M. to 10:15 P.M.)

At the request of Mr. Cahalan, who doubted the presence of a quorum, the Chair ordered a teller count. Count was made and the tellers reported 153 Town Meeting Members present. The Chair then announced

At the request of Mr. Cahalan, who doubted the presence of a quorum, is present.

ARTICLE 42. (At Request of Building Committee). To see what sum of money the Town will vote to raise by taxation, or otherwise, and appropriate, for the purpose of constructing and originally equipping and furnishing an elementary school on the site off Front Street purchased from the Stetson Shoe Company, or take any other action in relation thereto.

MOVED by the Appropriation Committee:

That the sum of \$556,000.00 be raised and appropriated for the purpose of constructing and originally equipping and furnishing an elementary school on the site off Front Street purchased from the Stetson Shoe Company as a school site; and to meet the appropriation \$40,000.00 shall be

appropriated from the Excess and Deficiency Account; \$16,000.00 from the tax levy; and the Treasurer, with the approval of the Board of Selectmen, be and is hereby authorized to borrow the sum of \$500,000.00 under authorization of Section 7, Clause 3, Chapter 44 of the General Laws as amended. Said bonds to be payable in accordance with the provisions of Chapter 44 of the General Laws in not more than twenty (20) years from their respective dates. The sums appropriated shall be expended under the direction of a committee of seven to be appointed by the Town Moderator.

\$ 40,000.00  
16,000.00  
500,000.00

MOVED by Mr. Lane to amend the motion by the Appropriation Committee as follows:

That the amount specified be expended under the present Committee for the Shaw School Site.

Comes now the question on the amendment by Mr. Lane to the motion by the Appropriation Committee.

SO VOTED

MOVED by Mr. Lane:

That the Committee for the Shaw School Site be commended for their activities.

Comes now the question on the motion by Mr. Lane.

SO VOTED

Discussion ensued between Mr. Record and Mr. Adams.

Comes now the question on the motion by the Appropriation Committee as thus amended.

ARTICLE 43. (At Request of Building Committee). To see what sum of money the Town will vote to raise by taxation, or otherwise, and appropriate, for the purpose of acquiring by gift, purchase, or eminent domain in fee part of Lot 15, Block 381 containing about 237,510 square feet, part of Lot 1, Block 434 containing about 487 square feet; Lot 4 containing 5,900 square feet, part of Lot 5 containing about 64,350 square feet, part of Lot 6 containing about 101,000 square feet, part of Lot 11 containing about 19,500 square feet, all in Block 433, and all as shown on Sheets 33 and 34 of the Atlas of the Town of Weymouth dated January 1, 1956, as a site for an elementary school and as access ways to the site the widening of Hanover Street by taking up to 10 feet of the lots abutting this street as follows: on the northeast side lots 6, 7, 8 and 9, Block 381, on the southwest side Lot 1, Block 430; and a 40 foot right of way from Lane Avenue "extended" for a distance of approximately 150 feet to be taken from Lot 1, Block 434 all as shown on Sheets 33 and 34 of the Atlas of the Town of Weymouth dated January 1, 1956, or take any other action in relation thereto (This site would be just south of the new Klasson and Ericson Shopping Center on Washington Street with the Hanover Street entrance off Middle Street.) (9.84 acres.)

Upon motion duly made by the Appropriation Committee, it was

UNANIMOUSLY VOTED: That the Board of Selectmen be authorized to acquire by gift, purchase, or Eminent Domain in fee, for school pur-

poses, the land as described in the Article and shown on Plan or Plans by Arthur J. Bilodeau, Town Engineer, to be recorded with the Town Clerk and the sum of \$11,700 be raised and appropriated for this purpose and of this sum \$4,742.19 shall be appropriated from the Real Estate Account.

\$6,957.81  
4,742.19

Description of land to be acquired by Gift, Purchase  
or Right of Eminent Domain for School Department  
Purposes

A certain parcel of land in Weymouth, Norfolk County, Massachusetts shown on a plan entitled "Plan of Part of Weymouth, Mass." made by Russell H. Whiting, Civil Engineer, shown more specifically on a plan entitled "Preliminary Plan of Center School Site" plan No. 96-B dated February 28, 1957, made by Arthur J. Bilodeau, Town Engineer, bounded and described as follows:

Beginning at Point "A" point being on the Easterly sideline of Middle Street (Public Way) and the property line now or formerly of James W. and Vilda M. Donovan and running in a Southerly direction along an arc and straight course along a line bounded by land now or formerly of the above-mentioned James W. and Vilda M. Donovan, James F. and Anne E. Connor to point "B" being the Southerly sideline of Hanover Street (Private Way — formerly Humphrey Street); thence turning at point "B" and running in an Easterly direction for a distance of approximately eight hundred fifty-three feet (plus 853') along the Southerly sideline of the aforementioned Hanover Street to point "C", thence turning in a Southerly direction and running along a line bounded by land now or formerly of Alexander and Augustino Graziano for a distance of approximately eight hundred and thirty feet (plus 830') to point "D"; thence turning in a Westerly direction and running along a line bounded by land now or formerly of the aforementioned Alexander and Augustina Graziano for a distance of approximately five hundred feet (plus 500') to point "E", point being on the property line of Lot 3, Block 433, Sheet 34, Town Atlas, Weymouth, Mass., owners unknown; thence turning in a Northerly direction and running along the property line of land "owners unknown" to point "F", being a point on the Southerly sideline of Lipton Street (Private Way, formerly Loud Street); thence turning in a Northwesterly direction and running along the Southerly sideline of the aforementioned Lipton Street, bounded by lands now or formerly of "owners unknown" shown as Lot 3, Block 433, Sheet 34 Town Atlas, Town of Weymouth, Mass., William P. McConnell, Arthur L. Ross Tax Title, "Owners Unknown", shown as Lot 1, Block 433, Sheets 33 and 34 Town Atlas, Town of Weymouth, Mass., Donald R. and Diana M. Lund to point "G"; thence turning in a more Northerly direction and running along a line bounded by land now or formerly of Donald R. and Diana M. Lund to point "H", point being on the Easterly sideline of Middle Street; thence turning in a Northeasterly direction and running along the Easterly sideline of said Middle Street to point "A", point of beginning; containing approximately 10.24 acres, consisting of the following parcels of land:

PARCEL A

Land now or formerly of James W. and Vilda M. Donovan shown as part of Lot 6, Block 381, Sheet 33 Town Atlas, Town of Weymouth, Mass. containing approximately 350 square feet.

#### PARCEL B

Land now or formerly of James F. and Anne E. Connor shown as part of Lots 7, 8, and 9, Block 381, Sheet 33 Town Atlas, Town of Weymouth, Mass., containing approximately 1,350 square feet.

#### PARCEL C

Land now or formerly of Donald R. and Diana M. Lund shown as part of Lot 1, Block 430, Sheet 33 Town Atlas, Town of Weymouth, Mass., containing approximately 1,900 square feet

#### \*PARCEL D

Land of "Owners Unknown" shown as part of Lot 1, Block 433, Sheets 33 and 34 Town Atlas, Town of Weymouth, Mass., containing approximately 1,450 square feet.

#### PARCEL E

Land now or formerly of William P. McConnell, Arthur L. Ross Tax Title shown as Lot 4, Block 433, Sheet 34 Town Atlas, Town of Weymouth, Mass., containing approximately 5,900 square feet.

#### PARCEL F

Land now or formerly of Alexander Graziano and Augustino Graziano shown as part of Lot 15, Block 381, Sheet 34 Town Atlas, Town of Weymouth, Mass., containing 237,510 square feet.

#### \*PARCEL G

Land of "Owners Unknown" shown as part of Lot 5, Block 433, Sheet 34 Town Atlas, Town of Weymouth, Mass., containing approximately 64,350 square feet.

#### PARCEL H

Land now or formerly of Alexander Graziano and Augustino Graziano shown as part of Lot 6, Block 433, Sheet 34 Town Atlas, Town of Weymouth, Mass., containing approximately 31,600 square feet.

#### PARCEL I

Land now or formerly of Alexander Graziano and Augustino Graziano shown as part of Lot 11, Block 433, Sheet 34 Town Atlas, Town of Weymouth, Mass., containing approximately 31,60 square feet.

#### PARCEL J

Land now or formerly of Alexander Graziano and Augustino Graziano shown as part of Lot 1, Block 434, Sheet 34 Town Atlas, Town of Weymouth, Mass., containing approximately 487 square feet.

\*—As appurtenant to the above described property is herein included a "40' Right of Way" to Lane avenue as shown on plan entitled "Preliminary Plan of Center School Site" plan No. 96-B, dated February 28, 1957 made by Arthur J. Bilodeau, Town Engineer, for all purposes for which ways are commonly used in the Town of Weymouth, together with others entitled thereto.

ARTICLE 44 (At Request of the School Committee). To see what sum of money the Town will vote to raise and appropriate by taxation or otherwise for the purpose of preparing complete drawings and detailed specifications for the construction of a new elementary school on the site described in Article 43 above as a replacement for the present Center Portable School, or take any other action in relation thereto.

MOVED by the Appropriation Committee:

That \$16,000.00 be appropriated for the purpose of preparing complete drawings and detailed specifications in order that bids may be secured for the construction of a new elementary school on the site described in Article 43, above, as a replacement for the present Center Portable School and that a committee of seven be appointed by the Moderator to act as a building committee for this particular building.

Discussion ensued between Mr. Garrison and Mr. Mapes, Superintendent of Schools.

MOVED by Mr. Newton, Secretary of the Appropriation Committee, to amend the motion by the Appropriation Committee as follows:

That the present committee who selected the site be continued for the purpose of building.

Further discussion ensued involving Mr. Lane, Mr. Mapes, Superintendent of Schools, and Mr. Haas, President of the Center PTA.

MOVED by Mr. Lane to amend the motion by the Appropriation Committee as follows:

That Mr. Haas be added to the committee making a committee of eight.

Comes now the question on the Amendment by Mr. Newton to the motion by the Appropriation Committee.

UNANIMOUSLY VOTED

Comes now the question on the amendment by Mr. Lane to the motion of the Appropriation Committee.

UNANIMOUSLY VOTED

Comes now the question on the motion by the Appropriation Committee as thus amended

UNANIMOUSLY VOTED

ARTICLE 45. (At Request of School Committee). To see what action the Town will take to exempt public school teachers, who are required to be members of the State Teachers' Retirement System (but not other school employees) from the provision for a complete examination prior to entrance into the Town's service as required under the new section 628 of the Town by-laws, which was adopted under Article 60 at the Annual Town Meeting in 1956, or take any other action in relation thereto.

MOVED by the Appropriation Committee:

No action.

Discussion ensued between Mr. Record and Mr. Mapes, Superintendent of Schools.

MOVED the following substitute motion by Mr. Record:

That the Town exempt public school teachers, who are required to be members of the State Teachers' Retirement System (but not other school employees) from the provision for a complete examination prior to entrance into the Town's service as required under the new section 628 of the Town by-laws, which was adopted under Article 60 at the Annual Town Meeting in 1956.

Further discussion ensued between Mr. Newton, Secretary of the Appropriation Committee, Mr. Amabile of the Board of Selectmen, and Mr. Connell.

Comes now the question on the substitute motion by Mr. Record.

Vote was taken and the Chair declared the substitute motion by Mr. Record LOST.

Comes now the question on the motion by the Appropriation Committee.

SO VOTED

ARTICLE 46. (At Request of Amy Hill Duncan and others) To see if the Town will vote to instruct the Moderator to appoint a committee consisting of two members of the School Committee, three members of present or former School Building Committees, the Superintendent of Schools, and nine residents and taxpayers for the purpose of making a complete investigation and study relative to administration, operation maintenance, management and costs of schools and school construction in the Town, said committee to report its findings and recommendations to the School Committee, Appropriation Committee and Annual Town Meeting no later than March 1958, and that the sum of \$1,500.00 be raised and appropriated by taxation or otherwise for the use of the committee in its work, or take any other action in relation thereto.

MOVED by the Appropriation Committee:

No action.

Discussion ensued involving Mrs. Duncan and Mr. Gallagher.

MOVED the following substitute motion by Mr. Gallagher:

That the Town instruct the Moderator to appoint a committee consisting of two members of the School Committee, three members of present or former School Building Committees, the Superintendent of Schools, and nine residents and taxpayers for the purpose of making a complete investigation and study relative to administration, operation maintenance, management and costs of schools and school construction in the Town, said committee to report its findings and recommendations to the School Committee, Appropriation Committee and Annual Town Meeting no later than March 1958, and that the sum of \$1,500.00 be raised and appropriated by taxation or otherwise for the use of the committee in its work.

Lengthy discussion ensued involving several of the Town Meeting Members.

Comes now the question on the substitute motion by Mr. Gallagher.

Vote was taken and the Chair declared the substitute motion by Mr. Gallagher LOST.

Comes now the question on the motion by the Appropriation Committee.

SO VOTED

ARTICLE 47. (At Request of the Board of Water Commissioners). To see what sum of money the Town will appropriate for water works purposes to take by purchase, gift or take by eminent domain in fee a lot

of land containing 1200 square feet located opposite No. 50 Hollis Street and shown on 1956 Town Atlas as Lot 18, Block 548 on Sheet 49 and owned by Edward W. Fasci and Mildred L. Fasci, Joint tenants, or take any other action in relation thereto.

Upon motion duly made by the Appropriation Committee, it was

UNANIMOUSLY VOTED: That the Town vote to take by purchase, gift or eminent domain in fee, for Water Works purposes a lot of land containing 1200 square feet located opposite No. 50 Hollis Street and shown on the 1956 Town Atlas as Lot 18, Block 548, on Sheet 49 and owned by Edward W. Fasci and Mildred L. Fasci, joint tenants, and the sum of \$500.00 shall be appropriated from the Surplus Funds of the Water Department for this purpose, said premises are shown on a Plan by Arthur J. Bilodeau, Town Engineer to be recorded with the Town Clerk. \$500.00

ARTICLE 48. (On Petition of Pond Plain Improvement Association). To see what sum of money the Town will vote to raise and appropriate to install a 12-inch reinforcing water main on Pond Street, from No. 240 Pond Street to Thicket Street and to install a 10-inch reinforcing water main on Thicket Street from Pond Street to No. 125 Thicket Street, to be installed under the direction of the Water Commissioners, or to take any other action in relation thereto.

Upon motion duly made by the Appropriation Committee, it was

UNANIMOUSLY VOTED: No action.

ARTICLE 49. (At Request of Trustees of Tufts Library). That the Town vote to amend the Regulations for Tufts Library as presently amended so that said Regulations shall be as follows:

I. The Library shall be called the Tufts Library and shall be managed and controlled by a Board of Trustees consisting of nine Elective Trustees who shall be legal residents of the Town of Weymouth.

II. The term of office of said Elected Trustees shall be three years, and they shall be elected one-third each year at the Annual Town Election

III. When any vacancy shall occur in said Board, in consequence of the refusal or neglect of any elected Trustee to accept office, or the death, resignation, or change of residence of any such Trustee to a place outside the Town of Weymouth, such vacancy shall be filled at the next annual Town election — "or any other action in relation thereto."

MOVED by the Appropriation Committee:

That the Town vote to amend the regulations for the Tufts Library as listed in the Article.

MOVED by Mr. Gallagher to amend the motion by the Appropriation Committee as follows:

I. The Library shall be called the Tufts Library and shall be managed and controlled by a Board of Trustees consisting of twelve Elective Trustees who shall be legal residents of the Town of Weymouth.

Discussion ensued between Mr. Gallagher and Mr. Jones of the Tufts Library Trustees.

Comes now the question on the amendment by Mr. Gallagher to the motion by the Appropriation Committee.

Vote was taken and the Chair declared the amendment by Mr. Gallagher LOST.

Comes now the question on the motion by the Appropriation Committee.

UNANIMOUSLY VOTED

ARTICLE 50. (On Petition and By Direction of Selectmen). To see if the Town will vote to amend its Zoning By-Laws and Zoning Map, Article X of the Town By-Laws, by making the following changes: Change of Districts. From Residential to Business, Lots 8, 9, 10, 11, 12 and 13 now or formerly the property of Charles C. Fortier and Helen E. Fortier, tenants by the entirety, and Lot 14 now or formerly the property of Dorothea F. Fucci, Block 533, Sheet 46, as shown in the Town Atlas revised to January 1, 1956, or take any other action in relation thereto.

MOVED by Mr. Nover of the Planning Board:

That the subject matter of Article 50 be rezoned to Limited Business.

Discussion ensued between Mr. Nover of the Planning Board and Mr. Fryer of the Board of Selectmen.

MOVED the following substitute motion by Mr. Fryer of the Board of Selectmen:

No action.

Lengthy discussion ensued involving several of the Town Meeting Members and residents of the area affected.

Comes now the question on the substitute motion by Mr. Fryer.

SO VOTED

(The following action relating to Article 50 occurred at the Adjourned Annual Town Meeting, March 9, 1957.)

MOVED by Mr. Jones:

Reconsideration of Article 50.

Discussion ensued involving several of the Town Meeting Members.

Comes now the question on the motion by Mr. Jones.

SO VOTED

MOVED by Mr. Nover of the Planning Board:

That the subject matter of Article 50 be rezoned to Limited Business.

Further discussion ensued involving Mr. Lane, Mr. Burrell, Chairman of the Appeal Board, and Mr. Jones.

MOVED the following substitute motion by Mr. Causer:

No action.

Vote was taken and the Chair declared the substitute motion by Mr. Causer LOST.

Comes now the question on the motion by Mr. Nover.

The Chair ordered a teller count. Count was taken and the tellers reported 76 in favor, 45 opposed. There being less than the necessary two-thirds vote in favor the Chair declared the motion by Mr. Nover LOST.

---

ARTICLE 51. (At Request of By-Law Committee). To see what sum of money the Town will vote to raise and appropriate for printing the By-Laws of the Town and Rules and Regulations of Town Departments or take any other action in relation thereto.

Upon motion duly made by the Appropriation Committee, it was

UNANIMOUSLY VOTED: That the By-Laws Committee be continued to further revise the By-Laws of the Town and Rules and Regulations of the Town Department and that a sum of \$100.00 be appropriated for the use of this Committee. \$100.00

ARTICLE 52. (At Request of By-Law Committee). To see if the Town will vote to revise, amend and/or add to the By-Laws of the Town of Weymouth, or take any other action in relation thereto, and more particularly to the following:

Upon motion duly made by the Appropriation Committee, it was

UNANIMOUSLY VOTED: That Article 52 be considered item by item.

Mr. Nover of the By-Law Committee and Mr. Heflernan of the Committee on Acceptance of Streets spoke on the Article.

A. Amend Section 504 of the By-Laws by striking out the present section and inserting in place thereof the following:- Section 504. All petitions for the acceptance of streets, new or otherwise, must be presented to the Board of Selectmen not later than August first previous to the Annual Town Meeting, and such streets may be accepted only at an annual Town Meeting.

Upon motion duly made by the Appropriation Committee, it was

UNAMIOUSLY VOTED: That Section 504 be so amended.

B. Amend Section 506 of the By-Laws by striking out the present section and inserting in place thereof the following section:- Section 506. No street or way shall be laid out or accepted by the Town of Weymouth of a width less than forty feet, unless the same shall have been actually opened and used for public travel prior to January 1, 1924 and is recommended and approved by the Selectmen, Superintendent of Streets, Superintendent of Sewers, Superintendent of Water, Public Health Agent and Town Engineer.

Upon motion duly made by the Appropriation Committee, it was

UNANIMOUSLY VOTED: That Section 506 be so amended.

C. Amend Section 508 by striking out in line 8 the words "75 percent" and inserting in place thereof the words "90 percent," so as to read as follows:-

Section 508 Any street or way constructed through private land by the owners thereof in accordance with the specifications set forth in Section 511, may be laid out and accepted as a public street in the Town

of Weymouth, provided such action is taken in accordance with provisions of Chapter 50 of the Revised Laws of Massachusetts and amendments thereof; and provided also, that the owners of at least 90 percent of the lands through which such street or way passes, have signed releases of all property which the town deems it necessary to acquire for such layout and accepted and have granted sloping privileges.

Upon motion duly made by the Appropriation Committee, it was

UNANIMOUSLY VOTED: No action.

D. Amend Section 511 by striking out the first two paragraphs as most recently amended by vote of the 1956 Annual Town Meeting and inserting in place thereof the following:- Section 511. A plan and profile done in ink on tracing cloth 19 inches wide by 28 inches long or 24 inches wide by 36 inches long at a scale of one inch to 40 feet of each street. The survey and plan work will be accomplished by a private Registered Engineer or Registered Land Surveyor and the cost of the work will be borne by the abutters and/or petitioners. The Engineers or Surveyor will design a satisfactory road grade and indicate the necessary drainage. He will set the necessary bounds as indicated by the Town Engineer. He will clear his plan with the Sewer, Water, Street, Health, and Engineering Departments, who in approving the plan will sign the linen in the appropriate spaces provided.

Such plan will show all physical characteristics of the Street presented for acceptance, i.e., all property lines for at least 50 feet from proposed street, the names of the respective owners as of a date not earlier than September first of the year in which the petition is filed. the correct locations of all buildings. hydrants, catch basins, manholes, utility poles all easements necessary for drainage, sewer or water mains. all stone is filed.

Upon motion duly made by the Appropriation Committee. it was

UNANIMOUSLY VOTED: That Section 511 be so amended.

No person or corporation shall make any excavation within the limits of any public way in the town except upon and in accordance with the conditions of a permit to be issued by the Board of Selectmen. such permit to be issued only upon the written application stating the location and extent of the proposed excavation and a fee of one dollar shall be charged for each permit issued.

Upon motion duly made by the Appropriation Committee. it was

UNANIMOUSLY VOTED: That Section 501, Paragraph 1 be so amended.

F. Delete Paragraph 3. Section 501 of the By-Laws which now reads: Except in the case of a leak or break in some underground installation or for the purpose of setting telegraph or other poles, no such permit shall be granted to open any street or way between the time when the ground freezes in the Autumn and the time when the frost is out of the ground in the Spring. which times for the purposes of this section be determined each year by the Board of Selectmen.

Upon motion duly made by the Appropriation Committee. it was

UNANIMOUSLY VOTED: That Paragraph 3. Section 501 be deleted  
G. Amend Section 626 of the By-Laws by striking out in line 3 the words "two thousand dollars (\$2,000.)" and inserting in place thereof the words "Thirty-five hundred dollars (\$3,500.)" so as to read as follows:-

Section 626. If a person is employed by the Town and receives as salary and compensation for such employment a sum in excess of thirty-five hundred dollars (\$3500.) he shall not receive any other compensation or salary from the Town derived from any other office position or employment of the Town unless otherwise authorized by vote of the Town.

MOVED by the Appropriation Committee:

No action:

MOVED the following substitute motion by Mr. Nover of the By-Law Committee:

That Section 626 be so amended.

Discussion ensued involving Mr. Lane, Mr. Newton, Secretary of the Appropriation Committee, and Mr. Nover.

Comes now the question on the substitute motion by Mr. Nover.

Vote was taken and the Chair declared the substitute motion by Mr. Nover LOST.

Comes now the question on the motion by the Appropriation Committee.

SO VOTED

H. Amend Section 629 of the By-Laws by striking out in line 4 the words "three years" and inserting in place thereof the words "five years" so as to read as follows:- No street, road or highway in the town shall be opened for installation of sewers, water mains, drains, public utilities or other purposes, except for emergency services, for five years after such street, road or highway has been reconstructed, built or relocated. Prior to reconstruction, rebuilding or relocation of any street, road or highway, the Board of Selectmen shall notify sewer, highway and water departments and telephone, gas and electric companies not less than three months before actual work will be started.

Upon motion duly made by the Appropriation Committee, it was

UNANIMOUSLY VOTED: That Section 629 be so amended.

I. Amend the By-Laws by adding a new section numbered 630 as follows:- No person, unless required by law so to do, shall make any marks, letters, figures of any kind or place any sign, advertisement or placard (Political or otherwise) upon or against any wall, fence, utility pole, post, ledge, stone, tree, building or structure, in or upon any public way in the town without the permission of the owner thereof, nor upon any sidewalk or upon any property of the town without the consent of the Selectmen. Whoever violates any of the provisions of this section shall be punished by a fine of not more than fifty (\$50.00) dollars.

Upon motion duly made by the Appropriation Committee, it was

UNANIMOUSLY VOTED: That the By-Laws be amended by adding a new Section numbered 630 in accordance with the subject matter of Paragraph I under Article 52.

J. Amend the By-Laws by adding a new section numbered 631 as follows:-

Section 631. Any vehicle on a public way in the town interfering with the work of removing or plowing snow, or removing ice therefrom, may be removed by or under the direction of the Superintendent of Streets to a public garage or any convenient place. The Superintendent of Streets shall, within a reasonable time, notify the Chief of Police of the removal of any such vehicle and of the place to which it has been removed and the Chief of Police shall give like notice to the registered owner of the vehicle. The owner, before being permitted to remove the vehicle, shall establish his right so to do and pay to the town or to the keeper of the place of storage, the cost of removal not exceeding ten dollars (\$10.00) and any storage charges resulting therefrom, not exceeding one dollar (\$1.00) per day.

MOVED by the Appropriation Committee.

No action.

MOVED the following substitute motion by Mr. Nover:

J. Amend the By-Laws by adding a new section numbered 631 as follows:-  
Section 631. Any vehicle on a public way in the town interfering with the work of removing or plowing snow, or removing ice therefrom, may be removed by or under the authority of the Chief of Police to a public garage or any convenient place. The Chief of Police shall give notice to the registered owner of the vehicle. The owner, before being permitted to remove the vehicle, shall establish his right so to do and pay to the town or to the keeper of the place of storage charges resulting therefrom, not exceeding one dollar (\$1.00) per day.

Discussion ensued involving Mr. Nover, Mr. Lynch, Mr. Cicchese, Town Counsel, and Mr. Jones.

MOVED by Mr. Jones to amend the substitute motion by Mr. Nover as follows:

The Chief of Police shall give notice of place to which it has moved to the registered owner of the vehicle.

Further discussion ensued involving Mr. Chalke, Mr. Lane, Mr. Record and Mr. Nover.

MOVED by Mr. O'Brien to amend the amendment by Mr. Jones to the substitute motion by Mr. Nover as follows:

The Chief of Police shall give notice within a reasonable time of place to which it has been moved to the registered owner of the vehicle.

Comes now the question on the amendment by Mr. O'Brien to the amendment by Mr. Jones

SO VOTED

Comes now the question on the amendment by Mr. Jones as thus amended.

SO VOTED

Comes now the question on the substitute motion by Mr. Nover as thus amended.

Vote was taken and the Chair declared the substitute motion by Mr. Nover as amended lost. More than seven doubting the vote the Chair ordered a teller count. Count was made and the tellers reported 73 in favor, 48 opposed. The Chair then declared the substitute motion by Mr. Nover as amended.

SO VOTED

K. Amend Section 704 of the Building Code by striking out the second paragraph and inserting in place thereof the following:- Upon request for a building permit, the builder will submit to the building inspector a linen and two prints of the proposed plot plan. The plan will show the entire building lot, a portion of the way or street on location, (public or otherwise) and an accurate location of the proposed building. This plan will be accomplished by a qualified Registered Engineer or Land Surveyor. It will be drawn on cloth in black India ink, scale 1" equals 40 feet, size 9½ inches by 14 inches. It will show the survey data required to distinguish the lot and building. The building inspector shall also require that all plans and computations bear the name of the person designing the plans and name of owner of proposed building.

MOVED by the Appropriation Committee:

That Section 704 of the Building Code be so amended.

Discussion ensued involving Mr. Pompeo, Mr. Bilodeau, Town Engineer, Mr. Nover and Mr. Lovell.

Comes now the question on the motion by the Appropriation Committee.

UNANIMOUSLY VOTED

L. Amend Section 715 of the Building Code (By-Laws) by adding thereto the following:- Elevations. All sill elevations of new structures will be set or approved by the Department of Engineering prior to the issuance of a building permit.

Upon motion duly made by the Appropriation Committee, it was

UNANIMOUSLY VOTED: That Section 715 of the Building Code be so amended.

(The following action relative to Article 52 occurred at the Adjourned Annual Town Meeting Saturday, March 9, 1957).

MOVED by the Appropriation Committee:

That Article 52 as amended and voted item by item be adopted in toto.

Discussion ensued between Mr. Nolan and Mr. Cicchese, Town Counsel.

Comes now the question on the motion by the Appropriation Committee.

UNANIMOUSLY VOTED

Upon motion duly made by Mr. Cahalan, it was

UNANIMOUSLY VOTED: That the Annual Town Meeting adjourn at 12:00 midnight until 1:00 P.M. Saturday, March 9, 1957.

A True Copy Attest:

HARRY CHRISTENSEN

Town Clerk

## ADJOURNED ANNUAL TOWN MEETING

Saturday, March 9, 1957

The Adjourned Annual Town Meeting was called to order at 1:00 in the afternoon of Saturday, March 9, 1957 by the Annual Moderator, Mr. Daniel L. O'Donnell.

Prayer for Divine Guidance was offered by Rev. Frederick T. Burke, Curate of St. Francis Xavier R. C. Church, South Weymouth.

Mr. Cahalan raised the question of a quorum. The Chair thereupon ordered a teller count. Mr. Record was sworn in as Teller for the first division replacing Mr. Gallagher. Count was made and the tellers reported 114 Town Meeting Members present. The Chair then ordered a short recess.

Following a short recess the Chair again called the meeting to order and Mr. Cahalan again raised the question of a quorum. The Chair thereupon ordered a teller count. Count was made and the tellers reported 137 Town Meeting Members present.

There being 137 Town Meeting Members present the Chair declared a quorum present.

There were no Town Meeting Members to be sworn in.

We now continue with consideration of the Articles in the Warrant.

(Further consideration of Article 52 will be found on page 64 of this record.)

(Reconsideration of Article 50 will be found on page 59 of this record.)

ARTICLE 53. (At request of George E. Lane and others). To see if the Town will vote to amend Section 504 of the By-Laws so as to read, "All petitions for the acceptance of streets must be presented to the Board of Selectmen not later than October first previous to the annual town meeting, and all new streets must be accepted at an annual town meeting," or take any other action in relation thereto.

Upon motion duly made by the Appropriation Committee, it was  
UNANIMOUSLY VOTED: No action.

ARTICLE 54. (At request of George E. Lane and others). To see if the Town will vote to amend Section 404 of the Town By-Laws so as to read ". . . he shall be responsible for the acts of any assistants employed by him and such assistants shall be paid by the town."

Upon motion duly made by the Appropriation Committee, it was  
UNANIMOUSLY VOTED: No action

ARTICLE 55. (At Request of George E. Lane and others). To see if the Town will vote to amend Section 404A of the Town By-Laws so as to read "The salary of the Town Counsel shall cover all work performed by him except examination of titles to real estate or actual appearance in court in the conduct of litigation or before administrative Boards or other tribunals."

Upon motion duly made by the Appropriation Committee, it was  
UNANIMOUSLY VOTED: No action.

(Consideration of Article 56 will be found on page 7 of this record.)

(Consideration of Article 57 will be found on page 1 of this record.)

ARTICLE 58. (At request of Tree Warden and Moth Department).  
That the Town vote to raise and appropriate the sum of \$25,000.00 for the control of Dutch Elm Disease under the requirements of Chapter 132 of the General Laws as most recently amended by Chapter 657 Acts of 1956 or take any other action in relation thereto.

MOVED by the Appropriation Committee:

That the Town vote to raise and appropriate the sum of \$2500.00 for the control of Dutch Elm Disease under the requirements of Chapter 132, of the General Laws as most recently amended by Chapter 657 Acts of 1956.

MOVED the following substitute motion by Mr. Hebert, Tree Warden:

That the sum of \$25,000.00 be raised and appropriated for the control of Dutch Elm Disease to be spent under the direction of the Moth Superintendent.

Discussion ensued between Mr. Newton, Secretary of the Appropriation Committee, Mr. Hebert, Tree Warden, and Mr. Record

Comes now the question on the substitute motion by Mr. Hebert.

Vote was taken and the Chair declared the substitute motion by Mr. Hebert LOST.

Comes now the question on the motion by the Appropriation Committee.

UNANIMOUSLY VOTED

ARTICLE 59. (By direction of Selectmen). To see if the Town will vote to raise and appropriate the sum of \$500.00 for the purpose of maintaining during the ensuing year, the mosquito control works as estimated and certified to by the State Reclamation Board in accordance with the provisions of Chapter 112, Acts of 1931 or take any other action in relation thereto.

MOVED by the Appropriation Committee:

That the Town vote to raise and appropriate the sum of \$500.00 for the purpose of maintaining during the ensuing year the mosquito control works as estimated and certified to by the State Reclamation Board in accordance with the provisions of Chapter 112, Acts of 1931.

Discussion ensued between Mr. Lane and Mr. Hebert, Tree Warden.

Comes now the question on the motion by the Appropriation Committee.

UNANIMOUSLY VOTED

ARTICLE 60. (By Direction of Selectmen) To see if the Town will vote and appropriate by taxation or otherwise the sum of \$8,000.00 for the Town's share in the South Shore Mosquito Control District, or take any other action in relation thereto.

MOVED by the Appropriation Committee:

That the Town vote to raise and appropriate the sum of \$8,000.00 for the Town's share in the South Shore Mosquito Control District, and that the Board of Selectmen be instructed to notify the South Shore Mosquito Control District on the needs of the Town. \$8,000.00

Discussion ensued involving Mr. Lane, Mr. Newton, Secretary of the Appropriation Committee, Mr. Record, Mr. Herbert, Tree Warden, Mr. Reilly of the Board of Health.

MOVED by Mr. Pompeo the following amendment to the motion by the Appropriation Committee:

That a committee of five be appointed by the Moderator to study mosquito control to report at the next Annual Town Meeting.

Comes now the question on the amendment by Mr. Pompeo to the motion by the Appropriation Committee.

Vote was taken and the Chair being in doubt a teller count was ordered. Count was taken and the tellers reported 52 in favor, 79 against. The Chair then declared the amendment by Mr. Pompeo LOST.

Comes now the question on the motion by the Appropriation Committee

UNANIMOUSLY VOTED

ARTICLE 61. (At Request of George E. Lane and others). To see what sum of money the Town will raise and appropriate for mosquito control work under the direction of the Tree and Moth Department, or take any other action in relation thereto.

Upon motion duly made by the Appropriation Committee, it was

UNANIMOUSLY VOTED: No action.

(Recess from 3:00 P.M. to 3:10 P.M.)

ARTICLE 86. (At Request of Wessagusset District of the Old Colony Council, Boy Scouts of America and petitioners). To see what sum of money the Town will vote to raise by taxation or otherwise, and appropriate, for the purpose of acquiring by gift, purchase, or eminent domain in fee, all or parts of Lot 2, Block 467, Sheets 42 and 38, containing approximately 553,500 square feet; Lot 3, Block 467, Sheets 42 and 38, containing approximately 253,000 square feet; Lot 1, Block 495, Sheet 42, containing about four acres; Lot 2, Block 495, Sheet 42, containing about 11.3 acres; and Lot 3, Block 495, Sheet 42, containing about 300,000 square feet as appear in the Atlas of the Town of Weymouth for the year 1956, said land being next to and south of the Bird Sanctuary and east of the So. Junior High School, for the purpose of creating a natural woodland park for conservation and outdoor youth activities such as is carried on by the Program of the Boy Scouts of America, said land to be under the jurisdiction of the Park Department, or take any other action in relation thereto.

MOVED by the Appropriation Committee:  
No action.

MOVED the following substitute motion by Mr. Mason of the Park Commissioners:

That Lot 1, Block 495, Sheet 42, containing about four acres now owned by the Town of Weymouth be transferred to the Park Department for the purpose of a Natural Woodland Park, and that a committee of seven be appointed by the Moderator to study and recommend action to be taken by the Town to develop an adequate Natural Woodland Park for outdoor youth activities. This committee to report to a future Town Meeting.

Lengthy discussion ensued involving several of the Town Meeting Members

Comes now the question on the substitute motion by Mr. Mason.

Vote was taken and the Chair declared the substitute motion by Mr. Mason LOST.

Comes now the question on the motion by the Appropriation Committee.

UNANIMOUSLY VOTED

ARTICLE 87. (By Direction of Selectmen). To see what action the Town will take to designate the Junction of Routes 3 and 18 as Seach Square in honor of William B. Seach, Weymouth's only Congressional Medal of Honor Winner, or take any other action in relation thereto, and appropriate a sum of money for the installation of a marker.

MOVED by the Appropriation Committee:  
No action.

Mr. Newton, Secretary of the Appropriation Committee, explained the reasons for the motion.

Comes now the question on the motion by the Appropriation Committee.

UNANIMOUSLY VOTED

ARTICLE 88. (On Petition and By Direction of Selectmen). To see if the Town will vote to accept Chapter 733 of the Acts of 1956, "An act providing annuities to dependents of certain police officers and fire fighters killed in the performance of duty," or take any other action in relation thereto.

MOVED by the Appropriation Committee:

No action.

MOVED the following substitute motion by Mr. Lane:

That the Town vote to accept Chapter 733 of the Acts of 1956, "An act providing annuities to dependents of certain police officers and fire fighters killed in the performance of duty."

Mr. Starratt of the Retirement Board spoke on the substitute motion.

Comes now the question on the substitute motion by Mr. Lane.

SO VOTED

ARTICLE 89. (On Petition and By Direction of Selectmen). To see if the Town will accept Chapter 374 of the Acts of 1956, "An Act relative to providing pensions for widows of Police and Fire Fighters under the non-contributory law," or take any other action in relation thereto.

MOVED by the Appropriation Committee:

No action.

MOVED the following substitute motion by Mr. Lane:

That the Town vote to accept Chapter 374 of the Acts of 1956, "An Act relative to providing pensions for widows of Police and Fire Fighters under the non-contributory law."

Mr. Starratt of the Retirement Board spoke on the substitute motion.

Comes now the question on the substitute motion by Mr. Lane.

UNANIMOUSLY VOTED

ARTICLE 90. (On Petition of George E. Lane and others). To see if the Town will vote to instruct the Board of Assessors to submit to any taxpayer owning homes, lands or other properties, a notice of increased assessments on such properties prior to the sending of the annual tax bill or take any other action in relation thereto.

MOVED by the Appropriation Committee:

That the Board of Assessors be so instructed.

Discussion ensued involving Mr. Newton, Secretary of the Appropriation Committee, and Mr. Lane.

Comes now the question on the motion by the Appropriation Committee.

UNANIMOUSLY VOTED

ARTICLE 91. (On Petition of Everett E. Callahan and others). To see what action the Town will take to appropriate a sum sufficient to audit the town accounts for the years 1952 through 1956, and, further, to instruct the Board of Selectmen to employ a competent auditing firm for this purpose.

MOVED by the Appropriation Committee:

No action.

Mr. Almquist commented on the subject matter of the Article.

Comes now the question on the motion by the Appropriation Committee.

UNANIMOUSLY VOTED

ARTICLE 92. (By Direction of Selectmen). To see what action the Town will take to appoint a Committee of nine (9) to review our form of government with the view of strengthening and preserving our present type of government. This committee to report to the Board of Selectmen by December 1, 1957 and the Annual Town Meeting of 1958. This committee to consist of at least two Selectmen, one member of Planning Board, one Department head, and five private citizens, one from each of the five wards, or take any other action in relation thereto.

MOVED by the Appropriation Committee:

No action.

Discussion ensued involving Mr. Cahalan and Mr. Almquist.

Comes now the question on the motion by the Appropriation Committee.

SO VOTED

ARTICLE 93. (At Request of George E. Lane and others). To see if the Town will vote to set up a Zoning Appeal Board in accordance with Chapter 40, Section 30 of the General Laws of Massachusetts, or take any other action in relation thereto.

MOVED by the Appropriation Committee:

That the Board of Selectmen be instructed to comply with the General Laws of the Commonwealth and the By-Laws of the Town of Weymouth, relative to the creation and existence of Appeal Boards.

MOVED the following substitute motion by Mr. Lane:

That the Board of Selectmen be instructed to comply with the General Laws Chapter 40A, Sect. 14 and establish a Zoning Board of Appeals of three members for terms of such length and so arranged that the term of one appointee will expire each year and that said Board shall act as both Appeal Board on Zoning, Planning and Building by-laws and regulations.

Discussion ensued between Mr. Cicchese, Town Counsel, and Mr. Lane.

Comes now the question on the substitute motion by Mr. Lane.

Vote was taken and the Chair declared the substitute motion by Mr. Lane LOST.

Comes now the question on the motion by the Appropriation Committee.

UNANIMOUSLY VOTED

ARTICLE 94. (At Request of Weymouth Housing Authority). To see whether the Town of Weymouth will approve of the erection of a new housing project of the Weymouth Housing Authority and will approve all applications therefor and incident thereto of said Housing Authority in pursuance of the provisions of Chapter 667 of the Acts and Resolves of Massachusetts in the year 1954, titled "An Act to Provide for the Housing of Elderly Persons of Low Income" or take any other action in relation thereto.

MOVED by the Appropriation Committee:

No action.

Discussion ensued involving Mr. Fasino of the Housing Authority, Mr. Gillis, Mr. Dillon, Mr. Lane, Mr. Nover and Mr. Newton, Secretary of the Appropriation Committee.

MOVED the following substitute motion by Mr. Pope, Chairman of the Housing Authority:

That the Town of Weymouth hereby approves the erection of a new housing project of the Weymouth Housing Authority and will approve all applications therefor and incident thereto of said Housing Authority in pursuance of the provisions of Chapter 667 of the Acts and Resolves of Massachusetts in the year 1954, titled, "An Act to Provide for the Housing of Elderly Persons of Low Income."

Further discussion ensued involving Mr. Gallagher, Mr. Fasino of the Housing Authority, Mr. Nover, Mr. Lovell, Mr. Reid, Mr. Garrison and Mr. Chalke.

Comes now the question on the substitute motion by Mr. Pope.

Vote was taken and the Chair declared the substitute motion by Mr. Pope lost. More than seven doubting the vote the Chair ordered a teller count. Count was made and the tellers reported 33 in favor, 91 opposed. The Chair then declared the substitute motion by Mr. Pope LOST.

Comes now the question on the motion by the Appropriation Committee.

SO VOTED

ARTICLE 95. (At Request of George E. Lane and others). To see what sum of money the Town will raise and appropriate for proper lighting on Columbian and Washington Streets in areas of major food stores, or take any other action in relation thereto.

MOVED by the Appropriation Committee:

That the subject matter of this Article be referred to the Street Lighting Committee.

MOVED the following substitute motion by Mr. Lane:

That the Street Lighting Committee be instructed to furnish proper lighting on Columbian and Washington Streets in areas of major food stores in the year 1957.

Discussion ensued involving Mr. Lane and Mr. Cahalan.

Comes now the question on the substitute motion by Mr. Lane.

SO VOTED

ARTICLE 96. (By Direction of Selectmen). To see what action the Town will take to limiting the number of consecutive years a man may serve as Selectman to two consecutive three year terms, or take any other action in relation thereto.

Upon motion duly made by the Appropriation Committee, it was

SO VOTED: No action.

ARTICLE 97. (By Direction of Selectmen). To see what action the Town will take to prohibit all elected or appointed officials, who may be lawyers, from partaking in or engaging in any action either Civil or Criminal brought against the Town or any of its employees, or take any other action in relation thereto.

Upon motion duly made by the Appropriation Committee, it was

SO VOTED: No action.

ARTICLE 98. (By Direction of Selectmen). To see if the Town will vote to raise and appropriate the sum of \$300.00 to be expended under the direction of the Board of Selectmen for the purpose of stocking the ponds and inland waters located within the Town limits, with fish and/or liberating game, all in accordance with General Laws (Ter. Ed.) Chapter 10, Section 5, Clause 41, or take any other action in relation thereto.

\$300.00

Upon motion duly made by the Appropriation Committee, it was

SO VOTED: That the Town vote to raise and appropriate the sum of \$300.00 to be expended under the direction of the Board of Selectmen for the purpose of stocking the ponds and inland waters located within the Town limits, with fish, and/or liberating game, all in accordance with General Laws (Ter. Ed.) Chapter 10, Section 5, Clause 41.

ARTICLE 99. (On Petition of George E. Lane and others). To see if the Town will vote to adopt a new by-law prohibiting the attachment of political stickers, posters or other signs on utility poles and trees on town roads and streets without approval of the Board of Selectmen, violation of such a by-law subject to a \$50.00 fine, or take any other action in relation thereto.

Upon motion duly made by the Appropriation Committee, it was

SO VOTED: No action.

ARTICLE 100. (At Request of George E. Lane and others). To see what sum of money the Town will raise and appropriate for a survey of recreational facilities under the direction of the Weymouth Youth Commission, or take any other action in relation thereto.

Upon motion duly made by the Appropriation Committee, it was

UNANIMOUSLY VOTED: That the Weymouth Youth Commission be instructed to review the recreational facilities program and report at a future Town Meeting and that available money in the Weymouth Youth Commission Account be utilized for this purpose.

Mr. Christensen, Town Clerk, assumed the Chair.

ARTICLE 101. (By Direction of Selectmen). To see if the Town will vote to raise and appropriate by taxation or otherwise a sum of money in the amount of \$30,723.80 to indemnify Kevin J. McNamara, an employee of the Town of Weymouth, who was at the time the claim arose acting within the scope of his official duties or employment, and that the defense of such claim was made by the Town Counsel of the Town of Weymouth, said sum of money to be paid as follows:

To Kenneth Peterson, individually, the sum of \$15,000 for personal injuries;

To Kenneth Peterson, Administrator of the Estate of Magdalene S. Peterson, for death and conscious suffering of the said Magdalene S. Peterson, the sum of \$10,275.50;

To Miss Etta Peterson for personal injuries the sum of \$5,448.30; making a total of \$30,723.80;

All in accordance with Chapter 41 of the General Laws (Ter. Ed.).

MOVED by the Appropriation Committee:

That the Town vote to raise and appropriate the sum of \$30,723.80 under the terms of this Article. \$30,723.80

Discussion ensued involving Mr. Cahalan, Mr. Cicchese, Town Counsel Mr. Garrison, Mr. Lane, Mr. Newton, Secretary of the Appropriation Committee, and Mr. Daniel O'Donnell.

Comes now the question on the motion by the Appropriation Committee.

UNANIMOUSLY VOTED

The Annual Moderator, Mr. Daniel O'Donnell, re-assumed the Chair.

ARTICLE 102. (By Direction of Selectmen). To see what sum of money the Town will vote to raise and appropriate, for the purpose of acquiring by gift, purchase, or eminent domain in fee, the dam behind the Weymouth Lumber Company, in South Weymouth, and the dam behind the house of Henry Godin, in East Weymouth, together with easements which may be necessary in connection therewith, and for the repair or rebuilding of said dams, to help control floods, or take any other action in relation thereto.

MOVED by the Appropriation Committee:

No action.

Mr. Newton, Secretary of the Appropriation Committee, explained the reasons for the motion.

Comes now the question on the motion by the Appropriation Committee.

UNANIMOUSLY VOTED

The Chair recognized Mr. Edward M. Keohane who is now completing nine years of service on the Appropriation Committee and cannot be reappointed under the By-Laws. The Town Meeting Members accorded generous applause to Mr. Keohane for his efforts.

The Chair commended the Appropriation Committee for their attendance record which, to his knowledge, was the highest ever known. The Chair stated that he was particularly grateful to the Chairman and Clerk of the Committee and the members who had made this attendance mark possible.

The Chair further expressed his thanks, and the thanks of the meeting to all committees which he had appointed.

Upon motion duly made by Mr. Lane, it was

UNANIMOUSLY VOTED: The thanks and commendation of the meeting to the Appropriation Committee for their efforts during this Annual Town Meeting, the longest in the history of the Town.

ARTICLE 103. (By Direction of Selectmen). To see if the Town will vote to appoint a committee to make a study of common landing places on the tidal shores of the town in accordance with the provisions of Chapter 262 of the Acts of 1956, or take any other action in relation thereto.

Upon motion duly made by the Appropriation Committee, it was

UNANIMOUSLY VOTED: That the Town vote to appoint a committee of five to be appointed by the Town Moderator to make a study of common landing place or places on the tidal shores of the Town in accordance with the provisions of Chapter 262, of the Acts of 1956.

MOVED by Mr. Lane:

The commendation of the meeting to the Moderator for the fine manner in which he presided over this Annual Town Meeting, the longest in the history of the Town.

The Town Meeting Members expressed their approval and acceptance of Mr. Lane's motion by spontaneous standing applause.

Upon motion duly made by the Appropriation Committee, it was

UNANIMOUSLY VOTED: That the Annual Town Meeting adjourn at 4:50 P.M.

A True Copy.

HARRY CHRISTENSEN

Town Clerk

### CERTIFICATE OF CHOICE

At a meeting of the remaining town meeting members of Precinct 5 held at the Town Hall on Wednesday evening, March 27, 1957, a vacancy in the full membership of the Precinct was filled.

The meeting was called to order at 7:40 P.M. with 13 members present.

Mr. Otto Mason was elected Chairman. Mr. Harry Fekkes was elected Clerk. The following names were placed in nomination:

James F. Allison	185 Forest Street
Joseph T. Wood	11 Fern Road
Edward F. Shields	9 Whitcomb Terrace

Upon motion duly made and seconded it was unanimously voted that the nominations be closed. The members then proceeded to vote by ballot.

The results of the first ballot showed:

Shields	6
Wood	3
Allison	4

The second ballot showed:

Shields	8
Wood	2
Allison	2
Blank	1

Mr. Shields having received the required majority was thereupon declared elected to which we so certify.

Signed: Mr. Otto Mason, Chairman  
Harry Fekkes, Clerk

Received and filed in the office of the Town Clerk of Weymouth, March 29, 1957.

Signed: Harry Christensen, Town Clerk

A true copy. Attest:

**SPECIAL TOWN MEETING  
COMMONWEALTH OF MASSACHUSETTS**

Norfolk, ss.

To the Town Meeting Members of the Town of Weymouth, in said County, Greeting:

In the name of the Commonwealth of Massachusetts, you are hereby notified to meet at the hall of the Weymouth High School, East Weymouth, on

**MONDAY, THE 29th DAY OF APRIL, 1957**

at seven o'clock and forty-five minutes in the evening, then and there to act upon the following articles (a copy of which is enclosed).

Given under my hand at Weymouth, this 1st day of April, in the year of our Lord nineteen hundred and fifty-seven.

HARRY CHRISTENSEN  
Town Clerk of Weymouth

A true copy. Attest:  
HARRY CHRISTENSEN  
Town Clerk

**WARRANT FOR SPECIAL TOWN MEETING  
COMMONWEALTH OF MASSACHUSETTS**

**Monday, April 29, 1957**

NORFOLK, ss.

To any of the Constables of the Town of Weymouth in said County.

GREETING:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of Weymouth aforesaid qualified to vote in Town affairs to meet in the hall of the Weymouth High School on

**MONDAY, THE TWENTY-NINTH DAY OF APRIL, 1957**

at seven o'clock and forty-five minutes in the evening, then and there to act upon the following articles, namely:

ARTICLE 1. (By Direction of Selectmen). To see if the Town will vote to raise and appropriate by taxation, or otherwise, the sum of \$400.00 for Veteran's Day and that the sum appropriated be expended by committee set up under Article I, Item 32 of the Annual Town Meeting of 1957, or take any other action in relation thereto.

ARTICLE 2. (By Direction of Selectmen). That the Town vote to make available the sum of \$1,144.00 previously provided for under Article 8 of the Annual Town Meeting of 1957 for the reconstruction of Seaver Road, or take any other action in relation thereto.

ARTICLE 3. (At Request of School Committee). To see what sum of money the Town will vote to raise and appropriate by taxation, or other

wise, for the purpose of preparing complete drawings and detailed specifications for the construction of an addition to the Homestead School, consisting of three classrooms and a remedial reading room, or take any other action in relation thereto.

ARTICLE 4. (At Request of School Committee(. To see what sum of money the Town will vote to raise and appropriate by taxation, or otherwise, for the purpose of preparing complete drawings and detailed specifications for the construction of an addition to the Pond School, consisting of six classrooms and a remedial reading room, or take any other action in relation thereto.

ARTICLE 5. (On Request and By Direction of Selectmen). To see what sum of money the Town will vote to raise and appropriate by taxation, or otherwise, for the purpose of acquiring by gift, purchase, or to take by right of eminent domain, in fee, for school purposes for a walkaway from the Ralph Talbot School to Great Republic Ave. and the northern end of Constitution Ave. in the vicinity of Red Jacket Rd., portion of land of Robert H. Hobbs, Trustee shown as Lots 1 and 73, Block 535, Sheets 46 and 47 and Lot 92, Block 573, Sheets 46 and 47 of the Atlas of the Town of Weymouth corrected to January 1, 1956, or taken any other action in relation thereto.

ARTICLE 6. (On Request and By Direction of Selectmen). To see what sum of money the Town will vote to raise by taxation or otherwise and appropriate, for the purpose of construction of a walkway from the Ralph Talbot School to Great Republic Ave. and the northern end of Constitution Ave., or take any other action in relation thereto.

ARTICLE 7. (By Direction of Selectmen). To see what sum of money the Town will vote to raise and appropriate by taxation or otherwise for the purpose of acquiring by gift, purchase or to take by right of eminent domain in fee, or as otherwise specified, the following parcels of land on Green Street in accordance with Chapter 79 of the General Laws for the purpose of Alteration, Widening and Reconstructing Green Street or take any other action in relation thereto.

Parcels of land herein described are shown on a plan entitled "Plan of Alteration and Widening of Green Street" numbered 94-B-1, Sheets 1, 2 and 3 dated March 20, 1957 made by Arthur J. Bilodeau, Town Engineer, to be recorded in the Registry of Deeds.

Land on Green Street as accepted by the Town of Weymouth in 1824 and East Street as accepted by the Town of Weymouth in 1852.

Land shown on above-mentioned Plan as Parcel A. Land now or formerly of Gustaf W. Tenberg, Agnes J. Tenberg. Beginning on the Northerly sideline of Green Street and running along a curve for a distance of twenty-four (24') feet in a Northerly direction to the Westerly sideline of East Street thence turning and running in a Southerly direction along a curve for a distance of twenty-one (21') feet to point of beginning; containing approximately 67 square feet.

Land shown on above-mentioned plan as Parcel B. Land now or formerly of Mildred E. Butler, Shirley J. Konrad. Beginning at a point on the Southerly sideline of Green Street and running in a Northeasterly direction for a distance of twenty-seven and 08/100 (27.08') feet; thence turning in a Southeasterly direction and running along a curvs having a radius of twenty-five and 58/100 (25.58') feet

for a distance of twenty-five and  $64/100$  (25.64') feet; thence turning more in a Southeasterly direction and running along the Southerly sideline of East Street for a distance of twenty-seven and  $08/100$  (27.08') feet; thence turning in a Northwesterly direction and running along a curve having a radius of seventy-five and  $00/100$  (75.00') feet for a distance of seventy-five and  $18/100$  (75.18') feet to a point of beginning; containing approximately 232 square feet.

Land shown on above-mentioned Plan as Parcels C and D. Land now or formerly of James F. Berry, Jr., and Weymouth Trucking Corporation.

Beginning at a point on the Northerly sideline of "East" Street and running in a Westerly direction along said sideline of "East" Street for a distance of twenty-six and  $16/100$  (26.16') feet; thence running along a curve having a radius of seven and  $79/100$  (7.79') feet for a distance of fourteen and  $16/100$  (14.16') feet; thence turning in a Northeasterly direction and running along the Southerly sideline of Green Street for a distance of one hundred fifty-seven and  $76/100$  (157.76') feet; thence turning more Easterly and running along said sideline of Green Street for a distance of thirty-eight and  $31/100$  (38.31') feet; thence turning in a Southwesterly direction and running for a distance of one hundred seventy-three and  $53/100$  (173.53') feet; thence turning in a Southeasterly direction and running along a curve having a radius of twenty-three and  $38/100$  (23.38') feet for a distance of forty two and  $50/100$  (42.50') feet to point of beginning.

Parcel C — James F. Berry, Jr. 729 sq. ft.

Parcel D — Weymouth Trucking Corp. 415 sq. ft.

Land shown on the above-mentioned Plan as Parcel E. Land now or formerly of Melva P. Ross.

Beginning at a point on the Northerly sideline of Thompson Road as accepted by the Town of Weymouth in 1955 and running in a Northwesterly direction along said sideline of Thompson Road for a distance of twenty-three and  $42/100$  (23.42') feet; thence turning in a Northeasterly direction and running along the Southerly sideline of Green Street for a distance of twenty-three and  $42/100$  (23.42') feet; thence turning in a Southerly direction and running along a curve having a radius of twenty and  $23/100$  (20.23') feet for a distance of thirty-four and  $72/100$  (34.72') feet to a point of beginning; containing approximately 123 square feet.

Land shown on the above-mentioned Plan as Parcel F. Land now or formerly of Amelio Colasanti, Antinetta Colasanti.

Beginning at a point on the Northerly sideline of Green Street and running in a Southwesterly direction along said sideline of Green Street for a distance of twenty and  $00/100$  (20.00') feet, thence running along a curve Westerly having a radius of nine and  $35/100$  (9.35') feet for a distance of fifteen and  $31/100$  (15.31') feet; thence running along the Northerly sideline of East Street for a distance of twenty and  $00/100$  (20.00') feet; thence turning in a Northerly direction and running along a curve having a radius of twenty-eight and  $06/100$  (28.06') feet for a distance of forty-five and  $95/100$  (45.95') feet to point of beginning; containing approximately 175 square feet.

Land as shown on the above-mentioned Plan as Parcel G. Land now or formerly of Arthur F. Shore, Mary E. Shore.

Beginning at a point on the Northerly sideline of Green Street and running along sideline of said Green Street in a Southwesterly direction for a distance of fifteen and 00/100 (15.00') feet; thence turning in a Northwesterly direction and running along the Northerly sideline of Altrura Road as accepted by the Town in 1952 for a distance of fifteen and 00/100 (15.00') feet; thence turning in a Northeasterly direction and running along a curve having a radius of fifteen and 00/100 (15.00') feet for a distance of twenty-three and 56/100 (23.56') feet to point of beginning; containing approximately 48 square feet.

Land as shown on the above-mentioned plan as Parcels N, O, P, Q, R, S, T, U, V, W, and X.

Beginning at a point on the Southerly sideline of Green Street and running along sideline of said Green Street in a Northeasterly direction for a distance of eight hundred ninety and 19/100 (890.19') feet to bound point; thence turning more Easterly and running for a distance of sixty-nine and 42/100 (69.42') feet; thence turning in a Southwesterly direction and running for a distance of eighty-two and 94/100 (82.94') feet to an angle point; thence turning in a more Westerly direction and running for a distance of seventy-three and 59/100 (73.59') feet; thence turning in a Southerly direction and running along a curve having a radius of twenty and 00/100 (20.00') feet for a distance of thirty-one and 42/100 (31.42') feet; thence turning in a Westerly direction and running along a line bounded on the South by John Street (Private Way) for a distance of forty and 00/100 (40.00') feet; thence turning in a Northerly direction and running along a curve having a radius of twenty and 00/100 (20.00') feet for a distance of thirty-one and 42/100 (31.42') feet; thence running in a Southwesterly direction for a distance of forty and 00/100 (40.00') feet bounded Southeasterly by Sandy Way (Private Way); thence turning in a Northerly direction and running along a curve having a radius of twenty and 00/100 (20.00') feet for a distance of thirty-one and 42/100 (31.42') feet; thence running in a Southwesterly direction for a distance of six hundred sixteen and 59/100 (616.59') feet; thence turning in a Southeasterly direction and running along a curve having a radius of fifteen and 00/100 (15.00') feet for a distance of twenty-three and 33/100 (23.33') feet; thence turning in a Northwesterly direction and running along the Easterly sideline of Moreland Road as accepted by the Town in 1953 for a distance of 33/100 (0.33') feet; thence turning in a Northerly direction and running along a curve having a radius of fifteen and 00/100 (15.00') feet for a distance of twenty-three and 56/100 (23.56') feet to a point of beginning.

A true copy. Attest:

HARRY CHRISTENSEN

Town Clerk

**TOWN OF WEYMOUTH**  
**SPECIAL TOWN MEETING**  
**MONDAY, APRIL 29, 1957**

Pursuant to a Warrant duly issued, the Special Town Meeting of the inhabitants of the Town of Weymouth, represented by their duly elected and qualified Town Meeting Members, was held in the auditorium of the Weymouth High School on Monday, April 29, 1957.

The Meeting was called to order at 7:45 o'clock in the evening by the Annual Moderator, Mr. Daniel L. O'Donnell.

The Town Clerk, Mr. Harry Christensen, read the Call of the Meeting.

There were 196 Town Meeting Members present.

Prayer for Divine Guidance at this Special Town Meeting was offered by the Rev. Charles G. Rowe, Pastor of Holy Nativity Episcopal Church, South Weymouth.

Town Meeting Members not sworn in were administered the oath by the Moderator.

Upon motion duly made it was

UNANIMOUSLY VOTED: That the reading of the Articles in the warrant be suspended.

The Moderator declared a quorum present.

We now continue with consideration of the Articles in the Warrant.

ARTICLE 1. (By Direction of Selectmen). To see if the Town will vote to raise and appropriate by taxation, or otherwise, the sum of \$400.00 for Veteran's Day and that the sum appropriated be expended by committee set up under Article 1 Item 32 of the Annual Town Meeting of 1957, or take any other action in relation thereto.

Upon motion duly made by the Appropriation Committee, it was

UNANIMOUSLY VOTED: That the Town appropriate from available funds (Excess and Deficiency Account) the sum of \$400.00 for Veteran's Day and that the sum appropriated be expended by the committee set up under Article 1, Item 32 of the annual Town Meeting of 1957. \$400.00

ARTICLE 2. (By Direction of Selectmen.) That the Town vote to make available the sum of \$1144.00 previously provided for under Article 8 of the Annual Town Meeting of 1957 for the reconstruction of Seaver Road, or take any other action in relation thereto.

Upon motion duly made by the Appropriation Committee, it was

UNANIMOUSLY VOTED: That the Town vote to make available the sum of \$1,144.00 previously provided for under Article 8 of the Annual Town Meeting of 1957 for the reconstruction of Seaver Road. \$1,144.00

ARTICLE 3. (At Request of School Committee.) To see what sum of money the Town will vote to raise and appropriate by taxation or otherwise, for the purpose of preparing complete drawings and detailed specifications for the construction of an addition to the Homestead

School, consisting of three classrooms and a remedial reading room, or take any other action in relation thereto.

MOVED by the Appropriation Committee:

That the Town appropriate from available funds (Excess and Deficiency Account) the sum of \$7,500 for the purpose of preparing complete drawings and detailed specifications for the construction of an addition to the Homestead School consisting of three classrooms and a remedial reading room, and that the original building committee be reappointed by the Moderator to act as a building committee for this particular building. \$7,500.00

Discussion ensued between Mr. Lane and Mr. Mapes, Superintendent of Schools.

Comes now the question on the motion by the Appropriation Committee.

UNANIMOUSLY VOTED

ARTICLE 4. (At Request of School Committee). To see what sum of money the Town will vote and appropriate by taxation, or otherwise, for the purpose of preparing complete drawings and detailed specifications for the construction of an addition to the Pond School, consisting of six classrooms and a remedial reading room, or take any other action in relation thereto.

Upon motion duly made by the Appropriation Committee, it was

UNANIMOUSLY VOTED: That the Town appropriate from available funds (Excess and Deficiency Account) the sum of fifteen thousand dollars for the purpose of preparing complete drawings and detailed specifications for the construction of an addition to the Pond School consisting of six class rooms and a remedial reading room, and that the original building committee be reappointed by the Moderator to act as a building committee for this particular building. \$15,000.00

ARTICLE 5. (On Request and By Direction of Selectmen). To see what sum of money the Town will vote to raise and appropriate by taxation, or otherwise, for the purpose of acquiring by gift, purchase, or to take by right of eminent domain, in fee, for school purposes for a walkway from the Ralph Talbot School to Great Republic Ave. and the northern end of Constitution Ave. in the vicinity of Red Jacket Rd. portion of land of Robert H. Hobbs, Trustee shown as Lots 1 and 73 Block 535, Sheets 46 and 47 and Lot 92, Block 573, Sheets 46 and 47 of the Atlas of the Town of Weymouth corrected to January 1, 1956, or take any other action in relation thereto.

MOVED by the Appropriation Committee:

That the Town acquire by purchase or take by eminent domain, in fee, for school purposes for a walkway from the Ralph Talbot School to Great Republic Ave. and the northern end of Constitution Ave. in the vicinity of Red Jacket Rd., portion of land of Robert H. Hobbs, Trustee shown as Lots 1 and 73, Block 535, Sheets 46 and 47 and Lot 92, Block 573, Sheets 46 and 47 of the Atlas of the Town of Weymouth corrected to January 1, 1956, and said premises are shown on a plan drawn by Arthur J. Bilodeau, Town Engineer, to be filed with the Town Clerk, and that the sum of \$2,000.00 be appropriated from available funds (Excess and Deficiency Account) for this purpose, and the Board of Selectmen are hereby authorized to acquire such land as described by gift, purchase, or eminent domain, in fee, for a walkway for school purposes.

MOVED the following substitute motion by Mr. Hackett:

That the subject matter of the Article be referred back to committee.

Discussion ensued involving several of the Town Meeting Members and residents of the area involved.

Comes now the question on the motion by Mr. Hackett.

Vote was taken and the Moderator ruled the substitute motion by Mr. Hackett LOST.

Comes now the question on the motion by the Appropriation Committee.

Vote was taken and there being votes in the negative the Moderator ordered a teller count.

Tellers were appointed and sworn by the Moderator as follows:

1st Division Mr. Finley

2nd Division Mr. O'Brien

3rd Division Mr. Garrison

Vote and count were taken and the tellers reported 160 votes in the affirmative and 4 votes in the negative. There being more than the necessary two-thirds vote in the affirmative the Moderator declared the motion by the Appropriation Committee.

SO VOTED

ARTICLE 6. (On Request and By Direction of Selectmen). To see what sum of money the Town will vote to raise by taxation or otherwise and appropriate, for the purpose of construction of a walkway from the Ralph Talbot School to Great Republic Ave. and the northern end of Constitution Ave., or take any other action in relation thereto.

MOVED by the Appropriation Committee:

That the Town appropriate \$9,500.00 from available funds (Excess and Deficiency Account) for the purpose of construction of a walkway from the Ralph Talbot School to Great Republic Ave. and the northern end of Constitution Ave., said work to be done under the jurisdiction of the Board of Selectmen and the Town Engineer. \$9,500.00

MOVED the following amendment by Mr. Lane:

That the Board of Selectmen arrange for proper fencing in those areas in which the Board of Selectmen deem it necessary for the safety of children.

Discussion ensued involving Mr. Crehan, Chairman of the Board of Selectmen, and Mr. Lane.

Comes now the question on the motion to amend by Mr. Lane.

Vote was taken and the Moderator being in doubt a teller count was ordered.

Vote and count were taken and the tellers reported 64 votes in the affirmative and 83 votes in the negative. The Moderator than declared the motion to amend by Mr. Lane LOST.

MOVED the following amendment by Mr. Lane:

That the Board of Selectmen be instructed to bring in a report at the next Town Meeting as to the cost of fencing this area.

Comes now the question on the motion to amend by Mr. Lane.

SO VOTED

Comes now the question on the motion by the Appropriation Committee as thus amended.

UNANIMOUSLY VOTED

ARTICLE 7. (By Direction of Selectmen). To see what sum of money the Town will vote to raise and appropriate by taxation or otherwise for the purpose of acquiring by gift, purchase or to take by right of Eminent Domain in fee, or as otherwise specified, the following parcels of land on Green Street in accordance with Chapter 79 of the General Laws for the purpose of Alteration, widening and Reconstructing of Green Street or take any other action in relation thereto:

Parcels of land herein described are shown on a plan entitled "Plan of Alteration and widening of Green Street" numbered 94-B-1, Sheets 1, 2 and 3 dated March 20, 1957 made by Arthur J. Bilodeau Town Engineer, to be recorded in the Registry of Deeds.

Land on Green Street as accepted by the Town of Weymouth in 1834 and East Street as accepted by the Town of Weymouth in 1852.

LAND shown on above-mentioned Plan as Parcel A. Land now or formerly of Gustaf W. Tenberg, Agnes J. Tenberg. Beginning on the Northerly sideline of Green Street and running along a curve for a distance of twenty-four (+24') feet in a Northerly direction to the Westerly sideline of East Street thence turning and running in a Southerly direction along a curve for a distance of Twent-one (+21') feet to point of beginning; containing approximately 67 square feet.

LAND shown on above-mentioned plan as Parcel B. Land now or formerly of Mildred E. Butler, Shirley J. Konrad. Beginning at a point on the Southerly sideline of Green Street and running in a Northeasterly direction for a distance of twenty-seven and 08/100 (27.08') feet; thence turning in a Southeasterly direction and running along a curve having a radius of twenty-five and 58/100 (25.58') feet for a distance of twenty-five and 64/100 (25.64') feet; thence turning more in a Southeasterly direction and running along the Southerly sideline of East Street for a distance of twenty-seven and 08/100 (27.08') feet; thence turning in a Northwesterly direction and running along a curve having a radius of seventy-five and 00/100 (75.00') feet for a distance of seventy-five and 18/100 (75.18') feet to point of beginning; containing approximately 232 square feet.

LAND shown on above-mentioned Plan as Parcels C and D. Land now or formerly of James F. Berry, Jr., and Weymouth Trucking Corporation.

Beginning at a point on the Northerly sideline of "East" Street and running in a Westerly direction along said sideline of East Street for a distance of twenty-six and 16/100 (26.16') feet; thence running along a curve having a radius of seven and 79/100 (7.79') feet for a distance of fourteen and 16/100 (14.16') feet; thence turning in a Northeasterly direction and running along the Southerly sideline of Green Street for a distance of one hundred fifty-seven and 76/100 (157.76') feet; thence

turning more Easterly and running along said sideline of Green Street for a distance of thirty-eight and  $31/100$  (38.31') feet; thence turning in a Southwesterly direction and running for a distance of one hundred seventy-three and  $53/100$  (173.53') feet; thence turning in a Southeasterly direction and running along a curve having a radius of twenty-three and  $38/100$  (23.38') feet for a distance of forty-two and  $50/100$  (42.50') feet to a point of beginning.

Parcel C — James F. Berry, Jr.	729 sq. ft.
Parcel D — Weymouth Trucking Corp.	415 sq. ft.

LAND shown on the above-mentioned Plan as Parcel E. Land now or formerly of Melva P. Ross.

Beginning at a point on the Northerly sideline of Thompson Road as accepted by the Town of Weymouth in 1955 and running in a Northwesterly direction along said sideline of Thompson Road for a distance of twenty-three and  $42/100$  (23.42') feet; thence turning in a Northeasterly direction and running along the Southerly sideline of Green Street for a distance of twenty-three and  $42/100$  (23.42') feet; thence turning in a Southerly direction and running along a curve having a radius of twenty and  $23/100$  (20.23') feet for a distance of thirty-four and  $72/100$  (34.72') feet to point of beginning; containing approximately 123 square feet.

LAND shown on the above-mentioned Plan as Parcel F. Land now or formerly of Amelio Colasanti, Antoinetta Colasanti.

Beginning at a point on the Northerly sideline of Green Street and running in a Southwesterly direction along said sideline of Green Street for a distance of twenty and  $00/100$  (20.00') feet; thence running along a curve Westerly having a radius of nine and  $35/100$  (9.35') feet for a distance of fifteen and  $31/100$  (15.31') feet; thence running along the Northerly sideline of East Street for a distance of twenty and  $00/100$  (20.00') feet; thence turning in a Northerly direction and running along a curve having a radius of twenty-eight and  $06/100$  (28.06') feet for a distance of forty-five and  $95/100$  (45.95') feet to point of beginning; containing approximately 175 square feet.

LAND as shown on the above-mentioned Plan as Parcel G. Land now or formerly of Arthur F. Shore, Mary E. Shore.

Beginning at a point on the Northerly sideline of Green Street and running along sideline of said Green Street in a Southwesterly direction for a distance of fifteen and  $00/100$  (15.00') feet; thence turning in a Northwesterly direction and running along the Northerly sideline of Altrura Road as accepted by the Town in 1952 for a distance of fifteen and  $00/100$  (15.00') feet; thence turning in a Northeasterly direction and running along a curve having a radius of fifteen and  $00/100$  (15.00') feet for a distance of twenty-three and  $56/100$  (23.56') feet to point of beginning; containing approximately 48 square feet.

Land as shown on the above-mentioned plan as Parcels N, O, P, Q, R, S, T, U, V, W, and X.

Beginning at a point on the Southerly sideline of Green Street and running along sideline of said Green Street in a Northeasterly direction for a distance of eight hundred ninety and  $19/100$  (890.19') feet to bound point; thence turning more Easterly and running for a distance of sixty-nine and  $42/100$  (69.42') feet; thence turning in a Southwesterly direc-

tion and running for a distance of eighty-two and 94/100 (82.94') feet to an angle point; thence turning in a more Westerly direction and running for a distance of seventy-three and 59/100 (73.59') feet; thence turning in a Southerly direction and running along a curve having a radius of twenty and 00/100 (20.00') feet for a distance of thirty-one and 42/100 (31.42') feet; thence turning in a Westerly direction and running along a line bounded on the South by John Street (Private Way) for a distance of forty and 00/100 (40.00') feet; thence turning in a Northerly direction and running along a curve having a radius of twenty and 00/100 (20.00') feet for a distance of thirty-one and 42/100 (31.42') feet; thence running in a Southwesterly direction for a distance of forty and 00/100 (40.00') feet bounded Southeasterly by Sandy Way (Private Way); thence turning in a Northerly direction and running along a curve having a radius of twenty and 00/100 (20.00') feet for a distance of thirty-one and 42/100 (31.42') feet; thence running in a Southwesterly direction for a distance of six hundred sixteen and 59/100 (616.59') feet; thence turning in a Southeasterly direction and running along a curve having a radius of fifteen and 00/100 (15.00') feet for a distance of twenty-three and 33/100 (23.33') feet; thence turning in a Northwesterly direction and running along the Easterly sideline of Moreland Road as accepted by the Town in 1953 for a distance of 33/100 (0.33') feet; thence turning in a Northerly direction and running along a curve having a radius of fifteen and 00/100 (15.00') feet for a distance of twenty-three and 56/100 (23.56') feet to point of beginning.

#### SLOPING EASEMENTS

Taken for the purpose of constructing (Alteration and Widening) Green Street, as shown on above-mentioned plan 94-B-1, Sheets 1, 2 and 3.

Upon motion duly made by the Appropriation Committee, it was

UNANIMOUSLY VOTED: That the Town appropriate the sum of \$1.00 from available funds\* (Excess and Deficiency Account) for the purpose of acquiring by purchase, gift, or eminent domain in fee, and for acquiring permanent drainage and/or sloping easements, the following parcels of land on Green Street in accordance with Chapter 79 of the General Laws, for the purpose of Alteration, Widening, Reconstructing and/or Relocating of Green Street; and the Board of Selectmen are hereby authorized to acquire such land as described, together with all necessary easements, by gift, purchase, or eminent domain in fee, or as permanent easements for drainage or sloping easements as described for the above purposes.

The parcels of land herein described are shown, together with any necessary easements for drainage or slope on a plan entitled "Plan of Alteration and Widening of Green Street" numbered 94-B-1, Sheets 1, 2, and 3, dated March 20, 1957, made by Arthur J. Bilodeau, Town Engineer, to be recorded in the Registry of Deeds.

Land on Green Street as accepted by the Town of Weymouth in 1934 and East Street as accepted by the Town of Weymouth in 1852.

LAND shown on above-mentioned Plan as Parcel A. Land now or formerly of Gustaf W. Tenberg, Agnes J. Tenberg.

Beginning on the Northerly sideline of Green Street and running along a curve for a distance of twenty-four (+24') feet in a Northerly direction to the Westerly sideline of East Street thence turning and running in a Southerly direction along a curve for a distance of twenty-one (+21') feet to point of beginning; containing approximately 67 square feet.

LAND shown on above-mentioned plan as Parcel B. Land now or formerly of Mildred E. Butler, Shirley J. Konrad.

Beginning at a point on the Southerly sideline of Green Street and running in a Northeasterly direction for a distance of twenty-seven and 08/100 (27.08') feet; thence turning in a Southeasterly direction and running along a curve having a radius of twenty-five and 58/100 (25.58') feet for a distance of twenty-five and 64/100 (25.64') feet; thence turning more in a Southeasterly direction and running along the Southerly sideline of East Street for a distance of twenty-seven and 08/100 (27.08') feet; thence turning in a Northwesterly direction and running along a curve having a radius of seventy-five and 00/100 (75.00') feet for a distance of seventy-five and 18/100 (75.18') feet to point of beginning, containing approximately 232 square feet.

LAND shown on above-mentioned Plan as Parcels C and D. Land now or formerly of James F. Berry, Jr., and Weymouth Trucking Corporation.

Beginning at a point on the Northerly sideline of "East" Street and running in a Westerly direction along said sideline of East Street for a distance of twenty-six and 16/100 (26.16') feet; thence running along a curve having a radius of seven and 79/100 (7.79') feet for a distance of fourteen and 16/100 (14.16') feet; thence turning in a Northeasterly direction and running along the Southerly sideline of Green Street for a distance of one hundred fifty-seven and 76/100 (157.76') feet; thence turning more Easterly and running along said sideline of Green Street for a

distance of thirty-eight and  $31/100$  (38.31') feet; thence turning in a Southwesterly direction and running for a distance of one hundred seventy-three and  $53/100$  (173.53') feet; thence turning in a Southeasterly direction and running along a curve having a radius of twenty-three and  $38/100$  (23.38') feet for a distance of forty-two and  $50/100$  (42.50') feet to point of beginning.

Parcel C — James F. Berry, Jr.	729 sq. ft.
Parcel D — Weymouth Trucking Corp.	415 sq. ft.

LAND shown on the above-mentioned Plan as Parcel E. Land now or formerly of Melva P. Ross.

Beginning at a point on the Northerly sideline of Thompson Road as accepted by the Town of Weymouth in 1955 and running in a Northwesterly direction along said sideline of Thompson Road for a distance of twenty-three and  $42/100$  (23.42') feet; thence turning in a Northeasterly direction and running along the Southerly sideline of Green Street for a distance of twenty-three and  $42/100$  (23.42') feet; thence turning in a Southerly direction and running along a curve having a radius of twenty and  $23/100$  (20.23') feet for a distance of thirty-four and  $72/100$  (34.72') feet to point of beginning; containing approximately 123 square feet.

LAND shown on the above-mentioned Plan as Parcel F. Land now or formerly of Amelio Colasanti, Antonietta Colasanti.

Beginning at a point on the Northerly sideline of Green Street and running in a Southwesterly direction along said sideline of Green Street for a distance of twenty and  $00/100$  (20.00') feet; thence running along a curve Westerly having a radius of nine and  $35/100$  (9.35') feet for a distance of fifteen and  $31/100$  (15.31') feet; thence running along the Northerly sideline of East Street for a distance of twenty and  $00/100$  (20.00') feet; thence turning in a Northerly direction and running along a curve having a radius of twenty-eight and  $06/100$  (28.06') feet for a distance of forty-five and  $95/100$  (45.95') feet to point of beginning; containing approximately 175 square feet.

LAND shown on the above-mentioned Plan as Parcel G. Land now or formerly of Arthur F. Shore, Mary E. Shore.

Beginning at a point on the Northerly sideline of Green Street and running along sideline of said Green Street in a Southwesterly direction for a distance of fifteen and  $00/100$  (15.00') feet; thence turning in a Northerly direction and running along the Northerly sideline of Altrura Road as accepted by the Town in 1952 for a distance of fifteen and  $00/100$  (15.00') feet; thence turning in a Northeasterly direction and running along a curve having a radius of fifteen and  $00/100$  (15.00') feet for a distance of twenty-three and  $56/100$  (23.56') feet to point of beginning; containing approximately 48 square feet.

Land as shown on the above-mentioned plan as Parcels N, O, P, Q, R, S, T, U, V, W, and X.

Beginning at a point on the Southerly sideline of Green Street and running along sideline of said Green Street in a Northeasterly direction for a distance of eight hundred ninety and  $19/100$  (890.19') feet to bound point; thence turning more Easterly and running for a distance of sixty-nine and  $42/100$  (69.42') feet; thence turning in a Southwesterly direction and running for a distance of eighty-two and  $94/100$  (82.94') feet

to an angle point; thence turning in a more Westerly direction and running for a distance of seventy-three and 59/100 (73.59') feet; thence turning in a Southerly direction and running along a curve having a radius of twenty and 00/100 feet for a distance of thirty-one and 42/100 (31.42') feet; thence turning in a Westerly direction and running along a line bounded on the South by John Street (Private Way) for a distance of forty and 00/100 (40.00') feet; thence turning in a Northerly direction and running along a curve having a radius of twenty and 00/100 (20.00') feet for a distance of thirty-one and 42/100 (31.42') feet; thence running in a Southwesterly direction for a distance of forty and 00/100 (40.00') feet bounded Southeasterly by Sandy Way (Private Way); thence turning in a Northerly direction and running along a curve having a radius of twenty and 00/100 (20.00') feet for a distance of thirty-one and 42/100 (31.42') feet; thence running in a Southwesterly direction for a distance of six hundred sixteen and 59/100 (616.59') feet; thence turning in a Southeasterly direction and running along a curve having a radius of fifteen and 00/100 (15.00') feet for a distance of twenty-three and 33/100 (23.33') feet; thence turning in a Northwesterly direction and running along the Easterly sideline of Moreland Road as accepted by the Town in 1953 for a distance of 33/100 (0.33') feet; thence turning in a Northerly direction and running along a curve having a radius of fifteen and 00/100 (15.00') feet for a distance of twenty-three and 56/100 (23.56') feet to point of beginning.

MOVED by Chairman of the Planning Board:

That the Town vote to amend its Zoning Laws and Zoning Map, Article X of the Town By-Laws, by making the following changes: Change of Districts. From Residential to Industrial. Land shown on the Weymouth Town Atlas as revised to January 1, 1957, as described in Article 9 of this Warrant for Sepecial Town Meeting of April 29, 1957.

Discussion ensued involving Mr. Callahan, representing the residents of the area affected; Mr. Heffernan, Chairman of the Planning Board; Mr. O'Brien, Chairman of the Industrial Development Commission; Mr. Lane.

Moved the following substitute motion by Mr. Lane:

That Articles 9, 10, 11, 12 and 13 be taken up together and the subject matter therein taken up together and referred back to the Planning Board for further study.

Further discussion ensued involving Mr. Cahalan, Mr. Gunn, Mr. Amabile of the Board of Selectmen, Mr. Record, Mr. O'Brien, Chairman of the Industrial Development Committee.

Comes now the question on the substitute motion by Mr. Lane.

Vote was taken and the Moderator declared the substitute motion by Mr. Lane LOST.

MOVED the following substitute motion under Article 9 by Mr. Lane:  
No action

Comes now the question on the substitute motion by Mr. Lane

Vote was taken and the Moderator declared the substitute motion by Mr. Lane LOST.

Comes now the question on the motion by the Planning Board.

The Moderator ordered a teller count. Mr. Chalke was sworn in to replace Mr. O'Brien as a teller.

Vote and count were taken and the tellers reported 128 votes in the affirmative and 35 votes in the negative. There being more than the necessary two-thirds vote in the affirmative the Moderator declared the motion of the Planning Board

SO VOTED

#### CHANGE FROM RESIDENTIAL TO INDUSTRIAL:

**MONDAY, THE TWENTY-FOURTH DAY OF JUNE, 1957**

at seven o'clock and forty-five minutes in the evening, then and there to act upon the following articles, namely:

ARTICLE 1. (At Request of Building Committee) To see what sum of money the Town will vote to raise by taxation, or otherwise, and appropriate, for the purpose of constructing and originally equipping and furnishing an elementary school on the site off Green Street whose purchase was authorized at the Special Town Meeting held on September 17, 1956, or take any other action in relation thereto.

ARTICLE 2. (By Direction of Selectmen). To see what action the Town will take to transfer the control of the land as shown on plan made by Arthur J. Bilodeau, Town Engineer, commonly known as Town Hall Parking Area, from the School Department to the Board of Selectmen, or take any other action in relation thereto.

ARTICLE 3. (By Direction of Selectmen). To see if the Town will vote to amend its By-Laws by adopting and adding to Article 6 "Entitled Police Regulations" the following By-Law to be designated as Section 608A. "The Board of Selectmen shall prepare rules and regulations governing the use of the Town Hall Parking Area so called as described in Article 2, and may alter, rescind, and/or add to such rules and regulations from time to time as the Board of Selectmen deem necessary," or take any other action in relation thereto.

ARTICLE 4. (By Direction of Selectmen). To see if the Town will accept the recommendation of the Board of Selectmen relative to alteration of Precincts 4, 6 and 10 division boundaries in West Lake (Westlake) Drive area, or take any other action in relation thereto.

ARTICLE 5. (On Petition of Charles C. and Helen E. Fortier and others and by Direction of Selectmen). To see if the Town will vote to amend its Zoning By-Laws and Zoning Map, Article X of the Town By-Laws, by making the following changes: Change of Districts. From Residential to Limited Business, Lots 8, 9, 10, 11, 12 and 13 now or formerly the property of Charles C. Fortier and Helen E. Fortier, tenants by the entirety, and Lot 14 now or formerly the property of Dorothea F. Fucci, Block 533, Sheet 46, as shown in the Town Atlas revised to January 1, 1956, or take any other action in relation thereto.

ARTICLE 6. (On Petition of George E. Lane and others and by Direction of Selectmen). To see what sum of money the Town will vote to raise by taxation or otherwise and appropriate for a survey by the Laban Pratt Hospital Trustees of the hospital needs of the people of the Town of Weymouth, or take any other action in relation thereto.

ARTICLE 7. (On Petition of George E. Lane and others and by Direction of Selectmen). To see if the Town will instruct the Laban Pratt Hospital Trustees to seek legal authority from the court to allow the use of the Laban Pratt Hospital Fund for the construction of an addition to the South Shore Hospital on land adjacent to that institution and to be named the Laban Pratt Wing. ,,

ARTICLE 8. (On Petition of George E. Lane and others and by Direction of Selectmen). To see if the Town will instruct the Board of Selectmen to take necessary action to secure certain sums from the Towns of Braintree, Abington, Cohasset, Hanover, Hingham, Hull, Marshfield, Norwell, Rockland, Scituate and other towns, such sums to be in proportion to the use of the South Shore Hospital by citizens of such town and the cost of the proposed Laban Pratt Wing or take any other action in relation thereto.

You are directed to serve this Warrant by posting a true copy thereof,

attested by you in writing, in each of two public places in each voting precinct in said town, seven days at least before the date of holding said meeting.

Hereof fail not, and make due return of the Warrant with your doings thereon to the Town Clerk of said town on or before the 11th day of June in the year of our Lord nineteen hundred and fifty-seven.

Given under our hands at Weymouth this 27th day of May in the year of our Lord one thousand nine hundred and fifty-seven.

### SPECIAL TOWN MEETING

MONDAY, JUNE 24, 1957

Pursuant to a Warrant duly issued, the Special Town Meeting of the inhabitants of the Town of Weymouth, represented by their duly elected and qualified Town Meeting Members, was held in the auditorium of the Weymouth High School on Monday, June 24, 1957.

The Meeting was called to order at 7:45 o'clock in the evening by the Annual Moderator, Mr. Daniel L. O'Donnell.

The Town Clerk, Mr. Harry Christensen, read the Call of the Meeting.

Prayer for Divine Guidance at the Special Town Meeting was offered by Rev. Francis McFarlane, St. Jerome's R. C. Church, No. Weymouth, Mass.

The Moderator questioned the presence of a quorum and then proceeded to determine if a quorum was present.

After a count was taken and a quorum not being present, a five minute recess was declared.

After the recess another count was taken, with a quorum still not present.

Upon motion duly made by Selectman Ralph J. Amabile, Jr. the meeting adjourned due to a lack of a quorum.

**CERTIFICATE OF CHOICE FOR TOWN MEETING MEMBER  
PRECINCT TWO**

Upon petition of Town Meeting Members of Precinct two of the Town of Weymouth, and the following due notice by Harry Christensen, Town Clerk, the Town Meeting Members of Precinct two held a meeting on Monday evening, July 15th, 1957 at 7:30 P.M. in the Town Hall for the purpose of filling a vacancy in the full number of Town Meeting Members in Precinct two.

The meeting was called to order by the temporary chairman, Harry Christensen, Town Clerk. There were twelve town meeting members present.

Upon motion duly made, seconded and voted Frederick V. Nolan was chosen chairman. Upon motion duly made, seconded and voted Oral A. Page was chosen clerk.

Two names were submitted for nomination, Russell Craig, 39 Lafayette Avenue and Ralph O. Sanford, 524 East Street. Upon motion made and seconded it was unanimously voted that the nominations be closed.

The members then proceeded to vote by ballot and following the teller count the results showed Russell Craig to be elected by a majority vote.

**SPECIAL TOWN MEETING  
COMMONWEALTH OF MASSACHUSETTS**

Norfolk, ss.

To the Town Meeting Members of the Town of Weymouth, in said County, Greeting:

In the name of the Commonwealth of Massachusetts, you are hereby notified to meet at the hall of the Weymouth High School, East Weymouth, on

**MONDAY THE EIGHTEENTH DAY OF NOVEMBER, 1957**

at seven o'clock and forty-five minutes in the evening, then and there to act upon the following articles (a copy of which is enclosed.)

Given under my hand at Weymouth, this 7th day of October, in the year of our Lord nineteen hundred and fifty-seven.

HARRY CHRISTENSEN  
Town Clerk of Weymouth

A true copy. Attest:  
HARRY CHRISTENSEN  
Town Clerk

**WARRANT FOR SPECIAL TOWN MEETING  
COMMONWEALTH OF MASSACHUSETTS**

**MONDAY THE EIGHTEENTH DAY OF NOVEMBER, 1957**

Norfolk, ss.

To any of the Constables of the Town of Weymouth, in said County.

**GREETING:—**

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of Weymouth aforesaid qualified to vote in Town affairs to meet in the hall of the Weymouth High School on

**MONDAY, THE EIGHTEENTH DAY OF NOVEMBER, 1957**

at seven o'clock and forty-five minutes in the evening, then and there to act upon the following articles, namely:

ARTICLE 1. (By Direction of Selectmen and at Request of Building Committee). To see what sum of money the Town will vote to raise by taxation, or otherwise, and appropriate, for the purpose of constructing and originally equipping and furnishing an elementary school on the site off Green Street whose purchase was authorized at the Special Town Meeting held on September 17, 1956, or take any other action in relation thereto.

ARTICLE 2. (By Direction of Selectmen and at Request of Building Committee). To see what sum of money the Town will vote to raise by taxation, or otherwise, and appropriate, for the purpose of constructing and originally equipping and furnishing an addition to the Homestead School, or take any action in relation thereto.

ARTICLE 3. (By Direction of Selectmen and at Request of School Committee). To see what sum of money the Town will vote to raise by taxation, or otherwise, and appropriate, for the purpose of acquiring by gift, purchase, or to take by right of eminent domain, in fee, Lots 1, 18, 19 and 20, Block 245, containing about 765,600 square feet (17.57 acres) as shown on Sheet 18 of the Atlas of the Town of Weymouth dated January 1, 1956, as a site for a new High School, or take any other action in relation thereto.

ARTICLE 4. (By Direction of Selectmen and at Request of School Committee). To see what sum of money the Town will vote to raise by taxation, or otherwise, and appropriate, for the purpose of acquiring by gift, purchase, or to take by right of eminent domain, in fee, Lot 3, Block 495 containing about 1,027,500 square feet, and part of Lot 6, Block 469, containing about 335,400 square feet (total acres 31.29), as shown on Sheet 42 of the Atlas of the Town of Weymouth dated January 1, 1956, as a site for a future second High School, or take any other action in relation thereto.

ARTICLE 5. (By Direction of Selectmen and at Request of School Committee.) To see what sum of money the Town will vote to raise by taxation, or otherwise, and appropriate, for the purpose of preparing preliminary plans for the construction of a High School to be built on the land authorized to be purchased under Article 3 of this warrant, or take any other action in relation thereto.

ARTICLE 6. (By Direction of Selectmen). To see if the Town will vote a sum of \$5,000.00 for a survey of the hospital needs of the Town of Weymouth and its inhabitants and recommendations for the use of the Laban Pratt Trust funds, such a survey to be conducted by the Laban Pratt Hospital trustees; and to instruct the Laban Pratt Trustees to submit a copy of such report to all town meeting members, or take any other action in relation thereto.

ARTICLE 7. (By Direction of Selectmen). To see if the Town will vote to raise and appropriate by taxation or otherwise a sum of money for installing water mains and for the working of Wituwamat Road, said street having been accepted at the 1957 Annual Town meeting, or take any other action in relation thereto.

ARTICLE 8. (By Direction of Board of Selectmen and at Request of the Drainage Committee). To see what sum of money the Town will vote to raise and appropriate, by taxation or otherwise, for stream improvement from Weymouth Back River to Whitmans Pond; consisting of flood-flow conduit and channel and works at dams as recommended by Met-

calf and Eddy, Engineers, in report to Weymouth Drainage Committee dated March 11, 1957.

That the sum of money named shall be made available only if the State, under General Laws, Chapter 91, will pay a sum of money proportionate to the cost of construction under the provisions of said chapter.

Provided further, that such work shall be done by private contract under the direction of the Board of Selectmen and/or the State Department of Public Works.

Also, to see if the Town will assume liability in the manner provided by Section 29 of Chapter 91 of the General Laws, as amended by Chapters 516 and 524, Acts of 1950, for all damages that may be incurred by work to be performed by the Department of Public Works of Massachusetts for the improvement, development, maintenance and protection of tidal and non-tidal rivers and streams, harbors, tidewaters, foreshores and shores along a public beach outside of Boston Harbor, including the Merrimack and Connecticut Rivers, in accordance with Section 11 of Chapter 91 of the General Laws, and authorize the Selectmen to execute and deliver a bond of indemnity therefor to the Commonwealth.

ARTICLE 9. (By Direction of the Selectmen). To see if the Town will vote to raise and appropriate by taxation or otherwise the sum of Five thousand two hundred fifty dollars (\$5,250.00) for the purpose of purchasing a parcel of land and moving a house on the Westerly side of North Street between Bridge Street and Pilgrim Road as shown on a plan to be made by Arthur J. Bilodeau, Town Engineer, for the purpose of widening said North Street or take any other action in relation thereto.

ARTICLE 10. (By Direction of Board of Selectmen and at Request of Tree Warden). To see what sum of money the Town will vote to raise and appropriate by taxation or otherwise for the control of Dutch Elm Disease or take any other action in relation thereto.

ARTICLE 11. (By Direction of Board of Selectmen and at Request of Weymouth Youth Commission). To see if the Town will vote to add Chapter 306 to the By Laws of the Town to create a Recreation Committee in accordance with Chapter 45 Section 14 of the General Laws in Massachusetts and to eliminate the Park Department and Park Commissioners, said Chapter 306 to read as follows:

Section 306. There shall be created in the Town of Weymouth a Recreation Commission with the power to conduct and promote recreation, play, sport, and physical education on playgrounds, playfields, parks, gymnasiums and swimming areas pursuant to Chapter 45, Section 14 of the General Laws of Massachusetts. This Commission shall replace the existing Park Board.

The said Recreation Commission shall consist of seven members who shall be elected at the annual town election in the following manner: The initial members thereof shall be elected to serve, three for three years, two for two years and two for one year from the date of annual town election at which they are elected and thereafter when the term of any member expires his successor shall be elected to serve for three years. In all cases the members of the Board shall serve until their successors are qualified. Vacancies shall be filled for the unexpired terms in the same manner that full term members are elected. Immediately after election the members of the Recreation Commission shall meet and elect a Chairman and Secretary and select all other necessary officers to serve for a period of one year.

The Recreation Commission shall hold meetings regularly at least once a month and shall designate the time and place thereof. The Commission shall have power to adopt rules and regulations for the conduct of business within its jurisdiction and shall keep a record of all its proceedings. Four regular members shall constitute a quorum.

The powers and duties of the Recreation Commission shall be exercised and performed as herein provided and in conformity with the Laws of the Commonwealth of Massachusetts.

The Recreation Commission shall study matters of recreation in regards to needs, advantages and benefits, and shall plan a municipal program to coordinate with the programs of other agencies.

The Recreation Commission shall have the power to conduct recreation that will employ the leisure time of people in a constructive and wholesome manner. It may conduct such activities on properties under its own control, on public properties with consent of the authorities thereof, and on private property with the consent of the owners.

The Recreation Commission shall have the power to employ a Superintendent of Recreation, who is properly trained for the work and such other personnel as the Superintendent and the Commission deem proper.

The Recreation Commission shall have authority to conduct at reasonable charges such facilities for amusement, entertainment, refreshment of the public as are suitable for recreation purposes and may let privileges therefor, but such privileges shall be subject to the supervision of the Recreation Commission.

The Recreation Commission, at the regularly designated time, shall submit to the Board of Selectmen an estimate of anticipated revenue and expenditures for the ensuing fiscal year to be approved in whole or in part by the Town Meeting and included in the budget. Said Commission shall operate within the budget as approved, and the expenses thereof shall be payable by the treasury of the Town.

The Recreation Commission shall make an annual report to the Town, showing its operation and expenditures and shall make such other reports from time to time as may be requested by the Board of Selectmen

ARTICLE 12. (By Direction of Board of Selectmen and at Request of Wessagussett Beach Development Committee). To see what sum of money the Town will vote to raise by taxation or otherwise, for the purpose of acquiring by gift, purchase, or eminent domain, in fee, for park purposes, the land shown as Parcels A, B, C, D, E and F as shown on plan entitled "Wessagussett Beach Area, Weymouth, Mass." by Arthur J. Bilodeau, Town Engineer, dated May 22, 1957 numbered 1021B Sheet 1 and 2 to be recorded in Norfolk Registry bounded and described by plans of Town Engineer.

ARTICLE 13. (At Request of Charles C. Fortier and others). To see if the Town will vote to amend its Zoning By-Laws and Zoning Map, Article X of the Town By-Laws, by making the following changes: Change of Districts. From Residential to Limited Business, Lots 8, 9, 10, 11, 12 and 13 or formerly the property of Charles C. Fortier and Helen E. Fortier, tenants by the entirety, and Lot 14 now or formerly the property of Dorothea F. Fucci, Block 533, Sheet 46, as shown in the Town Atlas revised to January 1, 1956, or take any other action in relation thereto.

ARTICLE 14. (By Direction of Board of Selectmen and at Request

of Personnel Board). To see what action the Town will take relative to the acceptance of the survey of Charles M. Evans and Associates.

ARTICLE 15. (By Direction of Board of Selectmen and at Request of Personnel Board). To see if the Town will approve the several definitions of job classifications not heretofore accepted.

ARTICLE 16. (By Direction of Selectmen). To see if the Town will accept the recommendation of the Board of Selectmen relative to alteration of Precincts 4, 6 and 10 division boundaries in West Lake (Westlake) Drive area, or take any other action in relation thereto.

ARTICLE 17. (By Direction of the Selectmen and at Request of the Park Department). To see if the Town will vote to raise by taxation or otherwise and appropriate additional funds for the Park Department Recreational Program or take any other action in relation thereto.

You are directed to serve this Warrant by posting a true copy thereof, attested by you in writing, in each of two public places in each voting precinct in said town, seven days at least before the date of holding said meeting.

Hereof fail not, and make due return of the Warrant with your doings thereon to the Town Clerk of said town on or before the 8th day of November in the year of our Lord nineteen hundred and fifty-seven.

Given under our hands at Weymouth this 7th day of October in the year of our Lord one thousand nine hundred and fifty-seven.

### TOWN OF WEYMOUTH SPECIAL TOWN MEETING

Monday, November 18, 1957

Pursuant to a Warrant duly issued, the Special Town Meeting of the inhabitants of the Town of Weymouth, represented by their duly elected and qualified Town Meeting Members, was held in the auditorium of the Weymouth High School on Monday, November 18, 1957.

The Meeting was called to order at 7:45 o'clock in the evening by the Annual Moderator, Mr. Daniel L. O'Donnell.

The Town Clerk, Mr. Harry Christensen, read the call of the meeting.

There were 205 Town Meeting Members present.

Upon motion duly made, it was

UNANIMOUSLY VOTED: That the reading of the Articles in the Warrant be suspended.

Prayer for Divine Guidance at this Special Town Meeting was offered by Rev. William E. Rasche, Pastor, Trinity Episcopal Church of Weymouth Landing.

Town Meeting Members not sworn in were administered the oath by the Moderator.

The Moderator declared a quorum present.

The Moderator recognized the presence of Scoutmaster Michael Del Vecchio and members of Troop 3, Boy Scouts of America, North Weymouth who were in attendance for the purpose of studying town government as a credit toward their citizenship badges.

The Chair appointed tellers, who were sworn in as follows, to serve during the course of the meeting:

1st Division Mr. Our  
2nd Division Mr. Chalke  
3rd Division Mr. Hunt

Mr. Lane presented the following resolution:

WHEREAS, Sandy Roulston, as a citizen, town official, and associate has served loyally and faithfully as Chairman and member of the Appropriation Committee, Board of Selectmen, Planning Board, Personnel Board, and in other important public and civic positions and,

WHEREAS, Sandy Roulston for two score years has given to his town and people a goodly portion of his efforts, time and life in the interest of a better community, and,

WHEREAS, Sandy Roulston has discharged his duties with integrity and fidelity and has given his best to maintain the highest standards of public office and,

WHEREAS, Sandy Roulston has now been summoned to an eternal reward for his faithful performance and achievement,

IT IS THEREFORE RESOLVED: that the citizens of Weymouth on this 18th day of November 1957, in town meeting assembled, by the adoption of this resolution record their grateful and lasting appreciation of the sincere, wise, and efficient services of Sandy Roulston for almost two score years, and,

BE IT FURTHER RESOLVED: that the citizens of Weymouth desire to have this appreciation inscribed upon the records of the town to the end that future town meetings may have recourse to their acknowledgement of a duty well performed by a faithful public servant and be inspired to the same high regard for performance of public duty.

It is therefore moved that this resolution be adopted by a standing vote of this town meeting.

The town meeting members signified their acceptance of the resolution by a spontaneous standing vote and observance of a moment of silence in memory of Sandy Roulston.

We now continue with consideration of the Articles in the Warrant.

ARTICLE 1. (By Direction of Selectmen and at Request of Building Committee). To see what sum of money the Town will vote to raise by taxation, or otherwise, and appropriate, for the purpose of constructing and originally equipping and furnishing an elementary school on the site off Green Street whose purchase was authorized at the Special Town Meeting held on September 17, 1956, or take any other action in relation thereto.

MOVED by the Appropriation Committee:

That the sum of Four thousand one hundred (\$4,100.00) Dollars be appropriated from available funds (Excess and Deficiency Account) for the purpose of paying the obligations incurred by the Green Street Building Committee; that the Green Street Building Committee be continued and directed to prepare complete drawings and detailed specifications in order that bids may be secured for the construction of a new Elementary School located off Green Street on land acquired by the Town under Article 2 of the Special Town Meeting of September 17, 1956, and that \$22,500.00 be appropriated from available funds (Excess and Deficiency Account) for this purpose.

4,100.00  
22,500.00

MOVED the following substitute motion by Mr. Hearn:

That the sum of \$600,000.00 be raised and appropriated for the purpose of constructing and originally equipping and furnishing the Green Street Elementary School and for the development of the site; and that to meet said appropriation the Town Treasurer with the approval of the Board of Selectmen, be and hereby is authorized to borrow the sum of \$600,000.00 under authority of Chapter 645 of the Acts of 1948 as amended, and to issue bonds or notes to be payable in accordance with provisions of Chapter 44 of the General Laws so that the whole loan shall be paid in not more than twenty (20) years from the date of issue of the first bond or note. Construction of said school shall be under the supervision of the Building Committee authorized under Article 3 of the Special Town Meeting held on September 17, 1956.

Discussion ensued involving Mr. Amabile of the Board of Selectmen, Mr. Ames and Mr. Larsen of the Green Street Building Committee, Mr. Mapes, Superintendent of Schools, and Mr. Almquist.

Comes now the question on the substitute motion by Mr. Hearn.

The Chair ordered a teller count. Vote and count were taken and the tellers reported 55 votes in the affirmative, and 117 votes in the negative. The Chair then declared the substitute motion by Mr. Hearn LOST.

Comes now the question on the motion by the Appropriation Committee.

UNANIMOUSLY VOTED

ARTICLE 2. (By Direction of Selectmen and at Request of Building Committee). To see what sum of money the Town will vote to raise by taxation, or otherwise, and appropriate, for the purpose of constructing and originally equipping and furnishing an addition to the Homestead School, or take any other action in relation thereto.

MOVED by the Appropriation Committee:

That the sum of One hundred six thousand Five hundred (\$106,500.00) Dollars be raised and appropriated for the purpose of constructing and originally equipping and furnishing an addition, which will include three classrooms, reading remedial room, and necessary corridors, and storage room and oil fired steam boiler, to the Homestead School, for the development of the site; and to meet said appropriation \$55.66, \$59.05 and \$10.23 shall be transferred from the unexpended balances in the Central Junior High, Ralph Talbot School, and Academy Avenue School Construction Accounts, respectively; \$6,375.06 shall be appropriated from the Excess and Deficiency Account, and the Treasurer, with the approval of the Board of Selectmen, be and hereby is authorized to borrow the sum of \$100,000.00 under authority of Chapter 645 of the Acts of 1948 as amended, and to issue bonds or notes to be payable in accordance with provisions of Chapter 44 of the General Laws so that the whole loan shall be paid in not more than twenty (20) years from the date of issue of the first bond or note. The sums appropriated shall be expended under the direction of a Building Committee appointed by the Special Town Meeting of April 29, 1957.

\$	55.66
	59.05
	10.23
	6,375.06
	100,000.00

Discussion ensued involving Mr. Roulston, Acting Town Accountant;

Mr. Dillon, Chairman of the Building Committee; Mr. Newton, Secretary of the Appropriation Committee; Mr. Mapes, Superintendent of Schools; and Mr. Almquist.

Comes now the question on the motion by the Appropriation Committee.

Vote was taken and there being votes in the negative the Chair ordered a teller count. Vote and count were taken and the tellers reported 155 votes in the affirmative, 1 vote in the negative. There being more than the necessary two-thirds majority vote in the affirmative the Chair declared the motion by the Appropriation Committee

SO VOTED

ARTICLE 3. (By Direction of Selectmen and at Request of School Committee). To see what sum of money the Town will vote to raise by taxation, or otherwise, and appropriate, for the purpose of acquiring by gift, purchase, or to take by right of eminent domain in fee, Lots 1, 18, 19 and 20, Block 245, containing about 765,600 square feet (17.57 acres) as shown on Sheet 18 of the Atlas of the Town of Weymouth dated January 1, 1956, as a site for a new High School, or take any other action in relation thereto.

MOVED by the Appropriation Committee:

That the Board of Selectmen be authorized to acquire by gift, purchase or eminent domain in fee for school purposes, lots 1 and 18, Block 245, containing about 702,003 square feet (16.12 acres) as shown on Sheet 18 of the Atlas of the Town of Weymouth dated January 1, 1956, and more particularly shown on "Plan of Cowing Property" drawn by Arthur J. Bilodeau, Town Engineer, to be recorded with the Town Clerk, and the sum of \$30,000.00 is raised and appropriated for this purpose.

Discussion ensued involving Mr. Nover of the Planning Board, Mr. Newton, Secretary of the Appropriation Committee; Mr. Mapes, Superintendent of Schools; Mr. Lane, and Mr. Shields of the School Committee.

MOVED the following substitute motion by Mr. Lane:

That the Board of Selectmen be authorized to acquire by gift, purchase or eminent domain in fee for school purposes, Lots 1 and 18, Block 245, containing about 702,003 square feet (16.12 acres) as shown on Sheet 18 of the Atlas of the Town of Weymouth dated January 1, 1956, and more particularly shown on "Plan of Cowing Property" drawn by Arthur J. Bilodeau, Town Engineer, to be recorded with the Town Clerk, and the sum of \$40,000.00 is raised and appropriated for this purpose. \$40,000.00

Further discussion ensued involving Mr. Newton, Secretary of the Appropriation Committee; Mr. Lane, Mr. Shields of the School Committee; Mr. O'Donnell, and Mr. Lovell.

(Recess from 9:20 P. M. to 9:30 P.M.)

MOVED by the Appropriation Committee:

That the Town vote to instruct the Representatives and Senators from this District to secure necessary legislation to acquire the cemetery for school purposes as shown on the Atlas of the Town of Weymouth dated January 1, 1956, shown as Lot 20, Block 245, known as the Cowing property, on Commercial Street East Weymouth, and shown on aforementioned plan; and to secure permission for removal and internment of the bodies,

the Town of Weymouth to pay the cost of all such expense for new graves and internment.

Further discussion ensued involving Mr. Chalke, Mr. Causer, Mr. Bearce, Mr. Lane, and Mr. Shields of the School Committee.

Comes now the question on the substitute motion by Mr. Lane.

Vote was taken and the Chair declared the substitute motion by Mr. Lane lost. More than seven doubting the vote the Chair ordered a teller count. Vote and count were taken and the tellers reported 133 votes in the affirmative, 33 votes in the negative. The Chair then declared the substitute motion by Mr. Lane

SO VOTED

MOVED by Mr. Gunn:

Reconsideration of the vote taken on the substitute motion by Mr. Lane.

Comes now the question on the motion by Mr. Gunn.

Vote was taken and the Chair declared the motion by Mr. Gunn LOST. Further discussion ensued involving Mr. Gallagher and Mr. Mapes, Superintendent of Schools.

MOVED by Mr. Lane to amend the motion by the Appropriation Committee, relative to instructions to the Representatives and Senators from this District, as follows:

That the School Committee be instructed to report at the next Town Meeting, after a report from our Legislative Committee, as to the cost of the removal of the bodies and the proper burial thereof in accordance with State law.

Further discussion ensued involving Mr. O'Donnell, Mr. Cowing, Mr. Hannabury of the School Committee; and Mr. Chalke.

Comes now the question on the amendment by Mr. Lane to the motion by the Appropriation Committee relative to instructions to the Representatives and Senators from this District.

UNANIMOUSLY VOTED

Comes now the question on the motion by the Appropriation Committee, relative to instructions to the Representatives and Senators from this District, as thus amended.

UNANIMOUSLY VOTED

ARTICLE 4. (By Direction of Selectmen and at Request of School Committee). To see what sum of money the Town will vote to raise by taxation, or otherwise and appropriate, for the purpose of acquiring by gift, purchase, or to take by right of eminent domain, in fee, Lot 3, Block 495 containing about 1,027,500 square feet, and part of Lot 6, Block 469, containing about 335,400 square feet (total acres 31.29), as shown on Sheet 42, of the Atlas of the Town of Weymouth dated January 1, 1956, as a site for a future second High School, or take any other action in relation thereto.

MOVED by the Appropriation Committee:

That the Board of Selectmen be authorized to acquire by gift, pur-

chase or eminent domain in fee for school purposes the following described parcels of land:

a. Lot 3, Block 495 containing about 1,027,500 square feet (23.59 acres) as shown on Sheet 42 of the Atlas of the Town of Weymouth dated January 1, 1956 and more particularly shown on a plan drawn by Arthur J. Bilodeau, Town Engineer, to be recorded with the Town Clerk and the sum of Thirty-six thousand (\$36,000.00) Dollars is raised and appropriated for this purpose.

b. Part of Lot 6, Block 469, containing about 338,200 square feet (7.76 acres) as shown on Sheet 42 of the Atlas of the Town of Weymouth dated January 1, 1956 and more particularly shown on a plan drawn by Arthur J. Bilodeau, Town Engineer, to be recorded with the Town Clerk, and the sum of Four thousand (\$4,000.00) Dollars is raised and appropriated for this purpose.

Discussion ensued involving Mr. Newton, Secretary of the Appropriation Committee; Mr. Shields of the School Committee; and Mr. Amabile of the Board of Selectmen.

MOVED the following substitute motion by Mr. Gillis:

That Articles 4 and 5 relating to the high school program be set aside and be referred back to the High School Cost Committee and that this committee hold a public hearing and report its findings to the next Special or Annual Town Meeting.

Mr. Shields of the School Committee spoke on the substitute motion

Comes now the question on the substitute motion by Mr. Gillis.

Vote was taken and the Chair declared the substitute motion by Mr. Gillis LOST.

The Chair requested unanimous consent to add the phrase "with the buildings thereon" to the first part of the motion by the Appropriation Committee.

#### UNANIMOUSLY VOTED

Comes now the question on the first part of the motion by the Appropriation Committee as thus amended, as follows:

That the Board of Selectmen be authorized to acquire by gift, purchase or eminent domain in fee for school purposes the following described parcel of land with the buildings thereon:

a. Lot 3, Block 495 containing about 1,027,500 square feet (23.59 acres) as shown on Sheet 42 of the Atlas of the Town of Weymouth dated January 1, 1956 and more particularly shown on a plan drawn by Arthur J. Bilodeau, Town Engineer, to be recorded with the Town Clerk and the sum of Thirty-six thousand (\$36,000.00) Dollars is raised and appropriated for this purpose. \$36,000.00

The Chair ordered a teller count. Vote and count were taken and the tellers reported 154 votes in the affirmative, 6 votes in the negative. There being more than the necessary two-thirds majority vote in the affirmative the Chair declared the first part of the motion by the Appropriation Committee as amended

SO VOTED

Discussion ensued involving Mr. Pompeo and Mr. Shields of the School Committee.

Comes now the question on the second part of the motion by the Appropriation Committee as follows:

That the Board of Selectmen be authorized to acquire by gift, purchase or eminent domain in fee for school purposes the following described parcel of land:

b. Part of Lot 6, Block 469, containing about 448,200 square feet (7.76 acres) as shown on Sheet 42 of the Atlas of the Town of Weymouth dated January 1, 1956 and more particularly shown on a plan drawn by Arthur J. Bilodeau, Town Engineer, to be recorded with the Town Clerk, and the sum of Four thousand (\$4,000.00) Dollars is raised and appropriated for this purpose. \$4,000.00

The Chair ordered a teller count. Vote and count were taken and the tellers reported 165 votes in the affirmative and 3 votes in the negative. There being more than the necessary two-thirds majority in the affirmative the Chair declared the second part of the motion by the Appropriation Committee

SO VOTED

ARTICLE 5. (By Direction of Selectmen and at Request of School Committee). To see what sum of money the Town will vote to raise by taxation, or otherwise, and appropriate, for the purpose of preparing preliminary plans for the construction of a High School to be built on the land authorized to be purchased under Article 3 of this warrant, or take any other action in relation thereto.

MOVED by the Appropriation Committee:

That the sum of \$5,000.00 be appropriated from available funds (Excess and Deficiency Account) for the purpose of preparing preliminary plans for the construction of a High School to be built on the land authorized to be acquired under Article 3 of this Warrant, and that a committee of eleven (11) be appointed by the Moderator to act as a Building Committee for this particular building. \$5,000.00

MOVED the following substitute motion by Mr. Nover:

That the sum of \$5,000.00 be appropriated from available funds (Excess and Deficiency Account) for the purpose of preparing preliminary plans for the construction of a High School to be built on the land authorized to be acquired under Article 3 of this Warrant, and that said High School be of sufficient size to handle 1,800 to 2,000 students, and that the Vocational School be planned for its present site to handle 500 students, and that a committee of eleven (11) be appointed by the Moderator to act as a Building Committee for these particular buildings.

Discussion ensued involving Mr. Amabile of the Board of Selectmen, Mr. Shields of the School Committee; Mr. Mapes, Superintendent of Schools; Mr. Newton, Secretary of the Appropriation Committee; Mr. Causer, Mr. Abbott, and Mr. Nover.

MOVED the following substitute motion by Mr. Tirrell:

That the sum of \$5,000.00 be appropriated from available funds (Excess and Deficiency Account) for the purpose of preparing preliminary plans for the construction of a Junior High School to be built on the land

authorized to be acquired under Article 3 of this Warrant, and that a committee of eleven (11) be appointed by the Moderator to act as a Building Committee for this particular building.

Further discussion ensued involving Mr. Amabile of the Board of Selectmen and Mr. Lane.

Comes now the question on the substitute motion by Mr. Nover.

Vote was taken and the Chair declared the substitute motion by Mr. Nover LOST.

Comes now the question on the substitute motion by Mr. Tirrell.

Vote was taken and the Chair declared the substitute motion by Mr. Tirrell LOST.

MOVED by Mr. Lane to amend the motion by the Appropriation Committee as follows:

That a committee of fifteen (15) be appointed by the Moderator to act as a Building Committee for this particular building.

Further discussion ensued involving Mr. Mapes, Superintendent of Schhols, and Mr. Lane.

Comes now the question on the amendment by Mr. Lane to the motion by the Appropriation Committee.

SO VOTED

MOVED by Mr. Lovell to amend the motion by the Appropriation Committee as amended, as follows:

That on the committee of fifteen (15) there be a building tradesmen; i.e., a carpenter, an electrician, or anyone in the building trades.

Comes now the question on the amendment by Mr. Lovell to the motion by the Appropriation Committee as amended.

SO VOTED

Comes now the question on the motion by the Appropriation Committee as thus twice amended.

SO VOTED

ARTICLE 6. (By Direction of Selectmen). To see if the Town will vote a sum of \$5,000.00 for a survey of the hospital needs of the Town of Weymouth and its inhabitants and recommendations for the use of the Laban Pratt Trust funds, such a survey to be conducted by the Laban Pratt Hospital trustees; and to instruct the Laban Pratt trustees to submit a copy of such report to all town meeting members, or take any other action in relation thereto.

MOVED by the Appropriation Committee:

That the Town appropriate the sum of \$5,000.00 from available funds (Excess and Deficiency Account) for a survey of the hospital needs of the Town of Weymouth and its inhabitants and recommendations for the use of the Laban Pratt Trust Funds, such a survey to be conducted by the Laban Pratt Hospital Trustees; and the Laban Pratt Trustees are hereby instructed to submit a copy of such report to all Town Meeting Members.

\$5,000.00

Discussion ensued involving Mr. Nover, Mr. O'Donnell as Town Counsel, Mr. Lane, Mr. Pompeo, and Mr. Newton, Secretary of the Appropriation Committee.

Comes now the question on the motion by the Appropriation Committee.

SO VOTED

ARTICLE 7. (By Direction of Selectmen). To see if the Town will vote to raise and appropriate by taxation or otherwise a sum of money for installing water mains and for the working of Wituwamat Road, said street having been accepted at the 1957 Annual Town Meeting, or take any other action in relation thereto.

Upon motion duly made by the Appropriation Committee, it was  
UNANIMOUSLY VOTED: No action.

ARTICLE 8. (By Direction of Board of Selectmen and at Request of the Drainage Committee). To see what sum of money the Town will vote to raise and appropriate, by taxation or otherwise, for stream improvement from Weymouth Back River to Whitman's Pond; consisting of flood-flow conduit and channel and works at dams as recommended by Metcalf and Eddy, Engineers, in report to Weymouth Drainage Committee, dated March 11, 1957.

That the sum of money named shall be made available only if the State, under General Laws, Chapter 91, will pay a sum of money proportionate to the cost of construction under the provisions of said chapter.

Provided further, that such work shall be done by private contract under the direction of the Board of Selectmen and/or the State Department of Public Works.

Also, to see if the Town will assume liability in the manner provided by Section 29 of Chapter 91 of the General Laws, as amended by Chapters 516 and 524, Acts of 1950, for all damages that may be incurred by work to be performed by the Department of Public Works of Massachusetts for the improvement, development, maintenance and protection of tidal and non-tidal rivers and streams, harbors, tidewaters, foreshores and shores along a public beach outside of Boston Harbor, including the Merrimack and Connecticut Rivers in accordance with Section 11 of Chapter 91 of the General Laws, and authorize the Selectmen to execute and deliver a bond of indemnity therefor to the Commonwealth.

Upon motion duly made by the Appropriation Committee, it was

UNANIMOUSLY VOTED: That the subject matter of this Article be referred to the next Special or Annual Town Meeting.

ARTICLE 9. (By Direction of the Selectmen). To see if the Town will vote to raise and appropriate by taxation or otherwise the sum of Five thousand two hundred fifty dollars (\$5,250.00) for the purpose of purchasing a parcel of land and moving a house on the Westerly side of North Street between Bridge Street and Pilgrim Road as shown on a plan to be made by Arthur J. Bilodeau, Town Engineer, for the purpose of widening said North Street or take any other action in relation thereto.

MOVED by the Appropriation Committee:

That the subject matter of this Article be referred to the Annual Town Meeting.

MOVED the following substitute motion by Mr. O'Sullivan of the Board of Selectmen:

That the Town raise and appropriate by taxation or otherwise the sum of Five thousand two hundred fifty Dollars (\$5,250.00) for the purpose of purchasing a parcel of land and moving a house on the Westerly side of North Street between Bridge Street and Pilgrim Road as shown on a plan to be made by Arthur J. Bilodeau, Town Engineer, for the purpose of widening of said North Street. \$5,250.00

Discussion ensued involving Mr. O'Sullivan of the Board of Selectmen Mr. Lane, and Mr. Newton, Secretary of the Appropriation Committee.

Comes now the question on the substitute motion by Mr. O'Sullivan of the Board of Selectmen.

UNANIMOUSLY VOTED

ARTICLE 10. (By Direction of Board of Selectmen and at Request of Tree Warden). To see what sum of money the Town will vote to raise and appropriate by taxation or otherwise for the control of Dutch Elm Disease or take any other action in relation thereto.

MOVED by the Appropriation Committee:  
No action.

MOVED the following substitnute motion by Mr. Hebert, Tree Warden:

That the sum of \$15,000.00 be raised and appropriated for the purpose of removal of Dutch Elm Disease trees.

Discussion ensued involving Mr. Newton, Secretary of the Appropriation Committee; Mr. Amabile of the Board of Selectmen, Mr. Roulston, Acting Town Accountant; and Mr. Hebert, Tree Warden.

Comes now the question on the substitute motion my Mr. Hebert.

Vote was taken and the Chair declared the substitute motion by Mr. Hebert LOST.

Comes now the question on the motion by the Appropriation Committee.

SO VOTED.

ARTICLE 11. (By Direction of Selectmen and at Request of Weymouth Youth Commission). To see if the Town will vote to add Chapter 306 to the By-Laws of the Town to create a Recreation Committee in accordance with Chapter 45, Section 14 of the General Laws in Massachusetts and to eliminate the Park Department and Park Commissioners, said Chapter 306 to read as follows:

SECTION 306: There shall be created in the Town of Weymouth a Recreation Commission with the power to conduct and promote recreation, play, sport, and physical education on playgrounds, playfields, parks, gymnasiums and swimming areas pursuant to Chapter 45, Section 14 of the General Laws of Massachusetts. This Commission shall replace the existing Park Board.

The said Recreation Commission shall consist of seven members who shall be elected at the annual town election in the following manner: The initial members thereof shall be elected to serve, three for three years, two for two years and two for one year, from the date of the annual town

election at which they are elected and thereafter when the term of any member expires his successor shall be elected to serve for three years. In all cases the members of the Board shall serve until their successors are qualified. Vacancies shall be filled for the unexpired terms in the same manner that full term members are elected. Immediately after election the members of the Recreation Commission shall meet and elect a Chairman and Secretary and select all other necessary officers to serve for a period of one year.

The Recreation Commission shall hold meetings regularly at least once a month and shall designate the time and place thereof. The Commission shall have the power to adopt rules and regulations for the conduct of business within its jurisdiction and shall keep a record of all its proceedings. Four regular members shall constitute a quorum.

The powers and duties of the Recreation Commission shall be exercised and performed as herein provided and in conformity with the Laws of the Commonwealth of Massachusetts.

The Recreation Commission shall study matters of recreation in regards to needs, advantages and benefits, and shall plan a municipal program to coordinate with the programs of other agencies.

The Recreation Commission shall have the power to conduct recreation that will employ the leisure time of people in a constructive and wholesome manner. It may conduct such activities on properties under its own control, on public properties with consent of the authorities thereof, and on private property with the consent of the owners.

The Recreation Commission shall have the power to employ a Superintendent of Recreation, who is properly trained for the work and such other personnel as the Superintendent and the Commission deem proper.

The Recreation Commission shall have authority to conduct at reasonable charges such facilities for amusement, entertainment, refreshment of the public as are suitable for recreation purposes and may let privileges therefor, but such privileges shall be subject to the supervision of the Recreation Commission.

The Recreation Commission, at the regularly designated time, shall submit to the Board of Selectmen an estimate of anticipated revenue and expenditures for the ensuing fiscal year to be approved in whole or in part by the Town Meeting and included in the budget. Said Commission shall operate within the budget as approved, and the expenses thereof shall be payable by the treasury of the Town.

The Recreation Commission shall make an annual report to the Town, showing its operation and expenditures and shall make such other reports from time to time as may be requested by the Board of Selectmen.

MOVED by the Appropriation Committee:

That the Town vote to add Chapter 306 to the By-Laws of the Town to create a Recreation Committee in accordance with Chapter 45, Section 14 of the General Laws in Massachusetts and to eliminate the Park Department and Park Commissioners, said Chapter 306 to read as written in the Article.

Discussion ensued involving Mr. Amabile of the Board of Selectmen and Mr. Mason of the Park Commissioners.

MOVED the following substitute motion by Mr. Mason of the Park Commissioners:

That the subject matter of this Article be referred back to the Youth Commission for further study and a report made at the Annual Town Meeting.

Further discussion ensued involving Mr. Lane, Mr. O'Donnel, Mr. Amabile of the Board of Selectmen, Mr. Conroy, Mr. McIntosh, Chairman of the Park Commissioners; and Mr. Mason of the Park Commissioners.

MOVED by Mr. Almquist:

That the Special Town Meeting adjourn until Wednesday evening, November 20, 1957, at 7:45 P. M.

Vote was taken and the Chair declared the motion by Mr. Almquist LOST.

Further discussion ensued involving Mr. Cain, Mr. Kelley, and Mr. Lane.

Comes now the question on the substitute motion by Mr. Mason of the Park Commissioners.

SO VOTED

ARTICLE 12. (By Direction of Board of Selectmen and at Request of Wessagussett Beach Development Committee). To see what sum of money the Town will vote to raise by taxation or otherwise, for the purpose of acquiring by gift, purchase, or eminent domain, in fee, for park purposes, the land shown as Parcels A, B, C, D, E, and F as shown on plan entitled "Wessagussett Beach Area, Weymouth, Mass." by Arthur J. Bilodeau, Town Engineer, dated May 22, 1957, numbered 1021B, Sheet 1 and 2 to be recorded in Norfolk Registry, bounded and described by plans of Town Engineer.

MOVED by the Appropriation Committee:

That the Town vote to appropriate the sum of \$8,000.00 from available funds (Excess and Deficiency Account) for the purpose of acquiring by gift, purchase, or eminent domain, in fee, for park purposes the land shown as Parcels A, B, C, D, E, and F, as shown on a plan entitled "Wessagussett Beach Area, Weymouth, Mass.," by Arthur J. Bilodeau, Town Engineer, dated May 22, 1957, numbered 1021B, Sheet 1 and 2 to be recorded in Norfolk Registry, bounded and described by plans of the Town Engineer.

\$8,000.00

Mr. Lane spoke on the motion.

Comes now the question on the motion by the Appropriation Committee.

Vote was taken and there being votes in the negative the Chair ordered a teller count. Vote and count were taken and the tellers reported 127 votes in the affirmative and 1 vote in the negative. There being more than the necessary two-third majority vote in the affirmative the Chair declared the motion by the Appropriation Committee

SO VOTED

ARTICLE 13. (At Request of Charles C. Fortier and others). To see if the Town will vote to amend its Zoning By-Laws and Zoning Map, Article X of the Town By-Laws by making changes: Change of Districts. From Residential to Limited Business, Lots 8, 9, 10, 11, 12 and 13 now or

formerly the property of Charles C. Fortier and Helen E. Fortier, tenants by the entirety, and Lot 14 now or formerly the property of Dorothea F. Fucci, Block 533, Sheet 46, as shown in the Town Atlas revised to January 1, 1956, or take any other action in relation thereto.

MOVED by Mr. Heffernan, Chairman of the Planning Board:

That the area described in the Article be rezoned from residential to Limited Business.

Discussion ensued involving Mr. Jones, Mr. Fryer of the Board of Selectmen, and Mr. Gauley.

The presence of a quorum was questioned by Mr. Pompeo. The Chair then ordered a teller count. Count was taken and the tellers reported 146 Town Meeting Members present. The Chair then declared that 146 being present, and 135 being a quorum, a quorum was present.

MOVED the following substitute motion by Mr. Fryer of the Board of Selectmen:

No action.

Further discussion ensued involving several Town Meeting Members and residents of the area affected.

Comes now the question on the substitute motion by Mr. Fryer of the Board of Selectmen.

Vote was taken and the Chair being in doubt a teller count was ordered. Vote and count were taken and the tellers reported 52 votes in the affirmative and 79 votes in the negative. The Chair then declared the substitute motion by Mr. Fryer LOST.

Comes now the question on the motion by Mr. Heffernan, Chairman of the Planning Board.

The Chair ordered a teller count. Vote and count were taken and the tellers reported 84 votes in the affirmative and 53 votes in the negative. The Chair then declared that there not being the necessary two-thirds majority vote in the affirmative the motion by Mr. Heffernan was LOST.

ARTICLE 14. (By Direction of Board of Selectmen and at Request of Personnel Board). To see what action the Town will take relative to the acceptance of the survey of Charles M. Evans and Associates.

MOVED by the Appropriation Committee:

No action.

MOVED the following substitute motion by Mr. Butler of the Personnel Board:

That the Town accept the report on a review of the compensation plan prepared by Charles M. Evans and Associates and covering certain classified positions in the service of the Town, as requested by a vote passed under Article 57 of the Annual Town Meeting of 1957 with recommended changes set forth on page three of the report.

Discussion ensued involving Mr. Newton, Secretary of the Appropriation Committee; Mr. Chisholm of the Personnel Board, Mr. Lane, and Mr. Butler of the Personnel Board.

Comes now the question on the substitute motion by Mr. Butler of the Personnel Board.

UNANIMOUSLY VOTED

ARTICLE 15. (By Direction of Board of Selectmen and at Request of Personnel Board). To see if the Town will approve the several definitions of job classifications not heretofore accepted.

Upon motion duly made by the Appropriation Committee, it was

UNANIMOUSLY VOTED: No action.

ARTICLE 16. (By Direction of Selectmen). To see if the Town will accept the recommendation of the Board of Selectmen relative to alteration of Precincts 4, 6 and 10 division boundaries in West Lake (Westlake) Drive area, or taken any other action in relation thereto.

Upon motion duly made by the Appropriation Committee, it was

UNANIMOUSLY VOTED: That the Town vote to accept the recommendation of the Board of Selectmen relative to the alteration of Precincts 4, 6, and 10, division boundaries in the West Lake Drive area.

ARTICLE 17. (By Direction of the Selectmen and at Request of the Park Department). To see if the Town will vote to raise by taxation or otherwise and appropriate additional funds for the Park Department Recreational Program or take any other action in relation thereto.

MOVED by the Appropriation Committee:

No action.

MOVED the following substitute motion by Mr. Mason of the Park Commissioners:

That the sum of \$1,500.00 be raised and appropriated from available funds (Excess and Deficiency Account) to be expended in the Park Department recreational program.

Discussion ensued involving Mr. Newton, Secretary of the Appropriation Committee; Mr. Mason of the Park Commissioners, Mr. Lane, Mr. Chalke, Mr. McIntosh, Chairman of the Park Commissioners, and Mr. Causer.

Comes now the question on the substitute motion by Mr. Mason of the Park Commissioners.

Vote was taken and the Chair declared the substitute motion by Mr. Mason LOST.

Comes now the question on the motion by the Appropriation Committee.

SO VOTED

Upon motion duly made by Mr. Newton of the Appropriation Committee, it was

UNANIMOUSLY VOTED: That the Special Town Meeting stand adjourned at 1:14 A. M.

A true copy. Attest:

HARRY CHRISTENSEN

Town Clerk

## REPORT OF THE TOWN CLERK

January 20, 1958

Honorable Board of Selectmen  
Weymouth, Massachusetts  
Attention: Joseph Crehan, Chairman

Gentlemen:

Submitted herewith is the Annual Report of the Town Clerk for the year ending December 31, 1957.

This year the town received a check from the Norfolk County Treasurer in the amount of \$5,368.73, as a refund from dog licenses issued during the year. This is an increase of \$1,192.84 over 1956. The increase in this sum can be credited in a large measure to the efforts of the staff in the Town Clerk's office, the co-operation of Mr. John H. Reidy, Dog Officer of Weymouth and Mr. Ainslee Payne, the County Dog Officer. The sum of \$5,368.73 will again be used for school purposes as provided by state statute.

I should like to extend my thanks to your Board and all departments for the courtesies and cooperation given to me during the year.

Respectfully submitted,  
HARRY CHRISTENSEN  
Town Clerk

## REPORT OF COMMITTEE ON MEMORIAL TABLETS

Under Article 37 of the 1954 Annual Town Meeting the appointment of a committee was authorized and this committee was appointed by the Moderator to prepare preliminary plans for a memorial table or tablets providing for the names of World War II and Korean War Veterans and report to a future town meeting.

After a number of meetings and a thorough survey of the site the committee files herewith their preliminary plans for the erection of memorial tablets providing for the names of World War II and Korean War Veterans to be attached to the west side of the existing permanent brick memorial wall located on the High School grounds.

The committee estimates that the two bronze tablets as designed by the Weymouth Vocational School will accommodate approximately four thousand names using 5/16" lettering and also memorializing eighty-eight Gold Star Veterans with 5/8" lettering on the center section of each tablet. It is our recommendation that the present bronze tablets on the east side of the permanent brick memorial wall be refinished so that they will match the new tablets and that the stone tablet at the top center of the front wall be resurfaced.

The committee has checked the cost factors involved and on the basis of a quoted figure of \$2.90 per name estimates that the sum of \$11,200.00 for this purpose and the sum of \$1,000.00 would be required for refinishing the present bronze and stone tablet on the east side of the memorial wall.

The problem of procuring a complete and accurate list of World War II Veterans and particularly a list of the Veterans of the Korean conflict has caused the members of this committee great concern and it hereby recommends that a sum of \$2,000.00 be allocated for clerical assistance and other incidental expenses in preparing a list of the Veterans names to be included on the tablets.

An Article to appropriate funds for these purposes will appear in the warrant of the 1958 annual town meeting.

We would indeed be remiss unless we expressed our appreciation and thanks for the assistance and help rendered the committee by the Vocational School in general and its Director, Ray G. Parker, and Instructor, George Klay in particular in planning and drawing the proposed tablets and to Miss Olive E. Hackett of the Weymouth High School for her kindness in listing the names of the World War II Veterans.

Respectfully submitted,

HAROLD B. NASH, Chairman  
DOROTHY E. PAGE, Secretary  
FRANCIS H. MAGUIRE  
DONALD V. SLAYTER

## **WIRING INSPECTOR**

January 6, 1958

Honorable Board of Selectmen  
Town of Weymouth, Massachusetts

Gentlemen:

I herewith submit my annual report for the year ending December 31, 1957:

During the year, 1,120 wiring permits were issued.  
Receipts for permit fees totaled \$2,062.25.

I wish to extend to the Board of Selectmen and to other Town officials my thanks for all courtesies and assistance given me during the year 1957.

Respectfully submitted,  
**JOSEPH W. ROSS**  
Wiring Inspector

---

## **REPORT OF BUILDING INSPECTOR**

January 7, 1958

Honorable Board of Selectmen  
Town of Weymouth, Massachusetts

Gentlemen:

During the year 1957, there were 117 applications to the Board of Zoning Appeals.

Each application was given due consideration.

78 applications were granted, 30 were denied, 3 were taken under advisement, 2 were postponed temporarily, 3 were granted in part, and 1 was withdrawn.

Total application fees received: \$555.00.

Respectfully submitted,  
**ANDREW A. CHISHOLM**  
Building Inspector  
(By direction of  
Board of Zoning Appeals)

Sheep inspected	4
Steer inspected	3
Dogs quarantined	218
Cats quarantined	1
Cases investigated	23

Respectfully submitted,

JOHN H. REIDY  
Inspector of Animals

## REPORT OF THE FIRE DEPARTMENT

January 13, 1958

The Honorable Board of Selectmen

Weymouth, Massachusetts

Gentlemen:

I herewith submit the annual report of the Fire Department for the year ending December 31, 1957.

The department responded to eleven hundred fifty-five calls during the year. Ninety of the total were for fires involving buildings. Two hundred twenty-one were accident and first aid calls.

The total number of personnel making up the department is eighty-one men at the present time. An additional pumping engine was added to the department during the year to give more coverage in the southern part of the Town. Six additional firefighters were authorized to man that engine.

The fire prevention program has been carried out throughout the year by means of the Junior Fire Marshal Program in the schools and by a program of inspections throughout the Town. There were a total of one thousand and three inspections made during the year.

An intensive training course for the personnel of the department was carried out throughout the year.

Following is a list of all alarms during the year.

Residential	81
Non-Residential Assembly	3
Mercantile	1
Manufacturing	2
Miscellaneous	3
Grass or Brush	551
All other Fires (Autos, Boats, Machinery)	44
False Alarms (1 by Telephone)	54
Smoke Scares, Honest Mistakes, Wrong Locations, Accidental Alarms	156
First Aid, Accidents, Emergency Calls, (45 were for Resuscitator or Inhalator)	221
Mutual Aid	39
	<hr/> 1155

I wish to thank the Board of Selectmen and all othr persons who assisted the department during the year.

Respectfully submitted,

WALTER R. MURRAY

Chief of Fire Department

## **SUPERINTENDENT OF FIRE ALARMS**

January 8, 1958

Chief Walter R. Murray  
Weymouth Fire Department

Dear Sir:

I respectfully submit my report of the Fire Alarm System for the year ending December 31, 1957.

233 Bell Alarms for Fires  
53 False Alarms  
1 Out of Town Alarm  
4 No School Signals

The outside lines are in good condition.

Eight (8) fire alarm boxes have been added to the system at new locations.

I wish to extend my sincere thanks to all for service and cooperation rendered at all times.

Respectfully submitted,  
EDRIC J. SALISBURY  
Superintendent of Fire Alarm

---

## **REPORT OF THE PLUMBING INSPECTOR**

December 31, 1957

Weymouth Board of Health  
402 Essex Street  
Weymouth 88, Mass.

Gentlemen:

I herewith submit my report for the year ending December 31, 1957.

During the year, 762 plumbing permits were issued.

Receipts for permits were \$2,549.00

During the year, 151 permits were issued for cesspools and septic tanks.

Receipts for permits were \$151.00

There was a total of 2,345 fixtures installed in new and old buildings.

New Buildings	167
Old Buildings	595
Estimated Cost	\$234,500.00

Respectfully submitted,  
THOMAS J. MacDONALD  
Plumbing Inspector

## REPORT OF TOWN COUNSEL

January 8, 1958

To the Honorable Board of Selectmen  
Town Hall  
East Weymouth, Massachusetts

Gentlemen:

I herewith submit my report as Town Counsel for the period from April 1, 1957 through January 8, 1958.

At the outset, I feel that I should express my sincere appreciation to the members of the Board of Selectmen and to give the department heads and employees of the Town who have given me their whole-hearted co-operation which is so necessary to properly carry on the duties of this office.

Several minor claims of less than \$100.00 have been settled without any suits against the Town.

The case of New England Pipe Corporation vs. Town of Weymouth was disposed of.

The case of Edwin S. Gillespie, Jr., administrator vs. Town of Weymouth, death and conscious suffering because of defect in highway, was settled for \$1,000.00.

The case of Anna B. Carr vs. Harold F. Dowd (defendant a retired police sergeant, finding for the defendant.

The case of Sheehy vs. Town of Weymouth (Zoning Board of Appeals), verdict for the appellant and against the Board of Appeals.

Suit has been instituted by the Town of Weymouth vs. The Commonwealth of Massachusetts for certain Land Takings affecting certain departments of the Town.

The case of Town of Weymouth, Board of Public Welfare, vs. Walsh, decree in favor of the Town.

The case of Ray Building Associates, Inc., vs. Town of Weymouth tried to a master. The Master's Report decision in favor of the Town.

Also, a Bill in Equity has been brought by the Town of Weymouth against the F. H. Birch Company relative to the erection of signs near the Weymouth Heights Railroad Station.

As Town Counsel, I have given written opinions to your Honorable Board, to the Water Department, Sewer Department, Park Department, Appropriations Committee, School Committee, Board of Assessors, Trustees of Tufts Library, and various committees appointed by the Town Meeting. Also, I have prepared articles for the Warrant of three Special Town Meetings held. All contracts have been examined by the Town Counsel, and I believe there has been a large number of Orders of Taking, Deeds of release, and other instruments prepared by this office. I have endeavored to answer all questions submitted to me in writing as soon as possible.

Respectfully submitted,

DANIEL L. O'DONNELL

Town Counsel

## REPORT OF PUBLIC HEALTH NURSE

January 1, 1958

Weymouth Board of Health  
402 Essex Street  
Weymouth 88, Massachusetts

Gentlemen:

I am pleased to submit to you my annual report for the year ending December 31, 1957.

### SCHOOL HEALTH

The following examinations were done on the children of the Immaculate Conception, St. Jerome's and Sacred Heart Schools:

Number of eyes examined	773
Number of ears examined	780
Number of physical exams done by physicians	365
Number of notices sent to parents on:	
Eyes	29
Ears	5
Physical examinations	87
Number of telephone calls to parents	62
Number of home visits	69
Number of children taken home ill	82
First-Aid	108

The annual toxoid clinic was held in the schools in October. Children in the first, sixth, and tenth grades who had been previously immunized and at the request of their parents, received a booster dose of double antigen which simultaneously immunizes against diphtheria and tetanus.

The total number of children immunized were:

Parochial Schools	
Elementary	141
High	30
Public Schools	
Elementary	1114
High	453
	<hr/>
Total	1738

### NURSING HOMES

In this district there are eight nursing homes and three rest homes. Periodic inspections were made to each home to see that the owners were complying with the Rules and Regulations of the Massachusetts Department of Public Health. A report on the sanitary conditions found in these homes is kept in a separate folder and recorded after each visit. Helen F. Adams, R.N., Hospital Inspector of the Massachusetts Department of Public Health accompanied me on most of these inspections.

## COMMUNICABLE DISEASES

The following is a list of the communicable diseases reported to this Health Department during 1957.

Dog Bites	244
Human Bite	1
Chicken Pox	33
Measles	6
Meningitis	
Meningococcal Meningitis	2
Aseptic Meningitis	1
Mumps Meningitis	2
Mumps	77
Scarlet Fever	32
Scarletina	2
Septic Sore Throat	9
Tuberculosis	
Pulmonary	16
Whooping Cough	2

## SALK POLIOMYELITIS VACCINE CLINIC

Salk vaccine was still made available to children from six months thru nineteen years of age free of charge.

Three injections are necessary to complete the series of inoculations. The second injection is given three to four weeks after the first and the third injection (Booster) may be given four months after the second.

Clinics were held every month during the year with the exception of April, August and December.

The following is a list of the number of children having received polio injections at public clinics during 1957:

Age Group 6 months thru 14 years:

202 children received their first injection

355 children received their second injection

11,247 children received their third injection

Age Group 15 thru 19 years:

22 children received their first injection

116 children received their second injection

1243 children received their third injection

Total injections given during 1957 — 13,185

In closing, I wish to express my sincere gratitude to each member of the Board of Health and the Health Agent for the cooperation, assistance and many courtesies given me during the past year.

Respectfully yours,

NORMA I. KILEY, R.N.

Public Health Nurse

## REPORT OF THE POLICE DEPARTMENT

January 10, 1958

Honorable Board of Selectmen  
Town Hall  
East Weymouth, Massachusetts

Gentlemen:

I herewith submit the annual report of the services rendered by the Police Department for the year ending December 31, 1957.

### Causes of Arrest

Crimes against the Person	32
Crimes against Property	130
Crimes against Public Order	450
	<hr/>
	612

### Miscellaneous Report

Complaints investigated	5,432
Doors and buildings found open and secured	597
Summonses and warrants served for out of Town	
Departments	981
Street lights out	148
Wagon calls	186
Ambulance calls	561
Messages delivered	153
Animals killed	25
Fires reported	16
Defective streets	136
Missing persons located	106
Closed dwellings inspected	4,316
Property recovered	\$101,145.17

Respectfully submitted,  
JOSEPH H. O'KANE  
Chief of Police

---

## REPORT OF ELECTRIC LIGHTING COMMITTEE

Weymouth, Mass.

December 31, 1957

To the Honorable Board of Selectmen:

This committee renewed its contract with the Weymouth Light and Power Company to light the streets of the Town at the same rates per light as have prevailed in the last several years.

These rates vary from \$18.00 per year for the common 100 candlepower lamps to \$100.00 per year for the 21,000 lumen mercury lamps.

We are now maintaining 2,735 lights, 75 having been added during the year. This item for 1958 will cost \$67,354.00 and we are asking \$6,400.00 additional for new lights, making our 1958 budget a total of \$73,754.00. Our monthly bill is now about \$5,600.00.

In the 1957 budget there was an item of \$1,500.00 for the lighting of Back River Bridge, but the State has not installed the fixtures, consequently the money was not spent and is included in the 1958 budget.

The Southeast Expressway will undoubtedly require additional lighting, but figures are not available as yet and probably will not be required until 1959.

There is a constant demand for larger lights, mostly on the main thoroughfares and we are working along that line.

Respectfully submitted,

Chairman—Roger P. Loud, 171 Commercial Street  
Charles B. Turnesa, 592 Main Street  
Arthur W. Sargent, 34 Partridge Road  
Richard Reidy, 150 Lake Street

Clerk— J. Herbert Libbey, 283 North Street

---

## BOARD OF HEALTH

January 9, 1958

Board of Health  
402 Essex Street  
Weymouth 88, Mass.

Gentlemen:

Following is the report of the Health Agent for the year ending December 31, 1957.

During the year 427 cases of communicable diseases were reported.

The town did not have a single case of poliomyelitis in 1957.

During the year 13,185 injections for polio were given to children from 6 months to 19 years of age. In 1958 we hope to inoculate all persons between the ages of 20 and 40 years. This polio vaccine is furnished free from The Massachusetts Department of Public Health.

Dairies and Milk plants have been inspected regularly. Samples of milk, cream and food products have been taken and laboratory tested.

Eating and drinking establishments have been inspected, and swabs taken of the glasses, dishes, spoons, etc.

The Board of Health meets the second Thursday of the month at the Health Department Office.

Respectfully yours,

HENRY F. GODIN

Health Agent

## REPORT OF DEPARTMENT OF PUBLIC WELFARE

January 7, 1958

Honorable Board of Selectmen  
Weymouth, Mass.

In accordance with your request, I submit the annual report for the year 1957.

The year of 1957 brought many changes in laws and State Department of Public Welfare rules and regulations that have great effect on the 1958 budget.

It is with regret that I must ask for a much larger budget for 1958 than was recommended for 1957.

The most important changes that caused this upward trend were:

1. Increase in budget allowance due to the increase cost of living, this is an automatic procedure due to State Law.
2. The increase in cost of convalescent care also a State Law.
3. The increase in children's exemptions that automatically lower the legal contribution of children for the support of parents.

As usual the "paper" work has increased, making it more difficult to operate in our limited quarters. It is my fervent hope that your Board can devise some method whereas we may have increased quarters.

Next year, if one can judge by all reports from economists etc., should show a decrease in employment which, in itself, will cause an increase in all reliefs.

Taking into consideration these factors I am submitting a budget that is considerably larger than last year.

Enclosed is my usual breakdown of the various reliefs:

### OLD AGE ASSISTANCE

Applications	74
Approved	53
Denied	10
Withdrew	7
Pending	4
Number of cases as of December 31, 1957	490
Appropriation	\$360,000.00
Expended	562,593.48
Federal Reimbursement	215,505.11
State Reimbursement	257,448.76
Cost to Town	89,639.61

### DISABILITY ASSISTANCE

Applications	24
Approved	10
Denied	7
Withdrew	3
Number of cases December 31, 1957	37
Appropriation	\$48,000.00

Expended	59,778.56
Federal Reimbursement	21,154.10
State Reimbursement	23,679.85
Cost to Town	14,944.61

#### AID TO DEPENDENT CHILDREN

Applications	32
Approved	27
Denied	2
Withdrew	2
Pending	1
Number of cases as of December 31 1957	74
Appropriation	\$ 85,000.00
Expended	128,694.01
Federal Reimbursement	55,648.05
State Reimbursement	42,897.99
Cost to Town	30,147.97

In closing, may I thank both your Board and my staff for the excellent cooperation throughout the past year.

Respectfully submitted

THOMAS P. DELAHUNT, Agent  
Department of Public Welfare

#### REPORT OF SEALER OF WEIGHTS AND MEASURES

December 31, 1957

Honorable Board of Selectmen  
Weymouth Town Hall  
East Weymouth 89, Mass.  
Gentlemen:

The following comprises my first annual report, for the period ending December 31, 1957 and is hereby respectfully submitted.

Total sealing and adjusting fees submitted to Town Treasurer \$656.25.

General work and duties performed were as follows:

Weighing and measuring devices tested and sealed	1,214
Weighing and measuring devices labeled not sealed	26
Weighing or measuring devices condemned	1
Total	1,241

Trial weighings and measurement of commodities sold or put up for sale, and summary inspections after sealing: 480 articles and devices.

I should like very much at this time, to extend my sincere thanks and gratitude to Mr. Charles W. Burgess, our retired sealer, for his kind and helpful cooperation, relative to my orientation in the weights and measures department. His 36 years of faithful, and devoted service, has established a precedent, of which to be proud, and a challenge, to my commencement.

JOHN R. SHEEHAN

Sealer of Weights and Measures

## ANNUAL REPORT OF THE TOWN ENGINEER

To the Honorable Board of Selectmen

Gentlemen:

I herewith respectfully submit to the Board the Second Annual Report of the Department of Engineering for the year ending December 31, 1957.

### A. Construction Program (Under direction of the Board of Selectmen.)

#### 1. Drainage

- (a) The 1957 Annual Town Meeting voted several Articles of Drainage. These were consolidated into one contract for the purpose of gaining better bid prices

Neck and Green Street Area	Appropriation	\$112,000.00
Shaw School Site	Appropriation	12,000.00
Kensington Road	Appropriation	10,500.00
Sea Street Area	Appropriation	32,625.00

---

Total Appropriation \$167,125.00

**Bids**—There were 14 bids ranging from \$116,130.00 to \$212,587.50.

* 1st Bidder DiMascio Bros	\$116,130.00
2nd Bidder Weymouth Trucking	127,371.70
3rd Bidder J. D'Amico	139,307.50
Engineering Dept. Estimate	143,242.50

\* Low Bid DiMascio Bros. was awarded the contract.

- (b) The Libby Field Drain voted in 1956, commenced in December of 1956; however, the majority of construction was in the Winter and Spring of 1957. The preliminary survey of drainage, design, specifications, plans and inspection of construction was accomplished by the Engineering Department.

#### 2. Roadbuilding

The 1956 and 1957 Annual Town Meeting voted Articles supporting a major Road Reconstruction Program. The year 1956 was spent hiring personnel, organizing a department and accomplishing the necessary ground planning. In 1957 several contracts were let out for bid.

- (a) **Green Street** — There were seven bidders ranging from \$154,953.50 to \$187,596.00.

* 1st Bidder E. T. Dwyer	\$154,953.50
2nd Bidder Weymouth Trucking	156,450.25
3rd Bidder A. Singarella	158,517.50
Engineering Dept. Estimate	159,220.00

\* Low Bid E. T. Dwyer awarded the Contract.

- (b) **Academy Avenue** — There were eight bidders ranging from \$44,190.00 to \$60,465.50.

* 1st Bidder J. D'Aico Inc.	\$44,390.00
2nd Bidder E. T. Dwyer	45,267.50

3rd Bidder DiMascio Bros.	45,674.00
Engineering Dept. Estimate	50,917.50

\* Low Bid J. D'Amico awarded the Contract.

(c) **Summer Street** — There were three bidders ranging from \$29,387.50 to \$35,351.50.

* 1st Bidder Del Prete Const. Co.	\$29,387.50
2nd Bidder J. D'Amico Inc.	33,850.00
3rd Bidder Weymouth Trucking	35,381.50
Engineering Dept. Estimate	32,507.00

\* Low Bid Del Prete Construction Co. awarded the Contract.

### 3. Miscellaneous

(a) **Ralph Talbot School Walkaway.** There were three bids ranging from \$6,875.00 to \$9,140.00.

* 1st Bidder Del Prete Const. Co.	\$6,875.00
2nd Bidder South Shore Sand & Gravel	8,635.00
3rd Bidder Weymouth Trucking	9,140.00
Engineering Dept. Estimate	9,000.00

\* Low Bid Del Prete awarded the Contract.

(b) **Westminster Road Widening.** There were five bidders ranging from \$1,955.00 to \$3,412.50.

* 1st Bidder Mulcahy Bros.	\$1,955.00
2nd Bidder Weymouth Trucking	2,090.00
3rd Bidder South Shore Sand & Gravel	2,150.00
Engineering Dept. Estimate	3,400.00

\* Low Bid Mulcahy Bros. awarded the Contract.

(c) **Design and layout of Mill Street Drainage Culvert.** Reinforced Concrete Box Culvert 45 feet long, 16 feet wide and 5½ feet in height. Let out as extra work to Sewer Contractor.

Cost	(Approximate)	\$10,000.00
------	---------------	-------------

## B. Inter-Departmental Program

### 1. Selectmen's Department

- Drainage problems at the following locations studied for analysis, report and/or corrective measures:  
Essex St., Hibiscus Ave., 591 Pond St., 175 Front St., Roland Rd., 9 off Wood Ave., 298 Central St., Torrey St., S. Francis Xavier Cemetery Area, 60 Greenvale Ave. and the Old South Church Area.
- Weymouth Sportsmen's Club vs. Town of Weymouth; property encroachment. Field Survey for decision.
- David Edelstein vs. Town of Weymouth; property encroachment. Field Survey for decision.
- Survey, plan, estimate and report on recommendations for additional parking facilities at Weymouth Town Hall.
- Survey and report on Gravel Pits in operation prior to Layout of Southeast Expressway.
- Plan and Estimate for widening portion of North Street and moving house at No. 161 North St.
- Survey Plan and Estimate for renovating part of Town Hall Annex to accommodate Dept. of Public Works.

- h. Sidewalks — line, grade, and survey for layout in the following locations:  
Belmont St., Holly Hill Circle, Lake St., Hillcrest Road, Old Country Way, Athens St., Bradley Rr., Litchfield Rd., Putnam St., Pilgrim Rr., Pond St., Reed Ave., Main St., Kingman St., Westminster Rd., Pine St., Roosevelt Rd., Sterling St. and Elliot St.
- i. Individual Street lines — 45 Individual Street lines were surveyed throughout the Town of Weymouth.
- j. Inspection and technical planning of 22 streets proposed for acceptance in 1958.

## 2. Highway Department

- a. 7 locations graded and staked out for Drainage.
- b. Following streets staked out line and grade for construction:  
Grandview Rd., Monomet Rd., Harborview Ave., Hobomack Rd., Poinsettia Ave., Seaver Rd., Shore Drive, Circuit Rd., Beach Rd., Lee St., St. Margaret St., Southern Ave. and Pine Cliff.
- c. 45 Concrete Bounds set.

## 3. Water Department

- a. Line and grade given for installation of new water mains on following streets: Beach Rd., Pine Cliff, Lee St., Friend St., St. Margaret St., Idlewell Blvd., House Rock Rd., Wadaga Rd. and the entrance to the New Nash School.
- b. 2 Hydrant locations established.
- c. Layout of land acquired on Hollis St.
- d. Layout of Pine and Pleasant Streets intersection for study in conjunction with the Southeast Expressway.

## 4. Town Counsel's Department

- a. 8 descriptions of various tax title lands sold by the Town of Weymouth.
- b. Plans and descriptions of drainage easements in 20 different locations throughout the Town of Weymouth.
- c. Lands Taken as gift, by purchase or Eminent Domain.
  - (1) Plan & Description of Hollis St. land for Water Dept. use.
  - (2) " " " of corner of Essex & Broad Sts. for highway use.
  - (3) " " " of Ralph Talbot School Highway.
  - (4) " " " of land corner of Webb & Summit Sts. for highway use.
  - (5) " " " of Green St. School Site for school purpose.
  - (6) " " " of Center School Site for school purpose
  - (7) " " " of land on Winter st. for future Public Works Building.
  - (8) Plans & descriptions of several parcels of land for Wessagusset Beach Improvement.

- d. Value recommendations of 2 parcels of land taken from the Town by the State for the Southeast Expressway.
  - e. Study and Testimony in Superior Court in Equity Case No. 58990 Ray Building Associates, Inc., vs. Inhabitants of the Town of Weymouth.
- 5. School Department**
- a. Green Street Elementary School.
    - (1) Taking plan and survey — setting bounds.
    - (2) Boring stakeout.
    - (3) Building stakeout for prospective bidders.
  - b. Center School Site
    - (1) Taking plan and survey — setting bounds.
    - (2) Topography for architect.
    - (3) Stakeout for borings.
    - (4) Stakeout for building and septic tank (For State).
    - (3) Building stakeout for prospective bidders.
  - c. Senior High School Site (Cowing Meadow).
    - (1) Taking plan and survey — setting bounds.
    - (2) Topography for architect.
  - d. Senior High School Site (Sprague Property).
    - (1) Topography study for area of Ledge.
  - e. Sewer Easement to new Nash School.
- 6. Police Department**
- a. Level survey for elevation of Antenna requested by Federal Communications Commission.
  - b. Plan and description of land to be taken for Parking Area.
- 7. Park Department**
- a. Plan and description of Playground area off Lake Street
  - b. Plan and description of Playground area off Memorial Drive.
  - c. Grades on Tennis Courts at Stella Tirrell Park.
  - d. Layout of land at Clapp Memorial for purpose of leasing.
  - e. Grades and Layout of Pony League Ball Park at Clapp Memorial.
  - f. Plans, description and topography of Pilgrim Road Playground.
  - g. Boundary lines of Bathing Beach at Whitman's Pond.
- 8. Assessors' Department**
- a. Approximately 1400 Transfer cards typed from Photostats received from Registry.
  - b. Field survey and location of 143 houses and 114 garages and/or breezeways.
  - c. New structures located on Town Maps.
  - d. Preparation of Assessors Maps through January 1, 1958.
- 9. Wessagussett Beach Committee**
- a. Plans and descriptions of several parcels of land to be purchased by the Town for Beach Improvements.
- 10. Planning Board**
- a. Study, layout and descriptions accomplished for the 730 acres (6 parcels) rezoned for limited industry.
  - b. Technical planning and inspection of subdivisions.

11. **Building Inspector**

- a. Sill elevations and plots approved for 62 new structures  
(In accordance with new by-law in effect August 1957.)

**Cost Summary**

Total from Table I	\$594,681.23
Ralph Talbot Walkway	6,875.00
Westminster Road Widening	1,955.00
Mill Street Culvert (Approximate)	10,000.00
	<hr/>
	\$613,511.23

C. **Planning for Future Work**

During the Fall and through December of 1957 with exceptional weather conditions prevailing the department accomplished the necessary survey and layout for a tentative road program for 1958.

Front Street from Washington St. to Kingman St.  
Summer Street from Front St. to Welland Circle  
Broad Street from Front St. to Foye Ave.  
Evans Street from Bridge St. to Pearl St.

(These streets are sewered within the limits mentioned.)

At this time I would like to extend my sincere thanks to the Board, members of the Engineering Department and all the Town Officials and employees for the willing and helpful cooperation extended to this department.

Respectfully submitted,

ARTHUR J. BILODEAU  
Town Engineer

# **REPORT OF SOUTH SHORE MOSQUITO CONTROL PROJECT**

December 9, 1957

To the Citizens of Weymouth:

Submitted herewith is the report of the South Shore Mosquito Control Project of its activities in the Town of Weymouth for the year ending December 31, 1957.

The Town of Weymouth appropriated \$8,500 for mosquito control in 1957. This money was used for mosquito control in the Town of Weymouth by the South Shore Mosquito Control Project, a cooperative effort embracing the City of Quincy, and Towns of Braintree, Cohasset, Duxbury, Hingham, Hull, Marshfield, Norwell, Scituate and Weymouth. In addition, the Project worked under contract for the U. S. Naval Ammunition Depot. This government area lies in the middle of our Project and thus affects four of our towns. The cooperation of the Navy Department in this matter has, this past year, helped people in this area and will in the future be of greater benefit.

## **Type of Control Program**

The basic program of control continued to be based on drainage in the off-season and larvaciding of all areas found to be breeding during the mosquito season. This program was supplemented by application of D.D.T. dust to selected areas during the period when the swamps were frozen. Fog generators and a mist blower were used to combat flying mosquitoes.

## **Encephalitis**

As a result of the dry weather and/or other factors not yet recognized, Eastern Equine Encephalomyelitis did not appear in humans in Massachusetts this past summer. However, since the therat is definitely present, the Project has, the past year, acquired additional ground equipment of the types most useful during Encephalitis outbreaks. During the period when Encephalitis is most likely to occur, the Project will be in contact with the Massachusetts Department of Health, the U. S. Public Health Service and other mosquito control agencies in a cooperative effort to recognize the danger signs so that work can be directed against the suspected species of mosquitoes.

Last spring the U. S. Public Health Service established a research laboratory at Taunton to study the disease. During the past summer basic data was gathered, procedures established, and personnel trained. The long term aims of this laboratory's work are incrimination of a vector or vectors, the development of means for recognizing potentially dangerous years, and a method of attack to prevent epidemics.

An area wide mosquito control effort is our only present defense against the disease. The recent formation of a Plymouth County Mosquito Control Project will be of great benefit to this Project. For the first time we are completely surrounded by areas in control districts and migrations of mosquitoes into the district will be reduced.

## **Aerial Spraying**

Thes pring spraying of all fresh water swamps too large to be treated by hand was done in the latter part of April.

2,891 acres were sprayed in the Town of Weymouth.

## **Ground Spraying**

The ground crews circulated on a schedule throughout their sections of the Project. They varied from this circuit to treat in the vicinity of complaints or to treat places found to be breeding by the superintendent or the inspector. They then returned to their rounds.

## **Catchbasin Spraying**

Three catchbasin units were operated the past season. These units are compressed air sprayers mounted on three-wheeled motorcycles.

This phase of the work is particularly important in built up arease since one drainage basin can produce thousands of mosquitoes per week throughout the summer.

## **Drainage**

Since last summer was dry, less spraying was necessary, therefore the crews were able to do ditching and stream clearance from time to time. The addition of this work to regular off-season drainage will save further spraying next summer.

In November the Project purchased a hydraulic trencher mounted on a tractor suitable for use in marshy conditions. This machine will be used in conjunction with the saltmarsh trench cleaner, as well as in fresh marsh drainage work.

## **Adult Mosquito Control**

During the past year an additional fogging machine was in operation and a donated mist blower was used. The present three adulticiding macines will enable us to do spot adulticiding at a pace beyond that of past years and will be good insurance in the event of an Encephalitis outbreak.

## **Equipment on hand**

- 1 Ford F-350 Truck
- 3 Ford F-250 trucks
- 1 Ford F-100 truck
- 1 International 1 ton truck, four-wheel drive
- 1 Dodge 1 ton platform truck
- 1 Ford Ranchwagon
- 1 Oliver OC-6-68 tractor with scavel plow
- 1 Oliver OC-4-68 tractor with hydraulic trencher
- 1 Trailer for transporting tractors
- 1 Cushman Truckster (catchbasin unit)
- 2 Harley Davidson Servi-cars (catchbasin units)
- 3 50 gal. Bean hydraulic sprayers
- 2 Todd Insecticidal Fog Applicators
- 1 Lawrence Mist-blower
- 1 Hoffco power brushing tool
- 1 Gorman-Rupp centrifugal pump
- 1 Homelite power saw
- Pack sprayers and dusters
- Various hand ditching tools

### **Plans for Winter**

Throughout the months between the past and coming mosquito breeding seasons much attention will be given to ditching. Work on the salt-marsh will be done in the fall and early spring and the colder winter months will be spent in the more protected fresh water areas.

When snow and ice conditions are right, pre hatch dusting, as was done the last four years, will be done.

In addition to the ground dusting noted above, further experimental pre hatch applications of D.D.T. dust will be made from the air.

### **Plymouth County Retirement System**

The employees of the Project were accepted into the Plymouth County Retirement System on January 1, 1957. The Commission feels that having the employees enrolled in the System works to the benefit of the Project since it lessens the likelihood of experienced employees leaving to take other jobs.

### **Plans for Next Year**

All phase of the work carried out in the past will continue. Catch-basin spraying will be done with Dieldrin, a newer insecticide which is effective longer than D.D.T. and thus reduces, by at least one, our applications resulting in a modest saving in labor costs. This saving can be used to further implement the policy of the Commission to drain all feasible places and thus cut the costs of repetitive spraying. This policy has made it possible to keep total expenditures at a constant level in spite of increased labor and material costs.

HENRY F. GODIN  
Commissioner

---

## **DEPARTMENT OF VETERANS SERVICES**

East Weymouth, Mass.

December 31, 1957

The Honorable Board of Selectmen  
Town Hall  
East Weymouth, Massachusetts

Gentlemen:

We wish to submit herewith to your Board and through your Board to the townspeople our Annual Report for the year 1957.

Our financial cost has been about the same as last year. We are asking for the same amount in Ordinary Benefits for the year 1958 as we received in 1957. Although our expenditures in 1957 were less than was appropriated we feel that because of a proposed increase in budgets that the State Office has approved, plus the fact the Secretary of Labor has stated there will be more unemployment in 1958 than in 1957, we feel the same amount (\$120,000.00) should be appropriated. The Town has received about \$55,000.00 in return in 1957, and therefore the cost to the Town, based on the \$120,000.00 appropriated, has been about \$65,000.00 for Ordinary Benefits for 1957.

Because all town department expenditures are covered by our Town Accountant we are not giving detailed expenditures of our office in this

report. However, it must be borne in mind that our town is reimbursed fifty percent of all department expenditures for Veterans' Benefits, War Allowance, and State Burial Allowance.

We wish to take this opportunity to express our thanks to all those who assisted us in the performance of our duties this year. Also we wish to thank your Board and various Town Departments for their kind co-operation.

Respectfully submitted,  
F. I. Lyons, Director  
Department of Veterans' Services

## **REPORT OF PARK COMMISSIONERS**

January 15, 1958

Honorable Board of Selectmen  
Town of Weymouth, Mass.

Gentlemen:

During the year 1957 we prepared for opening in 1958, playgrounds at Idlewell and Julia Road. Land on Pilgrim Road has been acquired from the government and construction started at Clapp Memorial field.

Large scale beautification of our greens was carried on in the fall with many plantings.

Our summertime programs at the playgrounds and beaches were extended an extra week and the programs enlarged.

Our year-round recreation program was curtailed late in the year due to the lack of funds as a result of a large cut-back in budget requests.

All programs conducted were popular and well attended and our facilities were well used.

The Park Department extends their thanks to the various town officials and other departments for their fine cooperation throughout the year.

Respectfully submitted,  
EVERETT J. McINTOSH, Chairman  
JOSEPH D. SLATTERY  
OTTO C. MASON

---

## **ANNUAL REPORT OF THE DIRECTOR OF CIVIL DEFENSE**

January 23, 1958

Honorable Board of Selectmen  
Town Hall  
Weymouth, Massachusetts

Gentlemen:

I submit herewith a report covering the activities of Civil Defense for 1957.

Weymouth Civil Defense organizations during 1957 have operated in accordance with the orders issued by State Headquarters, who in turn are responsible to the regulations of the Federal Government. There still seems to be however a lack of co-ordinated effort to convince the general public that Civil Defense under existing conditions is of real importance. The major change of idea during the year is that Mass Evacuation has been replaced with the possibility of large public shelters. There is however no realistic program and the entire complex and very expensive program is indefinite.

Weymouth Civil Defense has operated satisfactorily on a town level, mostly through its three active units; Auxiliary Police, Communicatins,

and Radiological. These units have been alerted several times during the year by SState and Federal orders. In addition, our Auxiliary Police have spent many hundreds of hours on traffic duty which has reduced traffic violations in Weymouth to a minimum. Mobile Communications has also given many hours of service in conunction with the Police Department.

During the year our communications' system has been extended to adequately cover the entire town. Also, a new 25KV9 generator has been provided for our Civil Defense headquarters and the Police Station. All equipment has been purchased on a matched fund basis at a cost of only 50% to the town.

We wish to congratulate those in our active organization for their services rendered the town and thank all those on our inactive list who are on call should an emergency arise.

Respectfully submitted,  
HERBERT W. CAUSER,  
Director, Weymouth Civil Defense

**REPORT OF REGISTRARS OF VOTERS**

Honorable Board of Selectmen  
Town Hall  
Weymouth, Massachusetts

Gentlemen:

Herewith submitted is the Annual Report of the Board of Registrars.

Business Meetings	2
Registrations	6
Elections	1

The requirements of voting registrations, poll listing and preparation of voting lists and other duties have been carried to a successful conclusion for 1957. With three elections forthcoming we anticipate a heavy year during 1958.

Following is the total number of registered voters in the town as of December 16, 1957:

	Male	Female	Total
Precinct 1	853	879	1732
Precinct 2	922	966	1888
Precinct 3	705	844	1549
Precinct 4	887	916	1803
Precinct 5	705	766	1471
Precinct 6	1320	1390	2710
Precinct 7	940	933	1873
Precinct 8	1157	1182	2339
Precinct 9	949	1071	2020
Precinct 10	705	740	1445
Precinct 11	914	965	1879
	10057	10652	20709

May we extend our thanks to your Board and all departments for courtesies and assistance during the year.

Respectfully submitted,  
HELEN R. CORRIDAN, Chairman  
HARRY CHRISTENSEN, Clerk  
EDWARD C. McINTOSH  
JOHN J. SANTRY

## REPORT OF THE BOARD OF PERSONNEL

January 18, 1958

Honorable Board of Selectmen  
Town of Weymouth  
Massachusetts

Gentlemen:

Complying with the vote of the Annual Town Meeting of 1957, that a review of the wage plan be made by an outside firm, the following procedure was taken:

Proposals for bids were submitted to various firms. The successful bidder was Charles M. Evans and Associates for a sum of \$1,500.00.

The review of the plan was studied and used as a guide in arriving at the various wage scales for all departments with the result all scales have been equally adjusted and will be submitted at the Annual Town Meeting.

Respectfully submitted,  
WILLIAM A. TAYLOR  
Personnel Officer

## REPORT OF THE STREET DEPARTMENT

January 17, 1958

Honorable Board of Selectmen  
Town Hall  
East Weymouth, Mass.

Gentlemen:

I herewith submit the annual report of the Street Department for the year ending December 31, 1957.

The following streets, accepted at the 1957 annual town meeting, and released by the town counsel, were worked:

Stone Penetration Surface:	Seal Road Surface:	
Beach Rd.	Dixon Park Rd.	Mars St.
Lee St.	Dwyer Lane	Mercury St.
St. Margaret St.	Endicott St.	Moreland Rd.
	Gale Rd.	Soper Ave.
	Hanian Drive Ext.	Valley Rd.
	House Rock Rd.	Vega St.
	Judith Rd.	Venus St.
	Jupiter St.	

The following streets, accepted in 1956, with money made available in 1957, were worked as follows:

Stone Penetration Surface:	
Grandview Rd.	Monomet Rd.
Harborview Rd.	Poinsettia Ave.
Hobomack Rd.	Seaver Rd.

Southern Ave. — Preliminary work of grading and blasting was done; drainage was installed

Blanchard Rd. Extension — Asphalt penetrated, seal road surface installed.

Work was started on Pine Cliff Rd.

**1954 Acceptances.** Perry Street (1955 appropriation) and Carver Street (1956 appropriation) were completed with stone penetration surface.

We completed the resurfacing of Summer St., from Sherrick's Farm to Progress St., with an asphalt penetration seal surface, in accordance with Article 10, of the 1956 annual town meeting.

The accepted streets in South Weymouth and Weymouth Landing were sealed in accordance with our program of sealing all streets every second year.

The program for construction and repair of permanent side walks in the town was carried out under the direction of the Board of Selectmen by contract with the Weymouth Asphalt Co.

We continued our program of rubbish collection on a bimonthly schedule. We now have five rubbish collection units which have helped greatly to speed up the rubbish collections.

The following new equipment was purchased during the year:

- Ford Pickup Truck
- Mack Rubbish Truck, with a Leach Body
- 8-10 Ton Buffalo-Springfield Roller
- Two Tail Gate Spreaders

A screening plant, for converting gravel to sand, was constructed at a cost of approximately \$9,000.

We installed a guard rail on Great Hill Drive in accordance with the vote of the 1957 annual town meeting.

We placed twenty-eight rubbish containers in the various business sections of the town.

I wish to thank the Board of Selectmen, the Street Department employees, and the various town departments for the help extended throughout the year.

Respectively submitted,

DANIEL J. SLATTERY  
Superintendent of Streets

## REPORT OF THE COLLECTOR OF TAXES

January 17, 1958

To the Honorable Board of Selectmen:  
Town of Weymouth

I am pleased to submit to you and through you, to the citizens of Weymouth, my Annual Report of the taxes, interest and charges collected by me as Collector of Taxes during the year 1957. These collections, as made and paid over to the Town Treasurer, apply to the several lists committed to me by the Board of Assessors for the years 1955, 1956 and 1957, and include assessments of Real and Personal Property, Polls, Motor Vehicle and Trailer Excise, Common and Particular Sewer and Water Liens.

### 1955 TAXES

## ANNUAL REPORT OF THE PLANNING BOARD

To the Honorable Board of Selectmen and Citizens of Weymouth:

The Planning Board held regular meetings twice a month and several special meetings during 1957.

A change of zoning was recommended by the Board to a Special Town Meeting held in April to consider changing from residential to limited industry about seven hundred and thirty-three acres of land.

The change of zoning was voted by the Town Meeting and later approved by the Attorney General's Office.

During the year only one large subdivision plan was presented to the board for consideration.

The Board wishes to thank the various town departments, officials and employees who have co-operated with us.

The Board appreciates the assistance the Town Engineer, Arthur J. Bilodeau has rendered as an ex-officio member of the Board.

Respectfully submitted,  
Walter B. Heffernan, Chairman  
Frank G. Hale, Jr., Secretary  
Merle S. Averill  
Frank J. Homeyer  
John F. Newton  
Joseph M. Nover, Jr.  
William F. White

## REPORT OF THE SEWER COMMISSIONERS

December 31, 1957

To the Board of Selectmen  
Town of Weymouth

Gentlemen:

We forward herewith our Superintendent's detailed report for the year 1957 and with it our own and final report.

Upon completion of the contracts now in process our schedule for 1957 will be finished according to plan except that no extensions of contracts were possible because of additional expense due to unusual amounts of sheeting, ledge removal and culvert replacement.

Our budget for 1958 has been prepared along regular lines and forwarded to the Appropriation Committee. The program provides for sewers in streets according to petitions for same as filed in our office (in the order of their receipt) and the second section of the Mill River Trunk line. The Selectmen have been furnished with a list of streets in which we will work.

Because the Sewer Commission will cease to exist upon the election and qualification of the new Board of Public Works in 1958, we give a brief resume of our stewardship from the Commission's inception in March 1947 to date.

Commissioners: J. Herbert Libbey, Chairman, John W. Field, Clerk, Charles Y. Berry, deceased and succeeded by Charles J. Maasterson. Messrs. Libbey and Field have each served 11 years, Mr. Masterson 10 years, 8 months.

### Principal Objectives of the Commission

Build a good sewerage system for the Town.

Construct Trunk Line sewers to the Town's several centers.

Expand the system of means of lateral sewers extending from the trunk lines.

Build in areas where service is wanted as indicated by applications or petitions filed in our office.

Honor applications in the order of their receipt, so far as is practicable.

### Breakdown of Expenditures — 1947 Through 1957

	Expenditures	Percent
*Common Sewer Construction (by Private Contract) and New Development Streets, pipe supplied	3,002,269.60	71.86
House Connections (Includes labor, pipe and equipment)	427,710.41	10.24
All Engineering, engineering supplies and equip- ment and transportation	315,877.42	7.56
Administration (Including office equipment ex- penses and supplies)	105,095.21	2.52
Legal Fees, Land Takings, etc.	42,861.24	1.03
Vacations, Holidays, and Sickness Costs	39,103.87	.94
New Equipment (Includes supplies for their main- tenance and operation)	83,642.47	2.00

Police Control of Traffic Costs	20,204.50	.48
Renovate and Maintain Office and Service Buildings including labor	39,563.05	.95
Labor and Supplies for the Maintenance of Sewer System, Labor equipment maintenance and all other accounts	101,270.98	2.42
Totals	4,177,598.75	100%

\*Includes construction of 2 Pumping Stations and 1 Sewage Disposal Chamber.

Contracts awarded: 34 of which 31 were to low bidders.

Contracts defaulted and completed by another contractor: 1.

The East Weymouth Trunk is ready to serve the Jackson Square area and applications invited in 1956, but, except for a few scattered ones, none have been received.

It was the intention of the Commission to build the 3rd section of the Mill River Trunk sewer in 1959. This would serve the Pond Plain and Independence Square areas where applications have been on file for nearly 3 years.

Respectfully submitted,  
J. HERBERT LIBBEY, Chairman  
JOHN W. FIELD, Clerk  
CHARLES J. MASTERSON  
Board of Sewer Commissioners

## REPORT OF THE SUPERINTENDENT OF SEWER DEPARTMENT

December 31, 1957

To the Board of Sewer Commissioners  
Town of Weymouth

I submit herewith the tenth annual report of the Sewer Department.

During 1957 approximately three and eight-tenths miles of trunk and lateral sewers were installed. Construction also included under last year's contracts, the installation of two-thirds of a mile of house connections to the side line of streets.

May 1, 1957 Contract 32 was awarded to Civitarese-Piatelli Construction Company of Hyde Park, the low bidder, who submitted a bid of \$124,135.00. Work involved the construction of the first section of the Mill River Trunk Sewer that will eventually serve Independent Square and areas south. This 21-inch trunk sewer extends from the Southeast Expressway Interchange at Main Street along a portion of Front and Mill Street to Mill River, thence along Mill River, crossing West Street and continuing approximately 600 feet beyond.

During the installation of the sewer in Mill Street it was decided that it would be in the best interest of the Town to construct a new culvert of ample capacity rather than spend money in an attempt to repair the old, undersized, dilapidated culvert at Mill River. To this end the Appropriation Committee transferred to the Sewer Department construction

account \$4,500.00 Under the co-operative effort of the Sewer Department, Town Engineer, Metcalf & Eddy and the Street Department, the new Mill Street culvert was completed.

Construction under contract 32 should be completed very early in the Spring of 1958.

May 6, 1957 Contract 33 was awarded to J. Andreassi & Son, Inc. of Roslindale, the low bidder, who submitted a bid of \$183,663.00. Work involved the installation of up to 11,160 linear feet of 8, 10 and 15 inch sewers and 3,600 linear feet of house connections. During 1957, under this contract, sewers were installed in a portion of North Street, Neck Street, Broad Street, Commercial Street, Evans street, Saunders Street, Wachusett Road, East Street, Green Street and Bridge Street. Construction under Contract 33 should be completed in the early summer of 1958.

June 14, 1957 Contract 31 was completed by J. D'Amico, Inc. of Dorchester at a cost, including house connections, of \$200,774.33. This work involved the installation of sewers in portions of Summer Street, Kingman Street, Walnut Avenue, Thayer Avenue, Garfield Avenue, Roseen Avenue, Adams Place, Main Street, Front Street, Harland Road, Judson Road, Lone Pine Path and Apple Tree Lane.

June 24, 1957 Contract 34 was awarded to R. A. Buccella & Sons, Inc. of Roslindale, the low bidder, who submitted a bid of \$86,693.50. Work involved the installation of approximately 4,820 linear feet of 8 and 10 inch sewers. During 1957 sewers were installed, under this contract, in Judson Road, Byron Road, a portion of Apple Tree Lane, a portion of Brook Terrace, Ledge Hill Road, Ledge Hill Terrace, Broad Street from Washington Street to Front Street, Franklin Street and Spring Street. The balance of this contract will be completed in 1958 along with extensions in Broad Street, King Avenue and Healy Road, providing funds are appropriated.

The Department took advantage of an opportunity to install a 10 inch sewer through the main drain tunnel being constructed under the Railroad crossing at Wharf Street under the supervision of the Town Engineer.

Under Department supervision sewers were installed in the following New Developments: off Bridge Street by the Drive-In Development Corporation, Sandra Lane by Klasson & Ericson Construction Company, Inc. and the Weymouth Skating Club, Inc.

During 1957 approximately 900 feet of 27 inch sewers were relocated in the area of the Main Street Interchange and 275 linear feet of 8 inch sewer was installed across the expressway at Ingrid Road. This work is being done by J. F. White Contracting Company who, under Contract 6 with the State Department of Public Works, is constructing the first section of the Southeast Expressway in Weymouth.

The entire cost of relocating existing sewers within the expressway limits will be incurred by the State. Both the Town and State will share the cost of installing sewers across the expressway at the several locations. The Town supplies the pipe and engineering, the State makes the installations. Making the pipe crossings at this time represents a considerable saving by eliminating the need of costly construction under the expressway in the future, as our system expands.

This year 337 Particular Sewer Connections were installed.

The department added to its equipment with the purchase of the following units:

New Welding & Cutting Outfit

New LeRoi 125 Compressor, trade-in 1951 LeRoi 105 Compressor

Survey, design, contract letting and inspection of our 1957 construction was under the supervision of the department engineering staff with the exception of the Mill River Trunk Sewer. This work was designed by Metcalf & Eddy, our consulting engineers, who also furnished the inspection.

Our 1958 construction program will be completely designed and supervised by the department engineering staff. Preparation of this work is well under way.

At this time I would like to extend my sincere thanks to my fellow workers and all town departments who so courteously assisted us the past year.

Respectfully submitted,

NORMAN M. SMITH, Superintendent

Weymouth Sewer Department

**TWELFTH ANNUAL REPORT  
OF THE  
TRUSTEES OF THE LABAN PRATT HOSPITAL**

December 31, 1957

To the Honorable Board of Selectmen  
Town of Weymouth  
Weymouth, Massachusetts

Gentlemen:

By direction of the Chairman of the Board of Trustees of the Laban Pratt Hospital, the undersigned is duly authorized to submit to your Board this Annual Report required by the provisions of Section 3, Chapter 246, an Act of the Massachusetts Legislature approved April 26, 1946, creating Laban Pratt Hospital as a corporation.

The terms of office for the Trustees are as follows:

Term expires in 1962:

Miss Olive Sylvester  
Mr. Carl Peterson  
Mr. Martin P. Davis

Term expires in 1961:

Mr. Roy F. Kendall  
Mr. Laughton B. Dasha  
Mr. Francis A. Farr

Term expires in 1960:

Mrs. Marguerite W. Shaftoe  
Mrs. Eleanor E. Jack  
Mr. George H. Thompson, Esq.

Term expires in 1959:

Hon. Kenneth L. Nash  
Mrs. Harriett S. Berry  
Mr. George E. Pruden

Term expires in 1958:

Mr. Roland T. Seabury  
Mr. James F. Reilly  
Mrs. Lucy P. Mahoney

There were seven meetings of the Board this year. The Trustees have received an appropriation of \$5,000.00 from the Town of Weymouth for the purpose of having a survey of the health and hospital needs in the Town of Weymouth as applicable to the Laban Pratt Hospital Fund. Charles F. Wilinsky, M.D., of Boston has been retained by the Trustees to make the survey. He will start the survey in January, 1958.

Respectfully submitted for the Board of Trustees.

LUCY P. MAHONEY

Clerk

## TREASURER'S REPORT FOR 1957

To the Trustees of Laban Pratt Hospital, Inc. the following report on the finances of the Hospital is submitted by the Treasurer for the year ending December 31, 1957.

Balance on hand January 1, 1957	\$773,937.85
---------------------------------	--------------

### Income Received:

East Weymouth Savings Bank	\$1,730.36

## REPORT OF THE SHELL FISH WARDEN

Honorable Board of Selectmen  
Town of Weymouth, Massachusetts

Gentlemen:

The following is a report of Shell Fish Warden for 1957.

21 Clam Permits

40 Bait Permits

Due to good working conditions, many diggers are working elsewhere, which enables the clam flats to re-seed themselves. This department has been working with the State to open an area to residents for home consumption.

The co-operation of your Board, the Police Department and the Harbor Master, is deeply appreciated.

Respectfully submitted,

CHARLES W. MacMURRAY  
Shell Fish Warden, Town of Weymouth

## HARBOR MASTERS REPORT

Honorable Board of Selectmen  
Town of Weymouth, Mass.

Gentlemen:

I respectfully submit my report of activities for the year 1957:

A two-way communications radio, also a fire pump were replaced during the year on the Harbor Master's boat with new ones.

The following services were rendered by my department during the year 1957:

Lost Boats recovered	25
Lost Outboard hulls recovered	4
15' to 40' Sail and Power boats assisted	30
Capsized boats and outboards assisted	3
Investigations made	15
Launchings patrolled and attended	3
Sail Boat races patrolled	20
Outboard races patrolled	1
Island fires fought (small	1
Outboard motor fires fought	1
Interclub boat races patrolled	3
Marine parade patrols	1
Police radio calls answered	17

The Harbor Master's boat patrolled at least 10 miles daily from May 1 to December 1 covering the entire Weymouth waterfront at least once daily, a total distance of approximately 2200 miles.

Sincerest thanks are extended to all who were kind enough to assist and cooperate with me in the pursuit of my duties.

Respectfully submitted,

CECIL EVANS

Harbor Master

## TREE AND MOTH DEPARTMENT 1957 ANNUAL REPORT

December 31, 1957

To the Board of Selectmen  
Town of Weymouth

Gentlemen:

Twenty years ago I stood before a Special Town Meeting and warned those assembled there that "if we continue to disregard our heritage of beautiful shade trees by neglecting their care, something terrible will happen to them. They will be taken away from us in large numbers and our Town will become almost barren of trees."

That time is now at hand. Continued disregard of the needs of trees has caused large numbers of them to succumb to the ravages of Nature — hurricanes, insect pests, and disease.

No doubt the greatest tragedy has been the Dutch Elm Disease.

In the ten year period that this disease has been with us, thousands of trees have died, been removed, buried or burned at a cost of many thousands of dollars.

We read articles informing us that Dutch Elm Disease can be controlled, with proof of the successes of communities where sufficient funds are granted so that control measures can be followed. In such communities the Moth Superintendent has been free to use the money to the greatest possible advantage. Whereas, clauses written into the appropriation by the Finance Committee making certain restrictions on the use of our funds by the Moth Superintendent has critically disrupted any effective control measures.

Weymouth need not have lost so many of its elm trees if the advice which I have been expounding to suppress Dutch Elm Disease had been heeded.

Since 1934 I have been studying the progress of Dutch Elm Disease. Many references and warnings have been made regarding this disease in my Town Reports to you over the years — even to forecasting its arrival.

While I have kept the public well informed, it has been an annual knock down, drag out fight to procure funds for this work and always it has been too little, too late.

A tree sanitation program, calling for prompt, not delayed, removal and disposal of all known sickly, dying and diseased elm trees, pruning and spraying of otherwise healthy trees is the program which I have advocated. Diseased, dying and sickly elm trees quickly harbor millions of disease carrying beetles. In the spring time the beetles emerge from these trees, attack healthier trees and inoculate them with the disease spores. It takes only one of these spore laden beetles to infect a tree.

These dead trees standing through a winter become a serious hazard to life and property. Dutch Elm Diseased wood deteriorates rapidly and these trees become a hazard.

The Town Meeting, under the repeated misguidance of the Appropriation Committee, has come to regard the Dutch Elm Disease situation as a "pet project of the Tree Warden."

The Statutes regarding Dutch Elm trees have been violated and the public has been compelled to suffer not only the loss of these trees, but also to suffer the anxieties of continued worry over the safety of their property, their children and their neighbors. Aged people tremble in fear, when the winter winds blow, from the dangers presented by a diseased and rotten elm tree over their homes.

Such is the burden placed upon your Tree Warden with no power to act in their behalf. I, too, suffer the same anxieties for my townspeople since I know too well the dangers they are compelled to endure.

Another disturbing factor is the continual underground effort to upset the Area Mosquito Control project by withdrawing our financial support and thrust the duties and responsibilities on the present Tree and Moth Department.

It would appear to me that inasmuch as necessary funds are not properly provided to perform our statutory duties and that adequate manpower is not provided, that it would be next to impossible to procure funds and labor for this added responsibility.

A serious conservation measure which I have endeavored to bring to your attention in my 1955 Annual Town Report was the matter of water conservation.

While we are ultimately planning to drain all of our swamps and low lands into the ocean, our water supply is running out. It is these scattered swamps throughout our country-side which, through seepage, feed our underground rivers and springs to provide our life-sustaining water.

The same engineering brains engaged by the Town to drain our land, no doubt, could show us how to retain much of this vast reserve of water by creating reservoirs for storage, provide recreation areas for boating, fishing, skating as well as water for industry.

Could not Weymouth lead the way in beginning such a forward step?

Already legislation is before our State House group to create a committee to study the feasibility of reclaiming the ocean water for human consumption.

In this my final report to you as your Tree Warden and Moth Superintendent, I believe that a review of my accomplishments in your behalf might be in order.

The Town has:

A fine nursery established of somewhat over an acre in size, stocked with a variety of shade and flowering trees.

An off-street tree planting program. This up-to-date planting program has gained wide interest throughout the country.

A mosquito control program which has now developed into an area Mosquito Control Program of eleven towns.

An aerie spray program for insect pest control.

A Japanese beetle control program for public areas.

An organized Tree and Moth Department, well equipped with the most up-to-date tools. (The rapid recovery of our Town from the many disasters and epidemics which we have faced has earned for the men of our department a great deal of well earned praise

from the townspeople for the conduct, efficiency and orderliness of their work. I, too, am proud of them.)

A composting project which will develop into greater usefulness as time goes on. The by-products of Nature — leaves, sod, grass, wood chips, etc. — are put to use by us rather than being cast aside in the public dump.

A log and brush disposal area where tree debris is periodically burned, thus relieving the Town Dump of a serious problem; the conservation of space and the continual problem of finding new areas to pile it. Our system also relieves the problem of insect and disease spreading from wood which would otherwise be lying around in the open.

An educational program which has kept the public informed. Exhibits at fairs, schools, trade shows, clubs, etc. and lectures to many groups each year.

An advisory service, wherein help in many hundreds of tree, insect and disease problems is given to our townspeople. Regretfully, time in the workday does not allow for taking care of all the many and varied requests that come in. This alone could be a full time job.

The future and perpetuation of these many services will depend on the attitude of the Public Works Commission toward them.

In my opinion and from knowledge of other former Tree Wardens who have been absorbed in this phase of government, the Tree Department services will be curtailed and the Department will be as a step-child to the engineering services of Public Works.

At this time may I pay especial tribute to a group of citizens who in 1929 sponsored my training at the Davey Institute of Tree Surgery, Kent, Ohio, thereby bringing about the realization of my boyhood ambition to some day serve my Town as its Tree Warden.

To the following friends I hereby dedicate this report:

Miss Sarah E. Brassill, who for over forty-five years served in our School System as Director of Nature Study.

Mr. Joe Taylor (now deceased) who for many years served as a Director of the Weymouth Agricultural and Industrial Society and a beloved member of Weymouth Grange.

Louis H. Ells, Charter Master of Weymouth Grange, presently serving as Town Meeting member.

William B. Chalke, Jr., former Selectman of Weymouth, now serving as Town Meeting member.

To have served you for over two decades has been a trust which my Townspeople have bestowed upon me, and I have endeavored to hold it as such. It is only through the hosts of people who have placed their faith in me and my program that I have been able to carry on. If I have been successful, it is they who have enabled me to achieve it and to them I owe my grateful appreciation.

To my fellow workers and Department Heads in all of the Town services, it has been a great privilege to serve with you.

Sincerely yours,

V. LESLIE HEBERT

Tree Warden and Moth Supt.

**WEYMOUTH, MASSACHUSETTS**

**1957**

## REPORT OF THE BOARD OF WATER COMMISSIONERS

January 1, 1958

Honorable Board of Selectmen and  
Citizens of the Town of Weymouth:

The Water Commissioners continued in 1957 with the same officers as in 1956, viz: Mr. Stanley T. Torrey as Chairman and Mr. Harry I. Granger as Clerk. Mr. Granger was re-appointed as Treasurer and Collector and Mr. Dizer as accountant. Sydney C. Beane was re-appointed for his 18th year as Superintendent.

During the early part of 1957, the Department completed the Stand-pipe off Park Avenue, including 16" pipe line, roadway, power line, beacon light and fence, as well as completed construction of the addition to the Hollis Street Garage.

The past summer and fall season has been extremely dry, causing the pond level to drop to the lowest level on record — 7 feet 4½ inches below high water or below elevation 166.00. Because of the drought, excessive consumption due to lawn sprinkling had to be restricted.

The extreme drought of this past year has been considerable concern to this Board. The search for another emergency well site has been continued without success in spite of 106 test wells attempted. Also, advantage was taken of the exposed beaches to excavate fill to provide additional storage for water.

A conference was had with the Water Division of the Metropolitan District Commission to see if a connection to Weymouth was possible. It appears that a supply either in total or as a standby, is some years in the future.

With construction started on the South-east Expressway, the Water Board is still concerned with what effect this construction will have on the Main Street well.

With the low level of the pond approaching the limit of the suction of the pumps, emergency measures were taken to dike off a separate intake bay and to provide auxiliary pumps to lift the low pond level to the station level if and when necessary.

Respectfully submitted,

WEYMOUTH BOARD OF WATER COMMISSIONERS

Stanley T. Torrey, Chairman

Harry I. Granger, Clerk

John E. Horace

Clarence W. Taylor

Joseph Crehan

## REPORT OF THE SUPERINTENDENT

January 1, 1958

To the Weymouth Board of Water Commissioners:

Your Superintendent submits herewith his 19th annual report, which is the 74th annual report of the Water Department, for the year 1957.

The dry year has brought about several changes at the intake to the South Weymouth Pumping Station. During the low water, the intake bay was cleaned out, a dike constructed ready to close in a separate intake bay and the intake pipe extended 36 feet into the pond. To provide for any emergency, two — 1500 G.P.M. temporary pumps were set up within a temporary pump house for repumping from a low level pond.

The suction well of the gasoline driven emergency station was completely overhauled and the suction lowered.

A contract was given to Mulcahy Brothers of South Weymouth, to install pipe lines in streets accepted at March Town Meeting.

Due to various construction programs, such as drains, sewers, and new roads, several alterations were made in elevations of water mains.

In maintenance of works, the overhauling of wash valves at the Filter Plant was completed, and all pump motors were cleaned.

For new equipment, the Department acquired a backhoe attachment for the loader, a new Quick-Way backhoe, a meter-master, a 1½ ton Dodge truck, and two new typewriters for the office.

Test Wells were driven in various sections of the town during the year without any substantial results.

For personnel, Mr. Barry and Mr. Cope were added to our force, and Mrs. Welsh was changed from temporary to a permanent member of the office force.

8,800 feet of new mains were installed, as well as 196 new services.

It is recommended that the programs of reinforcing mains and of cleaning mains be continued in 1958. It is also recommended that the search for additional emergency water supply be continued.

Your Superintendent wishes to express his appreciation for the co-operation of each member of the Board of Water Commissioners during the year, and also for the help and cooperation of all other departments of the Town.

The following tables give details of its department's activities during the past year.

Respectfully submitted,

SYDNEY C. BEANE

Superintendent

## SUMMARY OF STATISTICS

Year Ending December 31, 1957

Weymouth Water Works, Weymouth, Mass.

Population 1955 Census: 42,747 on April 1st

Population 1957 Winter: 45,200 (est.) Summer: 45,700

Date of Construction: 1885

By Whom Owned: Town of Weymouth

Source of Supply: Weymouth Great Pond; Circuit Avenue, Gravel Packed Well; Main Street, Gravel Packed Well.

Mode of Supply: Pumping to filtration, thence to distribution by pumping to standpipes and by gravity flow. Also, emergency pumping direct from gravel packed wells to system.

Capacity of Reservoirs: 5,320,000 gallons

# 1957 REPORT OF THE TOWN ACCOUNTANT

## WATER DEPARTMENT

January 27, 1958

To the Board of Water Commissioners:

Gentlemen:

Herewith is submitted the fifty-sixth annual report of the Accounting Department for the year ending December 31, 1957.

WARREN F. ROULSTON

Acting Town Accountant

### WATER DEPARTMENT STATEMENT OF RECEIPTS AND PAYMENTS FOR THE YEAR ENDING DECEMBER 31, 1957

#### RECEIPTS

Water — Rates	\$335,761.81
Water — Liens	19,039.83
Water — New Services	16,595.61
Water — Private Work	17,236.25
South Weymouth Savings Bank — Interest	3,094.05
Weymouth Savings Bank — Interest	1,758.25
Treasury Bonds — Interest	1,125.00
Treasury Bills — interest	733.94
Refunds	100.95
Water Construction Deposits	18,906.32
Sale of Gravel	1,587.50
Total	415,939.51
Cash on hand January 1, 1957	324,009.11
Total	739,948.62
Less — Warrants paid in 1957	497,628.87
	242,319.75
Unclaimed Checks charged to cash	37.88
Cash on hand December 31, 1957	242,357.63

#### Analysis of Treasurer's Cash:

South Shore National Bank	\$59,441.88	
Less Outstanding Checks	14,775.01	\$44,666.87
Weymouth Savings Bank		55,422.61
South Weymouth Savings Bank		90,729.09
Second Bank-State Street Trust Co.		1,292.36
U. S. Treasury Bonds		50,021.70
Cash in Treasurer's Office		225.00
		\$242,357.63

# PAYMENTS

## Hollis St. Garage — Alterations & Additions

Other Expenses	\$14,525.61	
Transfers		\$14,525.61

## Water Mains — 1956:

Labor	\$ 998.54	
All Other	890.31	
Transfers — Equipment	2,731.04	
Stock	564.24	\$5,184.13

## Water Construction Loan — 1956 (Mains & Standpipe)

Labor	1,353.34	
All Other	78,953.74	
Transfers — Equipment	283.10	
Stock	833.05	81,423.23

## Minor Construction:

### New Meters:

Labor	\$470.48	
All Other	6,960.25	
Transfers — Equipment	118.60	
Stock	51.50	7,600.83

### Miscellaneous:

Labor	2,329.42	
All Other	9,253.86	
Transfers — Equipment	857.74	
Stock	2,982.32	15,423.34
		23,024.17

## New Services:

Labor	5,027.66	
All Other	870.30	
Transfers — Equipment	4,141.75	
Stock	8,170.98	18,210.69

## Maintenance and Operation

### Distribution:

Labor	61,313.99	
Engineering	901.97	
All Other	6,284.09	
Transfers — Equipment	8,833.97	
Stock	4,718.18	82,052.20

### Care of Meters

Labor	6,667.80	
All Other	3,531.81	
Transfers — Equipment	607.07	
Stock	117.55	10,924.23

Hollis Street Garage:			
Labor	1,788.98		
All Other	1,392.49		
Transfers — Equipment	131.12		
Stock	58.69	3,371.28	
Circuit Avenue Station:			
Labor	1,179.32		
All Other	2,184.60		
Transfers — Equipment	69.66		
Stock	6.08	3,439.66	
Filter Plant Operation:			
Labor	24,332.92		
Fuel	1,518.85		
Light	16,075.20		
Chemicals	15,528.68		
All Other	10,884.20		
Transfers — Equipment	1,061.71		
Stock	660.15	70,061.71	
Grounds and Buildings:			
Labor	4,503.76		
All Other	364.66		
Transfers — Equipment	398.88		
Stock	16.65	5,283.95	
Water Shed:			
Labor	1,062.55		
All Other	33.90		
Transfers — Equipment	104.48		
Stock	16.40	1,217.33	
Main Street Station:			
Labor	1,248.84		
All Other	3,213.07		
Transfers — Equipment	65.60		
Stock	7.25	4,534.76	180,885.12
Replacements:			
Labor		5,801.63	
All Other		153.90	
Transfers — Equipment		3,294.08	
Stock		4,527.57	13,777.12
Commercial Expenses:			
Salaries		31,309.75	
Stationery and Postage		4,066.53	
All Other		2,434.80	
Transfers — Equipment		87.00	
Stock		8.00	37,906.08

Salaries		1,050.00	
Interest		11,020.00	
Debt Retirement		50,000.00	
Purchase Land for Standpipe		375.00	
Back Hoe Attachment		3,795.00	
Purchase Land Hollis Street		158.56	
Purchase New Back Hoe		12,058.10	
Private Work:			
Labor	\$6,565.97		
Transfers — Equipment	2,903.81		
Stock	7,628.36	\$17,098.14	
Equipment Account:			
Labor	1,947.68		
All Other	12,091.20	14,038.88	
Stock Account:			
Labor	2,587.79		
All Other	46,808.25		
Transfers — Equipment	196.92		
Stock	11.21	49,604.17	
		\$534,134.06	

## STATEMENT OF APPROPRIATIONS AND EXPENDITURES

### Appropriation Accounts:

#### Balances from 1956 Accounts:

Filter Plant Improvements	\$11,492.10
Hollis Street Garage — Alterations & Additions	15,018.38
Water Mains — 1956	10,954.58
Water Loan of 1956	117,352.38
Purchase Land on Pond	2,375.77.
Purchase Back Hoe Attachment	2,800.00
Purchase Land for Standpipe	1,384.44
Equipment Account	15,143.89
Stock Account	20,244.52

#### Appropriations — March 4, 1957

From Revenue	356,147.00
From General Fund	97,500.00

#### Transfer Credits:

Equipment Account	22,990.09	
Stock Account	33,274.62	
Premium Account	186.67	
Refund — Deposit on Carboy	18.00	707,882.44

#### Expended:

Hollis Street Garage — Alterations & Additions	14,525.61
Water Mains — 1956	5,184.13
Water Construction Loan — 1956	81,423.23

Respectfully submitted,  
 HARRY I. GRANGER  
 Treasurer of Water Department

January 1, 1958

I have examined the Treasurer's and Collector's accounts in the Weymouth Water Department and believe them to be correct. Regular examination of all transactions, with a monthly verification of cash with the official statements of all depositories, satisfies me that the Treasurer has properly accounted for all funds entrusted to him.

Respectfully submitted  
 WARREN F. ROULSTON  
 Acting Town Accountant

## LIBRARY HOURS

- The Tufts Library. Washington Square, Weymouth Landing  
Open 9 A.M. to 8 P.M. daily. Saturdays 9 A.M. to 6 P.M.  
During the summer the Library is closed on Saturdays.
- The Children's Room, Commercial Street, Weymouth Landing  
Open 1:30 to 5:30 P.M. Saturdays, 9 A.M. to 5 P.M.  
During school vacations the Children's Room is open at 9 A.M. to 5:30 P.M. daily. Closed Saturdays, summer only.
- North Branch, 220 North Street, North Weymouth  
Open 2 to 6 and 7 to 8 P.M. daily except Saturday.  
Also open 9 A.M. to 12 noon Tuesdays and Fridays.
- East Branch, Jackson Square, East Weymouth  
Open 2 to 8 P.M. daily except Saturday.
- Lovell's Corner Station, Pratt School, East Weymouth  
Open 3 to 6 and 7 to 8 P.M. Tuesday.
- Nash's Corner Station, Shaw School, South Weymouth  
Open 3 to 6 and 7 to 8 P.M. Tuesday.
- Homestead Station, Homestead School, Weymouth  
Open 3 to 6 P.M. Wednesday.
- Pond Plain Station, Pond School, South Weymouth  
Open 3 to 6 and 7 to 8 P.M. Friday.
- Weymouth Heights Station, Adams School, Weymouth Heights  
Open 3 to 6 P.M. Thursday.

The Library and its branches are open for circulation of books, reference services and reading as noted above, except on Sundays and legal holidays.

## LIBRARY SERVICES

The Library is for the use of all residents of Weymouth. Temporary residents are entitled to the same privileges as permanent residents. Non-residents may borrow books upon payment of an annual fee of \$3.00

A Library card entitles the holder to borrow books, magazines, pamphlets and pictures for home use. Phonograph records may be borrowed at the Main Library only. The library card must be presented when books and records are borrowed.

The Children's Room at the Main Library and Children's Departments at the Branch Libraries provide books and reading guidance for the boys and girls. Children under Senior High School age are entitled to a card if the application is signed by a parent or guardian. Story hours for the younger children are held throughout the winter months:

Main Library: Grades 1-4, Thursday 2:30 and 3:30 P.M.

North Branch: Pre-School, Friday 10 A.M.; Grades 1-4 Friday 3:15 P.M.

East Branch: Grades 1-4, Friday 2:30 and 3:30 P.M.

Reference service is available at the Library or by telephone.

For the convenience of residents in the various parts of the Town there is a weekly exchange of books from all Branch Libraries. A Library card is valid at any Branch or at the Main Library.

Telephone:

The Tufts Library — EDgewater 7-1402

North Branch — EDgewater 7-1571

East Branch — EDgewater 7-1677

---

## Resolutions

In the passing of **Sandy Roulston** the Board of Trustees of the Tufts Library has lost a faithful member.

He was a Trustee from 1955 to 1957. His experience, good judgment and wise counsel proved valuable to the Board and he won the respect of all with whom he was brought in contact.

Mindful of his association and work in behalf of this organization, the Board of Trustees gratefully record its appreciation by adopting the following:

**Be is resolved** that the Trustees of Tufts Library express their high appreciation of **Sandy Roulston's** services and interest in whatever concerned the reading public and those matters that have promoted the welfare of this institution.

**Be it further resolved** that a copy of this resolution be spread upon the records of this organization and a copy sent to his family and included in the town report

---

## SEVENTY-NINTH ANNUAL REPORT OF THE TRUSTEES OF THE TUFTS LIBRARY

To the Citizens of the Town of Weymouth:

In making their annual report to the Town, the Trustees of Tufts Library wish, first of all, to express their thanks to Miss Christine Evarts for her long years of service to the Library. Miss Evarts retired on February 15 last, after twenty-five years as Town Librarian. Her able and conscientious work in the position will not be soon forgotten, and the North Weymouth Branch Library will remain a monument to her skill and knowledge of library needs.

To fill the vacancy caused by the resignation of Miss Evarts the Trustees interviewed a number of candidates from near and far. After due consideration they were happy to find the most likely candidate on their own staff, and the Assistant Town Librarian, Mrs. Eleanor Cooney, was promoted to fill the vacancy. Again, to fill the second vacancy, the Trustees found another member of the staff a likely candidate for the position of Assistant Town Librarian. Miss Alice Mulready was accordingly promoted to the second vacancy. To the best of their knowledge, the Trustees are glad to report that both candidates are doing good work.

The same problems confront the Tufts Library that were present last year and the years just before it. The two branch libraries at North and East Weymouth are increasing in circulation by leaps and bounds, and the Trustees hear very favorable comments regarding the work of the two Branch Librarians, Mrs. Osborn and Mrs. Thompson.

The main library building in Washington Square continues to be the biggest problem. It is an old building, erected in the early 1890's, built to house a small collection of books. In her annual report, the Librarian clearly states some of the problems occasioned by this outmoded and inadequate building. Moreover, the building is much out of repair and is constantly in need of emergency replacements. This year a chimney had to be rebuilt. Next year it will be some other unexpected repair job.

The Trustees are looking for some acceptable site for a new library building. They are open to suggestions and hope to have something to offer before the year is over.

The Trustees also wish to express their appreciation of the years of service on the Library Board of Mr. Sandy Roulston. As is well known Mr. Roulston died on the way home from a meeting of this Board. As Selectman ex-officio and as an elected Trustee, Mr. Roulston gave many long years of service to the Tufts Library. He was always an active member of the Board, and his counsel was always wise and helpful.

Respectfully submitted,

FRANKLIN N. PRATT

President of the Board of Trustees  
of the Tufts Library

## REPORT OF THE TOWN LIBRARIAN

To the Board of Trustees of the Tufts Library:

The year 1957 has seen continued growth in the Tufts Library. Circulation has risen 9% overall. We are increasing our number of active borrowers by at least a thousand each year. At present more than one-third of the town's population hold library cards. Not only are more books being borrowed, but the use of our reference service is increasing.

All this activity has its center in an outmoded, inefficient building built sixty-seven years ago. Our services to adults are hampered by our crowded quarters at the Main Library. The extra pressure which an enlarged high school student body exerts and the increasing use of the library by this group put demands on our services which we should be better equipped to meet. We need more space for study and for browsing in the library for all our adult groups — the commuting student, the young parents, the adults who are trying to keep up with changing vocational situations by further study, and the group of retired people in the community who want to spend their leisure in a constructive way.

All the books which the library distributes throughout the town must first be processed in the cramped working space at the Main Library. However widespread our distribution points through branches and station libraries, the Main Library is still the source and reservoir from which these smaller libraries must draw. By storing infrequently used material in the attic we have been able to make a little more shelf space available at the Main Library, but we are reaching the limit of possibilities.

Last spring we conducted a survey of our borrowers, asking them for suggestions regarding their public library and its services. One frequent request was for more technical books, and many definite needs were cited. We thank those who gave our survey their thoughtful attention. The Library will endeavor to fill the needs expressed by its users.

The work with children continues to grow. Last June Miss Trussell, the Children's Librarian, awarded reading certificates to 1,020 children who had read twenty or more books and made reports on them. More than 10,000 books were loaned to schools in classroom collections. On the average each book was read by at least five pupils. The close cooperation of the school department in this reading program helps to make it successful. During the winter months the story hours held weekly in the Children's Room and at the North and East Branch libraries are well attended. Our growing business at the station libraries is largely with children.

The library should be a door opening on new horizons — we try to make it so for the individual reader through a wide and well-balanced stock of books. A number of library users have found new doors to knowledge through the discussions in the Great Books Groups — three are now meeting regularly — two at the Main Library and one at North Weymouth. The continuing interest in this program is remarkable.

The library is grateful for the gifts of books received during the year; the donors are listed in an appendix to this report. Several individuals have presented books in memory of friends. The North Branch Library has again enjoyed the flowers planted by the Weymouth Garden Club.

In spite of shortages in library personnel we were able to fill staff vacancies last spring and have enjoyed the benefits of a complete staff

since May 1st. Mrs. Edith T. Sanborn was appointed Young People's Librarian; Mrs. Caroline Harris, Senior Assistant; and Mrs. Arlene Cole, Assistant Children's Librarian. When Miss Christine E. Evarts retired on February 15th, I became Town Librarian, a task made easier by her years of wise and skilful administration. Miss Alice T. Mulready was appointed Assistant Town Librarian at this time. I am grateful to all the members of the library staff for their loyalty and enthusiasm, and to the Board of Trustees for their helpfulness and support during this year.

Respectfully submitted,

ELEANOR T. COONEY

Town Librarian

### GIFTS OF BOOKS TO THE TUFTS LIBRARY — 1957

The Trustees acknowledge gratefully gifts of books from the following persons:

Mrs. Wilfred Beedy, Mr. H. F. Bell, Mrs. Ruth Bruce, Mrs. Elizabeth Cain, Mrs. Sidney Cook, Mrs. K. Camille Den Dooven, Mrs. Alice M. Desmond, Mr. and Mrs. Donald Drake, Mr. and Mrs. W. L. Draper, Mr. Francis Drown, Mr. G. S. Eddy, Mr. L. B. Elwood, Mrs. Charles T. Flynn, Mrs. Beatrice Germain, Mr. John G. Giorgio, Miss Lynn Hamilton, Mrs. Jim O. Hill, Mr. Herbert B. Hollis, Mr. John J. Jenkins, Mrs. Harry Johnson, Mr. F. W. Lewis, Mr. Clifton C. Loveless, Mrs. Virginia S. Lowry, Mr. Peter Luona, Mrs. Harry McCusker, Mrs. Dorothy MacDonald, Mrs. Dorothy MacMillan, Mr. S. V. Mitchell, Mr. Walter Patterson, Mrs. Edward Pottle, Miss Mary Pottle, Mrs. Mildred Pratt, Mrs. Raymond Scott, Mr. and Mrs. James Shaw, Mr. Roger Snowman, Mr. Everett Tisdale, Miss Helen Varnum, Mr. M. H. Woolf, Mr. James Eugene Young.

Friends or relatives gave books in memory of the following people during 1957:

Mrs. Frances Wallster, Mrs. Hattie G. Patterson, Mr. George S. Wardwell, Lt. (j.g.) Randolph Clay Hanback, Mr. William Henley, Mr. Frederick Holbrook, Mrs. Alice H. Taylor, Mrs. Alice Lebbossiere, Mrs. Mary Shaw Attwood.

The Trustees also wish to take this opportunity to thank other public libraries and the various government departments for their publications, and the following organizations:

American Iron and Steel Institute  
Association of Roller and Silent Chain Manufacturers  
Diamond Match Co.  
Harper & Brothers, Inc.  
Hill & Knowlton, Inc.  
Houston Endowment, Inc.  
Institute of Life Insurance  
Inter-University Labor Education Committee  
National Board of Fire Underwriters  
New England News Company  
Owa Sa Ha Campfire Girls  
Public Affairs Committee  
Rhines Lumber Co.  
Self-Realization Fellowship  
Smithsonian Institution

## ENGINEERING REPORT ON DRAINS

January 16, 1958

Honorable Board of Selectmen  
Town of Weymouth  
Massachusetts

Gentlemen:

In accordance with the vote on Article 24 of the Annual Town Meeting of 1955, that the sum of \$30,000.00 be raised and appropriated for the preparation of a detailed engineering report, which would include plans and profiles of all existing and recommended main drains with estimates of cost; also recommended that the Moderator appoint a committee of five to obtain said report, the contract of \$30,000.00 for a detailed engineering report was completed by Metcalf and Eddy on March 15, 1957 and contains 231 pages and 51 charts.

The suggested construction program is set up in districts with suggested priority and estimated costs; but does not include the Smelt Brook drainage system which was completed earlier in a separate report.

The articles requesting monies for the Smelt Brook drainage system received no support from the town meetings in Braintree and Weymouth in 1957. In May of 1957, the Weymouth Drainage Committee and the Braintree Flood Control Committee made joint application to the federal government for funds to correct the drainage in Weymouth Landing.

On December 6, 1957, a communication was received from Stanley W. Dziuban, Colonel, Corps of Engineers, United States Army, in which he stated he had placed the Montiquot and Smelt Brook problems on the list of Public Law 685, better known as the Bush-McCormack Act, to be looked into by their engineers.

We wish to extend our thanks to Representatives Hollis and Thompson for their support on the applications for federal assistance on the Smelt Brook program.

The Committee feels that the attached suggested program as outlined by Metcalf and Eddy should be followed in appropriating monies for future drainage works.

Respectfully submitted,  
ANDREW A. CHISHOLM, Chairman  
EDGAR F. WALKER, Secretary  
LAURIE J. ESTERBROOK  
ARTHUR H. MOSHER  
DANIEL J. SLATTERY

# REPORT OF THE WEYMOUTH CONTRIBUTORY RETIREMENT SYSTEM

To the Honorable Board of Selectmen and  
The Citizens of Weymouth

The Weymouth Retirement Board, in accordance with the provisions of Section 20, 4 (b), Chapter 32, General Laws (Ter. Ed.), as amended has carried out the duties entrusted to them for the Contributory Retirement System of the Town of Weymouth.

There have been several new enrollments and six retirements during the year. One of the retirements, Mr. Emrson R. Dizer, had been a member of the retirement board since the system was started in 1937. His vast knowledge of the system will be greatly missed, not only by the members of the board, but also by the membership of the entire system. We all wish him a happy retirement after forty-five years of service with the Town of Weymouth.

Office Hours: 8:30 a.m. to 4:30 p.m. on all school days; 9 a.m. to 12:00 noon and 1:00 p.m. to 4:00 p.m. every weekday except Saturday, when schools are not in session; at other times by appointment.

## **SCHOOL CALENDAR 1957-1958**

First Term: Opens September 4 — Closes November 8

Second Term: Open November 12 — Closes January 24

Third Term: Opens January 27 — Closes April 3

Fourth Term: Opens April 7 — Closes June 19 (noon)

Holidays: October 25th for meeting of Norfolk County Teachers' Association, Veterans' Day, Thanksgiving Day and day following, Good Friday, Memorial Day

Vacations: Christmas — December 20 (noon) to January 2; Winter — February 21 to March 3; Spring — April 18 to April 28

Opening Day for 1958-1959: September 3, 1958

### **"NO SCHOOL" SIGNALS**

All "No School" signals are sounded on fire alarm box 222 (three rounds), and are interpreted according to the following schedule:

7:15 a.m. No school all day All schools

7:45 a.m. No school all day Elementary Schools, Grades I to VI only

11:30 a.m. No afternoon session Elementary Schools, Grades I to VI only

NOTE: Educable Classes are considered elementary.

In addition to the fire alarm signal, announcement will be made over Radio Stations WJDA, WNAC and WBZ. Parents and pupils are urged to listen for the fire alarm and radio announcements and to refrain from telephoning the broadcasting stations and school officials, as telephone lines should be kept free for necessary calls.

### **GENERAL ANNOUNCEMENTS**

#### **Meetings of the Committee**

Regular meetings of the School Committee are held on the first and third Tuesday of each month (except August) at the Administration Building at 8:00 p.m. Meetings on the third Tuesday are open to the press.

#### **Entrance Age**

No child will be admitted to school in September unless he or she has reached the age of five years on or before the first day of April preceding.

A birth certificate is required for entrance to the first grade.

Children entering Grade I for the first time will be admitted only during the first two weeks of school.

#### **Vaccination**

No child shall be allowed to enter the first grade without a certificate of successful vaccination.

#### **Employment Certificates**

Employment certificates, educational certificates, and newsboys' badges are issued at the office of the Superintendent of Schools in the Administration Building from 8:30 a.m. to 4:30 p.m. every weekday, except Saturday.

All persons must make personal application and present a birth certificate.

## REPORT OF THE SCHOOL COMMITTEE

To the Citizens of Weymouth:

The most significant achievement this year was to resolve the high school problem which had been studied, restudied and discussed for a year and a half. At the Special Town Meeting held November 18, it was voted to acquire two plots of land, one in East Weymouth and one in South Weymouth, as future high school sites. A Building Committee has been appointed and it has started work on planning a new high school on the Cowing property in East Weymouth. The time and deliberation spent on this problem was well worth while. We wish also to acknowledge the High School Cost Study Group who worked diligently and submitted their report at the November 18 Town Meeting.

The School Committee has been striving for years to establish in the minds of people that the question of teachers' salaries must be considered separately from other school department employees and other Town employees. We believe that this has finally been achieved. Teachers are a professional group and in this period of short supply it has been necessary to increase their salaries more than for other employees.

The present School Committee faced the teachers' salary problem in Weymouth in forthright fashion this fall and adopted a schedule from \$3,750 to \$5,700. However, this realistic adoption did not put Weymouth in the position of precursor in the field of favorable salaries, but rather will only enable us to keep abreast of the scale offered in neighboring communities. Weymouth teachers are doing an excellent job and morale is high.

Another goal which we have tried to accomplish is to emphasize the difference between the school operating budget and the capital outlay appropriations for the construction of school buildings. The latter is a citizen group function performed by Building Committees with the counsel of the school administrators.

Our elementary building needs are virtually at an end and will terminate with the building of the Green Street School.

In the next six years, the high school housing problem will be the final link in a school construction program second to no other community in the Commonwealth. We believe future generations will be grateful to our citizens for providing good school facilities for our community.

Weymouth faced up to its school problems early, and the town-wide support and cooperation made it possible to build in sequence according to the needs of the various sections of the Town. Many of our neighboring communities, unwilling to meet their problems head on, will feel the impact more in higher future building costs.

This report is a valedictory for your Chairman, William F. Shields, who is retiring from the School Committee after twenty-three years' service, with a deep feeling of appreciation for the citizens' committee associates, administration, and all school personnel. Weymouth schools are in good hands.

Following is a report of the 1958 operational budget together with the expenditures for 1957.

Account Classification	Expenditures 1957	Estimates 1958
<b>ADMINISTRATION</b>		
Superintendent	\$11,666.67	\$12,333.00

## REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Members of the School Committee:

I respectfully submit my thirteenth report as Superintendent of Schools, the seventy-second report since the office was established.

Excerpts from the reports of directors, supervisors, and special teachers follow:

### 1. ART

From January to June 1957 our department operated with the same highly efficient staff as in the previous year, and much fine work was done all along the line. However, in June our two young married junior high art teachers, Mrs. Shirley Freeman and Mrs. Jean O'Malley, left teaching for domestic pursuits. We were sorry to have them go. Miss Vera Freeman was granted sabbatical leave starting September 1957 to study at Rhode Island School of Design. She reports great interest in all her work as she progresses towards a degree of Master of Art Education.

The resulting vacancies caused by the resignations and leave have been filled with able, successful teachers as follows:

Bicknell Junior High, Mr. Brian Doherty, graduate, Massachusetts School of Art

Central Junior High, Mr. John J. Mulcahy, graduate in Art Education, Boston University

Substituting for Miss Freeman, Mrs. Dorothy Barron, graduate, Massachusetts School of Art

The year in review had many high spots which are briefly listed below:

Voluntary workshops in special art techniques were held by Miss Ray, Miss Freeman and Mrs. Dolan for the teachers in their respective schools. The groups met in the general art workshop in the Central Junior High School building. Much interest was shown in this project, and those wishing special help were pleased to have it provided in this way.

The South Junior High has had constant exhibits of excellent work of the art classes on display in the school lobby. Mr. Dolan has added to the interest by having two exchange exhibitions of the art work of Japanese pupils of the Seibu Junior High School in Zentuji City, Japan. This has resulted in a friendly correspondence of mutual benefit to all.

Selected drawings and paintings from grades seven through eleven were submitted to the Scholastic Art Awards Exhibit as in past years. Of these, seven students were given the coveted "Key" awards and two junior high students, Jane Snow (Bicknell grade 7) and Michael D'Acci (South Junior grade 8) each received \$25.00 awards when their "Key" paintings were judged in the national show in Pittsburg, Pennsylvania.

In the spring our department assembled and hung an exhibit of children's art work representing all grade levels to show the child's year by year development of skills and his increase in knowledge and pictorial vocabulary as he grows in experience. This was shown in the South Weymouth banks in cooperation with the Arts Festival sponsored by the Old Colony and P.M. Clubs of South Weymouth. This exhibit and the numerous

talks given by the head of the art department to the P.T.A. groups in 1957 has, and still is, causing interested comment. It has developed a better understanding of what the aims are of public school art education today, and something about how those aims are achieved.

All of the art staff are members of one or more professional art teachers' organizations and often take part in conventions and meetings.

A group of six high school students were selected to attend the Saturday classes at Massachusetts School of Art this fall and all are reporting much interest and benefit from the course.

Many extra activities always fill the after school hours, including evenings and often week ends. A partial list is given here: scenery for shows of all kinds; decorations for dances and parties; collaboration with many academic teachers in developing joint projects; yearbook and other publications at senior and junior high levels and all the art work involved. Several of our staff helped assemble and erect the display of classroom work covering all phases of the curriculum from grade I through grade XII for the Rotary Club Trade and Hobby Show at Thanksgiving time.

Next year, with the larger enrollments, we will be reaching again a point which will require another addition to our staff. The high school in particular will have a heavier art schedule and the general administrative load is ever increasing. The head of the department has a schedule of twenty-two art periods a week in high school this year, and only a little over a day a week of unscheduled time for visiting, checking, preparation for staff meetings and the vast amount of detail concerned with art supplies for the schools of the town. Mrs. Dolan has taught the high school classes on Mondays and three classes on Fridays, but next year her grade schedule will increase by several classes which could infringe upon her time now used to relieve the head of the department in the high school program.

## 2. MUSIC

The vocal program under the supervision of Mrs. Marion Carpenter, Mrs. Mary Mulligan and John Lyons is continuing to show improvement and progress. The introduction of supplementary recordings is a help to the teacher who is weak in vocal music. However, it does not fill the gap for those who have little or no background. The same is true of the reed organs, which are now being used. Stress is being placed on the class to first learn the song by the reading approach, and to use the recording and organs or piano to supplement the material already learned. This will tend to give the student a basic knowledge of reading, listening, blending, and coordination which is so very much needed.

Programs were given in all elementary schools on days preceding the national holidays and for Christmas and Thanksgiving. Some of these programs were prepared for the entire school with parents being invited and some were taken to the P.T.A.s so that all interested parents could attend.

The junior high program is much more comprehensive. The same type of class program is used for general singing along with appreciation and work books. The Glee Clubs are in addition and usually meet at noon time. At Central last year, due to Mrs. Pierce's illness, little work was done in this area. However, this fall term much larger choruses were organized and they presented a Christmas program with grades 7, 8, and 9 being represented by their individual chorus groups.

South Junior and Bicknell carry on much the same type of program. Bicknell produced a Christmas pageant and presented Gilbert and Sullivan's H.M.S. Pinafore, which was well received. South Junior also had a Christmas program and gave a large performance in the spring. Both South and Bicknell attended the Southeastern State Music Festival, which was held in Weymouth, and did very good work. All three junior highs are very cooperative and give generously to outside groups, such as P.T.A., service clubs, and for groups of an educational nature. The choruses of all three junior highs are used extensively for assemblies. Small groups are used for the prayer response at each assembly in some, and, in general, they contribute greatly to the entire junior high program.

The elementary instrumental program is showing a rapid growth. Last June the program ended with some 150 new students. At the present time there are 217 enrolled and indications are that a high percentage will continue. The 70-piece elementary band under the direction of Mr. Paul Warren met once a week at the high school for several months and gave a concert at the June festival. This group also gave concerts at the large elementary schools and is, in some degree, responsible for the higher enrollment of beginning students this year. In addition to the above, ensembles were organized at the Hunt, Academy Avenue, Humphrey, Pond, Nevin and Pratt Schools. It is hoped that time will be available to extend this type of program to other elementary schools. Elementary instrumental instruction is being shared by Mr. Warren, Mr. Haapoja, Miss Jaffe, and Mr. Jack.

The string program of beginning and advanced students has reached such a point that we are planning to organize an elementary town-wide orchestra to rehearse once a week, the same as the elementary band. Possibly we can use the same transportation that we will use for band and have both rehearse at the same time. There is a great need for more time for the ensemble groups at the elementary level, which at the present time is not available.

The junior high instrumental program is beginning to be felt throughout the entire system. Central is leading in size but both South and Bicknell are increasing. The Central band of over 60 members this year is a gain over last year. They have played for all assemblies and numerous outside functions including National Education week and a joint banquet of the Kiwanis and Rotary Clubs. The band also presented an assembly concert. South Junior has a band of 25 members and an orchestra of 23. They alternate each week so that each plays the same number of assemblies for the year. There are new instrumentalists being prepared this year who should join the group early next year. The orchestra gave a spring concert last May and was well received. The Bicknell band has a total of 25 members and the orchestra 23. There is an ensemble of 15 beginning students which when added will make the largest group we have had in Bicknell. The entire staff is working with the lower grades in Johnson, Washington, and Jefferson, and the interest is increasing. Membership at the Bicknell should increase yearly from now on.

The three junior high schools were combined for a town-wide band and played for the spring program in June. We also took this group to the three junior highs for a special assembly, having Miss Jaffe, Mr. Haapoja, and Mr. Warren each conduct certain numbers. This program was very well received and the principals have suggested that they have similar assemblies each year. All three junior highs attended the State Festival and received excellent ratings. It is hoped that they will be able to attend

the festival again this coming year. It is being held in Quincy. Our entire junior high program is well rounded, with an orchestra and band in each, and also the level of performance is being lifted each year to the point where the high school groups are able to start the new year with well-seasoned players and a much better approach to their year's work. This must naturally lead to a much finer performance from the high school groups.

The high school band and orchestra and chorus have contributed to the assemblies and programs of the high school. The orchestra played in the two annual concerts, played for the senior play and attended the State Festival. The chorus also performed at the two concerts, a special assembly, a Christmas assembly, and the State Festival. The band played for the same type of programs, festival and graduation. Mr. Warren was assigned as director of the band in September. He has an enrollment of 55 members. The band provided half-time shows at all home and away football games and was well received. They appeared at the Veteran's Day Parade and the Kiwanis Club's skating show.

There have been some 24 students enrolled, all of whom tried out for the State and New England Concert Festival to be held in March. These students pay a small part of the registration fee and the Parents' Group pays the remainder and also furnishes the students, transportation. The Parents' Group, with the proceeds derived from the football concession and other functions, have contributed much to the high school music program. For the youngsters attending the festivals, they gave over \$200.00 in registration fees. A special bus for State Festival cost \$40.00. They hired busses and furnished the tickets for all members to attend a "Pops" concert in Boston, which cost \$275.00, and gave a party for the music students after the High School Concert. They have done all things possible to help the growth of the music program.

The School Committee last June authorized the use of school buildings for a summer music school. Daily classes were held with over 40 students attending for six weeks. A demonstration concert was given on the final day, with most of the parents and many interested friends in attendance. This program gave approximately one full year's advancement to those enrolled. It is planned, at this writing, to continue the program this coming summer and to enlarge it to include more of our regular staff as instructors. Another important factor in the growth and advancement of the instrumental program is the advanced lessons given by competent teachers with instruction now available to all students. The number of students enrolled is large and their progress is quite gratifying.

### 3. PHYSICAL EDUCATION

A report on the activities conducted and a curriculum report have not been submitted since the complete changeover to the 6-3-3 system. I believe a detailed account of these activities is appropriate at this time.

In the development of the program, particular stress has been placed upon the recommendations of the New England School Development Council and the American Association for Health, Physical Education, and Recreation.

## **Elementary Class Program**

Each elementary class at present has two class periods weekly. On alternate weeks, a physical education supervisor visits each class and assists the classroom teachers in planning their program, giving them techniques of teaching physical education and occasionally taking over the class to show how teaching may best be accomplished. The classroom teacher is present during all physical education classes, even when the supervisor is handling the class. This helps to insure continuity in the program.

### **A. Activities**

1. Running, tag and relay activities
2. Ball activities (Fundamental skills, simple ball games, sports skills, lead up games, and games)
3. Rhythmic activities (basic rhythms, song games, folk dance, square dance, social dance)
4. Stunts, tumbling, apparatus
5. Individual and dual activities
6. Body mechanics—conditioning exercises

### **B. Program Planning**

1. Lower grades 1-4
  - a. Activities varied from day to day
  - b. Special days observed
  - c. Integrated with academic subjects units (farm, circus)
2. Upper grades 5-6
  - a. Activities varied from day to day
  - b. Seasonal activities observed
  - c. Sexes separated for certain activities while combining others
  - d. Integrated with academic subject units

## **After School Program — Grades 5-6**

This program is set up to provide an athletic program for the boys each season and a varied activity program for the girls during the winter season. The objectives of the boys' program are as follows:

1. Each boy will be assured of participating and be able to gain a sense of belonging through competition in wholesome activity without threat to his status with his group.
2. Size or natural ability are not to be considered factors.
3. Team play, sportsmanship and competitiveness under relaxed conditions rather than the atmosphere created in selective, league-type competition is the aim.

As a result of a survey taken this past year, the number of boys participating increased over 1956. A total of 346 boys participated in touch football, 302 in basketball and 338 in baseball. Male members of the school faculty serve as coaches, and as a result of their interest and adherence to the ultimate aim, this program is expanding each year.

The facilities are excellent, and every boy has an opportunity to participate. The program is sound and provides normal development in athletics.

The girls' winter program provides varied activities including group games, volley ball, basketball, dancing, rope climbing and tumbling. It is my recommendation that this program be extended to include a spring program for girls.

**Secondary School Class Program**

SEASON	BASIC ACTIVITIES		OPTIONAL ACTIVITIES
A. Fall	Boys	Girls	
	Organization	Organization	Archery
	Touch Football	Field Hockey	Badminton
	Soccer	Soccer	Tennis
B. Winter	Speedball	Speedball	Table Tennis
	Basketball	Basketball	Badminton
	Tumbling	Tumbling	Bowling
	Apparatus	Apparatus	Rope Skipping
	Volley Ball	Volley Ball	Skating
	Wrestling	Badminton	Table Tennis
	Group Games	Dancing	
		Social	
		Square	
		Folk	
		Modern	
C. Spring	Track and Field	Softball	Table Tennis
	Softball	Tennis	
		Horseshoes	
		Archery	
All Seasons			
Body Mechanics			
Conditioning Exercises			
Correctives			
Testing for physical fitness			

This class program in grades 7-8-9 is conducted on a compulsory basis two periods per week. In grades 10-11-12 it is optional in certain courses. The program in the high school does not include physical education for the Vocational School. The shower facilities for the girls in the high school are entirely inadequate. A total of eight showers for large classes means that they are optional. This is not a good situation. I recommend that, if there is to be a renovation program in the present school, this inadequacy be corrected.

**Secondary School After Class Program**

This program is carried on three times weekly each season for boys and girls in the junior high schools and the girls in the high school and is well attended. However, there is no program as such in the high school for boys. The program is necessary to provide an opportunity for the less adept and those too young to compete in an interscholastic program. I believe the introduction of this program for boys in the high school is necessary.

## Junior High School Interscholastic Athletic Program

The boys' program is one of the most sound in the state. We now have football, basketball, baseball, and track teams competing. There has been increasing interest each year. From my past experience in communities having more than one junior high school, there can be difficulty in an athletic program arising from sectional feeling and a subsequent longer period of adjustment in later grades. With the approval of our present regulations by the school committee and the adherence of the coaches to these regulations as well as the objectives set up by this department, the program is very successful.

This past fall we concluded the season by selecting nine football players from each of the three teams on the basis of the recommendations of the principals, coaches, and teachers. Attitude during the season was the primary reason for selection. The three coaches handled the boys in a game against an outside junior high school team. It is not necessary to point out the benefits derived from such a game. This type of game will be carried on in other sports when possible.

### 4. GUIDANCE

The chief purpose of the Weymouth school guidance program and the major part of each guidance counselor's task is to work with students in order to enable them to make adequate solutions in regard to learning difficulties, personal problems, and educational and vocational choices. Many of these problems and difficulties arise at each successive age level as the individual attempts to cope with the requirements and restrictions of an ever-changing environment. For example, in elementary school years, personal-emotional problems are more frequent, with social problems present to a significant degree. In junior high school years educational and vocational problems begin to appear and in high school years they become more significant. Thus, the Weymouth guidance program is made flexible enough not only to account for differences between age groups, but also to meet the needs of students within these age groups.

A summary of guidance work during the past year is as follows:

1. Gathering Information — It is important for guidance personnel to have as much information as possible from sources outside the school system as well as from within the school system. Thus, two government and three private monthly services provide information about job requirements, trends in employment, career opportunities, and school and college information, including entrance requirements, programs of study, scholarship opportunities, evening and part-time courses, fees and expenses. At the same time, information from within the system is contained in the school cumulative records, the guidance inventory record, and all supplementary records.

2. Administering Tests — The guidance testing program is designed to measure the interest, aptitudes, and achievement of pupils. The program is so organized that all group tests are given in grades 7, 8, and 9 in order to provide data useful in junior high counseling and in the selection of high school courses and subjects. Individual tests are given in grades 10, 11, and 12 to high school students whenever necessary. Most important to students in the high school years are the Differential Aptitude Tests given in grade 9, which are particularly helpful in determining the number of tasks an individual can perform well. These tests are most valuable in educational counseling.

3. Counseling — In addition to the part-time counselors in grades 7, there are four full-time guidance specialists in the junior high schools. In the high school there are two half-time counselors and the assistant director.

The junior high guidance offices have been most satisfactory, but the high school office prior to this year has not met all the requirements, particularly in regard to conference privacy. Therefore, it is with a great deal of pleasure that we point to the new guidance office in the high school located in the area formerly occupied by the principal. This new office, including a reception room and guidance library, truly meets all the requirements of a good guidance office.

During the past year, there was a total of 3,980 conferences and interviews held in the high school guidance office. This total included 1,600 scheduled conferences, for which the students were requested to come, and 1,943 voluntary conferences. The total voluntary conferences included each visit made by a student to the guidance office. Students often make more than one visit during the year. Also, during the past year, there were 208 visits of parents to this office, and 229 other conferences involving veterans, graduates, employers and others. In fact, the number of interviews and conferences has become so large that it will be necessary to request additional counselor time for another year. In this connection, it should be pointed out that the present ratio of students to counselors does not meet the recommended standard.

4. Placement and Follow-up Work — It is a pleasure to announce that the number of students going on to further education in the class of 1957 is 147 or 44%. This is the highest per cent of educational placement made by any class during the past ten years, a fact which is all the more remarkable in view of the college enrollment pressures of the past months and the difficulties in obtaining admission to many colleges and universities. Usually the figure varies between 32% and 39%. At the same time the job placement figure continued as in past year, namely, about 50% of the class.

5. College Admissions — Success in college admissions in any one year should not become an excuse for relaxation in the matter of college preparation. As one school publication states, "There is little likelihood that colleges will be able, during the next few years, to increase their facilities rapidly enough to keep up with the demand resulting from the steadily increasing numbers of high school students with college ambitions . . . some well-qualified students will be denied admission because there are still better-qualified applicants." Therefore, worthy high school students should make a selection of several colleges and universities and apply to each one—furthermore, these students should be ready to accept admission to any one of the colleges selected. In this connection, it should be noted that many colleges in other parts of the country will provide as good an education as that obtainable in this locality.

Finally, since the competition for college admission is great, the importance of early planning should be stressed again and again. An attempt should be made as early as the ninth grade to determine realistically and within reasonable limits whether or not the student has the scholastic ability to succeed in college—in fact, planning should begin in grade 9 and continue with the help of the guidance counselors throughout the three high school years. Since colleges require a transcript of school work in grades 9 through 12, it is necessary to obtain good performance in each

of these four years in order to open the way both to college admission and financial aid. Less than good performance in college preparatory subjects in grades 9 through 12 will definitely limit opportunities and may make it impossible for students to obtain admission. In addition to a good record, students should have a high rank in the graduating class and above-average scores on the College Board tests. Students should take the College Board Scholastic Aptitude examination in the junior year and plan to have all applications filed for college admission before the Christmas vacation of the senior year.

6. Guidance events and activities during 1957 include the following:

1. Selection of Weymouth High school as a center for College Board examinations
2. The Massachusetts Institute of Technology Guidance Conference —Weymouth High was one of fourteen schools in Massachusetts invited. Guidance Directors of ninety-four high schools and preparatory schools from thirty-two states, the District of Columbia, and Canada took part in this conference.
3. Participation of the director in the American Personnel and Guidance Convention, Detroit, as a counselor for the Placement Center, as a member of the committee for the study of local guidance organizations, and as an associate editor of the "School Counselor," journal of the American School Counselor Association.
4. Participation of the assistant director as a member of the panel at the biennial conference of Massachusetts Deans, Secondary School Principals and College Directors of Admission — Subject of the panel: "The Role of the College Entrance Examination Board in the Transition from School to College"
5. Speaking assignments of the members of the department on various panels and conferences arranged by the Parent-teacher Associations, junior high schools, church groups, Future Teachers' Club, and Future Nurses' Club
6. Participation of the director in the Scituate High School Evaluation Program conducted under the regulations of the New England Association of Colleges and Secondary Schools
7. Registration of students for the College Board Examinations held in January, February, March, May, and December; Registration of students for the General Motors Scholarship Examination and the Naval Reserve Officers Training Corps Examination
8. Administration of the Merit Scholarship Examination and the Betty Crocker Homemaker Examination
9. During the year, the director served on the following boards and organizations:

Board of Trustees of the Greater Boston Chapter of the American Personnel and Guidance Association

Board of Directors of the New England Conference of the American Personnel and Guidance Association at Hartford

Executive Committee of the South Shore Mental Health Association

Member of the Child Welfare Committee of the Massachusetts Teachers' Association

Extension Course Teaching Staff at the State Teachers' Colleges  
at Boston and Bridgewater

Board of Consultants in Guidance and Placement, Massachusetts  
Department of Education

Educational Standards Committee, College Courses, Incorporated,  
Quincy, Massachusetts

## 5. ADJUSTMENT COUNSELOR

This is respectfully submitted as the first report of the Adjustment Counselor.

Unsatisfactory school adjustment has been found in the background of the majority of adjudged delinquents. Since the school has close and continued contact with all the children of the community, it must be alert to the tremendous opportunity it has for preventing maladjustment and for diagnosing the causes for maladjustment in those cases where children are experiencing difficulty.

In every school there are children with problems—social and emotional problems that interfere with school success and with personal life. If these young people receive no help now, they may become the unhappy and ineffective adults of the future.

The attention of the adjustment counselor has been focused on the elementary schools, Grades I-VI. It is possible to detect delinquent behavior in children at early age. Aberrant behavior begins in the primary grades. In a study done by the Gluecks, it was found that the "onset of persistent misbehavior tendencies was at the early age of seven years or younger among 48 per cent of our delinquents, and from eight to ten years in another additional 39 per cent."

Children show signs of anti-social behavior long before they reach the stage of getting into trouble with the authorities. Most teachers are aware of the telltale signs of deviate behavior and are able to identify a number of potential offenders.

No two problems that come to the attention of the adjustment counselor are identical but children with deviating behavior patterns may be grouped as follows:

1. The child who is exceptionally aggressive or destructive, who is defiant and quarrelsome, who disrupts the class and is difficult to manage, who defies authorities
2. The child who is withdrawn, who daydreams a great deal, who finds it difficult and uncomfortable to participate in group activities, who is extremely shy and timid
3. The child who is overanxious, who is most apprehensive, tense, dejected, and more unhappy than most children
4. The child who is uninterested, indifferent, and apparently lazy, who needs constant prodding, who is a school failure for no apparent reason
5. The child who achieves much less in school than his ability indicates
6. The child who is extremely nervous, who exhibits excessive nervous mannerisms such as nail biting, muscle twitching, hair twisting, thumb sucking, constant moving of hands and feet

7. The child who is truant from school or who is absent frequently, who dislikes school intensely

When a child is referred to the adjustment counselor, the counselor confers with the principal, teacher, school nurse, and the child. There is gathered together all the information available on the individual youngster—the health record, attendance record, testing data, report card marks, anecdotal record, comments made by other teachers who have had contact with the child, and a report of parent-teacher interviews.

A comprehensive picture of the child is needed before any advice or help can be offered.

The child is given an individual psychometric test, either the revised edition of the Stanford Binet or the Wechsler Bellevue. During the test situation the counselor has an opportunity to observe the child closely.

A home visit is usually the next step to be taken by the counselor to determine how the parents feel about the problem and to discuss the type of help that seems advisable. An understanding of the child's home and family background is essential. The school needs the steady support of the parents in order to help the child.

To date, forty such homes have been visited—some homes once, others two or three times.

The information gathered from school and home is organized and interpreted in order to make a diagnosis and plan for a program of treatment. To help in the interpretation of the data and to suggest methods for dealing with the problem, the school has available the services of Saul Cooper, a clinical psychologist of the South Shore Child Guidance Clinic. Mr. Cooper comes into the schools on a weekly schedule to confer with the teachers and principals concerning pupil problems. Mr. Cooper, the principal, the teacher, and the counselor discuss the problem of the individual child and cooperatively evolve a plan for dealing with the problem.

While the method of treatment is in progress there is follow-up work on the part of the counselor. This consists of periodic conferences with the child, the teacher, and the parent who is advised of what the school is attempting to do. In cases where the proposed treatment is ineffective, there is a re-evaluation of the data, and a new method of treatment is proposed and tried.

In instances where more specialized and professional help is needed the counselor may call upon agencies outside the school department. To date, the following agencies have given assistance: the Massachusetts Society for Prevention of Cruelty to Children, the Division of Child Guardianship, the New England Home for Little Wanderers, the Catholic Boys' Guidance Center, the Children's Medical Center, and Southard Guidance Clinic, the Boston University Speech and Hearing Clinic, the South Shore Child Guidance Clinic, and the Children's Aid Society.

Some children are referred to clinics by parents at the suggestion of the family physician or a member of the clergy. In such instances the clinic gets in touch with the school adjustment counselor and asks for school data pertinent to the understanding of the child and his problem. At times there are conferences set up whereby a social worker representing the clinic involved meets with the teacher of the child, the principal of the school wherein the child is a member, and the adjustment counselor. These meetings are held sometimes at the clinic and sometimes at the school. It

is through the cooperation of the home, school, and clinic that the child can best be helped.

### **Testing Program**

A study is made of the standardized group mental ability and achievement tests. When there seems to be a discrepancy between the child's ability and his achievement, or when the test results appear questionable, individual tests are given in order to check or correct the impression gained in the group test. There are some children who cannot perform at the maximum in a group situation.

During November an individual Stanford Binet test is administered to each of those children in Grade I who, in the opinion of the classroom teacher, appears to be too immature to be successful in meeting the requirements of Grade I. If the results of the test confirm the teacher's judgment, and if it seems advisable that it would be for the child's best interests to wait another year for formal schooling, a home visit is made by the counselor who advises the parent of the situation. The parent then has the opportunity to consider the facts and may withdraw the child.

There are in Grade I some children who will not be successful in attaining the minimum requirements for promotion in one year. For these children this first year in school will be a year of readiness. A home visit and a discussion with the parents have indicated that these children would be better served by remaining in school in contact with other children and under the guidance of the classroom teacher.

Mothers of pre-school children at times request an evaluation of a child who will meet the age requirement for school entrance, but who because of some physical impairment or because of immaturity seems to be, in the opinion of the parents, not ready for school. A home visit is made, some testing administered, and some guidance given the parents.

Children from other communities who transfer to Weymouth schools without any record of mental ability or achievement results are tested when their enrollment is brought to the attention of the adjustment counselor. Very few school systems send on the necessary data.

Stanford Binet tests are being given those boys and girls enrolled in the special classes for the educable and trainable children. This is to fulfill the state requirement.

The adjustment counselor works as a coordinating person in the school to further the adjustment of the child. She helps the teacher to identify and assist the children who present social and emotional difficulties. She serves as a referral agent to obtain specialized and professional assistance in cases which appear to be beyond the resources of the school. She establishes a helpful and kindly relationship with the home.

### **6. AUDIO-VISUAL INSTRUCTION**

Combining the sensory learning of sight and sound, audio-visual materials are fundamental to an educational system which must be geared to meet the increasing demands for more and better learning in less time. Effective communication throughout the total curriculum is largely dependent upon the degree to which the right audio-visual materials are presented in the right way at the right time. Such utilization and integration is the function of the Department of Audio-Visual Instruction in close cooperation with teachers, principals, supervisors, and directors in all areas at all levels.

Requests for audio-visual services continue to exceed the ability of the department to meet them, both physically and financially. Expansion of the Central Filmstrip and Sound-Film Libraries has helped effect better integration with the curriculum. The need for catalogue supplements in these areas will be filled early in 1958 with the most welcome appointment of our half-time secretary to a full-time basis. This will result in much improved communication and the resultant increase in effective utilization of audio-visual materials.

In-service training of teachers and coordinators has been conducted at all levels as the need has been indicated or requested. However, provision for increment-credit training would be of great value, particularly for those teachers who are new to Weymouth, and who have not recently completed a course in audio-visual instruction.

One of the many audio-visual tools currently engaged in meeting these demands is Educational Television, both open and closed circuit type. A comparative newcomer to education, this medium has unlimited potential for meeting the needs of the future with effective teaching.

According to a summary of research findings published this year by the American Council on Education: ". . . we are getting to the point where educational TV can become part of an operational budget of a department and be built into the whole structure of an institution." Weymouth has cooperated with other eastern Massachusetts school systems and Educational Television Station WGBH-Channel 2 in planning for a series of open circuit educational programs for in-school study at the elementary level commencing September, 1958. While this is in no way a program in basic TV research (many such have been completed or are going on currently), both WGBH-Channel 2 and local school systems will be provided excellent opportunities to determine first hand the potential values and limitations of such a program. The year 1958 may very well be marked for posterity as the beginning of a new epoch in education for eastern Massachusetts.

## 7. HANDWRITING

Our records show at the conclusion of June 1957 that 96% of the papers scored were Excellent or Good. It is reasonable to conclude, therefore that 96% of the papers were eminently satisfactory. Only 4% of the papers were rated Fair or Unsatisfactory.

During the past school year we graded and diagnosed approximately 84,000 samples of handwriting for your pupils. (A formal test was administered at four teaching-week intervals and a report was furnished each teacher in writing giving a careful diagnosis of the handwriting of each pupil in the room. We supplied the following instructional and motivational materials to your pupils and teachers: teacher outlines and folders, pupil folders, motivation graphs, individual certificates to pupils who qualified, diagnostic charts, handedness tests, envelopes, seals, etc.

Our primary objective is to teach your students to read and write both cursive handwriting and hand lettering in order that they may have these two tools as efficient aids in school, business, and social correspondence. At each grade level we attempt to achieve the standard norm in speed and never lose sight of the fact that the concomitants of neatness, accuracy, and attention to detail in doing work are desirable characteristics that need to be developed along with technical skill.

## 8. HEALTH

The poliomyelitis clinics, sponsored by the Board of Health and conducted in the schools have now been completed. 32,793 doses of vaccine were administered; 19,618 doses in 1956 and 13,185 in 1957. These numbers include pre-school children and those of 19 years of age who are no longer in school, as well as those in school at the present time. Since three doses of vaccine were necessary for complete immunization, no figures were available for last year. That this has been a successful vaccine seems proved by the fact that no cases of poliomyelitis were reported for 1957. This program exemplifies cooperation existing between the Board of Health, the School Department, and the volunteer agencies in this town. After the clinic was completed the school nurses spent many extra hours doing the secretarial work necessary to have the doses recorded on the health cards of the school children.

In October the Diphtheria prevention clinics were held and 1,567 children in grades 1, 6, and 10 received booster doses of double antigen. This is an increase of 459 over last year.

It is difficult to convince parents that the family physician should make the physical examinations before children enter the first grade. However, each year more first grade pupils have this done before entering school. This year 62% were examined by their family physicians. The school nurses were at each school during registration and were able to talk to the parents about this as well as the general health of each child. Many important physical conditions are thus reported as a result of these conferences.

The vision and hearing program continues to be a great success. The cooperation of every principal has made it possible for Mrs. Butler to do the vision and hearing testing in a minimum time with maximum efficiency. Absentees and recording results of tests on health cards make it necessary to repeat school visits, but classes are not interrupted for the second visit.

During October and November many pupils were absent with upper respiratory infections. Since laboratory tests are necessary to make a diagnosis of influenza, it is difficult to know how many of these absences were caused by the influenza virus. Some pupils were immunized by their family physician against influenza. With the wide-spread publicity that was given the possibility of an influenza epidemic, it appears that Weymouth, to date, suffered only a mild epidemic. Except in a few cases, pupils were back in school after an absence of three or four days.

All school personnel had a chest X-ray. This program is repeated every three years.

Mental and physical health fields are so closely associated they necessarily must work together to help and understand a maladjusted pupil. The school nurses work closely with Miss Gallant, who was appointed in September as adjustment counselor.

Plans are being made to have all children in grades two and eleven examined for tuberculosis. This program will take the place of routine chest X-rays for senior pupils. Pupils in these grades will be tested, at their parents' request, by means of the Mantoux test which is a safe, sure, and simple skin test. Only those showing evidence of having been infected by the tuberculin bacillus will be X-rayed. This change in procedure has been made because of the possibility of radio-active fall-out,

and the present consensus is that people should be exposed to X-rays only when necessary.

#### Recommendations:

The time is fast approaching when the administration alone of the school health department of the Weymouth school system will necessarily be a full-time position with a full-time secretary also. This person (be it nurse, health educator, or other person interested in health) should have a title such as Director of School Health, Health Coordinator, or Health Consultant. Quoting from "Health in Schools," published by the American Association of School Administrators, "The title is not important, but the job is."

At present, two other nurses are urgently needed, and we are gratified that at least one will be appointed in September.

### 9. HOME INSTRUCTION FOR PHYSICALLY HANDICAPPED CHILDREN

Forty-seven pupils were enrolled in the Home Class for this year, seven more than last year. Mrs. Grace Whittles, the assistant teacher, taught from January to June and October 7th to December. Sixteen are in the class at present. One more goes to school when he is able.

Twenty-two children returned to school, one moved away, one went to a sightsaving class, one went to a retarded children's class, and three died during the year. Of the twenty-three in the class in June, nineteen were promoted (three conditioned), three were incomplete and one ungraded.

Five were members for the whole year, nine from two to seven weeks, twenty-five from two to six months, eight from six to nine months and a sixth attends school when he can.

The disabilities represented were:

- 12 rheumatic fever — 2 with heart complications; 1 chorea
- 8 accidents — 3 leg fractures, 1 arm, 1 eye injury, 1 head with concussion, 1 back, 1 multiple injuries
- 4 operations — 2 leg, 1 hip, 1 foot
- 4 kidney trouble — 3 nephritis, 1 nephrosis
- 4 disturbed
- 4 polio
- 2 encephalitis
- 1 of each — pneumonia, back trouble, muscular dystrophy, poor vision, asthma, calcium deficiency, hemophilia, leukemia, osteoma

Work with these handicapped children is both interesting and rewarding. The children and their parents both appreciate this opportunity to keep in their grade and age group in spite of their disabilities.

### 10. DRIVER EDUCATION

The driver education program has continued to grow as the worthwhileness of the training has become evident to pupils and parents. The fact that pupils with licenses issued at school following certification in

both class work and behind the wheel driver training receive substantial insurance savings has also greatly increased the enrollment in the classes. To meet this expansion, an additional vehicle and more instruction time will be provided early in 1958.

The classroom phase of driver education, comprising 20 to 25 hours of valuable attitude-building instruction, is most suitable as a "required" subject for all students as they become eligible. This area of the organization can be handled with a minimum of scheduling difficulty and with little additional instructional time. It would benefit the small percentage of students (most of whom should have this training) who do not participate in the program at all.

A brief summary of the activities of the driver education program in both the high and vocational schools follows:

- 1. Students enrolled in driver education classes — 433
- 2. Students completing only class work — 382
- 3. Licenses issued at school (number of students certified in both class work and driver training) — 232
- 4. Number of qualified students who were not licensed because of scheduling difficulties and/or lack of instructional time — 185
- 5. Number of seniors ready for practice driving for the school year 1957-1958 — 262
- 6. Number of juniors ready for practice driving by March 1, 1958— 320

11. AGRICULTURE

The opening of school in September 1957 showed a total enrollment of 29 students. This drop is due to the changeover from a four-year to a three-year course; an upward trend is now being felt. The 29 students, according to classes, are divided as follows:

Seniors	10	Juniors	8
Sophomores	11		
The above students may be geographically located as follows:			
South Weymouth	7	Hingham	6
North Weymouth	4	Quincy	4
Weymouth	3	Whitman	2
East Weymouth	2	Abington	1

The following table will show the amount of labor and value received for the work done the past year — October 1, 1956 to October 1, 1957:

Hours of Labor			Value Received	
Boys Reporting	Total	Average per boy	Total	Average per boy
23	25,326	1,101	\$21,342.29	\$927.82

The above 23 boys worked on 9 farms or agricultural enterprises in Weymouth, 7 in Hingham, and 1 each in Assinippi, Abington, Braintree, Holbrook, Wollaston, Vermont, and New Hampshire, representing 7 greenhouses, 6 landscape, 5 dairy farms, 2 nursery and landscape, 1 market garden, 1 dairy and poultry, and 1 golf course.

## 12. SCHOOL LIBRARIES

All four school libraries were busy places in 1957, serving teachers and pupils better than ever before. All gained in circulation of books, with the increase at Central Junior High approaching 100%.

At the High School, there were regular exhibits on display from the Children's Museum and from the French Embassy. At Central Junior High, displays of books have appeared in rotation in the two display cases and book display rack. Each group of twenty new books has been seen in an increasingly prominent position for a period of two weeks before circulation. This has resulted in a better knowledge of the library collection and in increased circulation.

In each library, a group of students worked under the direction of the librarian, getting training and serving the school by taking care of such duties as stamping, carding, mending and arranging books. In some schools, there has been some social activity for these assistants. The High School group went on field trips to the Harvard Libraries, the Peabody Museum, the Science Museum and the Mapparium at the Christian Science Monitor. Other groups met as clubs and entertained friends from schools in nearby towns.

Librarians continued to give instruction in the use of the library in the junior high schools. Each student is required to learn how to use the library books, reference material, card catalog, indexes, atlases, gazetteers, dictionaries, encyclopedias and other library tools, by completing practical exercises and related tests.

### Statistics:

School	Number of books	Added 1957	Borrowed from Tufts Library	Total Circulation
Weymouth High	5686	272	—	6,905
Bicknell Junior	2074	726	350	14,941
Central Junior	2198	709	—	9,178
South Junior	3834	330	215	15,271

School librarians are as follows: Weymouth High — Miss Mary L. Gloster; Bicknell Junior High — Miss Mignon E. Pray; Central Junior High — Mr. Charles W. Adams; South Junior High — Mrs. Ruth M. Connors.

## 13. EVENING SCHOOLS

Evening classes for Weymouth adults were very popular this year, both in the January-March period and in the October-December period. In the latter period, we had nine practical arts subjects which are partly supported by the State, namely Beginning Clothing, Advanced Clothing, Decorative Art, Foods, Cake Decorating, Rug Braiding, Rug Hooking, Furniture Refinishing and Upholstery, with a total of twenty-three classes in these subjects. Adult Civic Education is also State supported. In addition, the following eight subjects are supported entirely by the town: Beginning Typewriting, Advanced Typewriting, Beginning Shorthand, Advanced Shorthand, Office Practice, Woodworking, Public Speaking and Oil Painting, with a total of nine classes.

New subjects this year are Rug Braiding, Public Speaking and Oil Painting. Fabric Painting and Millinery are not being given because it was impossible to find qualified teachers. As usual, we have eight Clothing classes. We have waiting lists in Cake Decorating, Beginning Clothing, Advanced Clothing, Upholstery, and Beginning Typewriting.

The annual exhibition of work done in practical arts and woodworking classes at the High, Bicknell Junior High and Central Junior High Schools took place in the High School Cafeteria on April 2. For South Junior High classes, the exhibition occurred in the school gymnasium on April 1. Style shows in both schools showed the work done by Clothing classes. It was gratifying to teachers and students to have large crowds attracted to the exhibits.

Registration for classes starting in October took place the evening of Thursday, September 12, 1957 at Weymouth High School. A total of 779 people registered then or later. A drawing was held for those classes having too many registrants.

Assignments to classes are as follows:

WEYMOUTH HIGH SCHOOL

Course	Tuesday	Instructor
Beginning Clothing	26	Mrs. Alice M. Cullen
Decorative Art	23	Mrs. Clara M. Taylor
Foods	15	Miss Louise E. Watts
Rug Hooking	18	Mrs. Leona M. Cook
Public Speaking	16	Mr. William J. Longridge
Woodworking	28	Mr. Wallace T. Driscoll
Beginning Typewriting	40	Mrs. Helen P. Collins
Office Practice	24	Miss Olive E. Hackett
Adult Civic Education	8	Mrs. Edna L. Gloster
Thursday		
Advanced Clothing	25	Mrs. Alice M. Cullen
Cake Decorating — two 1/2-year classes	36	Miss Louise E. Watts
Decorative Art	19	Mrs. Clara M. Taylor
Rug Hooking	14	Mrs. Leona M. Cook
Furniture Refinishing	21	Mr. Wallace T. Driscoll
Shorthand, Beginning	27	Mrs. Jane P. Lyons
Shorthand, Advanced	16	Miss Elizabeth L. MacGregor
Advanced Typewriting	27	Mrs. Helen P. Collins
Rug Braiding	19	Mrs. Kay A. Hall
Office Practice	24	Miss Olive E. Hackett
Adult Civic Education	8	Mrs. Edna L. Gloster

BICKNELL JUNIOR HIGH SCHOOL

	Tuesday	
Beginning Clothing	20	Mrs. Marion R. Rideout
	Thursday	
Advanced Clothing	16	Mrs. Marion R. Rideout

CENTRAL JUNIOR HIGH SCHOOL

	Tuesday	
Beginning Clothing	26	Miss Dorothea A. Keaveney
Upholstery	16	Mr. Mariano Comunale

Thursday

Advanced Clothing	27	Mrs. Anne Concannon
Upholstery	16	Mr. Mariano Comunale

SOUTH JUNIOR HIGH SCHOOL

Tuesday

Beginning Clothing	25	Mrs. Christine M. Gardner
Woodworking	18	Mr. Albert B. Noyes

Thursday

Advanced Clothing	25	Mrs. Christine M. Gardner
Decorative Art	16	Mrs. Alice B. Shields
Rug Hooking	24	Mrs. Frances L. Clifford
Furniture Refinishing	20	Mr. Albert B. Noyes
Oil Painting	20	Mr. Philip S. Dolan

Mr. Francis X. Kelly continues as Principal of the classes at the High, Bicknell Junior High and Central Junior High Schools and Mr. Thomas E. Lambe as Principal of the classes at South Junior High School.

The Evening Vocational program includes four classes which meet both Tuesdays and Thursdays. There are 13 in the Diversified Related Apprentice Class, with Mr. Eric Roy as the instructor. There are 30 in the Trade Extension Class in Printing, with Mr. John F. Collins and Mr. Herman Perry as the instructors. There are 16 in the Sheet Metal Layout and Pattern Drafting Class, with Mr. James Boland as instructor. There are 24 in the Blueprint Reading and Architectural Drawing Class, with Mr. George Klay as the instructor. Mr. Ray G. Parker is the Principal for these classes.

It seems likely that our varied program for adult education will continue to attract several hundred people each year. These people are learning new skills or improving old ones, making new friends, and gaining much personal satisfaction from their accomplishments.

### The School Building Program

The first School Building Committee for the post-war building program was organized in June of 1948. The first two additions to elementary schools were begun in April 1949. In the nine-year period since 1949, seven new buildings and seven additions have been completed. The new twelve-room Thomas V. Nash, Jr. School, replacing the Shaw School at Nash's Corner, should be completed by April 1st. Construction of the three-room addition to the Homestead School was begun in December and it should be finished in time for September occupancy. If funds for the six-room Center School replacement and the six-room Pond School addition are voted at the Special Town Meeting to be held on January 13th, contracts will be signed near the end of January and these buildings could be completed by the end of December.

The defeat of the bond issue for the proposed twelve-room Green Street school in North Weymouth at the November 18th Special Town Meeting means a long delay in the construction of this badly needed school. The Building Committee is now interviewing architects with a view to a complete new start on this project.

In September, 1958, ten classes from the Johnson, Athens and Adams Schools will be transported to the Washington and Jefferson Schools and

six classes will be on double sessions at the Johnson School. The double sessions and the transfer of pupils to the East Weymouth schools will continue throughout the school year 1958-1959 and until the Green Street school is completed. One first grade class from the Jackson School district will be assigned to the old Washington School. Three classes from the Pond School district will be transported to the old Shaw building until the new addition is finished. About 55 overflow pupils from the Ralph Talbot district will be transported to the new Thomas V. Nash, Jr. School.

The erection of a new parochial school in St. Francis Xavier parish in South Weymouth, as is now planned, should obviate the need for an addition to the Ralph Talbot School which otherwise would have been necessary in the next year or two.

With the completion of the elementary school projects listed above, sixteen in all, our immediate elementary school building needs should be met. This could be true for many years to come if a larger parochial school in Sacred Heart parish is erected, and if we keep the old frame Washington, Jefferson, Shaw and John Adams Schools in use for overflow enrollments in various parts of the town.

A milestone in meeting Weymouth's secondary school building needs was reached in the following votes of the November Special Town Meeting: (1) to purchase a site for a new North High School and Vocational School (2) to purchase a site for a new South High School, (3) to authorize the appointment of a Building Committee for the North High School and Vocational School. In September, the School Committee adopted the recommendations of the Citizens' Advisory Committee which included in addition to the two new high schools, the remodeling of the present High School building as a fourth Junior High School, and the construction of an addition to the South Junior High School not later than 1961.

Tables included in the brochure for the November Special Town Meeting showing the estimated annual costs and the effect on annual tax rates of the Elementary and Junior High building program and of the proposed High School and Junior High building program are included on pages 370-371-372 of the report for the information of all taxpayers and citizens in general.

### **The Future Supply of Teachers and Teachers' Salaries**

It is undoubtedly true that any community has as good or as mediocre schools as it wants and as it is willing to pay for. The standards of a school system and the effectiveness of its program depend on many factors. Most people would agree that the most important factor is the quality of the teaching and supervisory staff. In order to retain excellent teachers and to recruit well-qualified, competent new teachers in this extremely competitive period, it is essential that a community pay relatively high salaries. It obviously follows that the school system that has adequate financial support and a good teachers' salary schedule will secure and keep excellent teachers, and that the highly competent teaching staff if properly guided, stimulated, and encouraged, will produce a school system of high standards and an effective program. Furthermore, once the school system has obtained high standards the very quality of its program will attract well-qualified and able teachers, thus making the results of good financial support a cumulative force over a period of years. Conversely, the school system that is inadequately supported over a number

of years will find all these forces working in reverse, making it difficult to hold and recruit competent teachers and eventually, no matter how good the system may have been at one time, low standards and an ineffective school program will result.

Sensing the essential truth of the statements above, the Weymouth School Committee in the post-war years has attempted to keep our salary schedule for teachers at least abreast of the higher salary scales which have been paid in each successive year in the various towns and cities in the Boston Metropolitan area. In this period of extreme teacher scarcity caused by rapidly rising school enrollments and the relatively more attractive monetary rewards of other fields of work, it has been absolutely imperative that a community keep pace with its neighbors if it expected to have its schools staffed with capable, contented teachers.

Weymouth's task in this respect was made doubly difficult because of the need for increasing the size of the teaching staff each year as well as replacing those teachers who resigned for various reasons. The following statistics for the last three years in regard to the new teachers employed in Weymouth to begin their services in September shows the extent of the problem which we have faced in maintaining the calibre of our teaching staff:

	1955	1956	1957
High School and Vocational	3	9	7
Junior High	26	16	20
Elementary	42	44	44
Supervisors	—	3	1
	—	—	—
Totals	71	72	72
Additional positions	30	31	17
Replacements	41	41	55

New Teachers Classified as to Experience

		1955	1956	1957
High School, Vocational, Junior High, and Supervisors:	Experienced	20	22	17
	Beginners	9	6	11
Elementary:	Experienced	12	21	7
	Beginners	30	23	37
		—	—	—
Total Experienced		32	43	24
Total Beginners		39	29	48

It will be noted that in 1957, due undoubtedly to the fact that the increase in our salary schedule was lower than in many communities in the Boston area, the number of teachers needed to replace those who left was 14 higher than in either of the two previous years. Also, note that in filling these positions, it was necessary to employ many more beginning teachers than in the two previous years.

With these facts in mind, and with the knowledge that surrounding cities and towns were again raising salary schedules for 1958, the School Committee on December 3rd voted unanimously to increase minimum salaries \$350 and maximum salaries \$400 effective September 1st, 1958. The maximum will be reached in three annual increments of \$200 and nine annual increments of \$150. (See the revised salary schedule on page 353.

The salary levels paid Weymouth teachers in future years must be kept at a level comparable to the whole metropolitan area if we expect to retain our top-notch teachers and if we are to continue to recruit fully prepared, experienced and capable teachers for our growing high school and junior high school enrollments, as well as for the growth and replacement needs in the elementary schools.

How Weymouth's average salaries have compared in the last sixteen years with the average salaries in the State is shown in the table below. Can anyone seriously believe that Weymouth is overpaying its teachers when the average annual salary is only \$18.00 higher than the State average?

**State Average Teachers' Salaries and Weymouth Average Teachers' Salaries Compared 1941-1957**

School Year			School Year		
1941-1942	State	\$229 higher	1949-1950	State	\$ 39 higher
1942-1943	State	140 "	1950-1951	Weymouth	10 "
1943-1944	Weymouth	29 "	1951-1952	Weymouth	41 "
1944-1945	Weymouth	38 "	1952-1953	Weymouth	66 "
1945-1946	State	45 "	1953-1954	Weymouth	126 "
1946-1947	State	66 "	1954-1955	Weymouth	63 "
1947-1948	Weymouth	6 "	1955-1956	Weymouth	17 "
1948-1949	State	93 "	1956-1957	Weymouth	18 "

**The 1958 School Budget**

A great deal of time is spent each year in compiling and assembling the necessary information and data for the School Committee's consideration in determining the financial needs for our rapidly growing school system. Each division of the Budget is given careful analysis and study. The many hours of work that go into the preparation of a detailed budget are necessary if the essential needs of our schools for a twelve-month period, extending over two school years, are to be adequately provided for.

The appropriation required is 10.8 per cent greater than in 1957. This is one of the smallest increases percentwise in in eight years, and the smallest in dollars in three years. As has been true in nearly every post-war year, approximately 80 per cent of the increase is in salaries. The predicted increase in enrollment for the school year 1958-1959 over 1957-1958 is some 350 greater than for 1957-1958 over 1956-1957.

Our cost per pupil for current day school expenditures continues low among the large communities of the State. Of the fifty-four cities and towns in Massachusetts with a population of 20,000 or more, only eleven have a lower per pupil cost than Weymouth, and three of these are only \$2.00 lower per pupil. Seven of the eleven are industrial cities: New Bedford, Fall River, Attleboro, Brockton, Haverhill, Gardner, and Chicopee.

The estimated cost of the higher teachers' salary schedule from September through December 1958 is \$55,133, and the cost of the general increase effective in September 1957 from January through August 1958 is \$53,212. making the total cost of the higher schedules in the 1958 budget, \$108,345. The estimated costs of step-up increases, etc. is \$38,238. Increased costs for twelve months for special payments such as: sick leave sabbatical leave, military service retirement assessments, coaching, cadet program, driver education, double sessions, etc., total \$10,731. The esti-

mated costs for additional teaching positions, 17 in September 1957 and 15 in September 1958, is \$57,142. The total increase in the instructional salary budget as outlined above, excluding vocational teachers is \$214,456. The vocational school instructional salary budget shows an increase of \$4,728.

The 1958 Budget estimates for other personnel in administrative, secretarial, nurses, custodians, and maintenance men show an increase of \$18,912 over the 1957 Budget.

The budget estimates for 1958 for maintenance and capital outlay, including replacement of equipment and new equipment, but excluding salaries, is \$18,765 more than expended in 1957. A sufficient expenditure each year to keep buildings in good repair is economy in the long run. If the instructional and maintenance programs are to function properly and efficiently, it is also necessary to purchase a certain amount of equipment each year.

Federal funds received in 1956 under Public Law 874 in the amount of \$67,830.43 were expended in 1957 for maintenance and capital outlay. This amount was deducted from the 1957 Budget when the school appropriation was made in March 1957. During 1957 \$113,506.69 in Federal funds were received. This amount can be used to reduce the 1958 school appropriation. This Federal money by State law is available for expenditure for school purposes without re-appropriation by the Town Meeting.

### **Science and Mathematics in the Schools**

A sudden burst of interest and concern about the extent and quality of the mathematics and science program in our schools and colleges has been evidenced since the launching of "Sputniks I and II" by the U.S.S.R. Many people seem to think that in ten months changes and improvements can be made, changes that they should have been concerned about ten or twenty years ago, because that was the time that our scientists, who are now working on missiles and all the other advances of the atomic age, were in high school. It undoubtedly has been twenty to thirty years since most scientists in Russia who worked on the space satellite were in high school. Probably much of the credit for Russia's present-day scientific achievements can go to the prestige and salaries given to scientists in Russian society. They appear to enjoy the esteem, the veneration and the financial rewards which we reserve for movie actors, star athletes, and top business executives.

There is great cause for concern. Russia is now spending twice as much of its national income for education as is the United States. If this wide disparity in relative expenditures for education continues for another ten or twenty years, it is easy to imagine what it will do to our relative scientific and industrial progress. In the new Russian educational system, teachers are not paid less than bricklayers and plumbers and the average class size is 17, not 30 or 35. This means that no one is elbowed out of classroom experiments, and no urge for research and discovery on the part of the student is frustrated because of too many students per test tube or Bunsen burner.

Teachers' salaries and class sizes determine at least 80 per cent of the cost of educating a pupil. If America plans to excel Soviet Russia in the decades ahead, it will have to do more than provide scholarships for college students, desirable as this proposal of the President may be; we must spend far more on our public schools, more than we do for liquor and

cigarettes, and we must provide the high school and college facilities to take care of the great growth that is coming in enrollments.

Furthermore, if our adult society could be sufficiently aroused from its complacency to give the "egghead" and the scientist the honored position they deserve in our society, perhaps students in high school and college would give the honor student the prestige now enjoyed by the athlete or the lead in the school play.

Much of the concern shown in recent months by speechmakers and columnists appears to be over quantity and not quality. Figures are quoted showing the high per cent of high school students who took courses in mathematics and science fifty or more years ago as compared to today. They ignore the fact that the high school then was usually strictly a college preparatory school with a selected student body made up of the book-minded and highly intelligent youth who composed perhaps 10 per cent of the high school age group. The other 90 per cent had gone to work at fourteen years of age or earlier. Today, 94 per cent of the pupils who were in Junior High School three years earlier are in attendance in the Weymouth High School and the school is a comprehensive high school offering courses in commercial subjects, agriculture, home economics, auto mechanics, carpentry, printing, etc. Sixty per cent of the enrollment is in these courses and only forty per cent in the college preparatory courses. Even so, the number taking algebra, geometry, trigonometry, chemistry and physics would be far greater than in 1900. In the United States since 1900, the population has increased 100 per cent, but the high school science enrollment has increased 600 per cent and the enrollment in mathematics 900 per cent.

It would seem that the statistic to be concerned about is the percentage of boys in the college course who are enrolled in courses in science and mathematics. The following are the numbers in Weymouth High School in October of this school year:

	Seniors	Juniors	Sophomores
Number of Boys in College Course	68	117	179
Number taking Physics	61	—	—
Number taking Biology	32	—	—
Number taking Trigonometry	54	—	—
Number taking Chemistry	—	115	—
Number taking Algebra II	—	115	—
Number taking Plane Geometry	—	—	175

In addition, many other students, including girls in the college course and boys and girls in the general course, are taking these subjects, for example in addition to the 61 college course boys, 32 other students are taking physics.

Even more than numbers, we should be concerned with the quality of these courses, viz., the competency of the instructors and the standards they set, together with the interest of the students, the amount of studying they do, and how much they have learned at the completion of a course, and how well they succeed in college.

The general standards and climate for scholarship which a school has established over a period of years is important. It can set the stage for high accomplishment, but in any given year in a particular class the following factors are all important: a well-qualified, skillful teacher; a medium-sized class, well grounded in any essential pre-requisite courses; and

for science, a well-equipped classroom and laboratory. In 1958 if vacancies occur (in 1957 we had nine resignations in these fields to accept better paying positions) or if it is necessary to add a teacher for increased enrollments, it will be difficult to find well-qualified, experienced and competent instructors in science or mathematics in a scarce market at our salary levels. In 1956, 1957, 1958, 1959 and until a new high school is completed, classes in science have been and will be too large for high achievement.

In summary, this all means that if in future years the Weymouth Schools, along with all the other school systems in this great rich country of ours, are to do the job expected of them and if we as a country are to equal and excel the Soviets in the greatest competitive race of all times, more support must be forthcoming for our public schools which have been one of the big contributing factors in creating the greatest, the most productive, and the most democratic nation the world has ever known.

### **Conclusion**

The rapid growth of the school system in the last ten years has produced many problems which pressed for decision. The proper solution of these problems, together with the need for maintaining the high standards of our schools during this period of expansion, has meant long hours of work for everyone connected with the Weymouth Schools. We hope progress has been made in the improvement of our instructional program guided and directed by competent principals, supervisors, and directors. The Weymouth Schools are staffed by capable, conscientious, and enthusiastic teachers who deserve all the credit due them in their all-important job of molding the minds and characters of the citizens of tomorrow.

To the office staff, I wish to express my thanks for their whole-hearted cooperation throughout the year. To the School Committee, I extend appreciation for the many hours they selflessly give to the numerous problems confronting our schools in this critical period.

Respectfully submitted,

ELMER STEPHENS MAPES

Superintendent of Schools

## **SUPERVISION AND CURRICULUM CONSTRUCTION**

### **REPORT OF FLORA H. McGRATH**

#### **Director of Instruction**

As a result of startling developments in science, the thinking segment of our society is taking a long and thoughtful look at the public schools of America. They are learning that to educate all of the children of all of the people calls for a very different approach from that needed for the education of only the accelerated. There is a tendency today to compare our schools with those of Europe and of Russia where less than 5 per cent of those entering grade one ever reach grade twelve, and where those who do not meet the academic requirements are streamed into labor and industry. As more than 80 per cent of our children entering grade one complete grade twelve, it means that an entirely different approach and program are necessary in order to have each work up to the limit of his capacity. It is the need to meet this difference that keeps us constantly in search of better solutions to our public school problems.

In this search for better ways of helping children to learn and to grow, we use many approaches. A testing program which helps to give a picture of the mental capacity of each child, the constant study and revision of our courses of study, and the dissemination of those methods of teaching which have been found valuable, have all become vital functions of public school services.

**TESTING PROGRAM**

**Mental Ability Test**

No better guide than the mental ability test has yet been found for aid in the study and placement of pupils. While they are not infallible, the results of these tests plus the judgment of the teacher are invaluable in determining the pupil's learning capacity.

All pupils in grades I, IV, and VI were given the Pintner-Cunningham and Pintner-Durost tests during the year, and the results were studied and recorded.

**Individual Testing . . . Stanford-Binet**

Wherever there is a question as to the reliability of the results of the group test, or in cases where children are suspected of being mentally retarded, the Stanford-Binet is given individually. This is the test required by the Massachusetts Department of Education. It is expected however, that the Wechsler-Bellevue may eventually replace this for individual testing.

**Achievement Testing**

**Reading**

**IOWA SILENT READING TEST . . . GRADE VI . . . JANUARY 1957**

Number tested	696
Number reading at or above grade level	452
Number reading at high school and college level	93
Reading range from grade 2.3 to 14.8	

**IOWA SILENT READING TEST . . . GRADE VI . . . OCTOBER 1957**

Number tested	925
Number reading at or above grade level	632
Number reading at high school and college level	107
Reading range from grade 3.4 to grade 14.8	

Approximately 67 per cent of all pupils tested in grade VI 1956-1957 class and grade VI 1957-1958 class were reading at or above grade level.

**Reading and Phonics Survey**

During March, a reading and phonics survey was made in grade III in which 994 pupils participated.

**STANFORD ACHIEVEMENT TEST**

The partial battery of the Stanford Achievement test was administered in grade III in May and again to the incoming third grade in October. All results were tabulated and remedial work recommended where it was found necessary.

ENGLISH . . . GRADES VII and VIII

During February and March all pupils in grades VII and VIII were given an English test which included both grammar and essay writing. All tests were individually scored and returned. A complete record of the 1400 tests given is on file in this office. The results were unusually satisfactory.

COURSES OF STUDY

A complete revision of the Course of Study for grade II has been completed and is in the hands of the teachers. The third grade Course of Study has also been revised and will be edited in 1958. In addition, a separate book on phonics has been completed and will be edited in 1958. The revision of the Character Education outline has been partially completed.

REMEDIAL READING

The work of six remedial reading teachers now being conducted in nine schools continues to be of valuable help to those children with reading difficulties.

Total Number				
of Remedial	Number of	Number of	Number of	1956-1957 class discharged
Reading Pupils	Boys	Girls	Reached mental level	or grade level
333	258	75	65	

The following causes of reading failure have been listed by the teachers:

Mental Immaturity in grade I (entered at 5.8 or (younger)	87
Excessive absence in grade I (25 days or more)	62
Transfers from out of town or frequent moving	62
Other causes (mentally retarded, physical factors, emotional disturbances, and questionable home conditions)	122

At the end of each school year those who reach their grade level or their mental level are discharged.

COMMUNITY STIMULATED PROJECTS

The teachers and principals are glad to cooperate in any program or contest sponsored by the local clubs or town departments which contribute to the growth and development of children. This year the poster and essay contest on fire prevention and hazards conducted in all sixth grades under the direction of Chief Walter R. Murray and his excellent staff helped to make children more aware of fire hazards. It is considered a necessary and excellent project.

The traffic safety program conducted by Safety Officer William Riley under the direction of Chief Joseph B. O'Kane makes a lasting impression on the children and frequent reference to what "the policeman said" is heard on the playground. In addition to this safety program, the Junior Chamber of Commerce presents to all first grade children free material on Safety Education which is used in the classroom.

Again this year, the pupils of grades VII and VIII participated in the history notebook and essay contest conducted by the D.A.R. Awards were presented to winners from the three junior high schools.

Under the auspices of the Women's Auxiliary of the V.F.W., the South Junior High School pupils participated in a 1000-word essay contest en-

titled "America's Crusade for Free Men's Rights." The winners were Carol Glynn, first prize; Barbara Belcher, second prize; and Francis Doucette, honorable mention.

In cooperation with the American Red Cross, the pupils from three schools make favors and fill baskets to be used on holidays for the Veterans' Hospitals. This project, though a minor one, helps to make these children aware of their duty to others.

Town Government Day sponsored by the Kiwanis Club for the first time this year met with much interest in grade VI. Each child did a project on some phase of town government or town service, which required making a closer study of those facts which all good citizens should know.

The annual essay contest sponsored by the Weymouth Rotary Club in which 706 pupils competed was won by Stephen Powers of the South Junior High School, and by Robert Lingley and Sandra Teed, both from the Central Junior High School. The subject this year was "Planning for Weymouth."

#### ORIGINAL UNITS AND RELATED CLASSROOM ACTIVITIES

Some outstanding units on science and history have been observed in grades VII and VIII. Indications of the grasp of these subjects which the children have as a result of these projects were noted in the essays written as part of the town-wide testing program. These essays written in class under supervision were mature, well-organized, and gave every indication of excellent cooperation among the science, English, and history departments.

#### EXTRA-CURRICULAR ACTIVITIES

The interest which the Parent-Teacher Associations have shown this year in becoming better acquainted with their schools and the services offered has grown noticeably. On an average of once a month, there has been a request for the panel made up of directors and supervisors. On these programs an effort is made to present to the parents all information regarding special services of the schools, explanations of testing results, and presentation of types of work done by children from the various grade levels. We consider it a privilege to cooperate with the Parent-Teacher Associations in this manner.

#### RECOMMENDATIONS

The testing data records indicate that the I. Q. range in the junior high schools extends from 70 to 150 and above. This represents graphically the need for remedial work for the slow as well as an enriched program for the gifted.

### HIGH SCHOOL

#### Report of Wallace L. Whittle, Principal

With the high school enrollment at 1,496 on October 1, 1957, it has become a considerable problem to find rooms into which we can put the various classes. Classes are large, and those needing special rooms and equipment, such as office practice and typewriting, create a most difficult situation. We cannot put more machines in the rooms, as they are now overcrowded, and yet, we shall have many more pupils desiring to take such subjects next year. Obviously, we shall have to curtail the course as now offered or deny some pupils the opportunity to take such courses.

At the present time, seventy-five percent of our classes have more than twenty-five pupils, thirty-eight percent have more than thirty pupils, and approximately fourteen percent have thirty-five or more pupils. With next year's increased enrollment, there will necessarily be more of the larger classes to be scheduled in rooms not equipped to care for such numbers. It will be necessary, therefore, to add more seats in some rooms in order to furnish a greater seating capacity. Such a move will create double rows of seats and further add to the difficulties of the teaching situation.

Many of the teachers have held meetings where the needs of the contemplated new high school have been considered. It is planned to have all teachers working on this problem in the immediate future so that plans may be made to build in such a manner that future curricula, whatever they may be, will not be handicapped.

It seems to be quite evident that schools are going to be asked to expand their science and mathematics programs in order to meet international competition. If such is the case, we should be extremely careful to plan well ahead to the future in the establishment of these departments. Construction and furnishing of a well-equipped science department is rather expensive but necessary if we are to keep pace in this field. It is imperative that we decide to what extent we should enlarge these facilities to plan for the future as well as for the present.

If we are to do more for our exceptional or gifted students, we must plan in advance and build to take care of the program adopted. We are experimenting this year along this line, hoping that we may gain some experience in setting up this type of program.

With the exception of the crowded classrooms and lack of space, our regular and extra-curricular programs have operated normally. Due to the weather and the "Asian Flu," our football receipts are approximately \$9,000.00 less than last year. This unforeseen situation will necessitate the appropriation of a larger amount of money by the town if we are to continue at our present level in athletics.

### High School

The awards given in June were as follows:

Monday Club of Weymouth, Jennie B. Worster Scholarship — Beverly Dasha

P. M. Club, Evening Division of the Monday Club — Richard Whitehead

Women's Catholic Club of Weymouth, Annie G. Scollard Scholarship — William Richmond

Sons and Daughters of Italy Scholarship — Jeanne Caccavale

Hunt School, C. Y. Berry Memorial Scholarship — Judith Liley

Pratt School Parent-Teachers' Association Scholarship — Delbert Ketcham

Nevin School Parent-Teachers' Association

L. Mae Chessman Scholarship — Anna Trufant

Grace B. Simmons Scholarship — Blanche Brugger

South Junior High School Pupils' and Teachers' Scholarships -- Michael Austin, Carol Reynolds

Fraternal Order of Eagles Aerie No. 2899 Scholarship — Robert Reeves

Fraternal Order of Eagles Auxiliary No. 2899 Scholarship — Hazel Robinson  
 Weymouth Fire Department  
 under the auspices of the Weymouth Permanent Firemen's Association — Timothy G. McCarthy Scholarship — Mary Jane Martin  
 Key Club Scholarship of the Weymouth High and Vocational School — Robert Goldthwaite  
 Briarwood Community Association Scholarship — Charlene Dibble  
 Weymouth Rotary Club Scholarships — Margaret Adamson, Barbara Brown, Robert French, Marie Jung  
 Kiwanis Club of Weymouth Scholarships — Frank Ciavattieri, Joan Hamblin  
 Weymouth High School Alumni Association Scholarships — Theodore Allen, Kenneth Laidlaw, Pauline Mauro, Carol Sangeleer, Sally South, Deborah Spindler, Jane Stetson  
 Alice W. Dwyer Scholarship — Marie Boudreau  
 Frederick W. Hilton Award — Charles Hurd  
 Weymouth Teachers' Association Scholarships — John DeCoste, Kathleen Grant, Edna Green, William Lockwood, Norma Pratt, Cynthia Shaw  
 American Legion Post No. 79 Oratorical Contest — Charles Hurd  
 Parker T. Pearson Memorial Scholarship — Priscilla Nickerson  
 Home and Community Service Committee of Weymouth Grange No. 387 Scholarship — Delbert Ketcham  
 Mary C. Humphrey Scholarship — John Ribbe  
 The Weymouth Rotary Club Award — Charles Hurd  
 The Meritorious Progress Award given by the Class of 1921 — Judy Donovan  
 The Daughters of The American Revolution Good Citizenship Award — Barbara Brittain

## WEYMOUTH VOCATIONAL SCHOOL

### Report of Ray G. Parker, Director

The primary object of Vocational Education is to prepare persons for effective entrance into employment and to up-grade those already employed. It is interested primarily in training for skill and is organized around unit trades. The courses are terminal in the sense that they lead directly to employment on a level of an advanced apprentice and our graduates are given full credit for all shop time. In order to qualify for admission, the applicant must be at least fourteen years of age, have successfully completed the ninth grade, be able to profit from the instruction, and be in good physical health. To be eligible for a diploma he must complete at least ninety per cent of the shop time and pass his related and academic subjects.

The State and Federal Governments pay one half of the net operating cost (including instruction) of a vocational school, which means that the pupil cost of this type of education is less to the town than the regular type of education offered in the secondary schools.

Vocational Education in the Commonwealth was started over fifty

years ago and Weymouth Vocational School was established in 1924. This school was built to provide space for three departments — as the demand for vocational training grew, two more departments were added. At the present time, the pupils are housed in the original building, an Auto Repair Garage, a Carpentry Shop, and four rooms of the High School.

The present capacity of the school is two hundred and sixty pupils. For the past five years, there has been an average of about twelve and one-half per cent of the secondary school pupils who have elected Vocational Education. If this percentage holds true in the future, there will be three hundred and fifty to four hundred boys who will request trade training by 1963. As the enrollment increases, there should be two or three new courses added to the program, which will be selected after results of the survey which is being conducted by the Quincy Chamber of Commerce, the Vocational Schools in Weymouth and Quincy, and several other interested agencies is completed.

There are many boys who really enjoy working with their hands and want to become expert craftsmen in the trade of their choice. If a boy is to be one of the best, he must have intelligence and an aptitude which will allow him to succeed. One of the greatest rewards is for a man to be able to view his work with pride and experience, together with the satisfaction of being a good citizen.

There are some who do not realize the type of training offered in the Weymouth Vocational School, and it is the earnest desire of the Director and teachers that more citizens of the town visit the shops and classrooms. The teachers not only teach the fundamentals of the trade, they make a sincere effort to build character and train all boys to become better citizens. The American people place great faith in education, and there are indications in all quarters that the leaders of industry expect and will demand in the future a greater amount of vocational training for the youth of high school age.

The Student Government Committee, which has a great deal of influence in our school, still functions successfully. Thomas Keefe, the President of the Senior Class, is the chairman. The Merit Award System, which was started in 1954, still serves a good purpose. This project, which is sponsored by the Vocational Teachers' Club, rewards the best boys in each department each term with a lapel button and certificate. The boys are judged on their attitude, achievement, and school citizenship.

Our school received recognition for the third consecutive year for projects entered in the Ford Motor Company Industrial Arts Award Contest. There were about 40,000 projects entered from all over the United States and parts of Canada. From this group there were 4,500 selected for the final judging. Earl Chiulli received a certificate, gold pin and cheque for his crotch-veneered mahogany lady's desk. This award was made for construction, design, and ingenuity. Paul Voegtlin received similar honors for his modern white mahogany kidney-shaped desk.

In the Auto Repair Department there were 497 jobs completed, with a market value of \$6,938.68. This department covers training in all areas of the trade. Frank Meda and Henry Marshman are the instructors in this shop.

In the Cabinetmaking Department there were 183 jobs completed, with a market value of \$10,137.97. The training in this department covers all phases of the trade plus valuable instruction in finishing. William Dwyer is the instructor in this shop.

In the Carpentry Department there were 251 jobs completed, with a market value of \$23,144.43. The outside buildings which were approved for construction were as follows: A play room in the basement of the house which we built for Edward McIntosh in 1955-56; a seven-room house which was built for Joseph Hegarty; a garage and breezeway was started for Mrs. Katharine Howley; a new House of Cape Cod style is being built for Paul Garrity at 282 Middle Street. This house will have six rooms, breezeway, and garage and will be completed for occupancy in June, 1958. Also, an addition to the refreshment stand at Legion Field was built. The work in the department covers all types of carpentry work. There are many maintenance jobs done for the school and other town departments. The boys in shop make items such as kitchen cabinets, corner cabinets, picnic tables and benches, and many other pieces of furniture. The instructors are Philip Henley in charge of the shop and Fred Carlson in charge of the outside building projects.

The Sheet Metal Department completed 220 jobs with a market value of \$10,573.11. These included completing the installation of the forced warm air heating system in the Hegarty house; fabricating the duct work and installing the wall stacks in the Garrity house. There are a great variety of sheet metal jobs done in the department plus many in the field of ornamental iron work. Harold Clarke is the instructor in this department.

The Printing Department has completed 320 jobs, with a market value of \$22,152.23. This department continues to do all of the School Department printing including the high school "Reflector" and senior class year book. During the year the advisory committee has been doing some very excellent work in preparing plans for adding off-set printing to the department when we go into the new school. This training is very important if we are to continue to have one of the best departments in the country. John Collins and Herman Perry are the instructors in this shop.

There were 90 enrolled in the driver-education classes and 52 of these received their licenses. Otto Mahn is in charge of this training as well as placement and guidance. He also teaches about 20 periods per week in science, civics, and problems of democracy.

The related work is taught by the following men: Auto Repair, George Najarian; Cabinetmaking and Carpentry, Jalmar Nelson; Printing, George Nott; Sheet Metal, James Boland; Related Drawing, George Klay. The academic work is taught by Joseph Whittemore and Eric Roy.

Lewis Bacon, who had been an instructor in our school since 1927, retired in June, and Henry Marshman is taking his place as shop instructor.

Of this year's sophomores, 92 had completed the ninth grade, three were members of or completed the tenth grade, and five were repeaters from last year.

There were 49 non-residents admitted. This is four more than last year. Income from tuition for the school year ending in June, 1957, was \$12,811.08. This money came from 18 towns around the South Shore.

## CHANGES IN PERSONNEL

### Resignations:

High School	Russell A. Antell Maurice J. Deschenes Norman D. Loud Francis S. Roddy Suzanne B. Sharkey

Total	231

### REPORT OF THE HEALTH DEPARTMENT

Students examined by the school physicians, assisted by school nurses:

High School	1276
Elementary and Junior High	2430

Diphtheria immunization program (reinforcing or booster doses)

Grades I and VI	1114
Grade X	453

Poliomyelitis Clinics:

Doses of vaccine administered	26,208
-------------------------------	--------

Massachusetts' Vision Tests:	
Given in High School	1120
Given in Elementary and Junior High Schools	8220
Hearing Acuity Tests:	
Given in High School	1100
Given in Elementary and Junior High Schools	8132
Tuberculosis Prevention Program:	
High School Seniors X-rayed	379
All school personnel also X-rayed	
Home Visits Made by School Nurses:	
High School	97
Elementary and Junior High Schools	399
Children Taken Home Because of Illness:	
High School	125
Elementary and Junior High Schools	543

### **REPORT OF DENTAL CLINIC**

**(Paid for by Board of Health)**

**Mary E. Nussbaum, Dental Assistant**

Total patients	708
New patients	134
Fillings:	
Amalgam:	
One surface	466
Two surfaces	89
Three surfaces	16
Cement:	
One surface	52
Two surfaces	5
Silicates	52
Treatments:	
Prophylaxis	165
Zinc Oxide	63
Silver Nitrate	27
Root Canal	2
Crowns	2
Bases:	
Cement	85
Zinc Oxide	1
Calcium Hydroxide	8
Extractions:	
Primary	109
Permanent	51
X-rays	83
Anesthesia:	
Regional	277
Patients completed	143
Total clinic hours	405
Emergency treatments	17
Patients examined	4880
Defect notices sent home	1002

## COST OF EDUCATION

### For Current Day School Expenditures

#### Per Pupil in Average Membership

School year	State Average Cost per pupil	Weymouth Cost per pupil	Amount Weymouth Cost Less Than State Average
1950-1951	\$213.02	\$190.21	\$22.81
1951-1952	234.80	210.64	24.16
1952-1953	245.94	224.11	21.83
1953-1954	250.06	236.75	13.31
1954-1955	261.33	235.47	25.86
1955-1956	273.51	246.22	27.29
1956-1957	291.00	263.25	27.75

### PERCENTAGE DISTRIBUTION FOR 1957, 1956, 1955, 1954, and 1953

#### EXPENDITURES

Account Classification	1957 Expenditures*	1957	1956	Percentage 1955	1954	1953

### **"THE CROSS OF GRAY"**

---

Dedicated to the late Frederick W. Hilton

---

'Mid Weymouth High's soft lawns and pines  
A cross of fairest gray  
Stands sentry o'er the youthful lines  
That pass him day by day.  
He teaches in his gentle way  
That spirit cannot die!  
"Pro Patria!" we hear him say,  
"Means love for Weymouth High!"

Staunch stands the watch of Weymouth High  
And gives for our brave dead  
These simple passwords to the hill  
Where Weymouth's men are bred.  
We love thee! Alma Mater!  
Oh let the years roll by!  
Our song we raise! Loud rings the praise!  
Of grand old Weymouth High!

## THE COST OF OUR SCHOOL BUILDING PROGRAM

For the construction of two new junior high schools, six new elementary schools, the addition to the Bicknell Junior High School and six additions to elementary schools, fifteen projects in all, the cost has been as follows:

Bonds Issued to Date 1948-1956	\$7,443,000
Appropriations for Land, Plans, and Construction from the Excess and Deficiency Fund 1948-1957	694,685
Bonds Authorized to be Sold in 1957 (Shaw School)	500,000
Total Cost of Fifteen Projects	\$8,637,685
Estimate for Bond Issues in 1958 for the schools and additions now being planned: Green Street, Center, Homestead addition and Pond addition	1,220,000

Estimated Cost of School Building Program through 1958 \$9,857,685

By the end of 1957, \$1,953,000 of the school bonds issued since 1943. the year our postwar school building program began, will have been paid for.

In the fourteen-year period 1957-1970, Weymouth will receive approximately \$2,140,000 in school construction grants from the State in reimbursement for the nineteen junior high school and elementary school projects, or an average of \$153,000 per year.

The net cost to the Town of Weymouth for 1957 of \$385,894 took \$3.44 of our \$50 tax rate. The estimated tax rate needed in the peak years for cost, 1959 and 1960, will depend on the assessed valuations for those years. Assuming a small increase in the assessed valuation of the Town each year, the portion of the tax rate needed for this school construction should not exceed \$3.90 in the budget. In 1964, the peak year of costs for the high school bond issues, the portion of the tax rate for the nineteen elementary and junior high projects would be down to approximately \$3.20.

## THE COST OF HIGH SCHOOL AND SOUTH JUNIOR HIGH ADDITION BONDS

### COMPUTED ON AN ANNUAL BASIS

The following table of annual costs of financing the proposed high school and junior high school bonds is based on the following assumptions and estimates: (1) first bond issue for North High and Vocational School in 1959 for \$2,500,000; (2) second bond issue for above schools in 1960 for \$2,500,000; (3) bond issue for addition to South Junior High School in 1961 for \$640,000; (4) first bond issue for South High School in 1962 for \$1,500,000; (5) second bond issue for South High School in 1963 for \$1,400,000; and (6) bond issue for South High School addition in 1966 for \$800,000.

Interest rates were computed in all cases at 3.5 per cent. The State reimbursement for the North High School was based on an estimate of 38 per cent and the South Junior High addition and the South High School on an estimate of 40 per cent.

It will be noted that the highest annual costs will come in the ten-year period from 1963 through 1972. Assuming that the assessed valuation of the Town by 1964 will be 125 million, the resulting tax rate to pay the annual cost of \$524,000 would be about \$4.20. The tax rate for the payment of bonds and interest would be less than this amount each succeeding year.

The following table shows the estimated annual cost of principal and interest payments on elementary and junior high bond issues, 1948-1958.

ANNUAL COST OF PRINCIPAL AND INTEREST PAYMENTS ON ELEMENTARY AND JUNIOR  
HIGH BOND ISSUES, 1948-1958 — NINETEEN PROJECTS

Year	Bonds Outstanding End of Year	Annual Principal Payments	Annual Interest Payments	Total Principal and Interest Payments	Less State Reimbursement	Net Cost to Town	Portion of the tax rate*
1957	\$6,020,000	\$409,000	\$109,382	\$518,382	\$132,488	\$385,894	\$3.44
1958	6,801,000	439,000	118,822	557,822	143,426	414,396	3.65
1959	6,341,000	460,000	152,992	612,992	167,076	445,916	3.90
1960	5,881,000	460,000	143,002	603,002	157,044	445,958	3.85
1961	5,421,000	460,000	133,012	593,012	157,044	435,968	3.70
1962	4,963,000	458,000	123,022	581,022	157,044	423,978	3.55
1963	4,510,000	453,000	113,067	566,067	157,044	409,023	3.35
1964	4,057,000	453,000	103,282	556,282	157,044	399,238	3.20
1965	3,604,000	453,000	93,497	546,497	157,044	389,453	3.05

1976	122,000	106,000	7,475	113,475	43,200	70,275	
1977	61,000	61,000	4,270	65,270	22,750	42,520	
1978	—	61,000	2,135	63,135	22,750	40,385	

\*The portion of the tax rate needed in 1957 to pay the annual payments and the interest on school bonds after deducting the State reimbursement. The amount in each year following is an appropriation of the portion of the tax rate needed each year to pay off the bonds and to pay the interest costs with the State reimbursement deducted.

ANNUAL COST OF PRINCIPAL PAYMENTS AND INTEREST, HIGH SCHOOL BOND ISSUES

Year	Bonds Outstanding	Annual Principal Payments	Annual Interest Payments	Total Principal and Interest Payments	Less State Reimbursement	Net Cost to Town	Portion of the tax rate*
1959	\$2,500,000	\$125,000	\$ 87,500	\$212,500	\$ 47,500	\$165,000	\$1.40
1960	4,875,000	250,000	170,625	420,625	95,000	325,625	1.75
1961	5,265,000	282,000	184,275	466,275	108,000	358,275	3.00
1962	6,483,000	357,000	226,905	583,905	138,000	445,905	3.65
1963	7,526,000	427,000	263,410	690,410	166,000	524,410	4.20
1964	7,099,000	427,000	248,415	675,415	166,000	509,415	4.00
1965	6,672,000	427,000	232,820	659,820	166,000	493,820	3.80
1966	7,045,000	467,000	245,875	712,875	183,000	529,875	4.00
1967	6,578,000	467,000	229,530	696,530	183,000	513,530	3.85
1968	6,111,000	467,000	213,185	680,185	183,000	497,185	3.70
1969	5,644,000	467,000	196,840	663,840	183,000	480,840	
1970	5,177,000	467,000	180,495	647,495	183,000	464,495	
1971	4,710,000	467,000	164,150	631,150	183,000	448,150	
1972	4,243,000	467,000	147,805	614,805	183,000	431,805	
1973	3,776,000	467,000	131,460	598,460	183,000	415,460	
1974	3,309,000	467,000	115,115	582,115	183,000	399,155	
1975	2,842,000	467,000	98,770	565,770	183,000	382,770	
1976	2,375,000	467,000	82,425	549,425	183,000	366,425	
1977	1,908,000	467,000	66,080	533,080	183,000	350,080	
1978	1,441,000	467,000	49,735	516,735	183,000	333,735	
1979	974,000	342,000	37,765	379,765	135,500	244,265	
1980	632,000						

The final payments of \$40,000 each would be made on the high school bonds in the years 1984, 1985, and 1986.

\*An estimate of the portion of the tax rate that will be needed each year to pay the annual payments and the interest on the school bonds after deducting the state reimbursement. This would decrease each year from 1970 through 1986.

## **REPORT OF THE BUILDING COMMITTEE FOR THE EAST WEYMOUTH ELEMENTARY SCHOOL**

Construction of the East Weymouth Elementary School (Jackson School) was substantially completed in February and was occupied by the school children on March 4, 1957.

Because of the exceptionally dry summer, seeding done in the spring was not successful and was done over in the fall. Certain other problems relating to the tile floors requiring correction have delayed final payment to the contractor.

At an Open House in November, the public was invited to inspect the school.

Following is the summary of expenditures to date:

General Contract	\$424,485.62
Architect	29,000.00
Clerk of the Works	7,695.00
Town Engineer (Russell H. Whiting)	333.91
Tests and Borings	840.00
Equipment	37,009.11
Site Development	4,098.27
Insurance	1,108.71
Advertising	157.99
Miscellaneous	1,172.49
Total	<hr/> \$505,901.10

In addition, there are outstanding obligations of \$34,593.78. The original total appropriations were \$548,000.00, indicating a probable balance to be returned to the Town of \$7,505.12.

Respectfully submitted,  
THOMAS F. LYNCH, JR., Chairman  
ELMER S. MAPES, Secretary  
P. MICHAEL CAVALLO  
EDWARD J. HOWLEY, M.D.  
GEORGE E. LANE  
EDWARD P. HUNT, JR.  
Otto C. MASON

Building Committee for the East  
Weymouth Elementary School

---

## **REPORT OF THE SHAW-CENTER BUILDING COMMITTEE**

At the Annual Town Meeting in March, 1957 funds were appropriated for the construction of the so-called Shaw School Replacement on the site off Front Street near the Stetson Shoe Factory. Contracts were signed with the low bidders, C. A. Batson Company of Brockton on March 15, 1957 and construction began on March 22, 1957. Progress and quality of construction has been acceptable to the committee. It is expected that the school will be occupied next March. Site work will be completed this spring.

The budget adopted for this school is as follows:

General Contract	\$463,998.00
------------------	--------------

Site Development:	
Finished grading, seeding, plantings, fencing and road over the right of way	14,300.00
Other special contracts:	
Classroom casework, sound system, fire extinguishers, school name	11,900.00
Architect's and Engineer's fees	43,000.00
Clerk of the Works	5,520.00
Furniture and Equipment	32,500.00
Miscellaneous:	
Advertising, insurance, tests and borings, easement, blueprints, etc.	3,680.00
Contingency	12,102.00
Total	<u>\$587,000.00</u>

The committee in its awarding of special contracts and purchases of equipment has realized savings which will result in some return of funds to the Town.

Funds for plans and bids for the Center School Replacement were voted in the amount of \$16,000.00. The committee selected J. Williams Beal & Sons of Boston as architects. Fifteen committee meetings have been held to study the plans resulting in a compact, modern school design containing six standard classrooms, a small playroom, and accessory spaces such as principal's office, health room, teacher's room and boiler room.

Bids for construction were received on December 21, 1957. Based on the lowest bid received, that of Edward Goverman of Boston, the following budget was adopted for recommendation to a Special Town Meeting to be held on January 13, 1958.

General Contract	\$262,625.00
Site development:	
Grading and seeding, transporting surplus loam from the Shaw School site, shrubbery and fencing	7,700.00
Other special contracts:	
Mats, darkening devices, drapes, school name, plaque, lettering, lunchroom tables	7,995.00
Architect's and Engineer's fees	18,400.00
Clerk of Works	3,000.00
Furniture and Equipment	18,000.00
Miscellaneous:	
Advertising, insurance, tests and borings, etc.	1,500.00
Contingency	
Including possible rock removal	9,980.00
Total	<u></u>
Total	\$329,200.00

Respectfully submitted  
CHARLES F. ADAMS, Chairman

FRANCIS J. BUTLER, Vice-Chairman  
ELMER S. MAPES, Secretary  
THOMAS F. LYNCH, JR.  
HARLEY P. REAGH  
ARTHUR THORP  
WILLIAM A. CONNELL, JR.  
GEORGE A. HAAS, member for the  
Center School

**REPORT OF THE BUILDING COMMITTEE FOR THE  
HOMESTEAD AND POND SCHOOL ADDITIONS**

The special Town Meeting of April 29, 1957 appropriated funds for the preparation of plans, specifications and the securing of bids for additions to the Homestead and Pond Schools. For the Homestead School Addition, \$7,500 was appropriated; for the Pond School Addition, \$15,000 was appropriated.

Five members of the original building committee for these schools accepted reappointment. Two Appropriation Committee members were appointed by the Moderator to complete the committee of seven. The committee appointed the same architects who had planned the original schools, Korslund, LeNormand and Quann for the Homestead Addition and Collens, Willis & Beckonert for the Pond Addition.

Bids for the Homestead School Addition of three classrooms and a remedial reading room were received on October 26. Based on the lowest general contract bid received, that of A. Bonfatti of Norwood, the following budget was adopted and funds were appropriated at the Special Town Meeting on November 18, 1957. Construction is underway.

General Contract	\$94,821.00
Architect's and Engineer's fees	7,750.00
Clerk of the Works	1,050.00
Furniture and Equipment	6,450.00
Miscellaneous	
Advertising, blueprints, insurance, etc.	725.00
Contingency	3,204.00
Total	\$114,000.00

Bids for a six-classroom, remedial reading room and playroom addition for the Pond School, making this an 18-classroom school were received on December 21, 1957. The following budget based on the lowest general contract bid, that of C. A. Batson Co. of Brockton, was adopted for presentation to a Special Town Meeting to be held on January 13, 1958.

General Contract	\$245,989.00
Architect's and Engineer's fees	17,700.00
Clerk of the Works	3,750.00
Furniture and Equipment	8,650.00
Special Contracts	
Darkening shades and shelving	1,300.00

Miscellaneous	
Insurance, Advertising, blueprints, etc.	775.00
Contingency	4,836.00
	<hr/>
Total	\$283,000.00

Respectfully submitted,

LOUIS A. DILLON, Chairman  
 ELMER S. MAPES, Secretary  
 GRAYDON L. ABBOTT  
 WILLIAM E. LEARY, JR.  
 JAMES G. RUSSELL, JR.  
 WILLIAM F. SHIELDS  
 FRED VALICENTI

Building Committee for  
 Homestead-Pond Additions

---

### REPORT OF THE GREEN STREET BUILDING COMMITTEE

The Committee held its organization meeting on November 26, 1956. The Committee held several meetings to interview architects and visited schools built by these architects in Weymouth and other communities. On January 24, 1957 it was unanimously voted that the firm of Collens, Willis and Beckonert be engaged as architects, using the Ralph Talbot School plans with minor modifications, at a fee of 4½ percent.

Bids for the construction of the school were opened on June 7th. The lowest was \$572,000. In contrast the low bid for the erection of the Ralph Talbot School by the same contractor received on September 15, 1954 was \$469,400. After a conference with the Appropriations Committee, the Building Committee Voted to reject all bids and proceed to revise the plans.

Bids on the revised plans were opened on October 26th. The low bid received was \$513,630. A budget of \$626,000, including additional site development costs not included in the general contract of \$32,500, was adopted for presentation to the Appropriations Committee and the Special Town Meeting called for November 18th. Site costs for this project were excessively high due to the lack of loam on the site, the need for a surface water drain across the property and the construction of Merryknoll Road as a Class A street, with utilities sized for the future street, to serve as the access driveway to the proposed building.

On recommendation of the Appropriation Committee, who considered the cost too high, the Special Town Meeting failed to vote the necessary \$600,000 bond issue.

Following the November 18th Town Meeting, the Building Committee decided to again interview architects, and the firm of Collens, Willis and Beckonert declined reconsideration. On January 24, 1958 the firm of Korslund, leNormand and Quann of Norwood were engaged as the new architects for the school.

Respectfully submitted,

RALPH A. LARSEN, Chairman  
 ROBERT H. BUCHAN, Vice-Chairman  
 PERCIVAL A. AMES  
 THEODORE L. HANABURY  
 WILLIAM P. HARDWICK  
 ELMER S. MAPES, Secretary  
 WILLIAM H. MELOY
